

## Dont mess 431

### Chapter: 431

At this time in the bathroom, Yu Sheng didn't even think that Magnolia would rush in, and saw all of this scene, which made him actually quite embarrassed.

My tall image is better now, and it's all ruined by Magnolia.

However, he finished the last drop of urine, then shook his head and closed the zipper, looked down at Zhu Daniao, and smiled: "Oh, fat guy, I'm so sorry, I pissed you all, but I was peeing, you fucking fucking What mess, if you don't make trouble, you won't pee on you. Don't blame me for this."

"Boy, you're over! You're fucking over!"

Zhu Daniao was half-dead, and this kid was so irritating that he was so cheap and behaved.

This is a shameful shame today, if I didn't kill him, how could I still mess around in Beijing!

"I'm going to die, fat man, why are you so stingy? Didn't you just pee on you accidentally, I just wash it for you." Yu Sheng said, he tore off the toilet flushing pipe and pointed directly at it. Zhu Daniao and others rushed up.

"I'll care for you...cough cough..."

As soon as Zhu Daniao yelled at him, he was flushed by the water pipe, choked on his mouth, and coughed again.

"Daughter, I must kill your whole family!" Zhu Datong finally gasped, and yelled again.

"Fatty man, what's your fucking attitude? I kindly help you wash your urine, but you want to kill my whole family. Are you really a vegetarian?"

Yu Sheng yelled, threw down the water pipe, lifted Zhu Datong, who was more than two hundred jin, and pressed his head into the urinal.

Gurgle...

Zhu Daniao was frightened and angry. He didn't have time to react, so he choked on some urine. His fat body couldn't help trembling and struggling to get rid of a dying toad.

His neck was pressed for the rest of his life, no matter how hard he struggled, it was all in vain.

The bodyguards were shocked and angry, seeing the boss being so humiliated, they all got up and rushed for the rest of their lives.

Yu Sheng didn't look back, mentioning Zhu Daniao's fat body and hitting them.

Bang bang bang.

A few bodyguards just got up and were knocked over by Zhu Daniao's fat body.

At this time, Zhu Daniao finally got a respite.

He kept retching, his face darkened to charcoal.

What a shame!

"Brother, raise your hand high, I dare not, never dare to do it again!"

Although Zhu Daniao's heart was frustrated to the extreme, he wished to smash the rest of his life into thousands of pieces.

But he is not stupid, and if he keeps on doing it, he may be choked to death by urine.

But he was convinced, but in his heart he hated the rest of his life.

As long as he catches the opportunity, he must smash the corpse for the rest of his life.

Seeing Zhu Daniao begging for mercy, Yu Sheng smiled coldly, turned around to wash his hands, sorted out his clothes, and went out.

As soon as he walked out of the bathroom, Yu Sheng was checking whether he was splashed with urine,

and was hit by two women rushing towards him.

“Ah, how do you walk, do you have long eyes?”

When I heard the woman yelling, Yu Sheng looked up and saw two beautiful women in fashionable dresses.

The face is exquisite, the figure is tall, exquisite, and the long legs under the short skirt are white and straight, which is very eye-catching.

“Have your eyes long gone up to the sky, don’t you know how to look at the road?” Seeing Yu Sheng’s words, one of the sexy women with wavy hair suddenly scolded.

I was a little speechless for the rest of my life. It was you who hit me and blamed me?

But Yu Sheng was a little familiar with the other party, as if I had seen it somewhere.

By the way, isn’t this Fang Qing, a popular traffic star recently? The one next to her should be her assistant.

I’m going, this woman is pretty good, do you want to dig her to Qiancheng?

Yu Sheng thought to himself that Zuo Mingyue had just been abandoned, and the Cosmic Girls program had not yet found a suitable star. Yu Sheng found that Fang Qing was good and a suitable candidate.

But he still didn’t speak, and the other party accused again: “What are you doing so stupidly? Hurry up and apologize to Miss Fang!”

#### **Chapter: 432**

“Apologize?”

The rest of his life was a little speechless, and said, “Beauty, you obviously hit me, I just stood here unmoved.”

Although I want to dig each other, I can’t be blamed at will for the rest of my life, right?

Fang Qing’s face was very ugly, she was in a hurry.

She was originally a contracted artist of Zhu Danian’s company. Tonight, she accompanied Zhu Danian out for a drink. She accidentally lost her earrings. She asked Zhu Danian to find Zhu Danian for her.

That’s more than one million earrings, so distressed.

However, she was hit by Yu Sheng, which made her feel even more unhappy, and she wanted to send her unhappiness to Yu Sheng.

“You really apologized to me!” Fang Qing looked at Yu Sheng impatiently.

Yu Sheng frowned slightly, and just wanted to dig Fang Qing’s mind.

The character of this woman is too problematic for him to use.

Yu Sheng smiled and looked at Fang Qing, and said: “I am so puzzled. It was you who hit me. Why do I have to apologize to you? If you want to apologize, you should also apologize to me.”

