

Dont mess 241

Chapter: 241

Puff! Puff!

When the voice fell, ten people entered the water one after another, swimming vigorously towards the island.

“come on!”

“Quick, come on!”

The people watching the game on the shore were all excited. They formed a cheerleader consciously, and they all cheered. This game is so exciting, with a 100 million bet!

“Come on, Qianshuang! Qianshuang, you are so beautiful...”

“It’s so beautiful, I don’t even think of the goddess entering the water, so charming and colorful.”

“Bai Susu is also beautiful...”

“And the beauty who came from Qiancheng, so elegant...”

Almost all the men on the shore focused on Liu Qianshuang and other beauties.

There were no swimsuits, and a few women chose to go directly into the water. At this moment, they saw that in the rippling water, after the clothes of a few women were thoroughly soaked in the water, their graceful and sexy postures were thoroughly revealed.

This figure is perfect!

“Wow, look at it!”

I didn’t know who it was, pointed at the male players, and there was an uproar immediately!

I only saw Chen Qin Shou and a young man, in order to show off their swimming skills, backstroke and butterfly strokes in the water for a while, causing everyone on the shore to applaud.

For the rest of his life, he used the most labor-saving backstroke. The backstroke was labor-saving, but the speed was not fast, but the backstroke speed for the rest of his life was not behind Chen Qinshou and others.

Seeing that Yu Sheng’s speed was not slow, Chen Qinshou’s eyes showed a touch of coldness.

But it was still too early to the end at this time, and he didn’t care too much.

He himself didn’t have a real power.

When he exerts his strength, he will definitely be able to surpass everyone in a short time.

However, at this moment, I heard an exclamation!

“what is that?”

“Gosh! Crocodile, is it a crocodile?!”

“Crocodile, there is a crocodile. Come back, swim back, hurry up!”

The ten people who were still fighting desperately for swimming, heard the shouts from the shore, and they all stopped. Looking around blankly.

On the surface of the water tens of meters away from them, a gray fin emerged from the water and was quickly approaching them.

Crocodile!

There really are crocodiles!

Seeing this, several women including Xiao Zixin and Liu Qianshuang suddenly screamed.

Even the boys face pale! The scariest thing in the shallow lake is the crocodile!

“Hurry back!”

Liu Qianshuang was anxious. Although she can swim well, she can’t swim a crocodile in the water!

At this moment, everyone panicked and ignored the game, and quickly swam to the shore!
You can't bet for 100 million, don't die!
But the crocodile got closer and closer, and he was about to catch up with a few girls!
Many people on the shore closed their eyes, afraid to watch this bloody scene!
Only two people in the audience were still calm!
Yu Sheng and Chen Qin Shou!
From the perspective of the rest of my life, I just saw the 'crocodile'.
Haha, the crocodile still has arms and legs? This is obviously a person pretending to be!
But Yu Sheng didn't understand, why is Chen Qin Shou so calm?
This kid is obviously just an ordinary person.
Ordinary people are not afraid of crocodiles?
He didn't believe it.
That said, this kid knew that this 'crocodile' was coming.
Think about it carefully and you will understand.
This 'crocodile' was pretended by Chen Qinshou.
This kid, in order to be able to win, even used such despicable means.
There was a sneer in Yu Sheng's eyes, how could Chen Qin Shou wishful?
In a blink of an eye, the 'crocodile' has rushed to the group of girls.
The three goddesses, Xiao Zixin, Liu Qianshuang, and Bai Susu, were too scared of their gestures at this time, their faces pale in fright.
"Yu Dong, save us..."
In a hurry, Xiao Zixin could only ask Yu Sheng for help, and even subconsciously broke Yu Sheng's identity.

Chapter: 242

It's just that everyone is in a panic right now, and no one can hear what she means.
Yu Sheng smiled, and immediately understood that Chen Qinshou carefully arranged the attack of the 'crocodile', and he must have wanted to show off in front of Liu Qianshuang. If so, let him go to act.
Thinking of this, Yu Sheng didn't save it.
Sure enough, at this moment, Chen Qinshou suddenly jumped out: "Don't be afraid, look at me! Bold crocodile, come and come, come and come to me!"
While talking, Chen Qinshou rushed over!
"Wow!"
"He looks a real man, so handsome."
"Is he really not afraid..."
Many girls on the shore showed nympho gazes, staring at Chen Qinshou blankly, and couldn't help applauding him.
There is no fear in the face of crocodiles. Such a man is really admirable!
But Xiao Zixin on one side didn't know why. Seeing that at this juncture of life and death, Yu Sheng didn't care about her life or death, she felt a little bit uncomfortable in her heart.
Although she knew that at this juncture of life and death, it was reasonable for the rest of her life to care about her life or death.
But her heart was inexplicably uncomfortable.
Why, at this time of life and death, Yu Dongzheng came to save himself.

