

Dont mess 541

Chapter: 541

"Master, you are going to participate in the auction, and I want to go too." Zhu Xiaoshu said with a look of expectation when he heard the conversation between Yu Sheng and Bai Yulan.

She didn't even go to an auction before, and she was always curious.

"What are you going to do?" Yu Sheng hung up Magnolia's phone and asked.

"I want to see what an auction house looks like. I haven't been to an auction house." Zhu Xiaoshu said. Yu Sheng thought for a while, and felt that there was nothing to take her to see, so he nodded and said, "Okay, I will pick you up that night."

"Good Master, you are so kind, I love you!" Zhu Xiaoshu was so happy that he jumped up and splashed on Yu Sheng's face.

Yu Sheng had a chance to escape, but seeing Xiao Shu's face was filled with joy, and the clean eyes made him a little bit unbearable to brush her mind.

After dinner in the evening, it was almost half past seven, and I went out for the rest of my life.

He first went to Zhuqingshan Medical Center to pick up Zhu Xiaoshu before going to the auction of Hefengtang.

When I arrived at the Hefengtang, just after stopping the car for a while, Yu Sheng suddenly heard a few familiar voices from behind him.

A man said: "Chief Jian, I heard that today's finale is the best medicine of the Millennium. Bai Yulan is not going to announce this, but I have a good brother who works in Hefengtang. He told me about this!"

It was Yang Jian who was talking, and the one beside Yang Jian was Situ Jian who had just cured his legs. In order to deal with the Sihai Group, Situ Jian also strongly supported the Yang family to take back their shares.

"Well, if it is really a miraculous medicine for a thousand years, I can't help it without you." Situ Jian nodded, and reached out and patted Yang Jian on the shoulder.

Yang Jian was a little flattered, and nodded and said, "General Jian, don't worry. I am sure that my good buddy will not lie to me. By the way, it seems to be a thousand-year-old purple ginseng, which is much better than wild ginseng."

Yu Sheng turned around and looked at Yang Jian. At this time, Yang Jian was already embarrassed to lick the urinal a few days ago, and Situ Jian's eyes couldn't see the anger when his leg was broken.

Beside Situ Jian, there is his little secret Li Juan.

At this moment, Situ Jian and others also saw Yu Sheng.

Yang Jian and Situ Jian both had a deep hatred with Yu Sheng. The two of them hated Yu Sheng to their bones. When they saw it at this time, their eyes were full of anger, and they wanted to tear up the rest of their lives.

And Yang Jian was even more angry, thinking of the fact that Yu Sheng was forced to lick the urinal a few days ago, his mouth seemed to have the extreme disgusting smell in the urinal again.

Even these days, his appetite has not recovered.

Seeing Yu Sheng, Situ Jian couldn't help but speak first. He gritted his teeth and his eyes were full of angry flames: "So it's you, the stinky silk, let's meet again!"

Yu Sheng looked at Situ Jian's legs and smiled jokingly: "Why, the legs are healed, and the scars are healed. Forget the pain? Didn't the lessons I taught you last time at the auto show center be enough?"

A murderous intent flashed in Situ Jian's eyes. The last time he was humiliated by Yu Sheng at the auto show center was simply the biggest stain in his life.

In the end, the rest of his life broke his legs. This is a hatred that he will never forget for the rest of his life. He must maimed the rest of his life, so that he can experience the feeling of being broken his legs.

Situ Jian snorted coldly, and said, "Smelly f*ck silk, don't worry about it, wait until I have taken what I want to take today, then I will slowly adjust to you."

"Really, you are welcome to seek revenge from me. I'm afraid you will kneel down and call grandpa again." Yu Sheng smiled.

"Huh, let's go and see!"

Situ Jian didn't want to fight with Yu Sheng, so he walked to the auction hall first.

At the same time, he took out the phone and started calling.

After the auction is over, he must look good for the rest of his life!

Chapter: 542

For the rest of his life, he didn't have the threat of Situ Jian at heart.

Yang Jian took a deep look at Yu Sheng, then strode to follow Situ Jian's feet and stepped into the auction hall.

Listening to Situ Jian calling someone, Yang Jian showed a touch of gloat on his face, and he couldn't help but turn around and said to Yu Sheng: "Yu Sheng, do you know who the sword is always? You even dare to offend the sword, and wait to go to hell!"

Yu Sheng smiled and said, "Isn't he the bastard of the Situ family? I have fought him a long time ago. Ask him how he knelt down and called me grandpa when he was in the auto show center?"

"Hmph, just blow it hard, do you think that if you have the Bai family to support you, you can do whatever you want? I tell you, you have offended Situ Jian, and the Bai family can't protect you, you are dead!" Yang The sword threatened.

Yu Sheng said in disdain: "Is that right, then I will wait for you."

"Hmph, wait and see!" Yang Jian was unable to fight for the rest of his life, and was automatically defeated.

Watching Yang Jian and Situ Jian walk into the auction hall, Zhu Xiaoshu smiled and said, "Master, it seems that you have many enemies."

