Chapter: 20

“Manager Liu!”

Seeing the handsome man next to Yang Zihuan, the beauty stopped taking care of her for the rest of her life, so she took the initiative to greet her.

Several other sales beauties also came forward to say hello.

This handsome young man is named Liu Sizhe, the area manager of Audi Qiancheng 4s main store.

This time he will be responsible for discussing the cooperation with Sihai Group.

“Is the chairman of Sihai Group still coming?” Liu Sizhe looked at the sales beauty and asked.

“No, we have been here.” The first beauty shook her head.

Liu Sizhe nodded and turned to Yang Zihuan: “Let’s go to my office and wait.”

Liu Sizhe had just been divorced, and he was very concerned about Yang Zihuan, the former Qianghuahua.

After Gao Qing learned that Yang Zihuan was about to divorce Yu Sheng, he also became active.

Today I ran into Gao Qing and Yang Zihuan, and they talked about the new chairman of the Sihai Group. Remember http in one second: //

He bluffed for a while, and Gao Qing was so excited that he asked him to help introduce Yang Zihuan to the new chairman of the Sihai Group.

As soon as Liu Sizhe heard it, he said that the chairman of Sihai Group was going to the Audi main store at two o’clock this afternoon to discuss cooperation with him, and he asked Yang Zihuan to come with him.

Yang Zihuan didn’t want to come, but Gao Qing urged it again and again.

In addition, she also wanted to see the new chairman of the Sihai Group, and she was confused and followed.

Yang Zihuan nodded.

However, she didn’t know that the new chairman of the Sihai Group she wanted to meet was the husband she herself despised.

At this moment, Yu Sheng learned from the conversation that this Manager Liu was the person in charge with whom he would negotiate in a while, with a sneer in his eyes, and walked over.

“Why are you still leaving?” The first sales beauty frowned when she saw Yu Sheng walking over.

Liu Sizhe turned his head and looked at the rest of his life. He was so poor that he didn't take it to heart. He said to the beautiful girl: “You guys who pick up rubbish will also come in. You will offend the chairman of Sihai Group for a while. Are you responsible?”

The expressions of several sales beauties changed, and they stared at Yu Sheng with bad eyes, wishing to throw him out immediately.

“What are you doing in a daze? Why don't you hurry out?” Liu Sizhe coldly snorted.

“Yes Yes!”

Several beauties nodded in a hurry, and they were about to drag out the rest of their lives.

“The rest of my life!”

At this moment, Yang Zihuan finally found Yu Sheng, his heart trembled, and his eyes suddenly became flustered.

She didn't expect the rest of her life to be here.

“Yu Sheng, don't get me wrong, it's not what you think...” Yang Zihuan explained hurriedly.

She doesn't want to divorce Yu Sheng for the time being, and she certainly doesn't want Yu Sheng to misunderstand her.

Seeing that Yu Sheng was silent, Yang Zihuan had to explain: “My mother insisted on letting me come. Liu Sizhe said that he knew the new chairman of Sihai Group. My mother had to let Liu Sizhe introduce me to...”

You know, those thirty million things, I, I have to ask someone to ask if it is right. “

I don't know why, for the rest of his life, who was originally very angry, when Yang Zihuan Xiaoyiyi explained to him, his anger disappeared.

Although after Wang Wenxue's matter, he and Yang Zihuan have already had a nucleus.

But Yang Zihuan is after all the woman he has loved for five years.

He was also very embarrassed.

“I see.”

Yu Sheng nodded, his face returned to calm.

He also knows what virtue Gao Qing is.

“Zi Huan, who is this guy? It looks like a trash picker. How do you know this kind of person?”

Liu Sizhe asked Yang Zihuan, but looked at Yu Sheng with disdain.

From the conversation between the two people, he has guessed the identity of Yu Sheng.

But he just wanted to ask like that, and humiliate the rest of his life as Yang Zihuan’s face.

Yu Sheng’s eyes narrowed, and before Yang Zihuan could speak, he stepped forward and said: “I am her husband for the rest of his life. By the way, Zihuan is not what you should call you. Please show me respect.”

Liu Sizhe didn’t take Yu Sheng’s words seriously at all, and sneered, “It turns out that it’s Zi Huan’s humiliated husband coming to the door, who is it?”

He also took a step forward and looked at Yu Sheng: “Aunt Gao Qing told me about your situation. Soon you will be kicked out of the Yang family. When it comes to you, you will soon be qualified to call Zihuan. NS.”

His eyes were full of irony, and even more provocative.

It stands to reason that a waste can not attract his interest at all.

But Yu Sheng is Yang Zihuan’s husband. He wants to re-form a second marriage with Yang Zihuan, and he is somewhat hostile to Yu Sheng.

“Liu Sizhe, what are you talking about?” Yang Zihuan looked at Liu Sizhe with a look of dislike.

This Liu Sizhe wanted to chase her when she was in college, but it was a pity that she didn’t even like Wang Wenxue at the time, let alone Liu Sizhe, who was like a family.

Today, if her mother urged her repeatedly, she wouldn’t have come.

“Trash, because of Zihuan’s face, I won’t talk about you, but it’s better to be a little self-aware.” Liu Sizhe looked at Yu Sheng with disdain, and he hoped that Yu Sheng would break out, and then he would behave well.

It is a pity that the rest of his life just looked at him indifferently.

What fluctuates in mood.

This disappointed him.

“Ah, Zi Huan, are you coming to buy a car too?”

Just then, a crisp voice sounded.

Everyone turned their heads and looked around, and saw a beauty who was not under Yang Zihuan approaching.

The beautiful women dress stylishly and have a cold temperament. Although the figure is not as eye-catching as Yang Zihuan, the overall score is still quite high.

“Xiao Zixin, have you returned from studying abroad?” Yang Zihuan was a little surprised.

The beauty in front of her is her high school classmate and best friend. Although she hasn't contacted her in the past few years, her relationship is the best in high school.

Friendships in high school are generally more sincere than those in college.

So although the two have not been in contact for several years, the relationship is still there.

“Yeah, guess where do I work now?” Xiao Zixin asked Yang Zihuan with a smile, with excitement on her face.

Yang Zihuan shook his head.

Xiao Zixin said excitedly: “Sihai Group, secretary to the chairman, has a basic annual salary of 1.5 million yuan, and year-end bonuses.”

Good guy, it's more than half a million more than my manager, Sihai Group is really amazing!

Liu Sizhe was startled, a little envious in his heart.

Yu Sheng's eyelids twitched, and he looked at Xiao Zixin. Is this the secretary Xia Jun recruited for him?

“Congratulations, congratulations, I really envy those of you who can study abroad. When you come back, you will be the top students who are rushing to ask for.” Yang Zi smiled and praised.

“Hey, I will invite you to dinner another day.”

Xiao Zixin smiled triumphantly, and suddenly asked: “By the way, I heard that you are married, or did you hire a waste son-in-law?”

The smile on Yang Zihuan's face suddenly froze, and after a glance at Yu Sheng, it became extremely embarrassing.

Xiao Zixin saw the direction of Yang Zihuan's eyes, turned her head to look at Yu Sheng beside her, and said in surprise:

“This looks like the one who moves bricks on the construction site is not your rubbish husband, right?”
