

Dont mess 291

Chapter: 291

Master Qin was so scared? !

The people at the scene were a little dumbfounded,

What kind of person is Master Qin, who has just been run away by a young man, who is this year?

At this moment, everyone's eyes watching Yu Sheng changed again.

With the final hammer drop of the auctioneer, Yu Sheng finally succeeded in photographing the final piece for the price of 100 million.

After paying and getting the goods, Yu Sheng was about to leave.

At this moment, Magnolia came over.

"That Qin Daoran is not an ordinary person. I don't think he will give up and he will make trouble for you. You must be careful these days." Bai Yulan reminded kindly.

At today's auction, Yu Sheng is undoubtedly their main customer of He Fengtang. She does not want anything wrong with Yu Sheng from the bottom of her heart.

Yu Sheng smiled and said, "There are too many people who are troubled by me. There is no more than one, and a lot less than him."

Seeing Yu Sheng's indifferent appearance, Bai Yulan asked curiously: "I have been a little curious about a question. If it is not right, you don't need to answer it."

She stared at Yu Sheng's eyes and asked in a low voice, "Are you really the son-in-law of the Yang family?"

Yu Sheng glanced at Magnolia and chuckled, "Yes, I am very famous in Qiancheng."

Magnolia was a little surprised for Yu Sheng's frankness.

But at the same time, she was also very curious in her heart.

Since Yu Sheng is the son-in-law of the Yang family, why is he so rich?

She also knew about the Yang family. Now, let's not say that the Yang family spends money on the door-to-door son-in-law. It is estimated that their family has to borrow money from others to spend it.

This guy must be more than just a door-to-door son-in-law, or, a door-to-door son-in-law, is he just a means to cover people's ears?

Successfully photographed Xie Zinggu. For the rest of his life, he did not return to the company, but went to the Sakura Club.

Sakura will be transformed, the backyard becomes Yu Zhong's martial arts training school, occasionally Du Fei and others will also accompany Yu Zhong to practice in the backyard.

With Yu Zhong, a real powerhouse, Du Fei asked one or two tricks, which was also infinitely beneficial.

Xie Zinggu is one foot long, and it only takes a short cut to solve Zhang's affairs.

For the rest, Yu Sheng absorbed all his inner spiritual power, making the inner power in his dantian more refined.

The strength of strength is mainly divided by the strength of internal strength.

Of course, if you still have exquisite moves, as well as absolute seconds, then it is a magic weapon to win.

After practicing a punch in the backyard and thoroughly refining the absorbed spiritual power into internal power, Yu Sheng left the Sakura Club.

His elder brother Yu Xuan is about to bring Ji Tian, the number one strongman in the Yu family, to come to him, and he has to prepare too.

In order not to let Yu Xuan find him and go to his family to vent his anger, he was prepared to act high-profile in the past two days.

As for the Zhang family's affairs, he plans to help them solve it twice a day.

...

Zhangjia.

Qin Daoran was sitting on the Grand Master's chair in the main hall at this time, his face was gloomy, and he didn't say a word.

Next to him is his little junior sister Ye Qiuxia.

They came to Qiancheng for two purposes.

One is to relieve the bones, because that is the key thing for their master to break through the realm of the master, and they must get it.

The second is to kill the person who broke the curse of their master.

But he didn't expect to kill for the rest of his life halfway through, disrupting their plan, and making him gritted his teeth with hatred!

But what made them gratified was that the rest of his life who disrupted his plan was the one they wanted to kill on this trip.

This is also a coincidence.

Zhang Daoyi stood by, standing with his hands down.

Longhushan was famous, and Zhang Family certainly recognized Qin Daoran, and they all stood aside respectfully.

In fact, when they also asked Longhushan's Fengshui master to do things for them, they just didn't want to come.

Chapter: 292

Zhang Shengquan smiled complimentarily: "I didn't think that Master Qin would come to the humble house. Zhang is really lucky for Sansheng, Sansheng is fortunate!"

Qin Daoran took a sip of tea unhurriedly, put the cup on the table, and said slowly.

"I heard that your Zhang family had previously visited Longhushan to invite us to do things for your family? I happened to ran into Master Zhang at the auction, and he invited me to show your family fortune."

Zhang Shengquan was overjoyed. Although Yu Sheng said that he would help them solve it quickly, and that the evil spirits would be completely broken after 49 days, he was afraid of changes after such a long time.

"Master Qin, please take your time!"

Qin Daoran nodded and said, "If I was wrong, your Zhang family has been in bad luck over the past two years. I am afraid that someone in the family has an ominous thing. There was a bloody disaster last year. As for this year..."

After he finished speaking, he looked around pretending to be mysterious, and sighed: "I think your Zhang family's fortune has come to an end. If this continues, the house will be ruined and the family will be destroyed, and the family will be destroyed!"

As soon as he finished speaking, Zhang Shengquan's face paled, and his heart was even more pleasantly surprised.

In that case, the son-in-law of the Yang family didn't even lie to them.

