

Dont mess 571

Chapter: 571

“Grandpa, come in first.”

At this moment, Zhu Xiaoshu suddenly came out and said.

Zhu Qingshan was startled, but still followed Xiaoshu to the inside.

“Xiaoshu, what’s the matter?” Zhu Qingshan asked.

Zhu Xiaoshu whispered: “Grandpa, Situ Jian offended my master a few days ago. You can’t give Situ Jian the pill that my master gave you. This person is really hateful.”

“What? He dared to offend Doctor Yu?” Zhu Qingshan frowned.

Zhu Xiaoshu nodded and said, “Grandpa, and his feet were interrupted by my master last time.”

“By the way, Doctor Zhu, my feet were interrupted by Situ Jian, because he drugged Yang Zihuan and was hit, so he interrupted my feet, and his feet were also beaten for the rest of my life. Broken, Yu Sheng probably doesn’t want to see his feet get better.”

Li Kai who was lying on the hospital bed also smiled bitterly.

Zhu Qingshan was dumbfounded when he heard what Zhu Xiaoshu and Li Kai said!

He asked in surprise: “He, although he prescribes medicine to the wife of genius doctor Yu?!”

“Yes.”

Li Kai nodded and said, “Besides, he was hit by me for the first time. He didn’t give up, and the second time he prescribed the medicine. If he didn’t rush to the bar in time for the rest of his life, Yang Zihuan would have been ruined by him.”

Zhu Qingshan was furious at once. This Situ Jian was so embarrassed that he was so embarrassed that he also went to provoke genius doctor Yu. It was even more frantic that he wanted to attack doctor Yu’s wife. It was a bastard!

God-Doctor Yu has the grace to recreate himself. Moreover, God-Doctor Yu is also the master of his granddaughter, and he is accustomed to teaching his granddaughter to learn his magical medical skills, and even to teach him the method of alchemy.

Compared with Yu Shenyi, Situ Jian’s family is considered to be an idiot!

The enemy of Yu Shenyi is the enemy of I Zhu Qingshan!

Angrily, Zhu Qingshan walked out.

With a dark face, he stepped forward to Situ Jian.

Seeing him come out with a calm face, Situ Jian couldn’t help feeling a little nervous.

He remembered that at the auction before, he saw Zhu Xiaoshu with Yu Sheng.

And just now Zhu Xiaoshu turned out to be called Grandpa Zhu Qingshan, are they also related to Yu Sheng?

Zhu Xiaoshu just went in with Zhu Qingshan, isn’t it just about that day?

Still waiting for him to speak, Zhu Qingshan took the lead and asked in a cold tone: “I ask you, did you drug a Yang Zihuan woman yesterday?”

Situ Jian was startled and couldn’t help asking, “Uncle Zhu, do you know Yang Zihuan?”

Zhu Qingshan sneered, pointed outside, and shouted: “Get out of here!”

Situ Jian was stunned, and said in surprise: “Uncle Zhu, what’s the matter?”

Zhu Qingshan said in a loud voice: “Don’t call me uncle. From now on, I and you, and you Situ Jiaen, will be cut off from righteousness and have nothing to do with you!”

Situ Jian was shocked immediately!

With Zhu Qingshan, everyone in their Situ family has one more life. Because Zhu Qingshan has the means for the living dead to save their family's life at a critical moment. After all, making money is easy, but life extension is difficult. If I had a mess with Zhu Qingshan today, how could I explain to my family when I go back! ? The key is that he has a god pill in his hand that can heal his feet. If he gets over with him, he is afraid that his feet will be over! What should I do? Do you have to sit in a wheelchair for the lower body? Situ Jian became more and more afraid as he thought about it, and hurriedly asked, "Uncle Zhu, what is going on? Is there something wrong with you?" Zhu Qingshan snorted and said: "Then I will tell you that Yang Zihuan is the wife of my recreating benefactor Yu, and you dare to beat his wife. It is my enemy of wishing Qingshan! You get out now! Otherwise! , I'm afraid I can't help but lose your hands!"