But other men can come here regardless of danger...

It seems that during this period of time, I really think too much...

When Xiao Zixin was a little sad and inexplicable, the 'crocodile' swam directly towards Liu Qianshuang!

Liu Qianshuang almost paled, and her delicate body trembled: "Chen Qinshou, come and save me!"

Even though she has experienced a lot, it is a living crocodile!

Chen Qin Shou showed a slight smile, haha, it's time for the hero to save the United States soon!

Hahaha!

Today, I will not only show off his masculine side in front of Liu Qianshuang.

We have to win this game.

This is also the meaning of his deliberate arrangement.

At this time, this 'crocodile' is extremely ferocious! Rush into the group of girls, keep bumping!

But... this crocodile doesn't seem to bite people...

Several other young people suddenly discovered this problem, and gradually grew courageous and began to protect their female companions.

For the rest of his life on one side, he was lying there quietly watching the show.

At this moment, Xiao Zixin's heart suddenly chilled.

At this critical time, he didn't even think about protecting himself.

It seems that all of this is self-sufficient...

"Chen Qinshou, hurry up, hurry up!"

Liu Qianshuang couldn't be scared. How could this 'crocodile' only chase after himself?

"Qianshuang, don't be afraid, I'm here!" Chen Qinshou laughed and swam over, while pulling out the dagger.

He had prepared this dagger a long time ago!

At this time, Chen Qin Shou showed extraordinary bravery.

As if he had been beaten with chicken blood, he sneaked up to Liu Qianshuang's body, wrapped Liu Qianshuang's thin waist with one hand, and held the dagger tightly with the other hand, pointing at the 'crocodile' and cursed: "Okay. You beast, don't look at what this place is, want to hurt my friend? You are looking for death!"

While speaking, Chen Qin Shou hugged Liu Qianshuang tightly, feeling the wonderful touch, and his heart blossomed with joy.

Liu Qianshuang didn't know the truth, and was very scared at this time. He didn't even notice that Chen Qinshou was eating his own tofu.

On the contrary, due to excessive tension, she even clasped Chen Qinshou's neck with her hands tightly, and she was not moved.

Although she knows that Chen Qinshou has always been interested in herself, she has repeatedly expressed her attitude of chasing after herself in public.

But she has always had a good impression of Chen Qin Shou.

Unexpectedly, at the critical moment of her life, Chen Qin Shou was so brave, and regardless of safety, he would come to rescue herself as soon as possible.

At this moment, Liu Qianshuang was very moved.

She has even thought about it, as long as she can survive today, she will definitely agree to Chen Qinshou and associate with him.

Chapter: 243

“Stupid.”

For the rest of his life on one side, he looked at Chen Qinshou as if he was neurotic.

It's a pity that this kid isn't an actor.

The people on the shore didn't understand what had happened, and they were all stupid when they saw Chen Qin Shou bravely swimming past.

They all sweated for him, and I couldn't admire him!

Among the dozens of people present, is there a second person who has such courage?

No!

“Chen Qinshou, be careful.”

Many people shouted: “That's a crocodile!”

Chen Qin Shou's face was full of confidence, he spotted the “crocodile”, and stabbed him with a single knife!

With this knife, even the skin of the 'crocodile' has not been scratched.

But that 'crocodile' was also a actor-level task, crushing a bag of pig blood under the water, and then struggling violently.

After a while, the 'crocodile' sank until it was no longer visible.

call!

The plan was a complete success, Chen Qin Shou took a deep breath and made a look of lingering fears.

He put Liu Qianshuang in his arms and gently patted her fragrant shoulders: “Alright, there is nothing wrong, Qianshuang, with me, no matter what monster it is, don't want to hurt you.”

“thank you.”

Liu Qianshuang bit her lip and said softly.

At this moment, she realized that this man was really brave.

Wow!

Seeing Chen Qinshou easily defeated the 'crocodile', everyone exclaimed and couldn't help applauding!

“Fuck, Chen Qinshou actually killed the crocodile?”

“Is he so fierce? That's a crocodile, so awesome!”

In the hearts of everyone, Chen Qin Shou has always been the image of the son of the younger brother.

