

## Dont mess 391

### Chapter: 391

哐！

With the sound of a bone being crushed, Zuo Jun fainted in pain.

Upon seeing this, his little brothers looked ugly, but they didn't dare to step forward to help.

Liu Hua and Wu Juan's eyes widened, their legs trembled.

They are all a little scared, afraid that the rest of their lives will find them to settle accounts.

From start to finish, for the rest of his life, he never looked back at Zuo Jun.

He got into the car and greeted Gao Xiaoxiao and Li Kai who were still in a daze.

In the co-driver's room, it took Gao Xiaoxiao a long time to come back to his senses. Looking at Yu Sheng's profile, his eyes were full of worship.

She knew that her cousin's husband was not an ordinary person, and she didn't think she had really guessed it.

Now, she finally knew why Mr. Zhang was willing to give the rest of her life a monthly salary of tens of millions.

"You will find me tomorrow afternoon." Yu Sheng said when he sent Li Kai downstairs to his house.

Tomorrow morning he will send Gao Xiaoxiao to Zhang's Jewelry for an interview first, and plan to go back in the afternoon to arrange work for Li Kai.

Li Kai nodded and got out of the car.

Then Yu Sheng sent Gao Xiaoxiao back.

"Come out to wait for me tomorrow morning at 8 o'clock, I'll pick you up." Yu Sheng said when he arrived at the door of Gao Xiaoxiao's house.

"Brother-in-law, can you help me arrange a job in your company?" Gao Xiaoxiao said suddenly before getting off the car.

She is now more and more curious about Yu Sheng. She just wants to be in the same company with Yu Sheng to see what kind of person Yu Sheng is.

"I can't arrange it, I only have a good relationship with Mr. Zhang." Yu Sheng directly refused. He thought it would be good now. If Gao Xiaoxiao is allowed to work in his company, she will find out his identity sooner or later. Then Yang Zihuan and others will not. Do you know everything?

"All right. Brother-in-law bye."

Gao Xiaoxiao was a little disappointed, and then got out of the car.

Watching Gao Xiaoxiao walk into the community, he left the fire for the rest of his life.

...

The next day, Yu Sheng first sent Xiaoshui to school, and then went to pick up Gao Xiaoxiao.

During peak work hours, it was very congested, and I arrived at Gao Xiaoxiao's door at half past eight.

After receiving Gao Xiaoxiao, Yu Sheng took her to apply for a job at Mingzhu Jewelry.

Mingzhu Jewelry is the best-performing branch of the Zhang family, and many people can't get in if they want to.

When he arrived in the lobby, Yu Sheng waited for Gao Xiaoxiao in the lobby and asked Gao Xiaoxiao to apply for the job in the personnel department.

At this time, Liu Hua and Wu Juan also saw Yu Sheng and Gao Xiaoxiao. Seeing Yu Sheng sent Gao Xiaoxiao for an interview, both of them were a little surprised.

What happened last night is still vivid, and the extremely powerful Zuo Jun was planted in Yu Sheng's

hands. They once thought Yu Sheng was a big man.

But today when I saw Yu Sheng sent his cousin for an interview, I suddenly felt that they had deified Yu Sheng last night, and Yu Sheng was nothing great.

Thinking of this, the two went straight to Zhou Qiang's office.

Zhou Qiang is their university classmate and the lobby manager of this company.

They are here to join Zhou Qiang. Their relationship with Zhou Qiang has been very good, and they are ready to let Zhou Qiang arrange a better position for them.

At this time, Zhou Qiang was leaning on the chair and smoking and watching the live broadcast on the mobile phone. The awkward molesting female anchor, Wu Juan and Liu Hua came in, and he put away the mobile phone and chatted with them.

After chatting for a while, Wu Juan suddenly said: "Zhou, do you know who is here?"

"Who?" Zhou Qiang asked puzzledly.

"The rest of my life, that's the rest of my life who robbed Yang Zihuan." Wu Juan said.

She knew that Zhou Qiang had always liked Yang Zihuan in college, and he had chased him several times, but in the end he lost to Yu Sheng, which made Zhou Qiang always worry about it.

Even when a few of them gathered together many times, Zhou Qiang would show strong hatred whenever Yang Zihuan was mentioned.

"Yu Sheng? That doesn't even want the dignity of a man, do you want to be a waste of the door-to-door son-in-law of the Yang family? What is he doing in our company?" Zhou Qiang asked with some surprise.

After losing to Yu Sheng, Zhou Qiang always felt that it was the most failed thing in his life.

After so many years, in fact, he still has the obsession of forgetting to retaliate for the rest of his life.

If there is a chance, he will definitely retaliate for the rest of his life.

Let Yang Zihuan keep his eyes open and take a good look, who is the real man compared to him in Yu Sheng.

"Yes, he brought his cousin to the interview." Wu Juan said.

## **Chapter: 392**

"Bring his cousin to the interview?"

A flash of disdain flashed in Zhou Qiang's eyes, and he smiled: "What's his cousin's name?"

"Gao Xiaoxiao." Wu Juan said.

Liu Hua also took the opportunity to say: "Mr. Zhou, Li Kai invited us to drink yesterday. For the rest of his life, the waste is too pretentious. He said that you don't have to go. Or he has to teach you a lesson and let you see who I was qualified to have Yang Zihuan. I was vomiting at the time and despised him.