You know, he put the entire family's wealth and life on Yu Sheng's body.

Even in order to gain the trust of Yu Sheng, he even gave Yu Sheng his one billion credit card. Zhang Shengquan hurriedly said respectfully: "Master Qin, you really deserve to be an expert in Longhushan. My Zhang family is indeed in bad luck. Please help!"

Everyone in the Zhang family was also surprised!

Master Qin was really an expert, and he was all right.

There is still no reply from Yu Sheng, and Zhang Shengquan has long waited impatiently.

If this matter is not resolved in a day, it is like a sharp sword hanging over his head all the time, making him dare not even out the door.

But now, the famous Longhushan Master Qin personally came to the door, he seemed to have caught the straw, and quickly asked: "Master Qin, do you have a solution?"

"There is a way, of course."

Qin Daoran said slowly, and suddenly frowned: "But I think your house, I'm afraid that there has been a magical trick that deceives the crowd recently, which has broken Feng Shui.

This is speeding up the demise of your Zhang family. If you let him continue to entrap them, I am afraid that your Zhang family will all die within half a year! "

In fact, Qin Daoran learned from Zhang Daoyi that his family asked Yusheng to do it.

At this time, it happened to pour a basin of dirty water on Yu Sheng, and he also pulled the Zhang family to his side for his use.

The rest of his life turned out to be a Feng Shui master, which made him a little restrained.

After all, he is not stupid, a person who can break the curse that his master has laid down for many years is an incompetent person.

Therefore, before the Yusheng opponent, he also needs to have an in-depth understanding of Yusheng.

If you don't say that your brothers and sisters can't complete the task, you might suffer a big loss.

"What, the magic stick?"

Zhang Shengquan was stunned for a while.

Recently, the only one who showed Zhang Family Feng Shui for the rest of his life.

Moreover, he believes that Yu Sheng is not a sacred stick, but a person with real knowledge like Master Qin.

He was extremely convinced of Yu Sheng, and quickly said: "Master, can you read it wrong? There was indeed a Master Yu who helped me resolve it, but his methods are very effective and should not be a magic stick."

Qin Daoran snorted coldly and shouted: "A person who pretends to be a god and tricks a ghost is best at deceiving an ignorant person. If you are willing to believe him, someone Qin will leave!"

"Master Qin stayed."

Zhang Shengquan panicked, and hurriedly stopped: "Master, please enlighten me, what is wrong with Master Yu's method?"

Chapter: 293

"You bring a bowl of water." Qin Daoran glanced at Zhang Shengquan and said proudly.

Zhang Shengquan was puzzled, and quickly ordered someone to bring a bowl of water over.

Soon after the water came, Qin Daoran took the clear water to mutter a word, melted a few talisman on the water, and then flicked the water on Zhang Shengquan's eyelids.

Zhang Shengquan's heart was shocked, but suddenly his face changed drastically. He was frightened by what he saw, and he backed away again and again.

“Master, this, what is this...”

He suddenly saw that his house was covered with a strange layer of black smoke!

Looking at the people of the Zhang family again, I saw a wisp of gray life on their heads, and the faces of the people were pale, just like a group of zombies.

Qin Daoran glanced at Zhang Shengquan with disdain, then hummed: “You see these are the evil spirits, this evil spirits envelop your Zhang family, and your Zhang family will die soon.”

Zhang Shengquan was a little bit suspicious, and asked, “Master, why can’t I see it before, but I can see it now?”

Qin Daoran sneered: “This is because I just opened the sky eye for you. The sky eye is effective within ten minutes. You can see this within these ten minutes.”

Zhang Shengquan no longer doubted it, and fell into a chair in fright, and quickly saluted Qin Daoran:

“Master Qin, you must save my Zhang family!”

Qin Daoran waved his hand and said: “It’s nothing to worry about if it’s a mere evil thing. It’s a good fate to meet Young Master Zhang today, but I will help you get rid of this evil thing.”

“Thank you, Master Qin, Master Qin is the great benefactor of my Zhang family!”

“Master Qin is the great benefactor of my Zhang family!”

Zhang Shengquan and other members of the Zhang family saluted Qin Daoran one after another.

Without a word, Qin Daoran walked out of the hall and walked a few steps in the courtyard. He took out a safety talisman and handed it to a member of the Zhang clan.

Zhang Shengquan suddenly saw that this peace talisman was emitting a faint golden light, and the golden light immediately diminished the lifelessness on the head of that tribe.

Zhang Shengquan was overjoyed and convinced him with sincerity.

Qin Daoran flicked his hand in front of Zhang Shengquan, and everything Zhang Shengquan had just seen disappeared and returned to its original state.

“This this.....”

Zhang Shengquan was in a cold sweat and hurriedly said, “The master is really a god! If there is a master, the danger of my Zhang family must be solved!”

“What is the mere evil? Since I, Qin Daoran, made the move, of course there will be nothing wrong with your Zhang family.”