To be a human being, you still have to have a little quality.

These two women, especially big stars, public figures, have no quality at all. Yu Sheng is sure that with such a star, Zhu Danian’s Zixing Film and Television Company will go bankrupt sooner or later.

“you!”

Fang Qing was very angry, and said angrily: “You are the security guard of this bar. I won’t apologize if you hit me. Don’t you want to hang around here?”

It’s really the opposite. A little watchdog dared to contradict her. There are really no rules at all.

“Do you know who she is?”

At this time, the short-haired assistant looked at Yu Sheng with a haughty face and threatened: “Miss Fang is the number one artist of Zixing Film and Television Company. The recently popular big star Ming,

you have offended Miss Fang, you don't want to mix in Beijing. ”

The assistant looked up and down for the rest of his life, and shouted: “Hurry up and apologize, otherwise you will look good!”

Yu Sheng smiled and said, “Come here, I want to see how you make me look good?”

My heart said that your boss, Zhu Danian, just drank Lao Tzu's pee. His celebrity is considered a piss, and he doesn't even have the qualifications to drink Lao Tzu's pee.

The assistant is very angry. Why is this little security guard so insightful? This is the big star Fang Qing. Your boss has to cheat. You count as a woolen thread. Do you have to ask your aunt to call your boss and fire you directly?

“You wait, grandma will tell your boss to open you in a while!” the assistant said coldly.

At this moment, some people who came to the toilet also shook their heads. Even the big stars dared to provoke them. This little security guard was no one.

But today is probably his last day to work here.

I don't have this vision, it's only strange that the bar owner dared to use him.

“Go, I'm waiting for you, why don't you ask our boss to come and I will look down on you.” Yu Sheng Ho Ho laughed, with a look of disdain.

“You!” The assistant was so angry that he didn't even fear that she was so courageous to think that she would be expelled.

Fang Qing is also angry. The proud Shuangfeng quickly rises and falls, threatening: “You little security guard who does not have eyes, wait for me, you are a hillbilly from the countryside, come to Beijing to be a security guard, and be confident. Did you dare to confront me, I won't let you go out today, I don't have to be a big star in Beijing anymore!”

As soon as she finished speaking, at this moment, she heard Zhu Danian cursing in the direction of the bathroom. Then, with the help of several bodyguards, Zhu Danian walked out.

These people, including Zhu Danian, got wet all over, like falling dogs.

“Mr. Zhu.”

Fang Qing was overjoyed, yelled, and greeted her.

When he got there, Fang Qing stomped and said, “Mr. Zhu, a stinky security guard hit me and didn't apologize to me. It's really disgusting. You must give me this nasty breath!”

As she said, she immediately smelled a scent of urine, and she couldn't help covering her nose.

### **Chapter: 433**

What did Mr. Zhu do? Why is his body so smelly? It's all urine.

However, Fang Qing didn't care, but looked at Zhu Danian with a face of coquetry.

“What? Who the hell would dare to confront you?” Zhu Danian immediately became angry when he heard it.

Fang Qing is the number one star of his company. While making countless money for him, it is also his forbidden.

Zhu Danian has always been very charming, and the stars his company signed have basically been played by him.

Only this Fang Qing, because of his great reputation and huge number of fans, is his company's first money-making treasure. He has never dared to use strong, fearing that Fang Qing would be completely offended, and he would go against him.

But sooner or later he would definitely want Fang Qing to sleep.

So at this time, I heard that Fang Qing was being bullied. Of course, he had to stand up for the first time to show off his prestige and vent his anger to Fang Qing.

"it's him."

Fang Qing raised her finger for the rest of her life not far away.

What?

Suddenly seeing Yu Sheng, Zhu Danian swallowed with a wonderful expression.

Just drinking urine in the bathroom, the scene of being abused is still vivid.

"Zhu always do, you boss can't do it, even your own company's employees are not well managed, I think your company will sooner or later go bankrupt."

Yu Sheng looked at Zhu Danian and said with a faint smile: "You, a female employee, as a public figure, doesn't even have the most basic qualities. Or I will take care of you and teach her how to behave?"

"You, a little security guard, are still pretending here, what are you pretending, what's worth pretending?" Fang Qing suddenly became ironic when he saw that Yu Sheng was still so arrogant.

Little did she just stop talking, Zhu Danian shouted angrily: "You fucking shut up Lao Tzu!"

He had just been washing his hands before he was comforted by Yu Sheng. At this time, he dared to offend Yu Sheng.

If Yu Sheng went crazy and carried him in to drink urine, he would never look up in his life.

Moreover, at this time, he was still feeling sick, and the urine he had just drank was really a lot.

Fang Qing was very upset. Zhu Danian had always held her in the palm of his hand, never daring to scold her, but today he scolded her for a security guard, which made her unacceptable for a while.

"Mr. Zhu, he is just a small security guard, just a poor girl from the country, what are you afraid of him doing? Are you confused?" Fang Qing said uncomfortably.