Yu Sheng smiled faintly and said, "Is it? Maybe it's because the master is too playful. They all want to beat your master with jealousy."

Although he was smiling on his face, his eyes were looking at Li Juan's back.

In his impression, Li Juan is a very acrimonious woman. He had seen it last time at the auto show center. Not thinking of Situ Jian fighting with him today, Li Juan didn't even say a word, the whole process was like a dead person.

Could it be that the last lesson made her remember?

Listening to Yu Sheng's shameless words, Zhu Xiaoshu rolled his eyes and smiled: "Yes, my master is the most handsome guy in the world."

"I think so too, hahaha, let's go, let's go in too." Yu Sheng laughed and walked to the auction hall, wishing Xiaoshu hurried to keep up.

When he arrived at the auction hall, Yu Sheng took Zhu Xiaoshu and found a VIP booth, but at the beginning, the auctions were all mortal objects. There were few things to look at for Yu Sheng, and there were always no bids.

To his a little surprise, Situ Jian and Yang Jian did not bid over the price during the whole process, and it seemed that they were also coming for the purple ginseng.

Two hours later, it finally came to the auction of purple ginseng.

Soon, the host stepped onto the stage and said: "Everyone, next, we will start bidding for our last finale medicinal material, the Millennium Purple Ginseng. Before we start the competition, please ask the famous appraisal master to give us an appraisal of this strain. Purple ginseng."

At this moment, a white-haired old man in his fifties stepped onto the high platform and saw that he had taken this superb purple ginseng from the hands of the lady of etiquette.

After careful identification, he opened his mouth and said: "Everyone, in Liu's humble opinion, the actual life span of this top-quality purple ginseng should be about 1,200. It can be described as the top-quality product. Please rest assured to auction it."

The people who came to the auction seemed to be very convinced of Master Liu, so they were also very convinced of his identification results.

Although it was far away, Yu Sheng took a closer look and found that the plant on the high platform was indeed a purple ginseng about 1,250 years old.

This made him admire Master Liu's distinguishing ability.

"Xiaoshu, come and take a look. How old is that purple ginseng?" Yu Sheng looked back at Zhu Xiaoshu, preparing to take a test of his only disciple.

Zhu Xiaoshu looked at it and shook his head and said, "Master, it's too far, I can't see clearly."

It was only for the rest of my life that Zhu Xiaoshu's martial arts was so high, and his eyesight was definitely not as good as him, so he couldn't help but smile and said, "Then I will test you later when the master takes the picture."

"You take it?"

Hearing Yu Sheng's words, Situ Jian said disdainfully: "What are you, a door-to-door son-in-law who eats soft rice, who dares to speak such a big talk is simply worthy of speaking!"

Chapter: 543

As we all know, ginseng ingredients of thousands of years are all sky-high, and they are still the kind that has no market.

At auctions, it is even more possible to sell at a sky-high price of 100 million yuan, and most people dare not participate in the bidding at all.

Therefore, Situ Jian couldn't help being ironic when he heard Yu Sheng blatantly saying that he wanted to photograph this thousand-year-old purple ginseng.

Yu Sheng glanced at Situ Jian and said with a faint smile: "Don't worry, but it's just a purple ginseng, you still have this money."

"You pretend, you just continue to pretend, I'm going to see how you fucking shoot." Situ Jian sneered.

For the rest of his life, he stopped taking Situ Jian. At this moment, the host said: "Next, let's start bidding for this 1,200-year-old purple ginseng. No less than one million, now everyone can hold up cards."

The host gave the audience a sweet smile, then stood aside and waited for everyone to raise their placards.

As soon as she finished speaking, she heard a local tyrant in the back row directly shouting: "55 million." Everyone was speechless, this person directly added 5 million as soon as he opened his mouth. This is to win the rhythm of this superb purple ginseng in one fell swoop.

Yu Sheng also looked up, and the bid was a young man in his thirties. The young man's Mandarin was very standard, but his accent was too standard, and he realized that his accent was not Chinese. However, the opponent is also of yellow-skinned race, even if they are not Chinese, they may be from Dongying or Korean.

Beside the youth, there is a girl in her twenties, with fair skin and delicate egg face, wearing a royal blue blouse, the appearance of a typical oriental beauty.

It seems that these young men and women should be Dongying people.

Like Yu Sheng, many people present recognized the identity of the other party.

"Master, I know these two people." Zhu Xiaoshu suddenly whispered.

Yu Sheng looked at Zhu Xiaoshu, and Zhu Xiaoshu said: "They are two siblings, the male is Takeshi Tokugawa, and the female is Haruko Tokugawa. They belong to the Tokugawa family of Dongying. The Tokugawa family opened a Tokugawa Pharmaceutical in Shanghai. I have invited my grandpa to be their chief research expert many times, but my grandpa refused.