That kid went crazy with alcohol and slapped me on the face. What a fucking arrogance!"

"Yeah, Mr. Zhou, you have to give us this breath today. Last night he was beaten by him when we talked for you," Wu Juan also said.

Zhou Qiang didn't know whether it was true or not, but the words of the two immediately made him feel the urge to surge.

It is really unreasonable to think of Yu Sheng's waste, and dare to fall him behind.

"Don't worry, didn't he bring his cousin to the interview? I just pass it." Zhou Qiang sneered.

"I think it's more interesting if you don't want his cousin in front of him." Wu Juan's eyes flashed harshly, and she was very upset when she thought that they were so scared by Yu Sheng last night.

And her good friend Han Lili had her legs broken even more. These were all because of the rest of her life.

“Well, you guys wait here first, I’ll go and reject my cousin Yu Sheng first.” A ruthlessness flashed in Zhou Qiang’s eyes, and he got up and walked out.

Both Wu Juan and Liu Hua showed a gleeful smile on their faces, and then walked out, they were going to see with their own eyes how Zhou Qiang humiliated the rest of their lives.

Zhou Qiang came out of his office and went straight to the personnel office.

“Zhou is good.” The head of the personnel department in charge of the interview saw Zhou Qiang and hurriedly greeted him.

Zhou Qiang nodded, looked at Gao Xiaoxiao, and a flash of surprise flashed in his eyes.

But thinking that she was Yu Sheng’s cousin, he sneered in his eyes.

He walked to the chair and sat down, looked at Gao Xiaoxiao and asked, “What is your name?”

Gao Xiaoxiao looked at the supervisor who was interviewing, and the supervisor said, “This is our general manager Zhou.”

Upon hearing this, Gao Xiaoxiao hurriedly replied: “Hao Zhou, my name is Gao Xiaoxiao.”

Zhou Qiang nodded, picked up Gao Xiaoxiao’s resume and looked at it. He couldn’t help frowning and said, “She is a recent graduate, applying for a supervisor?”

The personnel director nodded and said: “It was arranged above.”

Zhou Qiang was startled, not thinking that Yu Sheng’s waste would still have something to do with their company.

But what about it? Lao Tzu is about to join Zhang’s board of directors. Isn’t he still able to avenge this bit?

He pulled out a sneer at the corner of his mouth, and then said: “You go out, I’ll come for this interview.”

“This is not good.” The supervisor looked at Zhou Qiang hesitantly.

This is the interviewer who asked her to come to the interview, and she has to explain it to him.

“What’s wrong, my dignified general manager, can’t even the master do this?”

Zhou Qiang’s face became cold, and he stared at the supervisor and said: “Besides, you are the supervisor, and she is also applying for the supervisor. Do you think you are capable of interviewing her?”

The supervisor looked a little ugly, but Zhou Qiang was in a higher position than her, and she had also heard that Zhou Qiang was about to join the board of directors soon. She did not dare to say anything in front of Zhou Qiang.

After the supervisor went out, Zhou Qiang looked at Gao Xiaoxiao’s resume again.

“Who is yours for the rest of your life?” Zhou Qiang smiled faintly.

Gao Xiaoxiao thought that Zhou Qiang also knew Yu Sheng, so she said excitedly: “He is my cousin.”

Zhou Qiang said with a smile and said without a smile: “Well, I looked at your resume, which is actually quite good. In fact, judging from your resume, your job as a director of our company is completely unproblematic.”

Gao Xiaoxiao was overjoyed, who wouldn’t want to be praised and recognized by the leader.

Moreover, this supervisor has a monthly income of 10,000 yuan, which is her pursuit and desire since she went to school.

“However, because you are Yu Sheng’s cousin, our company can’t admit you. I’m really sorry.” Zhou Qiang smiled faintly.

“Wh, what?” Gao Xiaoxiao looked confused, and the whole person was still a little unresponsive.

Isn't this job a relationship that my brother-in-law is looking for? Why is it not working today?  
This person is obviously targeting the brother-in-law.

"Oh, that's the case, that would bother me." Gao Xiaoxiao was very disappointed in her heart, and turned around and walked outside.

"By the way, your brother-in-law is just a wasteful eater, what can he have to do? If I guess wrong, he probably did it to pretend to be in front of you and lie to you." Zhou Qiang looked at Gao Xiaoxiao's back. , Said with a smile that discriminated against.

Gao Xiaoxiao was startled, without turning his head, and went straight down the stairs.

But she obviously believed Zhou Qiang's words in her heart, and she was very sad.

Yes, you said yes yesterday, why is it not working today?

Obviously the so-called Mr. Zhang was asked by Yu Sheng to deceive them.

How about the boss of a company that can earn ten million a month for the rest of his life?

The more she thought about it, the more she felt that Yu Sheng was really a big liar, deceiving everyone. Seeing Gao Xiaoxiao coming down with an unhappy expression, Yu Sheng couldn't help but ask: "What's the matter? Have you ever had an interview?"

"Yeah." Gao Xiaoxiao nodded, feeling very disappointed, and walked straight past Yu Sheng, even too lazy to talk to Yu Sheng.

"Wait, I'll call to ask what's the situation?" Yu Sheng was a little surprised, he didn't believe Zhang Shengquan dared to play with himself.