"Snapped!"

Zhu Danian raised his hand and slapped Fang Qing up.

Nima, I just finished drinking and don't want to drink anymore. Do you want me to be pissed by this bastard again?

"Mr. Zhu, I..."

Fang Qing was completely dumbfounded, covering half of her cheek, her face in disbelief.

Zhu Danian hit her!

Beat her for a little security guard!

"Hurry up and apologize to this brother, I heard nothing!" Zhu Danian shouted coldly.

He was really scared, and he didn't dare to provoke the rest of his life, at least now he didn't dare to provoke.

"I don't apologize!"

Fang Qing snorted coldly, and asked her to apologize to a celebrity star, is she still wanting to do it?

Fang Qing relied on being the most profitable star of Zixing Company. She believed that Zhu Danian would definitely not do anything to her, unless Zhu Danian wanted to completely coax her with herself.

That would be of no benefit to both parties.

"Mr. Zhu, are you confused? It was this smelly wire that hit Ms. Fang. It was the little security guard who apologized to Ms. Fang to apologize." The assistant also said with a look of incomprehension.

#### **Chapter: 434**

"Snapped!"

Zhu Danian felt that the authority of his boss had been provoked. He raised his hand and slapped his

assistant on the face, and said coldly: "What the hell are you, you dare to question Lao Tzu's decision?"

The assistant's face changed drastically, and he didn't think that Zhu Danian was so unreasonable.

Yu Sheng watched a good show and said jokingly: "Mr. Zhu, you two employees don't put your boss in the eyes at all. I even suspect that they are the boss, and you are just their workers. ."

Zhu Danian was still in anger, but he was so excited for the rest of his life, he immediately went up.

Looking at Fang Qing and her assistant again, the two of them even dared to look angrily at themselves at this time. Why, is this really not putting their own boss in the eyes?

"I will communicate with you now. You two have been fired. My Purple Star Company will officially terminate the contract with you!"

Zhu Danian snorted angrily, took out the phone and made a call. After the call was connected, he said angrily: "Cancel the contract with Fang Qing that bitch, and then notify the entire Shanghai Film and Television Media Company that I want to block Fang Qing!"

What?

He actually wants to terminate the contract?

Fang Qing and the assistant opened their eyes wide, thinking that Zhu Danian must be crazy, and even dared to terminate the contract with her.

However, Fang Qing was also a little worried. She was trained by Zixing Film and Television Company. Now Zixing Film and Television Company wants to block her, which has too much influence on her.

Because Zixing Film and Television Company has a great reputation in Shangjing, and it is the industry of the Zhu family, who doesn't give them a bit of face.

It can be said that it is impossible for Fang Qing to mix in Beijing.

"Mr. Zhu, don't regret it. You banned me in Shangjing, and I will go to Xiangjiang. I don't believe that your Zhu family's hands can reach Xiangjiang!" Fang Qing said in a loud voice.

"Hmph, I can stretch out the hand of Zhu's family to Xiangjiang. If you don't believe me, go to Xiangjiang to see if there is a film and television company that dares to use you." Zhu Danian said with disdain.

"Let's wait and see, don't regret it!" Fang Qing snorted coldly, then gave Yu Sheng a hard look before turning around and leaving the bar with his assistant.

Yu Sheng looked a little funny when Fang Qing was both sexy and full of backs.

What the hell? It's just an actor, making himself really like an uncle.

"As expected to be President Zhu, this is a man." Yu Sheng gave Zhu Danian a thumbs up and said with a smile.

Only then did Zhu Danian react, Nima, he just learned the way of this kid, so why did I turn on the woman who made money first?

Zhu Danian reacted and suddenly regretted his death.

But the boss of his dignified Zixing company, Zhu's family, still wants to save face, and it is impossible to take back what he said just now.

Just looking at Yu Sheng's eyes, my heart became extremely angry again.

This kid is really a broom star.

But he still had to gritted his teeth and asked Yu Sheng: "Brother, are you satisfied with my handling of this?"

Yu Sheng smiled and said, "Well, it's not bad, you are still sincere, go away."

With a wave of his hand, he swaggered away.

Everyone looked at his back, with doubts in their eyes.

Isn't this kid a security guard, why is he so arrogant?

Even the famous Zhu Danian has been softened to him, who is this guy?

“Damn, don’t bump into Lao Tzu’s hands next time, otherwise Lao Tzu will definitely pull your muscles and cut your skin!”

Looking at Yu Sheng’s swaggering back, Zhu Danian gritted his teeth with anger, his face pale.

If I don’t repay this grudge today, I will swear not to be a man!

How do you deal with me today, someday I will double, triple and return with you, and your family!

Zhu Danian clenched his fists tightly, his face trembled.

### **Chapter: 435**

For the rest of his life, he found Magnolia soon.

Seeing Yu Sheng’s return, Magnolia’s face suddenly blushed.