However, they also plagiarized a variety of our Huaxia prescriptions and improved their prescriptions, which made the Tokugawa Pharmaceutical Co., Ltd. have a great effect, and the sales volume also increased sharply. I heard from Grandpa that the Tokugawa family has made a lot of money in China for the past ten years. money."

Yu Sheng nodded, and said that the two of them were originally Dongying devils, but he didn't know much about the Tokugawa family's opening of a pharmaceutical company in Beijing.

After all, he was only in his teens when he left Beijing, and he didn't have too much exposure to business matters.

But the other party's background is so big, it seems that today he wants to get this superb purple ginseng, it is estimated that he will have some blood.

"Fifty-six million." Situ Jian glanced at Tokugawa and added one million.

Takeno Tokugawa looked at Situ Jian, but raised his card again and said, "Sixty million."

Situ Jian glanced at Tokugawa Takeshi disdainfully, and raised his placard again: "61 million."

Takeshi Tokugawa still did not see Situ Jian, and continued to raise his placard: "65 million."

Seeing the two increase the price like this, the others are silent.

In addition, there are not many people who know that purple ginseng is going to be auctioned today, so there are not many bigwigs who really want to get purple ginseng.

Those big guys who don't want purple ginseng, of course, will not follow the bid and offend people for no reason.

Situ Jian narrowed his eyes and added another million: "Sixty-six million."

Takeshi Tokugawa finally glanced at Situ Jian, but he still didn't give up: "70 million."

The price added here is actually very high. If it is the normal market price, it is enough.

But this is an auction. Everyone knows that 70 million won't be able to get a thousand-year-old purple ginseng.

But for this reason, Situ Jian hesitated.

Because in fact, he is not inevitable to get this thousand-year-old purple ginseng.

Because he didn't know what he bought for him, besides giving it away, he only had to collect it.

Situ Jian suddenly thought of something, looked towards Yu Sheng, and said sarcastically: "Didn't someone just bluntly said that he was going to take this purple ginseng? How do you pretend to be dumb now?"

Yu Sheng glanced at Situ Jian and laughed: "Why, Situ Bianzhe dare not increase the price? Then I will pay 80 million."

As he spoke, he raised the sign in his hand.

Seeing that Yu Sheng had really raised his placard and directly added 10 million, Situ Jian was a little dumbfounded. He didn't know who gave Yu Sheng the confidence that he dared to sell 80 million to sell a ginseng.

Even if he killed him, he would not believe that for the rest of his life, a son-in-law from the Yang family would be able to get so much money.

Even if he had a relationship with the Bai family, it was impossible for the Bai family to give him that much money.

Yang Jian sneered and said, "Yu Sheng, you're the fucking son-in-law of our Yang family. What is your price, can you get 80 million?"

"What, he is the son-in-law of the Yang family?"

"I'm going, it turns out that this kid is going to pretend to be forced, dare to come to Hefengtang to make trouble, I'm afraid I don't want to live anymore!"

"This guy won't be the old fire who was oppressed in the Yang family. I want to come here to find a bit of man's dignity, but he is looking for something and finds the wrong place."

As soon as Yang Jian spoke, everyone laughed at the rest of their lives.

"I'm very seriously suspicious, you trash is here to do things!" Situ Jian stared at Yu Sheng. Yu Sheng is obviously a fucking silk, and he likes to pretend to be forceful in front of him, which makes him very upset.

Yu Sheng looked at Situ Jian and jokingly said, "I can't even afford a thousand-year-old purple ginseng. I'm here to join in the heat? Uncle, I really like this purple ginseng. If you want, you can bid for it?"

Yu Sheng is looking down on this, Situ Jianqi said, "Do you think I don't know your details? You are just a door-to-door son-in-law of the Yang family, who is a waste of money waiting for death. What right do you have to pretend to be in front of me?"

Besides, this purple ginseng is 100 million less, so you can't get it. Are you still looking for it? Even if I don't ask for the price, 80 million will be given to you, can you afford the money with a little girl?"

After finishing speaking, Situ Jian looked at the host and said loudly: "I recommend you to blast this neurosis out. He is the son-in-law of the Yang family and can't afford to pay at all. His behavior is called fraud, which is harmful to us. An insult to those who can auction!"

"Who said Master Yu can't afford to pay? For all the items that Master Yu photographed today, Fengtang and I paid for Master Yu!"

At this moment, a crisp and confident woman's voice sounded. Everyone was shocked when they heard the words, and turned their heads to look.

I saw Miss Magnolia was looking at them at the railing on the second floor, and when she moved to Yu Sheng, there was a touch of tenderness that was not easily detectable in her eyes.

"Isn't this fucking a door-to-door son-in-law? Miss Bai Yu actually wants to pay him? This is more than 80 million yuan!"

Everyone was shocked after recognizing the white magnolia.

More but it feels incredible.

Magnolia is the eldest of the Bai family, and it is rumored that she will be the successor of the next head of the Bai family.

And this guy is just the door-to-door son-in-law of the Yang family, a wimp who eats soft food.