Qin Daoran spoke proudly, and took out dozens of safety charms and handed Zhang Shengquan: “You order the people of the tribe to carry them with you, and you will naturally resolve the bad luck.”

Zhang Shengquan took it gratefully, and hesitated: “I wonder how much the master will be paid?”

Qin Daoran waved his hand: “Resolving bad luck is also a merit, and I don’t take any money. As long as you call that god stick, you can.”

That magic stick? Master Yu for the rest of his life?

Zhang Shengquan was startled, a little embarrassed.

Although Master Qin is very interested, he believes that Master Yu is also a real person.

As soon as Master Qin came in, he kept saying that Master Yu was a sacred stick, and his eyes were even more disdainful. This was obviously called Master Yu, and he wanted to humiliate Master Yu.

In any case, Master Yu is also a kind person to his Zhang family, which can hardly stop him at once.

“Master, how about I tell you Master Yu’s residence?” Zhang Shengquan didn’t want to offend Yu Sheng, let alone offend Qin Daoran, he had to come up with the best of both worlds.

Chapter: 294

Qin Daoran's face sank, a flash of coldness flashed in his eyes, Zhang Shengquan saw it, and a chill rose in his heart inexplicably.

At this moment, Zhang Daoyi next to him couldn't help but said: "Second Uncle, I said Yu Sheng was a liar! He took our family's money, and he didn't know where to go happy! The money must be brought back. Otherwise, sue him for fraud! Let him live in jail for a lifetime!"

Zhang Shengquan looked back at Zhang Daoyi, but Zhang Daoyi was not afraid, and then said: "Second Uncle, don't you know, that kid Yu Sheng used the credit card you gave him today to auction a lot of his own personal belongings at Hefengtang." It even spent a hundred million to snatch Master Qin's favor, and directly angered Master Qin. The card must be taken back, or one billion is not enough for him to spend a few days indiscriminately."

Zhang Shengquan was startled, and immediately understood why Master Qin wanted to help them with the Zhang family.

It turned out that Master Qin also wanted to relieve his bones.

Master Yu should have said that the solution to the bones of Zhang's family is to solve the bad luck of my Zhang family. It seems that Master Yu did not break his promise. He took pictures to understand the bones of Zhang's family, and it must be to help my Zhang family solve the trouble.

But even though Master Qin was upset with Master Yu, he could help Zhang solve the bad luck of my family. This really made me dilemma.

Zhang Shengquan was struggling very much in his heart. These two masters were both truly capable people, and he dared not offend anyone.

Zhang Wanqiu, who was next to him, frowned. For some reason, she felt that Master Qin looked more like a liar.

For the rest of his life, apart from being the son-in-law of the Yang family, it was a little bit confusing, but it seemed so bad, and in many cases, he could give people a sense of incomprehensibility, especially his eyes, like one. The bottomless lake water.

"shut up."

Zhang Shengquan gave Zhang Daoyi a fierce look, feeling a little annoyed. How could this nephew not understand his wink at all?

He turned and respectfully said to Qin Daoran: "Master Qin, Yu, Master Yu is also a kind person to me..."

"Don't you believe that he lied to you Zhang Family?" Qin Daoran sneered.

"What does the master mean?" Zhang Shengquan frowned slightly.

Qin Daoran sneered and said, "I heard that he photographed the stubborn bones in order to dissolve the evil spirits of the Zhang Family for you, but is it true?"

Zhang Shengquan nodded.

"The auction took place in the morning. It's already night. Why doesn't he come to your Zhang family?"

Qin Daoran said.

"This..." Zhang Shengquan suddenly became suspicious in his heart.

Yes, it's been almost a day since Master Yu took pictures of Xie Zinggu. Why didn't he come to help me Zhang Family?

Is it true that as Master Qin said, he really lied to my Zhang family?

Qin Daoran glanced at Zhang Shengquan and sneered: "The bones of Xie Zhe are the bones of ancient divine beasts. They are the treasures of the world. They are of great benefit to warriors. Every warrior wants to get them. On the contrary, it can't solve the evil spirits at all.

I can conclude that there is no money for the rest of his life, but he knew in advance that Hefengtang

was going to auction the Jiezhigu, so he designed to cheat you on the Zhang family so that you can give him the money to take the picture of the Jiezhigu.”

Zhang Shengquan was startled, the more he thought about it, the more he felt that Master Qin was right.

“Second Uncle, Master Qin is a well-known master in Longhushan. How can a liar like Yu Sheng compare? This time Master Yu took action and all the problems in our family were solved. The key is not to spend a penny!”

“Master Qin doesn’t charge any money, but Yu Sheng cheated our family a lot of money, and even took our family’s credit card and used our family’s credit card to madly spend money to take pictures of his favorite things. This is simply a scam! You too, how can you? Give him so much money, if this spreads out, the people in Qiancheng will say that our Zhang family is a fool.”

Zhang Daoyi said very upset.