The scene of the rest of her life washing hands and lifting the dragon’s head to kill the Quartet, once again came to her mind, she was really ashamed.

Seeing Magnolia’s face blushing, Yu Sheng immediately knew what she was thinking, and her face was a little embarrassed.

If he knew that Magnolia was so bold and cute, he would have dared to rush into the men’s bathroom, how could he dare to let Zhu Danian and others drink urine?

He is also a decent man, and he also wants to be decent.

“Let’s go, go back to rest.” Yu Sheng looked at the time, it was past 12 o’clock in the morning, it was time to rest.

“Yeah.” Magnolia responded and walked outside with Yu Sheng.

But she didn’t dare to look at Yu Sheng’s eyes, she always felt this feeling a little strange in her heart.

Magnolia was drunk than Yu Sheng, and Yu Sheng was afraid of her driving accident, so she took the initiative to say: “I’ll drive.”

“it is good.”

Magnolia nodded and gave the car key to Yu Sheng.

Yu Sheng opened the car door, sat in the cab, and waited for Magnolia to sit down and fasten her seat belt before driving off.

The next morning, Yu Sheng got up early and left the Bai family mansion.

Today is the anniversary of his mother’s death. After he left the Bai’s house, he went to buy some money, paper and tribute, and then took a taxi to the mausoleum.

Kneeling in front of her mother’s tomb, touching her mother’s name on the tombstone, Yu Sheng’s eyes became wet.

“Mom, it’s been eight years, I just came to see you, my child is not filial...”

“Mom, I have already avenged you. Back then, that bitch Li Hongsu strangled you with white silk, so I personally forced her to kill herself with white silk...”

“Mom, I am married and have a lovely son. Next time I will take them to visit you. If you are still there, I will love your little grandson...”

Yu Sheng knelt in front of the grave, muttering to himself while burning the money paper, and his heart was full of longing for his mother.

The little bit of childhood flashed in his mind, the kind eyes of his mother, the care in his eyes, the frequent smiles, kept coming from his mind...

“Mom, I’m leaving, I will bring Xiaoshui to see you next year...”

After burning the money paper, Yu Sheng wiped the tears from the corners of his eyes, then banged his

head three times before getting up and preparing to leave.

Suddenly I saw a girl in her twenties standing behind him not far away looking at him.

“Yuhan?”

Seeing the girl for the rest of his life, she spoke subconsciously, not quite sure.

This girl looks so much like his cousin Mo Yuhan.

But they hadn't seen him for eight years, and Mo Yuhan was only twelve years old at the time. Although his appearance hadn't changed much, after all, the eighteenth woman had changed. For the rest of his life, he was still a little uncertain.

“You, are you Yu Sheng's brother?” The girl looked at Yu Sheng blankly, not quite sure.

However, the rest of her life has not changed much from eight years ago, which made her believe in her own judgment even more.

“Yes, it's me, you are cousin Yuhan.” Yu Sheng nodded and said.

“Brother Yu Sheng, are you here to pay homage to your aunt?” Mo Yuhan asked.

“Um.”

Yu Sheng looked back at the tombstone and said: “I dare not go back to Beijing for the past eight years. It's the first time I came to visit my mother today.”

He looked back at Mo Yuhan as he said, and said, “You are here to pay homage too.”

“Um.”

Mo Yuhan nodded and said, “Today is the anniversary of my aunt's death, but there is nothing in the family, so I will come by myself.”

As she said, she stepped forward, placed the flowers and fruits in her hand in front of the tombstone, then cleverly knocked three heads, and prayed with her hands together.

After Mo Yuhan finished the memorial ceremony, Yu Sheng asked, “Are grandpa and grandma and their bodies okay?”

“Well, grandparents are in good health. By the way, Brother Yu Sheng, you and I will check them out. They used to think you were killed by Li Hongsu. If they see you alive, they must be very happy. Yes. By the way, when I was chatting with my grandma a few days ago, I talked about you and aunt, grandma was still sad for a while.” Mo Yuhan said.

Yu Sheng thought for a while, nodded and said: “Okay, then I will go back with you to see grandpa and grandma.”

“Really, great, grandparents must be very happy.” Mo Yuhan said excitedly.

Yu Sheng smiled, and there was a sense of warmth in his heart.

As they said, the two walked out of the cemetery.

As soon as I walked out of the cemetery, I suddenly saw an a8 parked next to Mo Yuhan's Volkswagen car, and then two young men, a man and a woman, walked out of the a8.

The men are handsome, and the women are pretty.

## **Chapter: 436**

“Mo Yuhan, is this your boyfriend? You can also admire this kind of soil, what kind of vision do you have.” The young man looked at the rest of his life and laughed playfully.

Mo Yuhan glanced at the young man, a flash of anger flashed in his eyes, and he didn't respond to him. The girl next to the youth laughed and said, “The Mo family is about to go bankrupt. She will change from a princess to a Cinderella in a few days. Indeed, she can only find this kind of turtle.”