"Liar, you have to ask yourself, I won't believe you anymore." Gao Xiaoxiao said aloud, and walked in and out of the Pearl Jewelry Company.

After chasing it out for the rest of his life, Gao Xiaoxiao was crying with red eyes.

"Don't worry, I will do your job for you." Yu Sheng said.

"You are a big liar, I will never believe you again!" Gao Xiaoxiao cried as she said, she stopped a car and left directly.

Maybe it was because I had too high expectations for Yu Sheng before, but now I suddenly found that Yu Sheng was a liar, and the gap was a bit big, so she couldn't adapt to it for a while.

Yu Sheng frowned, he got into the car before he took out the phone and called Zhang Shengquan.

"Master Yu? Are you here? I'll be there soon."

As soon as he connected, Zhang Shengquan explained in a hurry: "I'm really sorry, I was a few minutes late when I went out, and I met the morning high bee. It was too congested, but I will be there soon. Wait a minute."

Yu Sheng said indifferently: "Zhang Shengquan, don't fucking act for Lao Tzu anymore. Who gives you the courage, even I dare to play?"

Zhang Shengquan, who was driving on the other side, almost ran into someone in fright. He said with a stunned look: "Yu, Master Yu, what's going on, I'm really stuck in a traffic jam, and I haven't gotten to the company yet. I think you still don't have any. When I arrive, I won't call you in advance to make it clear."

Yu Sheng frowned and said coldly: "My cousin was brushed off by you just now in the interview, you really don't know?"

"what?"

Zhang Shengquan was shocked when he heard that, and hurriedly said, "Master Yu, I think there must be some misunderstanding in this matter. Please give me half an hour, and I will give you a satisfactory answer!"

Damn, I just want to cheer Master Yu, just want to hug Master Yu's thighs, and don't think that the people in my company will find things for myself. Isn't this framed me?

"Okay, I'll give you half an hour, and I'll wait for you at the door of your company." Yu Sheng snorted coldly, and he wanted to see how Zhang Shengquan gave him an explanation.

After Yu Sheng hung up, Zhang Shengquan hurriedly called the head of the personnel department.

"Did the person I asked you to interview yesterday come today?" Zhang Shengquan asked, suppressing the anger in his heart.

"Mr. Zhang, is that Gao Xiaoxiao? She just came and I passed her, but Manager Zhou Qiang Zhou suddenly came and asked him to come for an interview. He directly rejected the other party, saying that Gao Xiaoxiao is not eligible to join our company. ." said the head of the human department.

"I'm fucking fucking, Zhou Qiang hurt me!" Zhang Shengquan yelled and hung up the phone with a bang. The personnel supervisor was taken aback and looked at the phone in a daze, feeling at a loss for a while.

Zhang Shengquan arrived at the company. Because of excessive anger and worry, he didn't even see the R8 next to his parking lot. He got out of the car in a rage and rushed directly into the company.

His assistant hurried to follow, and his heart was very angry.

#### **Chapter: 394**

At this time, Gao Xiaoxiao was driven away, and Zhou Qiang, who temporarily separated the relationship between Gao Xiaoxiao and Yu Sheng, returned to his office.

He told Liu Hua and Wu Juan of the good show he had just done, and leaned on the chair proudly and smoked a cigar.

"Mr. Zhou is awesome, I guess I've already vomited blood out of anger at this point in my life." Liu Hua flattered.

"Sure, he asked his cousin to come here for an interview. In order to find a relationship, he probably spent a lot of money. I guess he has vomited blood now." Wu Juan also said gleefully.

"Huh, it's just a rubbish who eats soft food. What is he fighting against me?"

Zhou Qiang snorted coldly, changed his posture, and said proudly: "To tell you the truth, at most next month, I will be on the board of directors. I will also be a minority shareholder of Zhang's enterprise. The gap will only get bigger and bigger."

Liu Hua hurriedly flattered: "That is, Yang Zihuan will definitely regret it by then. I had known that the rest of his life was so wasteful, I guess my intestines would have been regretted."

Wu Juan sneered: "I heard that the Yang family has been acquired by the Sihai Group. Yang Zihuan now only works for the Sihai Group. With the aura of Miss Yang, Zihuan Yang is just a waste. Take her."

Zhou Qiang's eyes lit up, and there was a thought in his heart, and he smiled: "When I enter the board of directors, we will plan the company to cooperate with Yang to see how I humiliate Yang Zihuan."

Liu Hua smiled and said: "She must be very surprised, she can't think of it."

Zhou Qiang sneered and said, "That's for sure, I just want to surprise her, hahaha."

At this moment, the office door was slammed and kicked open, Zhou Qiang's laughter stopped abruptly, and he shouted angrily: "Who the hell is blind, even Lao Tzu's office door dare..."

Zhou Qiang didn't finish his words, and the whole person was as if he had been hit by magic, and he was dumbfounded at once.

I saw Zhang Shengquan, accompanied by a few bodyguards, walked in angrily.

"Zhang, Dong Zhang..." Zhou Qiang said weakly, inexplicably panicked, and didn't know what went

wrong with him. In short, he was a little nervous.

Zhang Shengquan walked straight to Zhou Qiang, raised his hand and slapped it hard.

“Zhang, Dong Zhang, I...” Zhou Qiang’s heart trembled, and he didn’t know why Zhang Shengquan would beat himself.