Even if he encounters danger, his bodyguards will solve it.

But the scene just now completely reorganized everyone's views on him.

So handsome.

This is the real man.

Only such a man can be worthy of a goddess!

Chen Qinshou enjoyed this feeling very much and held Liu Qianshuang tighter in the water.

“Okay, thank you, you let me go first.” Liu Qianshuang finally recovered, and said with a shy expression.

Although Chen Qinshou was a little reluctant, he knew Liu Qianshuang must have himself in his heart when he saw Liu Qianshuang's shy look.

So he let go of Liu Qianshuang.

What he wants is Liu Qianshuang's whole person, and of course he must try to make a good impression on the other party at this time.

Stains, stains, is really a good show.

Yu Sheng laughed, shit, people who didn't know thought they were watching a TV series.

With emotion in his heart, Yu Sheng turned around and swam towards Xiao Zixin.

“Zixin, nothing wrong.” Yu Sheng asked with a smile.

Xiao Zixin glanced at Yu Sheng, even if Yu Sheng was her boss, she was also disappointed at this time. Even the rest of her life at this moment was quite hypocritical in her heart. She really regretted and asked Yu Sheng to help her and play with Yu Sheng. I don't know why, at this moment, she feels a little bit to cry. "Nothing." Xiao Zixin shook her head faintly. Having said this, she no longer looked at the rest of her life, turned and swam towards the shore. She didn't want to participate in this competition. Anyway, what he has for the rest of his life is money, and one hundred million is no small matter for him. The most is to expel her for the rest of his life after returning home. But at this moment, she would rather be fired than see the hypocritical face. Seeing Xiao Zixin look disappointed, Yu Sheng was taken aback. He suddenly felt that he was a little too much just now. He just saw that the crocodile was fake, and thought that Xiao Zixin would be fine, so he didn't go to save Xiao Zixin. But Xiao Zixin didn't know that the crocodile was fake. Yu Sheng smiled bitterly, and felt that there were indeed some problems with what he had just done. He shook his head, ready to swim up to explain to Xiao Zixin. But at this moment, an exclamation suddenly came from the shore. "Another crocodile?"

Chapter: 244

"Fuck, why is there another one?" Under the exclamation of everyone, a gray crocodile appeared on the surface of the water not far away! Moreover, this time the crocodile feels like a real crocodile! However, under the exclamation, everyone present was obviously not as panicked as they were just now. After all, the crocodile just now had been easily killed by Chen Qinshou. With Chen Qin guarding, what are you afraid of? Chen Qin Shou is obviously a real master. Although they are far from the shore, as long as they hide behind Chen Qinshou, they will definitely be particularly safe. "Brother Chen, do a double kill and kill it again!" Hearing the shouts of the people on the shore, the rest of his life was taken aback. Is this kid still playing enough? How many actors did you hire? Does the same routine need to be repeated? Although the routine is good, it is meaningless if there are too many repetitions. Chen Qin Shou is also a little confused! Looking at the crocodile that appeared, he whispered in his heart: What's the matter? I only let that kid pretend to be a crocodile once, why did he come again? Damn it! its not right! This crocodile is much faster and bigger than before! Moreover, the size of this crocodile... Nima! Real crocodile, real crocodile! Damn it!

It must be the pig blood just now, which attracted the real crocodile!

“Run, swim to the shore!” Chen Qin Shou was not stupid, and suddenly shouted like crazy!

Qin Qianshuang just found some sense of security from him. At this moment, seeing him panicked, he was a little puzzled: “Chen Qinshou, why are you so panicked? Don’t you have a dagger in your hand?”

At this time, Chen Qin Shou was already scared and silly, how could he care about Liu Qianshuang, as if he had lost his soul, he quickly swam to the shore!

“Chen Qinshou, what are you doing, wait for me.” Liu Qianshuang bit his lip tightly, feeling cold, why doesn’t he care about himself?

In her opinion, in this lake, it is safest to be by Chen Qinshou’s side.

“Run, run, it’s a real crocodile! This one is not fake! If you don’t run, you will die!”

Seeing the crocodile getting closer and closer, Chen Qin Shou yelled and choked a few salivas in a hurry. He just wants to hurry back to the shore now! It’s safe to return to the shore, he doesn’t want to die here!

But Chen Qinshou’s body smelled of blood, after all, he just used a dagger. The crocodile seemed to feel it too, chasing him alone!

No matter how fast you swim, there is no crocodile fast.