Chapter: 572

"Uncle Zhu, you said the rest of your life is a genius doctor?" Situ Jian hurriedly said: "Uncle Zhu, you are really confused. You must have been deceived by Yu Sheng's crap! What kind of genius doctor is he? He is just a door-to-door son-in-law. The Yang family of Yang family, as a guest of mine, they even kneel to me in order to borrow some money from me to tide over the difficulties. Compared with me, that waste for the rest of their lives is a gross? Uncle Zhu, don't worry, he dared to lie to you. When my feet are better, I will chop him off to feed the dog and vent your anger! " "Bastard!" When Zhu Qingshan heard what he said, he became very angry. He picked up the medicine pestle next to him, and slammed Situ Jian fiercely. He cursed in the middle of his mouth, "You dare to speak rudely to Doctor Yu? In front of Doctor Yu, you What is it? For the sake of your father's face, I don't care about you today, so let me go right away and don't let me see you again in the future!" Situ Jian did not evade, and he couldn't avoid it. He was smashed on his body by a pill, and he grinned in pain. He was also a little angry, grinning, and cursed angrily: "The surname Zhu, are you so old-eyed? Don't forget that kind of liar, even if we don't even give the Situ family affection? You believe it. If you don't believe me, let me have you demolish your broken place?" "Just rely on you to dismantle our medical clinic?" At this moment, Zhu Xiaoshu walked out and looked at Situ Jian with contempt. Seeing Zhu Xiaoshu coming out, Situ Jianfei was furious. If it wasn't for Zhu Xiaoshu to talk more, would Zhu Qingshan not heal him? Had it not been for this little girl's skin, Zhu Qingshan would have given him the god pill. "Come here, interrupt this little Niangpi's legs for me, I see this old thing he dare not heal me!" Situ Jian exclaimed angrily. Those big guys were all his bodyguards, and when they heard this, they arrested Zhu Xiaoshu. Zhu Xiaoshu snorted coldly, his figure flashed slightly, and he avoided the opponent's hand while cutting a palm on the opponent's wrist. Dahan immediately covered his wrist and snorted. Don't think that sister Zhu is just a girl of seventeen or eighteen years old. But during this period of time she has been learning martial arts with Yu Zhong, and her martial arts has

improved very quickly, and her internal strength has become deeper and deeper.

If she hadn't been kind-hearted, she would have cut off the man's wrist with this knife.

The other three Zhu Xiaoshu turned out to be Lianjiazi, and they did not keep it, and they all attacked Zhu Xiaoshu.

Zhu Xiaoshu glanced at the three of them with disdain in his eyes. After the three of them rushed over, they beat them down directly.

Seeing that Zhu Xiaoshu was so good, Situ Jian easily solved his four bodyguards, and he was even more angry.

Seeing Zhu Xiaoshu walking towards him, Situ Jian felt even more panicked.

His feet are already dead at this time, and he is not Zhu Xiaoshu's opponent at all.

"What are you going to do?" Situ Jian said with a guilty conscience.

Zhu Xiaoshu grabbed Situ Jian by the collar, lifted him from the hospital bed, and then fell to the floor.

Situ Jian was not lightly thrown, and even more painfully groaned.

However, Zhu Xiaoshu took a step forward and stepped on Situ Jian's chest, and said coldly: "If you don't roll anymore, I will abolish your hands and make you a stick!"

Situ Jian knew that he would not leave again, and he was about to lose his hands, so he hurriedly nodded and said, "I'm going, I'm going now."

As he spoke, he asked a few bodyguards to quickly lift him back to the hospital.

Several bodyguards hurriedly got up from the ground, and then lifted Situ Jian into the wheelchair.

Push him to walk outside.

At this moment, Situ Jian cursed and threatened: "The surname Zhu, you will wait for me, today's hatred, I will find you in the future!"

Zhu Xiaoshu disdainfully said: "Get out of the waste, wait until you cure your legs before you say these big things, I'm afraid you won't have a chance to stand up again in your life."

Situ Jian was extremely angry, and his heart was even more worried.

Do you really have to spend the rest of your life in a wheelchair?

He was very scared!

Chapter: 573

For the rest of his life these days, he didn't go home. Yang Zihuan called him a few times, but he didn't answer it either.

He was still angry with Yang Zihuan in his heart, even, he was ready, as long as Yang Zihuan delivered the divorce agreement to him, he would divorce Yang Zihuan.

He didn't want to bear it anymore.

After Yang Zihuan went home that night, she clamored that she wanted to divorce Yu Sheng, but after Gao Qing heard that Situ Jian was crippled by Yu Sheng, she felt that Situ Jian was no longer good, so she should not divorce Yu Sheng yet.

Then finally, under her persuasion, Yang Zihuan also changed his mind, and did not mention divorcing Yu Sheng again.

