

Chapter 4: Don't Mess with this Son-in-Law, Don't Mess with this Son-in-Law novel, Dont, Mess,

At this moment, a taxi came over, Yang Zihuan stretched out his hand to stop it, and got into the car alone and left.

Even her mother and brother don't care, which shows how she feels at this time.

"Dog stuff, wait for the old lady, dare to be aggressive, she will let you know why the flowers are so red!" Gao Qing gave Yu Sheng a fierce look, and took her son into a car and left.

Yu Sheng put his hands on his face and rubbed it, the low and helpless expression on his face made people feel distressed.

He took out a cigarette point, and the moment he raised the sky to spray smoke, there was a fierce look in his eyes, and he turned and walked towards his battery car.

...

Yang Zihuan still went to find a lawyer and drafted a divorce agreement. After returning in the evening, she kept fighting ideologically in her heart, but in the end she still didn't have the agreement to come out.

But because of the daytime, she chose to sleep in a separate room with the rest of her life at night.

The next day, after Yu Sheng sent his son to kindergarten, he went straight to work.

When I arrived at the company and parked the car, I saw a group of colleagues looking at themselves pointing and frowning for the rest of their lives.

"Have you heard that his wife is going to be someone else's junior." m.9biquge. com

"Yes, I guess everyone in the city knows it. So, being a door-to-door son-in-law has no human rights at all, and there is no way for a wife to cheat."

"I heard that I went to be the junior of the Wang Family Master and Young Wang Literature."

"Then it's normal, Young Master Wang is handsome and gold, even if he is a little lover, there will be a lot of women kneeling and licking."

"Normal, look at him like this, it would be weird if Yang Zihuan doesn't wear a hat on him."

“I heard that Yang Zihuan was the number one beauty in the city of Guizhou back then. So, I don’t have money and a little skill, so I don’t want to find a wife who is too beautiful, or I will be like Yu Sheng, who is wearing a hat and has to swallow. Come to work as if it’s a matter of course.”

In the eyes of everyone, the sky above Yu Sheng’s head was already green.

Those who are familiar with him feel worthless and sympathetic for him.

Those who are unfamiliar with him are gloating in their eyes.

What’s more, with a disgusting look, they are far away, for fear that the mold on the body for the rest of their lives will contaminate them.

For the rest of his life, his eyes were coldly swept across the people, and because of the transition of anger, the veins on the back of the clenched fists and hands violently!

Seeing the violent eyes for the rest of his life, everyone who was afraid of things went into the company building to go to work.

But it’s still a whispered discussion in twos and threes.

For the rest of his life, his six senses were sensitive. Although those people deliberately lowered their voices, he still heard clearly.

“Wang Wenxue, the day after tomorrow I won’t let you kneel down and beg me in public, I am not worthy of being a man!”

Yu Sheng thought hard in his heart, he knew that this message must have been deliberately spread by Wang Wenxue to embarrass him.

At this moment, he had never hated a person before!

This person is Wang Wenxue!

“Brother Yu Sheng, don’t listen to their nonsense, someone must have deliberately disgusted you.” The security guard Xu Jing walked over and comforted.

“Xu Jing, you know a ball. The whole city knows this information. Wang Shao also said that the day after tomorrow he will hold the most luxurious wedding in the city for Yang Zihuan, officially marrying Yang Zihuan.” Hu Hai jokingly said.

“Enough Hu Hai, everyone is a colleague, and we are in a department. Even if you don’t say a few good words, do you need to gloat for misfortune?” Xu Jing turned around abruptly, staring at Hu Hai angrily.

He has the best relationship with Yu Sheng. Of course, colleagues who can't understand a department also bully Yu Sheng.

"I'm telling the truth. His wife just went to be a junior. He can't even watch his wife, so he won't let anyone tell him?" Hu Hai snorted coldly.

"That's, you are a fierce ball, who told him not to do a good man, he has to eat soft food and become a door-to-door son-in-law?"

"Don't you feel ashamed to work with a waste who eats soft food?"

"Or do you Xu Jing want to learn from him and eat soft rice like a waste?"

Several other security guards were very upset with Xu Jing.

Although the security department has a small number of only 20 people, it is also divided into factions.

Many people feel embarrassed about Yu Sheng being a son-in-law, and they usually don't think Yu Sheng is worthy of it.

"You guys!" Xu Jing pointed at everyone, her angry fingers trembling a little.

"Brother, there is no need to argue with them, you wait and see, the day after tomorrow, I will remove the entire Wang family from Qiancheng!"

Yu Sheng took a deep breath, patted Xu Jing on the shoulder, and motioned him not to argue with them.

"Yu Sheng, are you trying to laugh at me so that I can inherit my flowers?"

"You f*****g little son-in-law is useless, why are you fighting against other people's kings?"

"I said, did you get your brains out of Wang Da Shaolu's anger, you are a small son-in-law, why should you let the Wang family be removed?"

"Have you ever heard of a king with a strong mouth? Yu Sheng must have felt that with just one mouth he can get rid of the Wang family."

Hu Hai and other security guards laughed with a mocking look on their faces.

Yu Sheng looked at Hu Hai indifferently and said nothing.

"Brother Yu Sheng, I believe you, the Wang family will definitely be removed!" Xu Jing looked at Yu Sheng Luo's back, clenched his fists, and whispered.

The rest of his life was a little moved, his figure trembled slightly, and he strode into the company building.

“For the rest of my life, you are here, I just happen to have something to notify you.”

As soon as he entered the security room, Yu Sheng saw the manager Li Jian sitting on a chair and smoking a cigarette, looking at him.

For the rest of his life, he stopped and looked at Li Jian.

Li Jian said: “You saw it today, because your wife’s cheating, the entire company knows. Our Sihai Group is the largest group company in Qiancheng, and face is more important than anything else.

And your wife’s cheating has seriously affected the company’s reputation.

so.....”

He stopped to look at Yu Sheng, with a hint of irony in his eyes: “So, you were fired from the company.”

Looking at Yu Sheng, Li Jian’s eyes were full of disdain.

Your little superfluous son-in-law is useless and wasteful of eating soft food. What is it to fight against Lao Tzu?

Lao Tzu wants you to f**k off, isn’t it a matter of minutes.

Yu Sheng stared at Li Jian, his face was ugly.

His fists clenched subconsciously, and both hands trembled slightly due to the force transition.

Too bully!

The Four Seas Group is really bullying!

He stared at Li Jian for a while, then took a deep breath and slowly calmed down his anger.

“Give me my salary!” Yu Sheng exhaled and said calmly.

“salary?”

Li Jian jokingly smiled, “Are you confused? How can the fired employee still have a salary. Not to mention the salary, you can’t even refund the deposit.”

“Are you sure you won’t settle my salary?” Yu Sheng narrowed his eyes.

Li Jian jokingly smiled and said, “It’s not that I don’t pay you the settlement. This is the company’s regulations, and I don’t have this right either.”

“Well, since it’s the company’s regulations, then I’ll go to President Xia’s theory.” Yu Sheng turned and walked outside.

He decided not to bear it anymore, although he didn’t care about his salary and deposit.

But what belongs to him, no one has ever dared to feed him!

“Go, I will support you. If Xia always pays you a salary, I will kneel down and call your father today.” Li Jian laughed and said sarcastically.

Yu Sheng turned around and said, “Okay, then you can wait to be called Daddy in a while.”

Turning around and not looking back, he walked directly to General Xia’s office on the third floor.