“Don’t eat me, don’t eat me!” Chen Qinshou’s tears were streaming down, and he wanted to cry without tears at this time!

“Daddy Fish, Daddy Crocodile, can’t you be my grandfather, don’t eat me, I beg you!”

Chen Qin Shou shouted loudly.

Suddenly, he also felt that it was the blood of the dagger that attracted the crocodile, and immediately threw the dagger aside!

The dagger is unbiased and is falling among the girls!

The crocodile rushed over and headed straight for Xiao Zixin, Liu Qianshuang and Bai Susu!

“Chen Qinshou, you!”

Liu Qianshuang bit her lip tightly, she never thought that Chen Qin Shou actually led the crocodile to herself!

Until this time, the fool understood that Chen Qin Shou was just pretending to be a comparison! The crocodile just now is fake, this one is real!

“what!”

And Xiao Zixin’s beautiful face was already pale with fright.

Seeing the crocodile rushing over, the speed could not dodge at all, she was completely desperate!

It’s over...

Is this life coming to an end...

Three stunning beauties, at this moment, all desperate to the extreme!

Chapter: 245

At this moment, everyone covered their mouths, and their eyes were full of horror.

Some timid people even screamed out in fright!

The crocodile’s blood basin had opened its mouth wide, and it bit Xiao Zixin abruptly!

“what!”

Xiao Zixin closed her eyes tightly, desperate to the extreme.

She was floating there, already waiting for death.

But she didn’t even dream about it, but she still didn’t fall down because of the big mouth.

She slowly opened her eyes, and the scene before her completely shocked her!
Not only her, the audience took a deep breath at this time, silent!
I saw Yu Sheng riding on the crocodile, grabbing its upper and lower jaws with both hands.
What? !
Confused, silent!
When a needle falls on the ground, you can hear it clearly!
Everyone was shocked by this scene!
It was shocking!
For the rest of his life, the strength of his hands was so terrifying, even stronger than the biting force of a crocodile!
If this is a miss, it will be over!
The crocodile shook violently, with sharp and bloody teeth, trying to bite off Yu Sheng's hand.
But no matter how much force it exerts, it just can't bite.
"Swim to the shore, what are you doing here?"
Yu Sheng glanced at the three women of Xiao Zixin and shouted loudly.
Although he is a warrior, this is a crocodile with amazing bite force.
When it takes a bite, the human leg will be bitten off by it.
Although he forcibly grabbed the upper and lower jaws of the crocodile, the crocodile continued to struggle, and his internal energy consumption was also very large.
If he couldn't hold on for a while, he himself would have the confidence to get rid of the crocodile, but the three of Xiao Zixin would definitely not do it.
"But, you...what do you do..."
Xiao Zixin's body trembled, and for some reason, her eyes were sour and tears burst out!
At this moment, she finally knew that she had just misunderstood the rest of her life.
Yu Sheng had just seen that the crocodile was fake and couldn't hurt himself, so he didn't come to grab the limelight with Chen Qin Shou.
But I blamed him...
"Chairman, I'm sorry, I just blamed you..." Xiao Zixin was quite regretful in her heart.
"What are you in a daze, do you want to die!"
The rest of his life was a little angry. The more fierce the crocodile struggles, the faster his strength will be consumed!
If you don't leave yet, are you really afraid of death? !
Hearing his roar, Xiao Zixin bit her lip, but her heart felt warm.
She knew that she was here, she could only add chaos, she could only pray in her heart, and then quickly swam to the shore.
"You, you have to be careful..."
Liu Qianshuang said to Yu Sheng, and followed Xiao Zixin to the shore.
Bai Susu came back to his senses, took a deep look at Yu Sheng, and quickly swam past.
Then everyone reacted and swam to the shore one after another!
"Emmmmm!"
The corner of the crocodile's mouth was broken by Yu Sheng, and blood flowed out.
It let out a dull hum, and swam desperately to the bottom of the lake.
For the rest of my life, I dared not lose it easily, and was taken into the bottom of the lake by a crocodile...

At this time, Yu Sheng let go of the crocodile. He felt that under the water, he might not have been able to do such a big thing.

But what he didn't notice was that when he released the crocodile, the crocodile did not attack him, but pretended to sneak into the bottom of the lake to escape.

But the next moment, it quickly swam in the direction where the three women were walking.

It is very fast, and when it reacts for the rest of his life, it is already two or three feet away.

Everyone is going to the shore at this time.

But only Liu Qianshuang was physically exhausted and had some cramps, and only traveled one-third of the distance.