“Zhuzi is hateful, dare to lie to my Zhang family, my Zhang family will not spare him!” Zhang Shengquan no longer doubted it, and said angrily.

Chapter: 295

Zhang Shengquan became more angry the more he thought about it.

Yu Sheng lied to him not to tell him, and used his money to take pictures of Zigu and not to do anything for his family. It was really deceiving!

More importantly, Master Qin didn’t take a cent, and that damn door-to-door son-in-law cost him more than 100 million in one day.

The more you compare, the obvious who is a liar.

“Second Uncle, I will now take people to find the waste of soft food, and get the money back!

Otherwise, if we let him run away, our loss will be too great!” Zhang Daoyi said angrily.

“That surnamed Yu is a master of martial arts, aren’t you going to find death?” Qin Daoran glanced at Zhang Daoyi and said disdainfully.

“Master Qin, how can that be good?” Zhang Wanqiu asked.

She also believed that Yu Sheng must have lied to her Zhang family, which made her feel even more angry.

The key point is that she was also convinced of Yu Sheng to persuade her father to seek the rest of his life. She can be said to be very adoring for Yu Sheng.

Didn’t think of...

After pondering, Qin Daoran turned to Zhang Shengquan, and said, “Yu Sheng is obviously a martial arts master. Don’t offend him first. You can tell him that something happened in your family again. You said it is critical. Please ask him to help you again. We will set up a net of heaven and earth with my junior sister, so that he will come back and forth.”

“Tonight?” Zhang Shengquan asked.

Shaking his head, Qin Daoran said, “It must be too late tonight, tomorrow night.”

“Okay, then thank Master Qin a lot.” Zhang Shengquan nodded and saluted.

After Qin Daoran and his younger sister were settled, Zhang Shengquan returned to the room and was so angry that he even smashed a vase of hundreds of thousands.

The little son-in-law who came to the door actually bullied him on the head of the Zhang family, which is directly unreasonable!

Tomorrow night Master Qin will subdue the soft-boiler, he will definitely break the trash legs by himself!

...

Yu Sheng was waiting for his elder brother Yu Xuan to come to Qiancheng. So far, he didn't go to work, but at the Sakura Club. He also asked Du Fei to arrange someone to stay at the airport and notify him as soon as Yu Xuan showed up.

But he waited for a day and didn't see Yu Xuan coming.

This made him a little puzzled. Could it be that Fu Renxue's failure last time scared Li Hongsu and made Li Hongsu change his mind?

To be honest, it is not time for him to go to Beijing to find Li Hongsu for revenge. He still tends to let Li Hongsu come to Qiancheng to find him.

After all, this is his home court, and everything is under his control.

It is easy for him to control the whole situation in his hands.

In the afternoon, seeing Yu Xuan still not showing up, he picked up his son and went back.

In the evening, when the family had just eaten, they heard a knock on the door.

Yang Zihuan went to open the door and saw that it was the Patriarch of the Zhang family.

"Is Master Yu there?" Zhang Shengquan asked with a smile.

In order for Yu Sheng to go to his house in person, he had to come personally to invite Yu Sheng.

"I'm here, what happened?" Yu Sheng said before Yang Zihuan could answer.

Zhang Shengquan heard Yu Sheng's voice and walked in and said anxiously, "Master Yu, it's not good.

The talisman you gave to our house suddenly ignites spontaneously. At this moment, my Zhang family is enveloped in a yin and evil spirit, which is very terrifying. , Master, please be sure to save my Zhang family!"

"What, Fu spontaneously burned?"

For the rest of his life, it was the first time he heard of this kind of thing. Could it be that the evil thing broke through the suppression of his talisman paper and came out as a demon?

"Yeah, I must avenge my Zhang Family!" Zhang Shengquan was worried and afraid, and even his voice was trembling.

Chapter: 296

"Ah? Are there really any ghosts?" Yang Zihuan and Gao Qing's expressions changed, and they were a little scared in their eyes.

Ghosts are generally only folk rumors, and they have never heard of it. ,

Especially in recent years, the society has become more and more developed. Many people have forgotten about ghosts and ghosts.

"Yes, when I came, I still heard strange noises on the roof of my house, but I couldn't see what it was.

If you don't believe me, you can go and see with me. Now my Zhang family villa is completely shrouded in gloom and horror!" Zhang Shengquan said in horror.

Yu Sheng stared at Zhang Sheng between his eyebrows, his face also changed.

He opened his heavenly eyes, and he saw that Zhang Shengquan's eyebrows were indeed between the evil spirits.

What surprised him most was that Zhang Shengquan's vitality was lost, and within two days, his vitality would disappear and he would die.

"It's not too late, I'll go and see with you now." Seeing Zhang Shengquan's change, Yu Sheng didn't doubt it anymore, put down his chopsticks and stood up and said.

Originally last time he drew a magic talisman to suppress it, even if there was no relief, the evil spirits

would dissipate after forty-nine days.

Unexpectedly, from Zhang Shengquan's eyebrows, he discovered that things seemed to be getting worse.