Why did Miss Bai take care of him so much?

Could it be that he really has something extraordinary?

Everyone was puzzled, but no one could guess Magnolia's mind.

When Situ Jian saw that Magnolia came forward to help Yu Sheng again, his eyes narrowed.

He thought of the last time at the auto show center, that is, Magnolia gave Yu Sheng a 40 million

Bugatti, and then made him lose face in the auto show center, and even broke his legs by Yu Sheng.

And today, Bai Yulan and Yang Yan want to pay Yu Sheng, even if he and the Dongying Devil don't bid, she will pay 80 million for the rest of her life.

This is unscientific!

What is the relationship between him and the Bai family for the rest of his life?

In the past few days, Situ Jian has investigated Bai Yulan's identity.

Although his Situ family is also one of the best families in Shencheng, compared with the Shangjing Bai family, they can't make it to the table at all.

Therefore, he did not dare to offend Magnolia easily.

Situ Jian took a deep look at Yu Sheng, his eyes full of resentment.

Originally, he took the rest of his life into the water, in order to humiliate the rest of his life.

Unexpectedly, not only was there no humiliation to Yu Sheng, but Yu Sheng was forced to act again.

When he retracted his gaze, he took out the phone and sent a message, asking his bodyguards to come over as soon as possible.

He can't wait, he must retaliate for the rest of his life today.

Be sure to get leftovers!

Situ Jian gave up, but Tokugawa Takeshi did not give up.

Their brothers and sisters are also bound to win this supreme purple ginseng mountain today.

Takeshi Tokugawa glanced at Yu Sheng, without saying anything, but silently raised the sign:

"85 million!"

Chapter: 545

Yu Sheng also glanced at Tokugawa Takeshi and held up the sign: "90 million."

As he said before, for this thousand-year-old purple ginseng, he is bound to get it.

He can use this purple ginseng to refine the longevity pill, and he can also use it to refine the Dapeiyuan Pill. These two types of pill have a huge effect on him. If he doesn't encounter it, he will not. Will give up.

Takeshi Tokugawa looked at Yu Sheng again, with an imperceptible anger flashing in his eyes, he spoke lightly, and said in very standard Chinese: "This friend, I am from the Tokugawa family. My Tokugawa family is ranked in Dadongying. For the first five noble surnames, I also asked this friend to give me a face and give me this purple ginseng to Tokugawa Takeshi. Afterwards, Tokugawa Takeshi will have a good return.

By the way, our Tokugawa family still has a Tokugawa Pharmaceutical in Beijing. We have researched a lot of extreme drugs, which may be useful for this friend. "

Yu Sheng smiled faintly, and asked, "Are you good at Tokugawa's medicine? It's a pity that I don't like it.

By the way, I also like this purple ginseng, and I am sure to get it. If you really want it, just bid. "

Tokugawa's face showed displeasure, but Haruko Tokugawa next to him was curiously looking at the rest of his life.

Their Tokugawa family is a powerful family in Dadongying, and the surname of Tokugawa Kora is also

the noble surname of Dadongying. Their brothers and sisters are in China, so long as they report their family background, the big brothers of China will give their brothers and sisters some points. face. Unexpectedly, today this handsome young man would not give them any face.

This made her look at Yu Sheng a few more times.

“I gave out one hundred million!” After Yu Sheng was sullied, Takeshi Tokugawa directly added ten million. He didn’t think Yu Sheng was actually a rich man.

He has been in China for a few years, and he has a good understanding of Chinese culture.

For the rest of his life, people who are casually dressed and not expensive are not rich in ninety-nine percent.

So at this moment, he also looked down on the rest of his life in his heart.

Therefore, he felt that if he directly bid 100 million, the other party should be scared back.

However, what Tokugawa could not expect was that he increased the price by 10 million, but for the rest of his life he was more arrogant and directly increased by 20 million.

“I gave out 120 million!” Yu Sheng looked at Tokugawa, a confident smile appeared on the corner of his mouth.

Tokugawa’s eyes narrowed.

This amount of money is certainly not a big deal to him.

But he has always been a practical man.

Although this strain of purple ginseng is the best among the best, in his opinion, it is worth a billion dollars at most.

And this price will only be available at auctions. If it is offline, up to 80 million will be enough.

Therefore, after adding 120 million for the rest of his life, he will not increase the price anymore.

Although he really wanted to get this thousand-year-old purple ginseng.

But after the price far exceeds the actual price, he will definitely not ask for it.

“One hundred and twenty million?!”

Everyone was taken aback by Yu Sheng’s boldness.

A purple ginseng plant of 70 to 80 million yuan was photographed for 120 million yuan. This guy is really rich!

But when they thought that Magnolia was going to pay Yu Sheng, they were relieved.

The Bai family is the behind-the-scenes boss of this Hefengtang, with assets of over 100 billion, and 120 million is nothing to them.

Seeing that Takeshi Tokugawa didn’t bid for a long time, everyone knew that he had given up.