But whether it was Chen Qinshou or other young people, there was no one to help Liu Qianshuang, instead he swam directly to the shore.

Chapter: 246

Seeing the crocodile break free for the rest of her life, Liu Qianshuang was completely shrouded in panic. Under the huge panic, she only felt that her legs were weak.

"Quickly, swim to me!" Yu Sheng shouted.

Hearing his shout, Liu Qianshuang recovered a bit sober, and quickly responded, and then swam hard, but some of her legs were too slow.

At this time, everyone on the shore, seeing this situation, was anxious, especially those suitors of Liu Qianshuang, who wanted to go into the water to save the beauty immediately.

But thinking of the cruelty of the crocodile, these people dismissed the idea again and had to stand on the shore and command loudly at her.

"Qianshuang, the crocodile is behind you, swim!"

"It's less than five meters away from you, hurry up!"

At this time, Yu Sheng was also quickly swimming towards Liu Qianshuang.

His body is like your swordfish, and he swishes out a few meters away.

At this time, Chen Qin Shou turned his head to see Yu Sheng's swimming speed, and his heart was shocked to the extreme.

He could tell right away that the swimming speed for the rest of his life was at least twice his speed!

Damn, if this game goes on, how can I beat him?

Dad Crocodile, please give me a bite to eat this horrible bite!

Chen Qinshou shouted in his heart.

But as soon as he saw the goddess he liked, he had to be eaten by the crocodile. Chen Qinshou felt inexplicably uncomfortable.

There are only a few women like Liu Qianshuang in Qian Province, which is a pity.

Damn, how come there are real crocodiles in this lake.

What a damn bad luck!

Finally, the crocodile chased behind Liu Qianshuang, opened his blood basin and took a bite.

Its speed is very fast, and this bite just bit Liu Qianshuang's left foot.

When everyone saw this, they covered their mouths with their hands, and even exclaimed.

Liu Qianshuang also felt the strangeness behind him, and suddenly turned his head back, suddenly frightened, and screamed.

Just when she thought she was going to finish.

Suddenly, a hand grabbed her shoulder and yanked.

She still didn't react, only feeling that her body was being pulled forward by a strong force. Then, he crashed into a broad arms.

At the critical moment, Yu Sheng pulled Liu Qianshuang out of the crocodile's mouth, and Liu Qianshuang slammed into his arms.

Especially with too much force, Yu Sheng hugged Liu Qianshuang and jumped into the lake. Although the two of them were a little embarrassed, they were still a little apart from the crocodile. It also gave the rest of my life time to react.

After Liu Qianshuang choked a few sips of water, she looked even more exhausted. She just felt that she was about to faint.

But when she felt a pair of big hands put her arms around her, she suddenly felt a sense of security in her heart.

Upon seeing this, Yu Sheng had to press her right hand on her lower abdomen, continuously pumping internal force into her body from her dantian acupoint.

Dantian is still three fingers down from the belly button.

The palm of Yu Sheng's hand was a bit big, pressing on her Dantian acupuncture point, Liu Qianshuang's face suddenly showed a red glow, and she was embarrassed.

Just when she was about to scold Yu Sheng, she suddenly found an inexplicable warmth flowing from Yu Sheng's palm into her body. Her exhausted body was magically full of power.

This this.....

What's happening here?

She stared at Yu Sheng blankly, shocked.

Chapter: 247

At this moment, the crocodile quickly chased him.

It might also be starving, and opened its mouth to bite Liu Qianshuang again.

Liu Qianshuang screamed, but Yu Sheng threw her behind him, then grabbed her with both hands and grabbed the crocodile's jaws again.

"I'll stop it for you, you swim back to the shore." Yu Sheng turned around and said to Liu Qianshuang.

At this moment, Liu Qianshuang's body trembled violently!

Since childhood, there has never been a strange man who cared about her so much! Especially in this extremely dangerous situation.

She looked at Yu Sheng deeply, and saw that Yu Sheng's hands holding the crocodile's jaws were pierced by the crocodile's sharp teeth.

At this moment, her heart trembled, and she felt extremely distressed.

He He.....

"You, you must be careful!"

Liu Qianshuang cried distressed.

But she knew that she would not be able to help the rest of her life if she stayed.

On the contrary, it will only get in the way, and may even harm the rest of your life and yourself.

After taking a deep look at Yu Sheng, she turned and swam frantically to the shore.

Wow!

At this moment, the crocodile was very angry and took Yu Sheng to swim quickly to the bottom of the lake.