With a sneer, the young man walked towards the cemetery with the girl.

“Mo family went bankrupt, what’s going on?” In Yu Sheng’s impression, Grandpa’s enterprise is still going well yesterday.

Mo Yuhan hesitated and said, “I heard my grandmother say that eight years ago, our family was suppressed by the Li family. In the past eight years, our Mo family has had a bad life. We almost went bankrupt many times, but we finally survived. .

In the past few years, the Li family saw that our Mo family had been in ruin, and even the fifth-rate family was not even considered as a fifth-rate family.

Two months ago, the company won a project of more than 200 million yuan in Xicheng District and borrowed 150 million yuan from the bank. I don’t know why, the bank suddenly changed its mind in the past two days and asked our family to pay back the money immediately. ”

The rest of my life immediately understood it.

The Mo family had just escaped from the clutches of the Li family, and was bullied to the head again.

However, it is also possible that the Li family suddenly suppressed them again.

After all, I killed Li Jing and Li Hongsu some time ago. The Li family had no choice but to use the Mo family to vent their anger.

After getting in Mo Yuhan’s car, Yu Sheng asked her to take him to the mall and buy some gifts before returning to Mo’s house.

After more than half an hour, he came to Mo’s house.

The villa where the Mo family lives is a bit old, but in the past few years, the Mo family has tightened their belts, and has no money to exchange for the big villa.

“Grandpa, grandma, look who I brought here.”

Mo Yuhan couldn’t wait to run to the backyard when he got out of the car.

At this time, the second elder was busy in the pavilion in the backyard. Hearing the voice of his granddaughter, he couldn’t help but turn around.

Behind Mo Yuhan, a young man was walking in slowly. Looking at the young man’s familiar and unfamiliar face, the expressions on the old man’s face changed abruptly.

“The rest of my life!”

In the past few years, they have always thought that Li Hongsu was killed for the rest of their lives, and they didn’t expect to see their grandson again today.

“Grandpa, grandma.” Yu Sheng stepped forward quickly, saluting the two elders.

“Xiaosheng, is it really you?” Grandma grabbed Yu Sheng’s hand and looked at Yu Sheng with tears in her eyes.

“Grandma, it’s me. I’ve been hiding in Qiancheng for the past few years. Li Hongsu hasn’t found me.” Yu Sheng nodded and said.

Grandpa looked at Mo Yuhan and asked, “Yuhan, weren’t you being followed when you came?”

Yu Sheng understood what grandpa meant, and couldn’t help but smile: “Don’t worry, grandpa, Li Hongsu has been killed by me, and I have already taken revenge for my mother. Today is here to pay homage to my mother.”

Grandpa was even more worried, and said, “You killed Li Hongsu, and the Li family is even more unlikely to let you go. You should go back to Qiancheng as soon as possible.”

Yu Sheng shook his head and said, “Grandpa, Li Jing, the great master of the Li family, was also killed by me. The only way they can deal with me now is to ask a master from the Godslayer organization to kill me, but now the overseas epidemic is serious. Experts who kill the organization won’t be able to come to China for a while, it’s nothing.”

"That's good, that's good." Grandpa nodded, relieved.

Since Yu Sheng can kill the strong master, it means that Yu Sheng is also a master at least.

Grandpa not only didn't worry, but felt a little relieved.

"For the rest of your life, you are still dead? You bastard, why don't you die? If it weren't for you, how could our Mo family be in a situation where anyone now dares to come up and kick!"

At this moment, a young man walked in, and when he saw Yu Sheng, he suddenly became angry and cursed.

### **Chapter: 437**

The visitor was Mo Xiaoshan, Yu Sheng's cousin, and the person in charge of the Mo family at this time. What a beautiful Mo family back then, it is a pity that Li Hongsu and the Li family were suppressed by Li Hongsu and the Li family for the rest of their lives, making the Mo family faced a crisis of bankruptcy. Even though they have survived these few years, the Mo family is no longer in the rankings. Any small business can show them their faces. This is where Mo Xiaoshan gets angry when he mentions Yu Sheng's mother and son.

"Oyama, how can you say that to your cousin?" Grandma blamed a little displeasely.

"Grandma, if it weren't for him, could our Mo family become like this? We were suppressed by the Li family over the past few years, and we were dying, it was him!" Mo Xiaoshan said angrily.

Grandpa said nothing, and grandma sighed and said: "These are the catastrophes of our Mo family. Your aunt has been dead for so many years, so I won't talk about it again in the future."

"Mom, why don't you mention it? Our Mo family was harmed by their mother and son. Now his mother is dead, but he is still alive, so he has to pay for us!" At this moment, a middle-aged man walked in.

The middle-aged man's face was covered with wind and frost, with a chill on his face.

His name is Mo Beishen, Mo Xiaoshan's father, Yu Sheng's eldest uncle, and the look in Yu Sheng's eyes at this time was quite disgusting.