The host said at this moment: “If there is no price increase, this purple ginseng will belong to Mr. Yu.”

He paused, seeing the silence of the whole auction hall, he had to say, “One hundred million once.”

“One hundred million twice.”

“One hundred million three times, congratulations to Mr. Yu, the deal.”

Chapter: 546

For the rest of his life, he got the best purple ginseng for a thousand years, and soon the waiter brought the purple ginseng over.

“Mr. Yu, congratulations on your successful photograph of this superb purple ginseng. Our eldest lady said that she has already paid for you, so you don’t have to pay anymore.” The waiter smiled enviously.

But her eyes were more shocked.

They still know a little about their eldest lady. She is beautiful and has a very high IQ. In Qiancheng

alone, people who pursue her can queue up at least one extended company, but their eldest lady has never been able to get into her eyes.

They even knew that every time those rich boys wanted to approach their eldest daughter, they would be ruthlessly ignored by the eldest.

But their eldest lady favored this young man very much, which made them feel surprised and sincerely convinced when they watched the rest of their lives.

Yu Sheng glanced at the two waiters and smiled: "Although your eldest lady said she wanted to pay for me, she actually didn't settle the money to the seller, right?"

One of the waiters nodded subconsciously. Just when he was about to speak, he realized that he had made a mistake and shook his head again.

Yu Sheng smiled, already well-trained in his heart, and said with a smile: "Tell you eldest lady, I can go out for the hundred and twenty million by myself. I understand her kindness, and I will use the poss machine and I will swipe the card."

Seeing that Yu Sheng had to pay 120 million by himself, not only the two waiters, but even Situ Jian and Tokugawa Takeshi were shocked.

Especially Situ Jian and Yang Jian, aren't the rest of his life the son-in-law of the Yang family?

Where can he get so much money?

Is this kid going to pretend to be forced?

The two nodded, feeling that for the rest of their lives at this moment, they must be trying to pretend to be forced.

In their opinion, Yu Sheng must have expected Miss Bai to pay for him. Whatever he pays by himself, it must be just a few simple words.

This bastard thing is really shameless!

But of course they didn't know that for the rest of their lives, they didn't want to owe Magnolia any more.

If Magnolia wanted to pay him, he wouldn't postpone it.

"Master Yu, please give Yulan another chance to work for you!"

Seeing Yu Sheng had to pay for it herself, Magnolia felt a little sad, and she appeared outside the railing and said.

She really wanted to buy it for the rest of her life, but the rest of her life repeatedly ignored her sincere intentions, which made her very sad.

When everyone heard what Bai Yulan said and saw that Bai Yulan was a little sad, they were even more shocked.

Ms. Jingbai dignifiedly asked a door-to-door son-in-law to ask her to pay for him. This is an unprecedented event!

This bastard thing, is he really the son-in-law of the Yang family?

Is he really just a son-in-law?

At this moment, everyone was very puzzled.

How could the person whom Miss Tangtang Bai loves and cares so much be just a waste of soft food?

Anyway, at this moment, no one no longer believes Yu Sheng is really a door-to-door son-in-law!

There must be something more special for this guy!

"Master, if you insist on paying by yourself, Sister Yulan will definitely feel very sad."

At this moment, Zhu Xiaoshu whispered.

Yu Sheng looked at Magnolia, who was also with him at this time.

Seeing Bai Yulan's extremely resentful eyes, Yu Sheng felt a little bit sorry in his heart.

I had to nod and said, "Then thank you, Miss."

As he said, he accepted the best purple ginseng, then got up and walked outside with Zhu Xiaoshu.

Situ Jian and others also followed in the footsteps of Yu Sheng.

As soon as he left the auction hall, he stopped for the rest of his life. Not far from his eyes, seven or eight sturdy men surrounded him with fierce faces.

Yu Sheng glanced at everyone, and a touch of abuse flashed in his eyes.

Chapter: 547

At this time, Situ Jian and Yang Jian also walked out in real time.

Looking at the rest of their lives surrounded by bodyguards, both of them flashed a confident smile in their eyes.

Because the eight people Situ Jian called were all mercenaries that his father had hired him from the Middle East battlefield at a high price, and they were all true murderers.

Even if Yang Jian knew that Yu Sheng was very powerful, after learning the identity of these mercenaries, he was full of confidence in him, and he no longer feared Yu Sheng in his heart.

"Yu Sheng, a good son-in-law, you are improper. You have to pretend to be forceful in front of Situ, now to see who can save you." Yang Jian looked at Yu Sheng with a gloating expression on his face.

He had long seen Yu Sheng not pleasing to his eyes, and wanted to kill Yu Sheng very early.

It's a pity that he not only can't help the little son-in-law of Yu Sheng, but he has been accepted by Yu Sheng many times.

Take the last few days as an example, in fact, it has been very low-key and very careful.

But I thought I still offended Yu Sheng, and in the end he was forced to lick five toilets.

For him, this is simply the biggest insult in life.