This time, for the rest of his life, he won't let go again.

He was going to work hard to kill the crocodile with his bare hands.

He didn't believe it anymore, with his slow and constant internal strength, this crocodile could not be consumed.

Seeing Yu Sheng being dragged into the bottom of the lake by a crocodile, Chen Qinshou was delighted.

Although leaving Liu Qianshuang just now made her very unhappy, it is better than losing her life!

The rest of his life must be over, he must die in the lake!

When other people saw this, they also called out in shock.

Obviously, they had hatred and resentment with Yu Sheng, and when they saw that Yu Sheng was the real man, many people admired Yu Sheng in their hearts and hoped that he was safe.

Especially the girl that caused her, it was even more emotional.

Since ancient times, heroes have always been the prince charming in the hearts of young girls.

"For the rest of your life, don't have anything to do, you must come out alive!"

Xiao Zixin stood on the shore, ignoring the drops of water on her body, looking at the sinking lake Yu Sheng and the crocodile with a worried expression on her face.

"Zixin, let his family know, at the bottom of the lake, how could he be the opponent of the crocodile, he must be dead!" Zhou Hai said gleefully.

"Shut up!" Xiao Zixin turned her head and glared at Zhou Hai. ,

From that moment, I hated a man so much.

And he is Zhou Hai!

Zhou Hai's expression changed, and he coldly snorted, "He was about to die, and the scum on his bones would be eaten by the crocodile."

He said, snorted coldly, and retreated to Chen Qinshou.

Looking at Xiao Zixin's attitude anyway, he shouldn't have another chance.

"It's over, it seems that this kid won't survive." Chen Qinshou said gloatingly.

"Hoho, who told him to be capable, he must definitely die." Zhou Hai also smiled.

Those Zhou Hai, Chen Qin Shou and others who had a good relationship, all looked gloating at this time.

Bai Susu really couldn't stand it anymore, and mocked: "Some people are dead, but they are lighter than feathers, and some people are dead, but heavier than Mount Tai. If they hadn't tried to catch the crocodile for the rest of their lives before, could you swim ashore safely?"

Is it okay to be an individual? Why do you want others to look down on you? "

Hearing Bai Susu's words, everyone looked at Chen Qinshou, Zhou Hai and others with a little contempt in their eyes.

Everyone is a rich second generation, but at this time they all look down on Chen Qin Shou.

Not everyone is as cruel and ruthless like Chen Qin Shou and the two.

Chen Qinshou and Zhou Hai were very angry when they saw this.

But looking at the contempt in everyone's eyes, they all chose to be silent, and they didn't say anything too much.

Chapter: 248

"For the rest of my life, I believe you, you will be fine!

You must be able to kill the crocodile and come out alive! "

Looking back at Yu Sheng disappearing into the lake at this time, Liu Qianshuang's heart trembled.

Although she kept comforting herself for the rest of her life, she would definitely be fine, but in her big beautiful eyes, tears were rushing through her eyes.

Even, gradually, seeing Yu Sheng still not coming up, she actually cried.

Why?

Why don't good people get good rewards!

It can be said that her life is completely given to her for the rest of his life.

If it were not for Yu Sheng twice to rescue her from the crocodile's mouth at the critical juncture, at this time, she must have become a food in the crocodile belly!

Liu Qianshuang sobbed, despair gradually emerged in his heart, almost unable to swim out again...

Is he... really dead?

No, no, he will definitely not die...

While swimming towards the shore, she looked back at the place where she had sunk for the rest of her life, her heart getting colder and colder...

"Don't watch the show anymore, go and save people, save people!"

Suddenly, Xiao Zixin shouted at everyone around her.

Everyone looked complicated, their eyes dodged, not looking at Xiao Zixin.

Are you crazy, who can go and save? A crocodile more than three meters long, who would dare to go and die?

Xiao Zixin didn't give up. She put on her high heels, walked a few steps forward, and came to Zhou Hai's body, and knelt down with a bang: "Zhou Hai, I beg you, go down and save the rest of your life, too. I was dragged down by the crocodile in order to save the talent, please."

Others, Xiao Zixin is not easy to force, can only pin their hopes on Zhou Hai.

Zhou Hai smiled bitterly, and made a very sad look: "Oh, the rest of my life, I am also very uncomfortable, but I am not well watered, and besides, it is a crocodile, even if I go down, it will be dead in vain. ."

He said so, but he was indescribably excited and proud.

Hearing these hypocritical words, Xiao Zixin shook her body, completely desperate.