"Mom, I heard that Li Hongsu has been looking for him. Since he has come to Beijing, I suggest that we tie him up and send him to Li Hongsu today, and ask Li Hongsu not to suppress our Mo family anymore." Mo Beishen said suddenly.

Yu Sheng's face changed, the smile on his face froze for a while, and then slowly became icy.

"Yeah, grandpa and grandma, think about it, the second uncle was killed by the Li family because of their mother and son. This kid is a broom star. We must give him to Li Hongsu. Or we can Mo Jiayong. No day in the future." Mo Xiaoshan also said.

"Enough of you, Baking Shen, but your nephew for the rest of your life, how can you say such a thing?" Grandma scolded.

She is two, two and one daughter, and her second son and youngest daughter have been dead for a few years. She was also very sad when she was asked to send her white hair to a black hair.

But she didn't get dazzled by hatred. She was her grandson for the rest of her life. How could she push her into the fire pit for the rest of her life?

"Okay, send any hatred or hatred to Li's family. What kind of man is he who vents his relatives?"

Grandpa couldn't stand it anymore, looking at his son and grandson accusingly.

"Dad, if he is a relative of our family, we won't keep our Mo family from being suppressed. Moreover, I suspect that the sudden suppression of us by the silver pressure was also instructed by Li Hongsu or the Li family not to give him to Li Hongsu. If we can't calm Li Hongsu's anger, she won't let our Mo family go!" Mo Beishen said.

“Grandpa, if our Mo family can’t repay the bank’s 200 million loan in three days, they will sell our company to repay the debt, and our Mo family will go bankrupt!” Mo Xiaoshan persuaded. Grandpa glanced at the father and son, and said coldly: “Li Hongsu has been killed by Yu Sheng, how do you give him to Li Hongsu?”

What?

Li Hongsu was actually killed by Yu Sheng?

Both father and son were a little dumbfounded, how could this be possible.

After a while, Mo Xiaoshan suddenly said: “That’s right, it turns out that he killed Li Hongsu, and Li Jiakai took revenge on us again. Grandpa and grandma, think about it, the Li family has actually not suppressed us in the past few years, but this paragraph Why did time suddenly suppress us again? It’s because he killed Li Hongsu. If we don’t send him to the Li family for disposal, it is estimated that the Li family’s most serious revenge is yet to come!”

Grandpa and grandma were startled, and suddenly became a little worried, Mo Xiaoshan made sense.

“Li Jing, the master of the martial arts of the Li family, was also killed by me. You send me to the Li family, but the Li family dare not entertain me.”

At this moment, Yu Sheng said sarcastically.

#### **Chapter: 438**

“What? You killed you to respect?”

Mo Beishen’s face changed drastically, and he couldn’t believe what Yu Sheng had said.

Mo Xiaoshan was also shocked. Li Jing was a famous master in Beijing, but he was killed for the rest of his life? !

He suspected that for the rest of his life he was bragging.

“Don’t believe me? Then I’ll go to Li’s house with you.” Yu Sheng mocked.

The father and son looked at Yu Sheng with a turbulent heart, and suddenly they didn’t know what to say.

For the rest of his life, he no longer cares about the two of Mo Beishen and his son. The two have disappointed him too much, and even made him a little bit chilly.

He looked back at Grandpa and asked, “Grandpa, how much market value does the Mo family still have?”

“What’s the market value?”

Grandpa sighed and smiled bitterly: “Maybe, it will go bankrupt in three days. Even if it can make it through, Mohs Enterprise is not worth a lot of money.”

Grandma also sighed secretly. In just eight years, the Mo family has dropped from a market value of several billion to less than one or two billion now, which is really sad.

Yu Sheng thought for a while and said, “Grandpa, I plan to invest 500 million to acquire 51% of Mojia’s shares.”

“Ah, really? With this 500 million, we can repay the bank’s 200 million. While maintaining the Xicheng project, we also have 300 million working capital to operate. Our Mo family will surely rise slowly!” Said with some excitement.

He believes that Yu Sheng is rich, and he has also heard a rumor that Li Hongsu has been looking for Yu Sheng because Yu Zhongtian transferred hundreds of billions of circulating funds from the Yu family to the Yu Sheng card.

“Xiaosheng, is what you said is true?” Grandma also looked at Yu Sheng with surprise on her face.

Mo Beishen and his son also looked at Yu Sheng with a look of disbelief. If Yu Sheng really invested 500 million in their family, then their family would not go bankrupt, but would slowly reach its peak. Yu Sheng nodded and said, "Grandma, what I said is true. I can transfer the money to you today, but I have one condition."

"What conditions do you say?" Grandma said excitedly.

Several people also looked at Yu Sheng one after another, with a look of anticipation.

For the rest of his life, his gaze swept over Mo Beishen and his son, and then fell on Mo Yuhan.

"My condition is that cousin Yuhan must be the executive director of the company. If she doesn't know how to run the company, please trouble grandpa to take her to retire for a few years." Yu Sheng said.