Originally, he thought that he would not be able to avenge this revenge in his entire life, but he did not think that for the rest of his life, if he dared to offend Situ, he would definitely be annulled by Situ.

At this moment, Yang Jian's eyes were full of schadenfreude, and his mind was full of miserable scenes that he had fantasized about being taken for the rest of his life.

"Really?" Yu Sheng looked back at Yang Jian and Situ Jian, a flash of abuse flashed in his eyes.

"For the rest of your life, you quickly kneel down and kowtow to Master Situ to admit your mistake, maybe Master Situ will spare you a dog, otherwise no one can save you today." Yang Jian said triumphantly.

Yu Sheng said disdainfully: "There are no people in the world who can let me kneel for the rest of my life. What are you guys? You are worthy of making me kneel?"

Yang Jian disdainfully said: "Yu Sheng, do you think that you have fooled the Bai family and you are so great? Can you trample our Yang family under your feet? Let me tell you, the Yang family is not what it used to be, it's not your stink **Silk can provoke it!"

Yu Sheng was startled slightly, looked up and down Situ Jian, smiled and said, "Why, are you holding your thighs?"

Yang Jian pointed to Situ Jian next to him, and the villain smiled proudly: "This is Situ, the chairman of New Goose Media. Let me tell you the truth. A few days ago, the Yang family could take back the shares acquired by the Sihai Group. , Is to rely on the support of Situ.

Now our Yang family has developed a new way of cooperation with New Goose Media, and our Yang family will surely soar into the sky in the future.

If your family dares not to be obedient, it will make you look good at that time, so that your family will have a foothold in Qiancheng!”

Yu Sheng smiled disdainfully: “Really, but do you know, your thigh, he just kneeled down and called me grandpa some time ago.”

As he spoke, he looked at Situ Jian with a smile on his face.

Situ Jian’s face was rather ugly.

Last time in the auto show center, Yu Sheng was forced to kneel down and call him grandpa. To him, it was a shame and shame. It was a shame to think of it again for the rest of his life today, and it made him lose face.

Situ Jian said angrily: “Yu Sheng, you and the others think that you are a little skillful, don’t you? Do you believe that I broke your hands and feet today?”

Yu Sheng glanced at the eight big guys around him, and smiled disdainfully: “Is it all eight of them?”

Situ Jian said coldly: “Yes, all eight of them are kings on the battlefield in the Middle East, killing gods. If you kneel down and call me grandpa now, I can consider killing you!”

As he said, his eyes were full of resentment!

“Yes?”

Yu Sheng laughed and moved.

boom! boom! boom!

Situ Jian still didn’t react, when he suddenly saw the eight top bodyguards he had called all falling to the ground and grumbled.

He even couldn’t see clearly how they fell.

He saw only one figure flashing, and then all of their eight bodyguards fell to the ground bang bang bang.

“Now I also give you a chance to kneel down and call my father, and I will let you go.”

Yu Sheng looked at Situ Jian jokingly.

Chapter: 548

Situ Jian was dumbfounded.

Yang Jian was also dumbfounded.

Those who had just come out were also shocked by the terrifying combat power of Yu Sheng.

Brother Tokugawa and Haruko Tokugawa glanced at each other, and their eyes narrowed slightly.

Then I communicated in Dongying dialect, and only listened to Tokugawa Takeshi whispering: “This kid is very skilled, you must be careful when you do it for a while.”

Tokugawa Haruko nodded, and said, “I think he is just like that, just a few bodyguards, I can put them all down with one hand.”

Tokugawa took another look at Yu Sheng not far away, then nodded, and said, “This guy doesn’t seem to be that simple, so he will grab purple ginseng soon and leave immediately to avoid any accidents.”

Tokugawa Haruko nodded, and said confidently: “Brother, don’t worry, don’t you believe in my martial arts?”

Takeshi Tokugawa thought about it, felt that his sister was not bad, and then stopped talking.

At this time, watching the top bodyguard he relied on fell to the ground and hummed, watching the disdain on Yu Sheng’s face, Situ Jian was shocked and incredulous in his heart.

“Boy, no matter how much you can fight, you are only a thug. What are you in front of the rich? At best, it’s a dog raised by someone else!”

Seeing Yu Sheng so vigorously and slapped him in the face again, Situ Jian almost lost his sense of anger. "Being able to fight is also a skill, just like now, I slap you, what can you do with me?"

Yu Sheng slapped Situ Jian's face with a slap. Situ Jian had no time to dodge. Yu Sheng looked at Situ Jian who was stunned by him, and said sarcastically: "Look, are you rich? I just smoke. You are slapped, what can you do to me?"

The few who recognized Situ Jian were all dumbfounded.

Someone slapped Situ Jian here, and he was the son-in-law of the Yang family.

Doesn't this kid want to live anymore?

Situ Jian was also stupid, and Yu Sheng dared to beat him in public, which was a shame!

"You fucking dare to beat me, I must kill you!" Situ Jian roared when he recovered.