"Master Yu, thank you so much!" Zhang Shengquan was startled, thinking that Yu Sheng would not even eat any food, so he went back with him. Could it be that I missed him?

Impossible, Master Qin is the real master, that is the expert on Longhu Mountain, this kid is obviously a door-to-door son-in-law, and the previous tricks are all deceptive tricks.

After a little hesitation in his heart, Zhang Shengquan shook his head secretly, believing that Yu Sheng must be a liar.

Otherwise, why didn't he mention anything about the sorrow, this kid is a liar.

"Will it be dangerous?" Yang Zihuan said subconsciously.

That is a ghost after all.

Is he really good for the rest of his life? If it's a ghost or something, will it...

Yang Zihuan was really worried for the rest of his life.

Yu Sheng looked at Yang Zihuan. At this moment, he could feel that Yang Zihuan really cared about him.

"Nothing, believe me, the ghost will run away when they see me." Yu Sheng smiled and said.

"Don't you pretend to die? Do you have any abilities, don't we know? Don't let the ghosts come to harm us." Gao Qing said strangely.

She doesn't care about the life and death of the rest of her life.

She was just worried that the rest of her life would be fucked by a ghost and hurt them.

She didn't believe what supernatural master would be for the rest of her life.

Hearing Gao Qing's words, Zhang Shengquan had no doubt that Yu Sheng was a liar.

There was a quick flash of cruelty in his eyes, and after a while, as long as Master Qin subdued Yu Sheng, he would personally interrupt Yu Sheng's legs.

Even his Zhang family dare to lie, he must make this kid regret coming to this world!

Zhang Shengquan was also a cruel character when he was young. He was the only one who bullied people. He couldn't swallow this breath if he didn't reconcile hard for the rest of his life.

Yu Sheng looked back at Gao Qing and walked outside without any explanation.

Seeing Yu Sheng stubbornly going, Yang Zihuan wanted to say something, but in the end he didn't say anything.

"Did you move my magic talisman?" Yu Sheng asked Zhang Shengquan when he went downstairs. If the Zhang family hadn't touched the magic talisman, it would certainly not have happened.

"There is no, there is really no. We have been following the master's instructions, and no one has ever approached the spirit talisman and jade plug." Zhang Shengquan hurriedly shook his head.

Yu Sheng glanced at Zhang Shengquan and said no more.

But yesterday Zhang Daoyi dared to fight against him. Most of it was Zhang Daoyi's embarrassment.

After he went back, he tore his charms.

Soon after arriving at Zhang's house, Yu Sheng suddenly narrowed his eyes when he saw the brothers and sisters of Qin Daoran.

He looked back at Zhang Shengquan next to him, and said with a faint smile, "Is Patriarch Zhang specially set a banquet for me?"

Chapter: 297

Zhang Shengquan was silent, and the smile on his face gradually became indifferent.

“Yu Sheng, what a beast, you deceived my head, and this young man is going to interrupt your dog legs personally today!” Seeing Yu Sheng’s arrival, Zhang Daoyi was the first to rush over, raising the steel pipe in his hand. Smashed down for the rest of his life.

Yu Sheng’s face sank, he raised his hand and slapped it.

“Snapped!”

Zhang Daoyi snorted and was directly drawn out several meters away.

“Just because you dare to do it with me?” Yu Sheng said with disdain.

Everyone in the Zhang family was furious, clamoring and rushing towards Yu Sheng.

“Okay, just rely on your three-legged cat skills, don’t go up to give people a head.”

At this moment, Qin Daoran Master Qin said leisurely.

“Retreat to me!” Zhang Shengquan also knew that Yu Sheng was not an easy one, and suddenly shouted.

Everyone in the Zhang family was shocked and retreated.

Zhang Daoyi got up from the ground, bloodshot at the corner of his mouth.

He wiped the bloodshot from the corner of his mouth, staring at Yu Sheng, threatening: “Boy, you dare to hit me, this young man will let you crawl out today!”

Although he was screaming fiercely, he didn’t dare to be wild anymore at this time.

Yu Sheng moved his eyes from Qin Daoran and Zhang Shengquan, and said coldly, “Patriarch Zhang, please give me an explanation.”

After Yu Sheng’s indifferent gaze was swept away, Zhang Shengquan shuddered subconsciously and was speechless for a while.

“Yu Sheng, you’re a fucking stick, pretending to be a fool to trick my second uncle! You fucking cheated my Zhang family’s credit card and took it to the auction to put a lot of money on it. You’re a fucking beast!” Zhang Daoyi shouted angrily .

“Yu Sheng, because I trusted you so much before, I even convinced my dad to ask you to help our family solve the evil things. If it hadn’t been for Master Qin to see through your tricks today, our Zhang family would still be kept in the dark by you!” Zhang Late Autumn stared at Yu Sheng angrily, with sorrow, disappointment and regret in his heart.

If she hadn’t trusted too much for the rest of her life, she wouldn’t be the same again!