Hum!

Mo Beishen's father and son were shocked by electric shocks, their expressions were ugly to the extreme. For the rest of his life, he was going to kick their father and son out of the game!

"Brother Yu Sheng, I can't do it. I just need to be a manager. The executive director should let his uncle or brother come. I really can't manage a company." Mo Yuhan hurriedly shook his head.

It's not that she can't control a company, she doesn't want to grab this position with the uncle's family. In fact, after the death of her father, she has been working hard, and her management ability is many times stronger than that of Mo Xiaoshan.

But she knew that she was a girl and couldn't compete with the uncle's family, and it was impossible for her grandparents to hand over the Mo family to her.

Grandpa and grandma are also a little embarrassed, after all, they still have to be a little bit more towards the father and son.

Because Mo Yuhan will marry sooner or later.

"Xiaosheng, Yuhan will be married in a few years, and I don't have too much thoughts about managing the company, and often changing the helm of the company will also cause management turmoil."

Grandpa thought for a while.

Mo Yuhan's expression remained unchanged, but he was still a little sad when he heard what his grandfather said.

Grandpa, this is a typical patriarchal thought.

She suddenly hated why she was not a man.

"For the 51% of the shares, I only want equity. I don't want to pay dividends or participate in your management. I just don't care about the uncle's family. I don't care how they pay dividends, but I just don't want them to be in charge of Mohs. Grandpa, you can think about it." Yu Sheng directly released his masterpiece.

"For the rest of my life, my dear nephew, the eldest uncle is wrong, and the eldest uncle shouldn't send all the grievances on you as soon as he comes."

Seeing that Yu Sheng was so careful, Mo Beishen hurriedly apologized to Yu Sheng.

In the past few years, the company has been managed by their father and son. Although they have not made any money, they have even been losing money, but that kind of superior power makes him reluctant to let go.

He said that he gave his son a hand, and Mo Xiaoshan came over knowingly, and hurriedly accompanied his smiling face to apologize to Yu Sheng: "Cousin, cousin is a stupid, you are a person who does great things, so don't be familiar with your cousin. By the way, if you let us take charge of the company, we

will definitely make the company flourish and return to the top soon.”

Yu Sheng glanced at Mo Xiaoshan, and said sarcastically: “You said, you are a stupid, how can I believe you? If I put Mo Shi in the hands of a stupid, wouldn’t it make me even more stupid?”

“Cousin, you have something to share.” The smile on Mo Xiaoshan’s face suddenly became stiff. Yu Sheng’s words were really hurtful.

But the father and son also knew that they were too much just now, and it is understandable to make Yu Sheng so angry.

But Mo Yuhan was very moved. In order to make her the executive chairman of the company, my cousin didn’t even want any dividends. His 500 million investment was just to make me the executive chairman. Mo Yuhan stared at Yu Sheng blankly, feeling surging, and the weakest part of his heart was deeply touched...

“Grandpa, please consider it carefully. I have something to do with my company. I’m going back to Qiancheng. If you think about it, call me or go to Qiancheng Sihai Group to find me.” Yu Sheng said as he took out a business card and handed it to the side. Mo Yuhan was in a daze, then turned and walked outside.

He wanted to help the Mo family very much, but Mo Beishen and his son were disgusting, and he also had a temper.

If grandpa and grandma didn’t accept his condition, he would not help the Mo family.

“Xiaosheng, don’t think about it. Grandpa promised your terms.” Seeing Yusheng was about to leave, Grandpa hurriedly shouted.

What kind of condition can this condition be for the rest of my life? This is to give them 500 million for free!

It would be too stupid if they were to favor Mo Beishen father and son at this time.

Moreover, it hurts the rest of my life too much.

In any case, Yu Sheng is also his grandson.

My grandson took five hundred million to give him away, and he still chills his heart, and he is not worthy of being a grandfather.

Grandma also shouted: “Xiaosheng, grandma believes that you are good to the Mo family. Your uncle and cousin really don’t have any abilities. If Yuhan can really take on the big responsibility, it would be great. They are both Mo family. Children, no matter who is in charge of the company is the same.”

Yuhan stopped for the rest of his life, looked at Mo Yuhan, and asked, “Yuhan, are you confident? Or do you dare to control the entire Mo family?”

Mo Yuhan’s heart trembled fiercely. She had always been a woman who was unwilling to be mediocre. At this time, Yu Sheng gave her a chance to prove herself. Did she seize it or let the opportunity slip away from her?

After only a few seconds of consideration, she made a firm choice.

“Brother Yu Sheng, I have the confidence to manage Mo Shi, and I also believe that I can lead Mo Shi to the top!” Mo Yuhan nodded firmly.

Yu Sheng nodded, looked back at Grandpa, and said, “Grandpa, then give cousin Yuhan a chance. If she is not as good as her uncle and cousin after three years, let them come.