"What's wrong with me slapped you, are you here to kill me?"

Yu Sheng sneered, raised his hand, and slapped Situ Jian's face with a few slaps.

Situ Jian was extremely angry, but there was no way he could take the rest of his life.

Even his eight top bodyguards are not opponents for the rest of his life, he is a fart.

But being so humiliated by Yu Sheng, he couldn't swallow this breath again!

"Come on, come and kill me, aren't you fucking clamoring to kill me?" Yu Sheng raised his hand and slapped Situ Jian's face again.

"You!" Situ Jian glared at Yu Sheng. If his eyes could kill someone, Yu Sheng didn't know how many times he had died.

And Yang Jian, who was next to him, saw Yu Sheng's unreasonable style of play, and he was so frightened that he didn't dare to express himself, and even quietly moved away from Situ Jian.

"Kneel down and call Dad, otherwise I will get your face sucked today!" Yu Sheng shouted coldly.

"Don't go too far!" Situ Jian shouted angrily.

"Excessive?"

Yu Sheng grabbed Situ Jian's hair and slapped it like a wooden plank, directly on Situ Jian's cheek. Situ Jian's face was hot and he almost passed out in pain.

"Give you one last chance, kneel down and call Dad, otherwise Lao Tzu will directly disfigure you today!" Yu Sheng said coldly.

Upon hearing the word disfigurement, Situ Jian stopped struggling and knelt before Yu Sheng with a bang.

This face of him, he himself bought insurance, this is one of the artifacts for picking up girls, of course it cannot be destroyed.

So as soon as he heard what Yu Sheng had said, he immediately compromised.

The secretary next to him saw that Yu Sheng forced his boss to kneel again, with a wonderful expression on his face, and his heart collapsed.

Her boss knelt down, and her secretary was also embarrassed.

Li Juan gritted her teeth and couldn't help threatening: "Yu Sheng, if you bully and force people to kneel so much, aren't you afraid that we will call the police?"

Chapter: 549

"Report, I'll wait for you to report, I can guarantee that before the police came, you Stuart's face would have been broken." Yu Sheng smiled faintly, not taking Li Juan's threat in his heart.

Li Juan took out her mobile phone and looked at her increasingly arrogant rest of her life. She suddenly understood that even if she reported to the police, it would be of no use, and it would make her boss

even more embarrassed.

Seeing that Li Juan took out her cell phone as she was about to call the police, Situ Jian was even more frightened, and he yelled directly: "If your mother dares to call the police, do you believe me that I will kill you?"

He is not a fool. When Li Juan calls the police, he believes Yu Sheng will dare to disfigure him.

Li Juan was shocked, her face changed drastically, she hurriedly put away her mobile phone, and did not dare to call the police again.

Situ Jian turned to Yu Sheng again, begging: "Brother Yu Sheng, don't be impulsive."

Yu Sheng sarcastically said: "Why, now I know I'm afraid?"

Situ Jian was silent, but everyone could tell that he was really scared.

Yu Sheng sarcastically said: "If you want me to let you go, then call Dad, and call it three times. If I am satisfied, I will let you go."

Situ Jian's face was quite ugly, but he thought that if he didn't call Yu Sheng Dad, Yu Sheng would definitely ruin his appearance today, then he lowered his head and whispered: "Dad, I was wrong, please let me go!"

Yu Sheng snorted coldly: "Do you fucking eat? Your voice is so small? Loud, start over."

Situ Jian shocked, gritted his teeth, and shouted: "Daddy Yu Sheng, I was wrong, please let me go!"

"Dad for the rest of my life, I was wrong, please let me go!"

"Dad for the rest of my life, I was wrong, please let me go!"

Everyone was dumbfounded and looked at Situ Jian in disbelief.

Is this still the eldest son of the Situ family?

Is this still the chairman of New Goose Media?

Why are you so timid!

He was slapped a few times by a door-to-door son-in-law, and he was so frightened that he pissed off, what a damn futility!

Yu Sheng stepped forward, touched Situ Jian's cheek, and said sarcastically: "My dear son, remember, I am not something you can provoke. Next time I dare to provoke your father and me, I will let you know what despair is."

As he spoke, he took a deep look at Yang Jian, and then left with Zhu Xiaoshu.

Yang Jian looked at Yu Sheng's icy eyes, and suddenly there was a scene in his heart that Yu Sheng was forcing Li Hongsu to death, and his hands and feet suddenly became cold.

At this time, he realized that Yu Sheng was a thug who dared to kill even people. He even provoke Yu Sheng again and again, and the more he thought about it, the more scared he became.

During the whole process, Zhu Xiaoshu was unable to worship the rest of his life.

"Master, you are so handsome!" Zhu Xiaoshu couldn't help saying, with a look of admiration.

Yu Sheng came to her to kill her, smiled, and walked outside.

Magnolia looked at Yusheng's teacher and apprentice far away, feeling a little lost in her heart.