“Who gave you the courage to refuse even Miss Gao’s interview? Do you want to die?” Zhang Shengquan shouted angrily.

“Dong Zhang, I...” Zhou Qiang trembled, not thinking that Gao Xiaoxiao’s relationship was Zhang Dong, and his heart sank to the bottom.

“I \*\*, I must kill you today!”

Zhang Shengquan shouted angrily, raised his foot and kicked Zhou Qiang, then went up to punch him and kicked him, beating and cursing:

“You fucking know or not, Master Yu told Lao Tzu to arrange a job with a monthly salary of tens of thousands of dollars for his cousin. Lao Tzu has already asked the Ministry of Human Resources to do this, so your fucking dare to intervene and take care of Lao Tzu’s good deeds. Smashed, I am trapped in unrighteousness. If you are not allowed to pay the corresponding price today, I will give you your last name!”

Zhang Shengquan was quite angry and very scared in his heart.

Master Yu’s immortal means, saving and killing people are all within his mind. In order to curry favor with Master Yu, he even willing to give Master Yu his one-billion dollar credit card.

It’s damned to think that Zhou Qiang would actually put him in unrighteousness!

“Dong Zhang, I really didn’t know this happened. I saw that Gao Xiaoxiao was a recent graduate and couldn’t be the supervisor of our company. I rejected her. If I knew she was the person arranged by Mr. Wang, I How dare you!”

Zhou Qiang screamed: “Zhang Dong, I know I was wrong, please spare my life!”

Master Yu!

Could it be that Master Yu who opened his mouth is the waste of Yu Sheng?

How is this possible!

At this time, Liu Hua and Wu Juan also looked unbelievable.

The rest of his life is Master Yu in Zhang Dong’s mouth?

You look at me and I look at you, both of you can see shock and unwillingness from each other’s eyes!

## **Chapter: 395**

Who is that for the rest of his life?

Isn’t he just the son-in-law of the Yang family?

Why is it another master?

Both Liu Hua and Wu Juan thought about breaking their heads, but they didn’t understand.

For the rest of my life, to know a big man like Zhang Shengquan, and let a big man like Zhang Shengquan take care of him so much!

“Zhou Qiang, I officially inform you that you will be fired from the company from now on!” Zhang Shengquan said coldly after venting.

Zhou Qiang’s mind trembled, like being shocked.

In order to be able to build a tree in the Zhang family, in order to become a master, he signed a sales contract and sold himself completely to the Zhang family, in exchange for his rapid promotion and status.

But now, because he used his power to retaliate for the rest of his life, he has directly plunged his entire career into it.

He is unwilling!

“Furthermore, according to the contract you signed with the company, it is regarded as seriously jeopardizing the interests of the company. The company will also sue you and ask you to accompany the company’s five million losses. You should just wait for the court summons!” Zhang Shengquan was angry again. Said the voice.

boom!

Zhou Qiangqiang’s brain is roaring, why does he have so much money to pay for it?

He hurriedly knelt in front of Zhang Shengquan, snorting his nose and begging for mercy with tears,

“Dong Zhang, I really know that I was wrong, please, my lord, let me go this time. I will never make such low-level mistakes again in the future. NS!”

Zhang Shengquan was unmoved, Zhou Qiang said again: “Zhang Dong, I will go to apologize to Yu Sheng and his cousin now. I will definitely get their forgiveness. Please Zhang Dong to give me this opportunity again!”

“Apologize?”

Zhang Shengquan disdainfully said: “You don’t fucking pee and take pictures of yourself, so who is Master Yu, and you are also worthy to apologize to Master Yu?”

Zhang Shengquan kicked Zhou Qiang away and said to his assistant: “The order continues. Zhou Qiang has offended Master Yu. He just won’t give me Zhang family face. My Zhang family will immediately ban him and let him stay in Qiancheng, even All parts of the country can’t get mixed up, we must let him live on the streets and become a beggar!”

“Yes!” Zhu Li replied in a deep voice.

Zhou Qiang collapsed directly, his eyes filled with despair.

This is to drive him to a dead end!

In order to strengthen the control of the employees and cultivate talents who are loyal to them, the Zhang family introduced the Overlord Contract, which is similar to many sales contracts in the entertainment industry.

After signing, as long as you can perform well, you will be trusted by the Zhang family and will be promoted to management.

But at the same time, he will be bound by the contract, and he can only follow the arrangements of the Zhang family throughout his life.

The Zhang family wanted to block them, and it was only a matter of minutes.

Of course, as long as they are loyal to the Zhang family, they will get a salary that others cannot get.

Just like Zhou Qiang, after signing the Bawang contract, he has been working hard and performing very well. In just a few years, he was promoted to the position of general manager of the branch, which shows that Zhang family trusts and values him.

But he dared to offend Zhang Shengquan for the rest of his life, who wanted to obey him. Zhang Shengquan could ruin him with a single word, leaving him no chance to get up again.

Zhou Qiang has completely collapsed, kneeling in front of Zhang Shengquan, constantly kowtow, and constantly crying for mercy: “Zhang Dong, I really know that I was wrong, please see that I have done my best for the company in the past few years, and forgive me once. I will definitely ask Yu Sheng and his cousin to forgive me, no matter what they ask me to do, as long as they can forgive me, even if they ask me to eat shit, I don’t hesitate to eat it!”