“For the rest of my life, I will put the words here today. If you don’t return my credit card as soon as possible to compensate for the loss of my family, you will not be able to get out of this yard today!”

Zhang Daoyi shouted again angrily.

Yu Sheng still looked at Zhang Shengquan.

Zhang Shengquan gritted his teeth and said coldly, “Master Yu, shouldn’t you give me an explanation?”

“I will explain to you?”

Yu Sheng laughed, took out the black card and threw it to Zhang Shengquan, and sneered: “It cost your house more than 100 million points? Give me the card number, and I will transfer it to you now.”

Since the Zhang family was going to die, he didn’t want to control it anymore.

Zhang Shengquan caught the black card, his mind was shocked, and he suddenly became suspicious. Could it be that I am really suspicious?

Seeing that Yu Sheng was actually willing to return the over 100 million spent to their home, Zhang Daoyi and the others were startled.

Isn’t this kid the son-in-law of the Yang family?

Where does he have so much money?

Zhang Wanqiu also stared at Yu Sheng in a daze. Like her father Zhang Shengquan, he was also a little confused.

The rest of his life was too simple, but the Zhang family couldn't believe it.

That's more than 100 million.

For his door-to-door son-in-law, it was a huge sum of money!

"How much is spent in total? You must have a consumption record on your phone, plus the bracelet you gave to my mother-in-law before. Even if it is five million, let's do it quickly. I have to go back to eat." Yu Sheng said indifferently.

"Yu, Master Yu, I want to ask a question." Zhang Shengquan said Weiwei.

"Ask." Yu Sheng became a little impatient.

"Didn't you take pictures of understanding the bones yesterday? You said that you would buy the bones to explain the evil things to my house. Why have you not come to my house today?" Believe that Yu Sheng deceived his family.

Yu Sheng looked at Zhang Shengquan, and the corner of his mouth pulled out a touch of disdain: "I'm doing things for the rest of my life, but it's your turn to question? What are you?"

Zhang Shengquan's heart was shocked. For the rest of his life at this moment, the indifferent aura on his body made him a little scared.

"Boy, don't be prestigious in front of ordinary people. Let's settle our grievances first."

At this moment, Qin Daoran let out a cold snort and stepped forward to look at Yu Sheng.

Chapter: 298

"Our grievances?"

Yu Sheng turned around, looked at Qin Daoran, and sneered: "Okay, how do you want to solve it?"

Qin Daoran smiled disdainfully: "Aren't you claiming to be a Feng Shui master? Come on, let's try and see who is the best."

"What kind of stuff are you? Why should I compare with you?" Yu Sheng sneered.

Seeing that Yu Sheng didn't dare to gamble, Qin Daoran felt more confident and didn't get angry. , How about giving me the Xie Zinggu you auctioned off?"

Although the purpose of their brothers and sisters is to kill the rest of their lives, they will not rush to make a move before they can get the help of the bones.

That relief of the bones is also the treasure that their master wants to get.

Yu Sheng looked at Qin Daoran for a while, and then smiled, "Okay, then I'm just as you wish. You can make a comparison."

Seeing Yu Sheng agreed to come down, Qin Daoran was overjoyed and said, "First take your relief bones and let me have a look."

Yu Sheng sneered, and showed Qin Daoran the little half of his bones left behind.

Since Qin Daoran wanted to die, he fulfilled him.

"Isn't there one foot left yesterday? Why did you make this point?" Qin Daoran asked angrily when he saw that the Xie Zhe in Yu Sheng's hand was only one-fifth of yesterday's.

For the rest of his life, he shook his bones, and smiled lightly: "That's the only thing left, or you can change your gambling money to 100 million."

"Where are the rest?" Qin Daoran asked angrily.

"I used it."

The rest of his life spread his hands and jokingly said: "There is only this left. If you want to try, I will draw down the road as soon as possible. If I don't try, I will leave."

Qin Daoran was so angry that he didn't think that the rest of his life would have used up most of his bones. It was damned!

But this is still useful, and he must also get it.

Qin Daoran's eyes flashed a bit of cruelty, and he said in a deep voice, "Boy, don't you know how to use Feng Shui? The evil thing, you lose."

Yu Sheng looked at Qin Daoran and then between Zhang Shengquan's eyebrows, and immediately understood how Qin Daoran was going to break this evil thing.

He smiled and said: "Okay, you break it."

"Junior sister, bring my peach wood sword."

Then he looked at Zhang Shengquan, "Go and prepare three sticks of incense, a purple gold incense burner."

"Good master." Zhang Shengquan was overjoyed, and immediately walked into the house, and was ready soon.

After a while, the incense burner was inserted with sandalwood, and the clear smoke curled up.

Qin Daoran raised the peach wood sword, muttering words.

Zhang Shengquan, who was standing next to him, felt dizzy for a while, as if several shots were put in his head, and his temples jumped suddenly.

He endured it for a while, really couldn't stand it, and begged: "Master Qin, how long will it take to break this...?"