"Zhou Hai, don't you like me? As long as you go down to save the rest of your life, I will be your girlfriend. Don't worry, Yu Sheng and I are not boyfriend and girlfriend at all, we are just colleagues!"

Xiao Zixin gritted her teeth and said coldly.

Zhou Hai was shocked, thinking of everything before, it turned out that Xiao Zixin and Yu Sheng had partnered to deceive herself.

He looked at Chuchu's pitiful Xiao Zixin with rain, and he was a little moved.

But he can't save the rest of his life.

Unless he really wants his life.

Thinking of this, Zhou Hai sneered and said, "Xiao Zixin, you killed the rest of your life!

You have to let him serve as a wrigley for you, let's do it now, kill him, you will probably live in the shadows for the rest of your life. "

Anyway, he couldn't save the rest of his life, and Xiao Zixin couldn't be her girlfriend, and Zhou Hai was a little bit reckless.

Hearing this, Xiao Zixin's eyes burst into tears.

I wanted to refute, but I couldn't say a word.

The rest of my life was really killed by myself!

At this time, she blamed herself very much.

But what's the use?

The water was extremely calm, only blood came up.

Yu Sheng and the crocodile have not emerged for two minutes.

No one knows that at this moment, the rest of his life is underwater, almost exhausted!

Relying on firm willpower, he wrestled with the crocodile underwater.

Although embarrassed, the crocodile was also very miserable.

The corners of its mouth had been forcibly torn open by Yu Sheng. Not only was it severely painful, it was also getting bigger and bigger.

Otherwise, its skin was too tough, it would have been torn into two pieces by Yu Sheng's bare hands.

But watching the crack in the corner of the crocodile's mouth widened, Yu Sheng was confident that he would soon be able to tear it open.

"Drive me!"

For the rest of his life, seeing that the mouth had been cracked by about ten centimeters, the crocodile was suffering from severe pain, and the strength of resistance was not enough, and he knew that the time had come.

He suddenly screamed in his heart, transferred the internal strength of his body to his hands, and tore it with all his strength!

Chih!

Under his fierce tearing, Ruo the big crocodile was directly torn into two parts by him...

Chapter: 249

If people on the shore saw this scene, they might be shocked and speechless.

Shredded crocodile!

This is too domineering!

"What's the situation? Why is there so much blood?!"

Everyone on the shore was stunned. They couldn't see the water, only the blood floating on the water, more and more.

"That guy was bitten to death..."

In the crowd, no one said anything.

The next moment, Liu Qianshuang, who had just swam to the shore, burst into tears!

No, he is dead, he is dead!

He is a good man, he is a hero, and he will not die!

Then, Xiao Zixin's head roared and almost fainted.

Bai Susu and other young men and women with a little conscience mourned in silence.

Inexplicably uncomfortable.

I died for the rest of my life to save them...

Yue Feng's appearance clearly appeared in front of her eyes. Three years, three years of marriage, bit by bit, like a movie, showing in my mind!

You can't die, you can't die! I still don't love you so much, don't you scare me... can't you scare me...

"The rest of my life!"

Xiao Zixin ran to the shore, watching the blood-stained lake surface, tears flowing freely.

She cried with rain, and slowly squatted down by the lake. Scenes from the past came up, and the tears seemed to be unstoppable!

"I forbid you to die, you hear nothing, you hear nothing..."

Her voice is getting smaller and smaller, and she has a little strength.

She didn't know why, but she was extremely uncomfortable and depressed to the extreme.

It's like losing the most precious thing in life.

"Who said I was dead?"

At this moment, a domineering laughter suddenly came.

Looking around, Yu Sheng slowly showed his head in the sea.

He was stained red with blood, but his right hand was holding the crocodile's body.

The crocodile, more than three meters long, had its body torn into two parts, and only a small part was connected together, so he was dragged to the shore!

"Is this grilled fish enough?" Yu Sheng smiled.

The sound is not loud, but it spreads clearly throughout the audience!

In the sun, he is so dazzling.

Silent!

Seeing Yu Sheng dragged the crocodile more than three meters ashore, everyone was stunned.

"Gudong!"

I don't know who it is, and he swallows!

This, how is this possible! Is that human being?

Really, really killed the crocodile?

Torn in two?

Everyone thought of the final scene of Yu Sheng being pulled into the bottom of the lake by a crocodile, and suddenly they thought about the scene of Yu Sheng being at the bottom of the lake, tearing the crocodile by hand.