But I want to talk about the shame first. In the past three years, no matter who dares to target Yuhan or deliberately give Yuhan a messenger, I will execute my equity.”

Grandpa smiled and said: “You can rest assured, Xiaosheng, if grandpa is watching, your uncle and others dare not target Yuhan.”

Yu Sheng nodded, and then asked Mo Yuhan to give him his account and transfer 500 million to her on the spot.

The Mo family also understood that Yu Sheng did not intend to transfer the money directly to the company's account, and readily agreed.

Mo Beishen and Mo Xiaoshan, father and son, regretted it to the extreme.

Knowing this a long time ago, how could they dare to accuse Yu Sheng and spread their grievances on him?

Next, Yu Sheng and the Mo family simply signed a contract. For the specific contract, he would ask a lawyer to sign with the Mo family another day.

Then I ate lunch with my grandpa and grandma, and returned to Bai's house for the rest of his life.

Bai Yulan is still waiting for him to return to Qiancheng together.

#### **Chapter: 440**

"Fang Qing, we are really blocked. Zhu Danian really has connections in Xiangjiang. I contacted all the well-known entertainment and media companies in Xiangjiang. They all bluntly said that we have been blocked. No matter whether it is Xiangjiang or the mainland, there is no such thing. Which entertainment media company dares to use us."

In the hotel, assistant Xu Peini said with a frustrated expression of Fang Qing.

Fang Qing's face was gloomy, she didn't even think that Zhu Danian could have such a big energy, that the entire entertainment circle could block her.

You know, she is now a super traffic star.

In the past two days, her public blogs have been violent. Basically, she was asking if she was really blocked, but she could only remain silent, and sometimes she did not dare to go to the blogs. .

But what she hates most in her heart is still that nasty silk. If it weren't for that stinky thread to hit her, how could she become what she is now?

"That bastard is too hateful, and I don't know how he is related to Zhu Danian. I really want to pay someone to beat him hard!" Fang Qing gritted his teeth hatefully at the thought of Yu Sheng's arrogant appearance at the time.

"I've inquired about it. I heard that he beat Zhu Danian, and then peed Zhu Danian. Then Zhu Danian was scared by him, so I didn't dare to offend him again." Assistant Xu Peini said, and she will save the rest of her life in her heart. Hate to death.

"Zhu Danian is really useless, even a little bitch is so scared, if I were him, I would directly ask someone to chop the bitch and feed the dog!" Fang Qing said angrily.

"Yeah, I didn't think that Zhu Danian was a pustule. He couldn't even deal with a gangster, and even blocked us. Didn't he know that if we blocked us, their company would lose more?" Xu Peini was a little disdainful. Said.

Fang Qing didn't speak, but deep resentment flashed in her eyes. Unfortunately, she also didn't have the time and opportunity to take revenge.

Seeing Fang Qing's sorrow and depression, Xu Peini was a little bit sad, thinking for a while and saying, "We have one last place to go."

Fang Qing's eyes lit up, and she hurriedly asked, "Where?"

Xu Peini said: "Qiancheng."

"Qiancheng?"

Fang Qing frowned and said, "Qiancheng is so remote and only a second-tier city. Are there any

entertainment companies there? If so, what kind of climate can it be?"

Xu Peini shook her head and said, "Qiancheng really has an entertainment company called Sihai Group. Although they are not only developing entertainment projects, their focus is on developing entertainment programs. Moreover, their market value is hundreds of billions, which is better than Zhu Daniao's Zixing. The market value of entertainment companies is tens of billions."

"Hundreds of billions of market value? Why haven't I heard of a few famous stars?" Fang Qing asked in surprise.

Xu Peini shook his head and said: "I have investigated. They are not following the traditional entertainment company model. Just a few months ago, they invested more than 10 billion yuan to seize traffic. Therefore, the Four Seas Group is an entertainment company with its own traffic. The existing two different types of video apps, Volcano Video, etc., have very large traffic. They have the ability to cultivate super traffic stars based on their own traffic."

Fang Qing's eyes lit up and said, "It turns out that volcano videos are their industry. I watched those fire dramas. The amount of broadcasts on volcano videos was hundreds of billions. This traffic is horrible."

Xu Peini nodded and said: "In the past few months, volcano video has become one of the top high-traffic apps in China due to the huge investment in traffic."

Nowadays, all kinds of fire dramas choose theaters and volcano videos to be launched at the same time. I heard that the revenue of many dramas in volcano videos is even higher than the box office revenue of theaters.

Even the Penguin Group bluntly said that they have received the biggest challenge and impact in history, and they are also learning from the Four Seas Group to develop the entertainment industry. However, Penguin has always imitated other people's entrepreneurship. This time, in the entertainment sector, they are destined to be difficult to surpass. Four Seas Group. "

Fang Qing's eyes lit up, her heart moved, and then she said with some worry: "But, does the Four Seas Group dare to sign us? Do they dare not give Zhu Daniao face?"