Qin Daoran snorted coldly: "What's the hurry, your family's Yin Qi is very heavy. This is a vision. It will take time to get rid of the Yin evil. Please bear with it for the time being."

Seeing Qin Daoran say so, Zhang Shengquan could only bite the bullet and endure it.

But the more he endured, the more uncomfortable he felt all over, not only was he nauseous, but he also suffered from severe pain in his head.

But he could only clen his teeth and insist on not letting himself sit down.

Qin Daoran didn't care about Zhang Shengquan, took a sip of water, sprayed it on the mahogany sword with a "poof", and swung the sword to cut off the rising smoke.

Just as the wooden sword swept across the smoke, Zhang Shengquan suddenly felt as if his head had been hit hard, his throat was sweet, a mouthful of blood spurted out, and he sat down on his butt.

"dad!"

"Second Uncle!"

"Patriarch!"

Everyone in the Zhang family rushed forward and held him in a hurry.

At this moment, Zhang Shengquan's face was gray, and he didn't even have the strength to speak.

"Master Qin, how could my dad be like this?" Zhang Wanqiu asked anxiously.

Chapter: 299

Looking at Zhang Wanqiu, Qin Daoran's expression remained unchanged, and said, "Your Zhang Family's yin spirit is too heavy. I broke it with fierce Feng Shui technique, and your Patriarch naturally bears the brunt. The yin at home is also gone."

Zhang Shengquan dragged the sick body quickly, struggling to thank: "Thank you, Master Qin, for breaking the evil. Zhang is indebted."

After his blood spurted out, he did feel a lot more comfortable in his body.

Not only that, everyone in the Zhang family also felt the changes in their bodies, and they quickly thanked Qin Daoran.

At this moment, all the Zhang family respected Qin Daoran to the extreme, and when they looked at the rest of their lives, all of them were full of disdain.

“Dad, let’s go sit there.” Zhang Wanqiu assisted Zhang Shengquan and walked aside.

At this time, Zhang Daoyi turned his head to look at Yu Sheng, and said provocatively: “Shen stick, how about it? Master Qin is the real Feng Shui technique. Then this liar, quickly return the money from our Zhang family.”

Yu Sheng curled his lips and said with disdain: “The money can be paid back to you, but Zhang Shengquan is afraid that his life will be spent...”

“What!” Zhang Shengquan turned around when he heard the words, and was suddenly shocked.

Yu Sheng glanced at him coldly and said, “Look at your palm, is there a red line.”

Zhang Shengquan’s face was ugly, and he quickly turned his palms up, and was stunned.

I saw a faint red line on his palm.

This red line starts from the lifeline of the palm and extends to the arm!

Zhang Shengquan was shocked: “What is this, I didn’t have it before!”

Yu Sheng said coldly: “This is your lifeline, which corresponds to the divine light of your Yintang. The Zhang Family is so angry that Qin Daoran’s method is to use your life to resolve it!

At this time, your Yintang divine light has been cut by his sword, so your lifeline has appeared.

Three days later, this red line extends to your elbow, and then you will be dead! Use the virtues accumulated in your life to do good deeds to change the line of Zhang family for continuation. ”

When Zhang Shengquan heard this, he was shocked to stay there.

Zhang Wanqiu was also flustered, and quickly looked at Qin Daoran.

She knelt on the ground with a thud, and begged Qin Daoran: “Master Qin, please, save my dad again!”

Qin Daoran looked arrogant and sneered: “The Dao Fa has been out, how can it be taken back? Use Zhang Shengquan’s life in exchange for your family’s life, you should thank me.”

Zhang Wanqiu’s face turned pale, and he suddenly felt regretful.

Zhang Shengquan was even more ashamed, with no love in his heart.

The other members of the Zhang family looked heavy, and even showed sadness.

The Patriarch sacrificed himself in exchange for the lives of all of them. At this moment, they were not only sad, but also grateful.

But Zhang Wanqiu didn’t want her father to die. She bit her lower lip and struggled for a long time before she knelt in front of Yu Sheng and said: “Master Yu, please, save my dad...”

Yu Sheng glanced at her and said calmly: “Since your Zhang family chooses to believe in Qin Daoran, then it has nothing to do with me. Report the card number and I will pay you back.”

The Zhang family did it by themselves, and of course he didn’t want to help them anymore.

Zhang Wanqiu’s eyes were red, and he gritted his teeth and said, “If you can save my dad, I will promise you any request you have... or even go to bed with you!”

In order to save her father, she was also willing to fight.

Yu Sheng could call Po Qin Daoran’s Feng Shui technique at a glance, and she firmly believed that Yu Sheng would definitely be able to save her father.

Yu Sheng smiled and said: “What interest do I have in your body...”

Zhang Wanqiu’s face was pale, and his heart was even more embarrassed.

She is the eldest lady of the Zhang family. Not only is she one of the rare beauties in Qiancheng, she is also versatile. She didn't even think of Yu Sheng but insulted her like this...