“Go ahead, don’t fucking disgust Master Yu, Master Yu is a fairy-like character, how can you dare to blaspheme like trash?” Zhang Shengquan kicked Zhou Qiang away.

He suddenly saw Liu Hua and Wu Juan who looked dull and scared next to him, frowning and asked: “Who are you two? Zhou Qiang’s helper?”

“No, no, no, we don’t know Zhou Qiang at all!” Liu Hua and Wu Juan looked at Zhou Qiang’s tragic situation and hurriedly separated from Zhou Qiang.

“Dong Zhang, it was the two of them who asked me to reject Gao Xiaoxiao, it was them who harmed me Zhang Dong!”

Zhou Qiang suddenly pointed to Liu Hua and Wu Juan and started crying.

### **Chapter: 396**

Damn it, these two bad guys have harmed Lao Tzu, but now they have to get rid of Lao Tzu’s relationship. It’s really damn human!

Zhou Qiang stared at Liu Hua and Wu Juan, he was almost crazy.

Lao Tzu’s current end is completely thanks to the two of you. You are the fucking two broom stars, and now I still want to clear up my concerns with Lao Tzu, there is no way!

“Zhang Dong, we really don’t know him, we just passed by here...” Wu Juan looked at the murderous intent in Zhang Shengquan’s eyes, and her whole body was trembling in shock.

“Snapped!”

Zhang Shengquan raised his hand and slapped Wu Juan on the face, “Are you a fucking idiot? You don’t know, would you talk to him in Zhou Qiang’s office?”

Wu Juan screamed in fright, and the corners of her mouth were beaten to bleed, but she was trembling and did not dare to wipe it.

Liu Hua was so frightened that he didn’t even dare to look at Zhang Shengquan. His legs were shaking and he almost couldn’t stand.

Thinking of Zhang Shengquan’s fate of banning Zhou Qiang just now, he was even more terrified.

“Dong Zhang, both of them are my university classmates. We and Yu Sheng are in the same class. They were beaten by Yu Sheng last night. Today, I came here to encourage me to help them suppress the rest of my life. To follow their way, Zhang Dong, you have to be aware of it!” Zhou Qiang said hurriedly.

Liu Hua and Wu Juan trembled, and they were extremely scared.

“It’s really a good show of a dog biting a dog.”

Zhang Shengquan snorted disdainfully, and said to his assistant: “These two rubbish dared to suppress Master Yu and block them both nationwide, and even their family members, don’t make them feel better!”

Liu Hua suddenly became anxious, mad dogs generally rushed towards Zhou Qiang, and fought him desperately.

However, Wu Juan’s whole body was soft, and she fainted directly.

“Boom out for me!” Zhang Shengquan snorted coldly, and several bodyguards forcibly pulled Zhou Qiang and Liu Hua away, carrying the three of them and walked outside.

At this time, Zhang Shengquan took out the phone and called Yu Sheng: “Master Yu, I have taken care of it, are you still in my company? I will go to you now!”

“Come out, I’m at the door of your company.” Yu Sheng directly hung up the phone.

Then he opened the door, got out of the car, leaned against the car cover and took out a cigarette. He was going to see how Zhang Shengquan gave him a reasonable statement.

At this moment, several bodyguards came out with Zhou Qiang and threw them at the door of the company.

Suddenly, Wu Juan saw Yu Sheng who was leaning in front of the car smoking a cigarette, she ran over, knelt in front of Yu Sheng with a bang, and kept kowtowing: "Yu Sheng, sorry, I was really wrong. Please take a look. In the face of our classmates, please forgive me this time, I'm sorry, for the rest of my life, please, I'm really sorry!"

Yu Sheng's face was dumbfounded, and he asked if it was Wu Juan's ghost?

Zhou Qiang and Liu Hua were going to fight, but suddenly they saw Yu Sheng and stopped fighting. They ran to Yu Sheng, knelt down and kept kowtowing their heads for mercy: "Yu Sheng, Brother Yu, I was really wrong, I don't If you should offend you, please let me go!"

"Brother Yu, Dad Yu, no, I call you Grandpa, Grandpa Yu, please let me go, my family is still waiting for my salary!" Zhou Qiang also burst into tears. Cried.

At this time, Yu Sheng finally understood what was going on.

As soon as he guessed, he basically got the whole process right.

It must have been Liu Hua and Wu Juan who saw themselves, and then went to Zhou Qiang and urged Zhou Qiang not to admit Gao Xiaoxiao.

Damn it, everyone is a classmate, and it's been so long since graduation. Is it so annoying for yourself? The rest of my life is quite depressed. Why do these old classmates have to struggle with themselves one by one?

Did I fucking eat your rice?

"Master Yu, I'm really sorry, I..." At this moment, Zhang Shengquan also chased it out and hurriedly apologized to Yu Sheng.

"Okay, I know it all." Yu Sheng waved his hand, too lazy to listen to Zhang Shengquan's explanation.

"Master Yu, I have blocked the three of them now, what else do you do with them?" Zhang Shengquan asked again.

### **Chapter: 397**

"You can figure it out by yourself." Yu Sheng waved his hand, since it wasn't Zhang Shengquan playing with him. As for how he would deal with Zhou Qiang and others, he was too lazy to manage.

"Grandpa Yu, I called your grandpa, you just spare me this time, I won't dare to offend you again next time!" Zhou Qiang was unwilling to hold Yu Sheng's calf and cried.