At this time, Situ Jian got up from the ground and looked at Yu Sheng's back, his eyes were full of raging anger.

For the rest of his life, he has repeatedly humiliated him to the extreme, which has already made his mentality a little distorted.

It can be said that if he cannot avenge his revenge, he will be a shadow for the rest of his life for the rest of his life.

"Who can interrupt the trash hands and feet for me, I will give him 50 million!" Situ Jian glanced at the

crowd around the audience and said in a deep voice.

“Give me 100 million, I will go to fulfill your wish now.” Tokugawa Haruko said suddenly.

“Beauty, please don’t make trouble, I don’t think this is a joke!” Situ Jian looked back at Tokugawa Haruko, a touch of surprise appeared in the corner of his eyes.

I have to say that Haruko Tokugawa is one of the most beautiful and moving women he has ever seen.

But beautiful is beautiful, and business is business.

He now only wants to kill the remaining life, and he has no intention of joking with Tokugawa Haruko.

Chapter: 550

“We from Dongying never make jokes. You can find out what kind of person Haruko Tokugawa makes the decision.” Haruko Tokugawa said with a serious face looking at Situ Jian.

Situ Jian’s heart was shocked, and he looked at Tokugawa Haruko again, and said in surprise: “Are you the Tokugawa Haruko, the best beauty in the East?”

Situ Jian had been to Dongying several times, and he knew a little about Dongying.

In Dongying, there are five powerhouses. One of them is Tokugawa, the head of the Tokugawa family. Tokugawa is the first of the five powerhouses. He has only one disciple in his life, his granddaughter Haruko Tokugawa.

It is said that Haruko Tokugawa has obtained the true biography of her grandfather Tokugawa-kun, who is very powerful, and is called the first beauty war god of the East by the East.

“Yes, I am Tokugawa Haruko, so do you think my appearance fee is worth 100 million?” Tokugawa Haruko said proudly.

She was going to deal with Yu Shengsheng and grabbed the thousand-year-old purple ginseng from Yu Sheng.

Unexpectedly, it was just this time that Situ Jian wanted to ask someone to avenge her for the rest of her life. This kind of handy money would not be made in vain.

“Okay, well, I’ll give you 50 million transfers first. After a while you interrupt his legs, I will transfer another 50 million to you.” Situ Jian said with some excitement.

He didn’t think that this beautiful suffocating woman in front of him was actually the first female God of War of the East, and the appearance fee of 100 million was not much at all.

Moreover, as long as he can really avenge him, 100 million is definitely worth it.

Tokugawa Haruko nodded and reported the card number to Situ Jian.

Situ Jian immediately called Li Juan to arrange the transfer.

Before Li Juan could make a profit, Tokugawa Haruko chased him outside.

Her main purpose is to snatch the best purple ginseng in Yu Sheng’s hands, so she can’t let Yu Sheng go away.

Situ Jian hurriedly followed, and everyone chased after him. They were all people who looked hot and didn’t care about things.

Seeing Yu Sheng walking to his car and just about to get in the car, Situ Jian hurriedly shouted: “Yu Sheng, you and the others stop for Lao Tzu!”

His voice is a bit loud, of course he heard it for the rest of his life.

He turned his head and looked at Situ Jian with a menacing look, his eyes narrowed involuntarily. , But he squinted not because of Situ Jian, but because of Tokugawa Haruko.

This Tokugawa Haruko, he hadn’t paid attention before, but when he looked at it again, he realized that the opponent was also a strong man.

“Yu Sheng, you fucking shame Lao Tzu just now, Lao Tzu must make you a real waste now!” Situ Jian strode over and stared at Yu Sheng panting, his eyes full of anticipation that his revenge was about to be paid. .

“Why, what I called my father just now is not enough, now I am going to call my grandfather?” Yu Sheng glanced at Situ Jian, and said sarcastically with disdain.

“Hmph, do you know who she is?” Situ Jian pointed at Tokugawa Haruko and snorted coldly.

“Who is it?” Yu Sheng looked at Situ Jian playfully, only to realize that Haruko Tokugawa had given Situ Jian the confidence, and Situ Jian dared to seek revenge on him.

“She is the first female god of war in the Eastern Kingdom. She is a real martial arts master. If you know each other, you can kneel down and call me grandpa. Otherwise, Miss Haruko will help me interrupt your hands and feet today and make you a real one. Waste!” Situ Jian said triumphantly.

“Yes?”

Yu Sheng looked at Haruko Tokugawa, and smiled faintly: “This little beauty from Dongying wants to help this bastard grow up?”

Tokugawa Haruko smiled coldly and said: “Yes, I charged him 100 million yuan in appearance fees, and I must help him get revenge. Isn't there a saying in China that you say that? Take people's money and help them eliminate disasters. ”

Yu Sheng smiled and said: “I think it's fake that you helped him get ahead. Is it true that you want to steal my purple ginseng?

How about we make a bet, if you win, I will give you purple ginseng? “