Zhang Shengquan ran over, knelt in front of Yu Sheng, and cried out, "Master Yu, I am bewildered by lard. It is Zhang Daoyi, a mourning star who deceives me!"

As he said, he pulled Zhang Daoyi away, and slapped him desperately on his face.

Zhang Daoyi dodged again and again, and Zhang Shengquan couldn't get him even more at this time.

"Niezi, stop for me!" Zhang Shengquan was furious.

Zhang Daoyi's father sighed and was speechless for a while.

Zhang Wanqiu gritted his teeth again, grabbed Yu Sheng's leg, and cried, "Master Yu, please save my dad, please..."

Chapter: 300

Stay unmoved for the rest of your life.

At this moment, Qin Daoran said proudly: "Boy, you lost."

Yu Sheng sarcastically said, "You are also considered to have broken the evil spirits of the Zhang Family? Could it be that your so-called master of Longhushan is such a group of people breaking evil?"

"you wanna die!"

Being ridiculed by Yu Sheng, Qin Daoran suddenly shouted angrily: "Yu Sheng child, dare to insult me Longhushan, you are looking for death!"

Feeling the murderous in Qin Daoran's eyes, Yu Sheng narrowed his eyes.

Qin Daoran wanted to kill him?

Yu Sheng looked at Qin Daoran, and then at Ye Qianxia next to him, with some doubts in his heart.

These two people actually want to kill themselves? Is it just for this cut?

If so, this Dragon Tiger Mountain is too arrogant, and worthy of being called Dao Sect Holy Land?

"Boy, you don't have to be suspicious, the old man is going to kill you today!" Seeing the doubt in Yu Sheng's eyes, Qin Daoran smiled viciously.

"Kill me? Just for this little bit of help?" Yu Sheng laughed.

"Boy, did you break a curse for the Xiao family last month?" Qin Daoran sneered.

For the rest of his life, he suddenly understood.

He had been thinking about who would curse Xiao Zixin's house before. He only guessed that the other party was a master of Taoism, but he did not think it was Dragon Tiger Mountain.

"Ho, ho ho, the curse of the Xiao family turned out to be yours. I always thought that Longhushan was a sacred place of Taoism, but I thought of using curses to deal with ordinary people. It's an evil way." Yu Sheng laughed ironically.

Senior brother Qin Daoran turned blue, with murderous eyes in her eyes, staring at Yu Sheng fiercely, and said: "Boy, break my master's curse and humiliate my long and tiger mountain reputation, no one can save you today!"

"There are too many people who want to kill me, but you absolutely can't." Yu Sheng said with disdain.

"Okay, very good!" Qin Daoran took out a black porcelain altar from the box beside him as soon as he finished speaking.

A few big black mosquitoes flew out of the altar and bite when they saw people.

Several people in the Zhang family were bitten, and they cried and called their mother in pain.

When the others saw this, they screamed and ran away, their eyes full of panic and fear.

Zhang Wanqiu, who was kneeling in front of Yu Sheng, was dumbfounded, "This...what is this?"

At this moment, the mosquitoes ate the flesh and blood of Zhang's family members, and immediately expanded rapidly, and then burrowed out countless tiny black mosquitoes from the flesh!

Qin Daoran took out a magic talisman and smashed it at Yu Sheng, and suddenly, a yin wind blew by, and the black mosquitoes quickly flew towards Yu Sheng.

Zhang Wanqiu, who was kneeling in front of Yu Sheng, trembled, and actually sat paralyzed in front of Yu Sheng, his eyes full of horror.

For the rest of his life, his expression changed, and a murderous intent flashed in his eyes, and he said in a cold voice: "The dignified master of Dragon Tiger Mountain still raises the corpse Gu. It seems that your Dragon Tiger Mountain is really an evil place!"

He had already seen that these little mosquitoes turned out to be corpses!

The corpse gu originated from Miao, and it is extremely poisonous. As long as it is bitten, it is painful, and the bitten place will decay quickly. If it does not detoxify within a day, the whole body will be rotten to death.

"Boy, the corpse gu of this deity is made from a baby. It is extremely poisonous, and the middle one will undoubtedly die within an hour." Qin Daoran laughed and said cruelly.

The young men in the Zhang family who were bitten by the mother's Gu trembled even more, and they knelt down and begged Qin Daoran for help.

"Master Qin, spare your life, my Zhang family has no grievances with you!"

"Master Qin, please forgive us, we will give you how much you want!"

"Master Qin is good!"

The Zhang family kept kneeling down to Qin Daoran and begging for mercy, but he discovered that the black mosquitoes that flew to Yu Sheng had bypassed Yu Sheng and flew towards them one meter away. In this scene, the Zhang family's legs were frightened and they got up one after another and ran away screaming.

This scene also made Qin Daoran dumbfounded.

"Why? Why the hell is this? This is impossible!"

He stared at Yu Sheng fiercely, and said angrily: "Yu Sheng child, what demon technique did you use on earth?"