Liu Hua and Wu Juan also embraced the rest of their lives and kept begging for mercy.

Yu Sheng looked at the three people coldly, there were no waves on their faces.

It was just a few rubbish, and he didn't even bother to get angry.

Seeing that Yu Sheng didn't say a word, Zhang Shengquan said to several He Biao: "Boom out the three of them, and if you dare to harass Master Yu, you will directly interrupt the dog's legs."

"Yes!"

A few bodyguards said nothing, carrying the three of them and walked outside the company's gate.

"Grandpa Yu, Grandpa Yu, please forgive me for the sake of our classmates..."

The three of them kept wailing, but for the rest of their lives they didn't even have the thought of looking at them more.

"Master Yu, I'm really sorry, I don't know that this kind of thing will happen, Miss Gao? I will personally apologize to her now, and beg her to come back to work." Zhang Shengquan said apologetically.

"Okay, I will go back tonight and tell her to let her come tomorrow." Yu Sheng is not a person who is not

forgiving. Since the main cause of this matter is not in Zhang Shengquan, he also has to blame Zhang Shengquan.

Of course, if he wants to blame Zhang Shengquan, Zhang Shengquan has nothing to say.

Who told him to manage his company's employees well?

After he said something, he turned into the car and returned to the company.

In the afternoon, Li Kai came to him, and he asked Xia Jun to take Li Kai to the novel website as the vice president.

They just bought a novel website, just short of managers.

Didn't Li Kai always like to read novels? I heard that he wrote a few books when he was in college, but his talent was not good and he didn't make any money, so he gave up.

However, as long as he is still interested in web writing, as long as he doesn't mess around with him, he believes that Li Kai can do the job well sooner or later.

Before leaving get off work in the afternoon, Xiao Zixin suddenly came in to look for Yu Sheng.

"Yu Dong, it's not good, Zuo Mingyue has quit!" Xiao Zixin said anxiously.

"what?"

Yu Sheng's expression changed, and he got up from the chair.

Cosmic Girls is a large-scale entertainment program tailored around Zuo Mingyue. The advertisements have already been put out. Moreover, even the bidding for the advertising time has been completed. Many companies that have won the bid have signed contracts with the Four Seas Group. All paid part of the advertising funds.

Now their protagonist has suddenly quit. Can the Cosmic Girls show that they have been building for more than a month be recorded?

Can it still be broadcast normally?

Can advertisers still trust Sihai Group?

This is regarded as a breach of contract by them. Even if they refund the money, it is estimated that many companies want them to pay liquidated damages, right?

"Which digger? Xiangjiang or Beijing?" Yu Sheng narrowed his eyes, an anger lingered in his eyes, and slowly clenched his fists.

Only the media companies of Shangjing or Xiangjiang are capable of poaching Zuo Mingyue.

"Penguin's Qiancheng branch, New Goose Media, they also imitated us to engage in a large-scale entertainment program for Cosmic Girls."

Xiao Zixin handed Yu Sheng a piece of information.

Yu Sheng sat back in his chair and took the information.

This information is about the rules of New Goose's large-scale entertainment program "Space Girls" and so on.

The more I looked at it for the rest of my life, the more ugly my face became, and finally the information was torn into two pieces with a sharper look.

It's so fucking bullying!

The space maidens of Penguin are exactly the same cosmic maidens who copied them. Except for the different names, the others are exactly the same!

"There is a ghost in the company!" Yu Sheng said with a gloomy expression.

A murderous intent flashed in his eyes, and this inner ghost must be corrected.

At this moment, Yu Qin also ran in in a panic.

"Yu Dong, it's not good, something has happened!" Yu Qin said anxiously.

## Chapter: 398

Seeing Yu Qin panicked, Yu Sheng calmed down instead.

He leaned on the chair, took out a cigarette, took a sip, calmed himself down, and then slowly said, "Let's talk."

Yu Qin was a little speechless, at this time, Yu Dong was still slow.

"Yu Dong, I just received a call from several advertisers, saying that we are scammers, asking us to refund them, and also saying that we should pay them liquidated damages. I investigated it because Zuo Mingyue suddenly jumped to Penguin. The company's New Goose Media, they also want to do the same entertainment programs as ours, and these advertisers are also pulled over by them." Yu Qin said.

"Well, I see." Yu Sheng nodded.

When Yu Qin and Xiao Zixin saw that Yu Sheng didn't want to speak, they glanced at each other, and then quietly retreated.

Yu Sheng took another cigarette, then squeezed out the cigarette butt, picked up the phone and called Xia Jun.

"Are you back?" Yu Sheng asked.

"On the way back." Xia Jun said.

"You got the message," Yu Sheng asked.

"My secretary called me just now, and I went to the company in more than ten minutes." Xia Jun said.

"Well, don't come back, go to the cherry blossom meeting, I will be there soon." Yu Sheng said.

"it is good."

Yu Sheng hung up the phone, with a flash of anger in his eyes, Penguin deceived people too much, and gave him yin, so don't blame him for using some despicable methods!

This is his territory, even if the penguin is a dragon, when he arrives at his territory, he has to be obediently holding it!

Yu Sheng put away the phone, got up and walked outside.

"Yu Dong."

"Yu Dong."

Xiao Zixin and Yu Qin both stood by the door, both wanting to go in as soon as Yu Sheng summoned them.