What an invincible thing that is, how overbearing it is!

The gazes of dozens of people gathered firmly on Yu Sheng, their gazes were full of surprise, shock, and incredible!

This.....

"The rest of my life!"

Xiao Zixin cried with joy, and couldn't believe her eyes.

But that smile was not fake, she stood up immediately and was about to run to Yu Sheng.

But saw another figure faster than her.

"It's great that you are dead!" Liu Qianshuang ran to Yu Sheng for the first time, a little excited to say no time.

This is the hero who saved her life twice.

"I have a long life, and Hades didn't dare to accept it." Yu Sheng laughed.

Liu Qianshuang nodded, but he didn't know what to say, and the whole person suddenly seemed a little cramped.

Xiao Zixin, who ran over a step late, just looked affectionately at Yu Sheng, and there was joy in seeing it, and some unexplainable feelings.

"For the rest of my life, thank you before!"

At this time, Bai Susu and others also came over to thank Yu Sheng. They looked at the crocodile in Yu Sheng's hand, and they still had some lingering fears.

If it weren't for him, everyone would feed the crocodiles.

Chapter: 250

The three most beautiful women went over and asked warmly, so that all the men present were envious.

Chen Qinshou, Zhou Hai and others are even more black and charcoal.

“Burn the fire, I will grill the crocodile for you to eat.” Faced with the caring inquiries from the three girls including Xiao Zixin, Yu Sheng smiled and said in a relaxed tone.

This crocodile is full of treasures, it can't be wasted.

Especially internal organs and blood are good things for refining pills.

The crocodile's meat can replenish vitality, it can be said to be a great tonic.

The crocodile is the only animal on the earth that does not suffer from cancer, and its lifespan far exceeds that of the tortoises and soft-shelled turtles known for their longevity.

There is an optimized nucleic acid in the crocodile. Regular food can replenish qi and blood, strengthen muscles and bones, and expel dampness. It has a good auxiliary effect on cough, asthma, rheumatism, anemia, diabetes, cancer, etc.

Crocodile oil contains peculiar and powerful repairing and regenerating ingredients.

Another feature of crocodile oil is that its physical and chemical properties are very similar to that of human fat, so it has good permeability and is easily accepted and absorbed by the human body.

After the crocodile oil with powerful repairing ingredients penetrates into human skin, it will soon stimulate human cells to secrete cell reconstruction factors, break down aging and damaged cells, promote metabolism, enhance cell vitality, rapidly proliferate, and gradually heal wound defects. complex.

This is an excellent main material for refining healing pills. During this time, he has been studying the Nine Profound Heaven Scriptures, and Yu Sheng has also learned about the alchemy technique. Among them, there are many pills that he can refine now.

By the way, crocodile oil can also stimulate the body's immune cells to produce antibodies, improve immune function, swallow germs and viruses, and reduce skin infection and inflammation.

Therefore, it has the effect of improving symptoms and smoothing scars for dry and cracked skin, erosion, frostbite, burns, mosquito bites, athlete's foot, etc.

The internal organs of crocodile can treat diabetes, blood can treat breast and stomach cancer, liver can improve eyesight, skin and bone can stop and stop bleeding.

So these are the best materials for refining several kinds of pill.

This is why Yu Sheng wanted to drag the crocodile body from the bottom of the lake.

Of course, he couldn't finish eating so much crocodile meat, just so that these people could taste the delicious crocodile meat.

“This, can you, can you eat it?” Xiao Zixin asked curiously.

“Yes, it eats human flesh and animal flesh. Will it be all poisonous in his body?” Liu Qianshuang was also a little confused.

Don't say they have eaten them, they know little about crocodiles.

Today is the first time I met in reality.

I have only seen some pictures on TV before.

“Baidu is a good thing, check it out yourself.” Yu Sheng laughed.

Xiao Zixin and others didn't have their mobile phones, but others had their mobile phones.

Upon hearing this, they took it out and checked.

“Ah, the whole body of a crocodile is a treasure, and the meat is a great tonic. It says that the crocodile liver and intestines are soaked in the chicken soup together with the bamboo life. It is delicious and sweet, plus a variety of mushrooms and seasonal melons. Fruit, with the crocodile's various internal organs, it tastes fragrant and elastic, and it tastes absolutely delicious in the world!”

“The taste of roasting is also excellent.”

Someone exclaimed.

“Really?”

After hearing the words, everyone went over and took a look, and then one after another went to pick up dry wood to make a fire, ready to have a taste of this world.