Seeing Yu Sheng come out, the two greeted them hurriedly.

"Nothing big, don't panic, I will deal with it soon, and, don't those advertisers want to refund the money? Refund to them, and the liquidated damages will be given to them." Yu Sheng said and walked out.

It was tens of millions, and he could still afford it.

When Yu Sheng got out of the elevator, he heard several beautiful women discussing Zuo Mingyue's job-hopping. From their mouths, there seemed to be a faint worries and distrust of the company.

Yu Sheng glanced at a few people, and walked straight out of the front hall without saying anything.

"Brother Yu, I just saw a lot of people saying that Zuo Mingyue quit, Penguin suppressed us, our company is going to step over, and some people even spread the message that Penguin wants to buy our company." Outside Xu Jing and Li Jian see Yu Sheng Come out and greet you.

Yu Sheng narrowed his eyes and said, "Take me out of the rumors."

"Yeah." Xu Jing and Li Jian both nodded heavily.

Yu Sheng took two steps and turned around and said: "Let's do this, Li Jian, Xu Jing, you and I will go out."

“Okay.” Xu Jing nodded.

“Yu Dong, what should I do after finding that person? Should I hand it over to the police?” Li Jian asked. Yu Sheng looked at Li Jian and said, “If you see him upset, you can also interrupt his legs before handing it over to the police.”

Li Jian’s eyes lit up and said, “Okay, I get it.”

Yu Sheng turned and walked towards his car, took out the key to open the door, and then gave the key to Xu Jing to go to the cherry blossom meeting.

As he said, he sat in the co-driver’s room.

Xu Jing took the key, got into the cab, and started the car to Sakura Club.

“I remember you retired from the special forces, right?” Yu Sheng asked.

“Well, I was a little impulsive back then, committed something and was forced to leave the army,” Xu Jing said.

“I have been retired for a few years, do you still like to practice martial arts?” Yu Sheng asked.

He felt that it was time to accompany a few high-ranking fighters.

Du Fei and Chen Bin were still in front of the stage during the entire Sakura Club. The others were really fucking gangsters. When there were a lot of people, they could bluff people.

But some things are not piled up with human heads.

Some things have to be done by a powerful person to be effective.

He knows that Xu Jing is good at martial arts, so he plans to train Xu Jing.

It just happened that Yu Zhong had already returned from Shangjing, so let Yu Zhong guide Xu Jing.

## **Chapter: 399**

“Some are interested, but there are no martial arts secrets. Those who are studying in the army are not very useful. It’s not bad to develop internal strength at the top of the day.” Xu Jing said.

“If you are interested, you can have a real martial arts master to teach you. As long as you work harder, it is not a problem to become a martial arts master. After all, you have a good foundation.” Yu Sheng said.

“Really, that’s great!” Xu Jing said excitedly.

He has always been a fan of martial arts, but he suffers from the lack of a famous teacher to guide him.

Although he has been in the army for several years, that’s it.

But if a famous teacher teaches him, he is confident that he will become a master of martial arts.

Soon I arrived at the Cherry Blossom Festival, and Xia Jun was already waiting there.

Looking at it for the rest of his life, Xia Jun also had deep anger in his eyes.

“Take him to Uncle Zhong, just say the disciple I found for him.” Yu Sheng said to Chen Bin.

“OK.”

Chen Bin looked at Xu Jing and said, “Come with me.”

Xu Jing nodded and followed Chen Bin to the backyard.

Yu Sheng looked at Xia Jun, and Xia Jun gritted his teeth and said: “Damn, the penguin deceives people too much!”

“Go in and talk.” Yu Sheng said and went straight to the secret room where they usually discuss matters.

Du Fei next to him thought for a while and walked over.

Usually Yu Sheng and Xia Jun come here to discuss matters, and they all want him to work together, that is, if there is something for him to do.

So although Yu Sheng did not call him, he also understood what Yu Sheng meant.

Moreover, he had just heard that Penguin used shameless means to suppress the Four Seas Group. Yu Sheng estimated that he was really angry, and it is likely that he would also let him do some gloomy things.

...

“Mr. Nan, all the advertisers who bid before have been bought by us. They said that they promised to force Gong Sihai Group today to refund the money and compensate the liquidated damages.”

In a luxurious villa on the outskirts, a very handsome young man was standing in front of a mirror with a bow tie, and beside him was a woman in a uniform who was protruding forward and very glamorous. The woman is twenty-four or five years old, with a delicate face, and her pretty eyes are fox-like, extremely seductive.

The handsome young man is called Situ Nan, the head of Penguin’s Qiancheng branch.

The woman is his secretary Zhu Yan, who brings back to the villa and mansion every day.

“Also, at this time, the employees of Sihai Group heard Zuo Mingyue’s job change and we are going to buy Sihai Group. They have already begun to panic and high-level turmoil.” Secretary Zhu Yan said again.

“Well, tell Internal Ying and let him continue to build momentum. When Sihai Group is really in conflict, it will be our best opportunity to buy Sihaiji at a low price.” Situ Nan nodded, tidied up his suit, and turned to the outside. Go.

Seeing Situ Nan’s back, a faint resentment flashed in the secretary’s eyes. She knew what Situ Nan was going out to do tonight.

But she did not dare to stop it.

To put it bluntly, she is just a tool for Situ Nan to play with vent, it is impossible for Situ Nan to give her any name.

Soon, Situ Nan came to the well-known high-end clubhouse in Qiancheng.

The clubhouse is called Hongfeng, and it is a place where the upper class of Qiancheng likes to come to have fun.

In a private room of the clubhouse, Zuo Mingyue and her assistant Xu Fang had arrived early.

Today, Situ Nan, the person in charge of Penguin Qiancheng, invited them. Of course, they can’t be late. Penguin gave them twice as much experience as the Four Seas Group, and promised to make her a super star with all his strength, Zuo Mingyue was moved.

This is the main reason why she wants to switch jobs at the expense of the Sihai Group.

They have already analyzed that although the Sihai Group is able to conquer the sky in Qiancheng, it is still too weak compared with a giant like Penguin. With Penguin’s strength and global influence, they want to do one thing. , That’s too easy.

In recent years, Penguin has won many top stars. Zuo Mingyue wants to get out of Qiancheng and become popular all over the world. In her opinion, it is the right approach to move to the Four Seas Group.

“Mr. Nan!”

“Mr. Nan!”

Seeing Situ Nan coming in, Zuo Mingyue and Xu Fang hurriedly got up to greet them.

“Well, sit down.” Situ Nan nodded, his eyes wandering around Zuo Mingyue unscrupulously, suddenly feeling amazing.

**Chapter: 400**

It was the first time Situ Nan saw the real Zuo Mingyue.

He had seen Zuo Mingyue on the news and TV before, and he didn't expect Zuo Mingyue to be even more coquettish than on TV.

For the meeting tonight, Zuo Mingyue dressed up carefully. In the low-cut evening dress, under the vacuum, two-thirds of the proud capital was exposed, snow-white and full of flexibility.

Situ Nan's eyes were even more reluctant to leave.

Zuo Mingyue is worthy of being the female star that the Sihai Group wants to do its best. The body, skin, and facial features are all top-notch, but they are more flavorful than his casual little secret.

"Miss Zuo, it is a wise choice for you to leave Sihai Group and join us. In the next year, you will definitely become a superstar of Xiao Zhan's level."

Situ Nan smiled, picked up the red wine glass and touched Zuo Mingyue, and said: "Come on, to join us Penguin for you toast."

"Thank you Mr. Nan." Zuo Mingyue clinked glasses with Situ Nan a little flattered.

"Don't worry that Sihai Group will secretly target you. I can tell you clearly that within one month, we will definitely acquire Sihai Group." Situ Nan said confidently.

"That's good, then I can rest assured." Zuo Mingyue nodded, and the worry in her heart was also eliminated.

Indeed, she believes that with Penguin's strength, they want to acquire Sihai Group, and Sihai Group must have no choice, otherwise they will have to wait for Penguin's unlimited suppression and finally file for bankruptcy.

I just thought that the boss of the Four Seas Group had been very kind to him in the past few months. But when she thought of her future, she put aside the blame.

After all, she is already twenty-five years old. It is the peak period of an actor. In a few years, he will not be able to eat youthful meals. At that time, the Four Seas Group could not put all the resources on her. . Seeing Situ Nan looking at the burning possessiveness in Zuo Mingyue's eyes, Xu Fang left after drinking two glasses of red wine.

Situ Nan and Zuo Mingyue drank two bottles of red wine. When they were both a little drunk, he helped Zuo Mingyue to the club lounge.

Of course Zuo Mingyue knew what Situ Nan wanted to do, and she didn't refuse.

At this moment, a big man walked over and bumped into Situ Nan and Zuo Mingyue, knocking them over.

Zuo Mingyue fell and screamed, and she became sober. When she saw the person who hit them, she seemed to have seen each other, but she couldn't remember it for a while.

"My mother, do you have eyes? Dare to hit Lao Tzu?" Situ Nan just got up from the ground, only frowning, and there was no opening yet. The other party actually spoke first.

"Obviously you hit me." Situ Nan said in a deep voice.

"Fuck your mother's shit, I eat too much and have nothing to do, come here to hit you?"

The big man yelled, and when he went up, he slapped Situ Nan.

Situ Nan wanted to fight back, but he drank too much, and his pace was still floating, and the big man immediately slapped him firmly on his face.

The big man had so much strength in his hands that he slapped Situ Nan directly and fell down.

"Why are you beating? Do you know who we are?"

Zuo Mingyue pointed to the big man and threatened: "I warn you, I am the big star Zuo Mingyue, and this person next to me is the person in charge of the Penguin Qiancheng branch. Sit and wear!"

“Fuck you Marre, you are also qualified to threaten me if you are a misfortune?”

The big man snorted, raised his hand and slapped Zuo Mingyue.

Zuo Mingyue let out a scream, and she was knocked to the ground again, bleeding from the corners of her mouth.

“Brother Bin, what’s the matter?” At this moment, a few young people walked over and said to the big man.

“Fuck, these two dog men and women don’t have eyes, so they dared to hit Lao Tzu. Lao Tzu can’t spare them today.” The man said angrily.

“I’m grass, who the hell dare to hit Brother Bin, don’t you want to live? Brother, beat me, beat me to death!” One of the young men shouted angrily, pulled out the steel pipe pinned to his waist, and rushed forward. .

Several other people also clamored and rushed forward, beating Situ Nan and Zuo Mingyue violently.