But for the rest of her life, she didn't go home for several days, which made her very annoying.

But if she didn't answer her phone for the rest of her life, even if she was going to get angry, she couldn't find anyone who got angry.

Yang Zihuan still broadcasts live broadcasts as always, and he will not be back for the rest of his life, so the job of picking up Xiaoshui is given to Gao Qing.

She was a little unhappy at the beginning, but Yang Zihuan said that she would give her 10,000 yuan in pocket money every month, and she agreed, and also let Gao Qing drive her car.

Besides, Situ Jian, after making a complete break with Zhu Qingshan, the more he thought about it, the more unpleasant he was, and the more he thought about it, the more he felt aggrieved.

But both his legs were broken, and he had no idea what Zhu Qingshan could do.

In the end, he called his father for help.

“Dad, I was interrupted by someone, and Zhu Qingshan was in Qiancheng. I asked him to treat my leg. Not only did he not help, but he also blasted me out, saying that he had been severely broken with Situ Jian since then.” Once connected, Situ Jian said.

“Asshole, it’s okay, how could you get your leg broken? What about your bodyguard? And do you not know the heights of the sky and offend Doctor Zhu?” Situ Chong shouted angrily from the phone.

At this time, Situ Chong was quite angry. First, he was angry with Situ Jian’s incompetence. After a long time in Qiancheng, his legs were broken. Second, he offended Zhu Qingshan.

Zhu Qingshan is a national expert in Chinese medicine, a true genius doctor. A few years ago, he had a serious illness and the hospital had to sentence him to death. Then Zhu Qingshan took him back again. He believed in Zhu Qingshan’s medical skills. With Zhu Qingshan, their Situ family would have multiple lives.

But his own son didn’t know how high the world was, and he offended Zhu Qingshan, making him want to vomit blood in anger.

He is not stupid. He has a good relationship with Zhu Qingshan. Moreover, he also understands Zhu Qingshan’s personality. If his son had not offended him to death, he would definitely not say anything to break with their Situ family.

“Dad, I didn’t offend him. I offended the door-to-door son-in-law who interrupted my legs. Zhu Qingshan said that the useless was his benefactor, and that I had offended his benefactor, and then he was offended. Just blasted me out.” Situ Jian said aggrievedly.

“It’s really what you said? You didn’t lie to me?” Situ Chong did not believe Situ Jian.

In his opinion, this matter will certainly not be that simple.

“Dad, really, how did I know that the waste who ate soft rice was his benefactor? Besides, he was a genius doctor. He actually said that the son-in-law was a genius doctor who was even better than him. I guess he was mostly caught by him. That scumbag was cheated. At such an old age, he still needs to be tricked by a gangster. I also convinced him.” Situ Jian vomited.

“Wait, what’s the matter with the door-to-door son-in-law you said? Since he is so useless, how can he break your legs? Do you think I am a fool?” Situ Chong heard the strangeness in his son’s words, and thought to himself It’s even more angry.

Chapter: 574

“Dad, the door-to-door son-in-law Yang Zihuan and his wife Yang Zihuan have something to do with the chairman of Sihai Group. I haven’t always found out who the chairman of Sihai Group is, and then I want to break through from Yang Zihuan in order to find out the identity of the other party.

Who knows that the son-in-law who came to the door thought that I was going to beat his wife, so he asked someone to ambush me and broke my legs.

And I really don’t offend Zhu Qingshan. He has to say that the door-to-door son-in-law is his benefactor. If you don’t believe me, please call him and ask him.”

Situ Jianzheng said that he wanted to avenge Yu Sheng himself, and then wanted to put on a hat for Yu

Sheng, and finally was interrupted by Yu Sheng. He knew that if he said this, his father would definitely scold him again.

“Hmph, you better not lie to me.”

Situ Chong hummed, hung up the phone, and then turned out Zhu Qingshan’s number and called Zhu Qingshan.

After more than twenty seconds, the call was connected and Situ Chong smiled: “Old Zhu, what are you up to?”

Zhu Qingshan on the other side replied, “You called me because of Situ Jian, right?”

Situ Chong smiled awkwardly and asked: “Old Zhu, based on the friendship between the two of us, you should know me. Situ Chong also sincerely recognizes you as a friend. After all, Xiaojian is still young. He did something wrong. Place, please bear with me. When I go to Qiancheng tomorrow, I will come out for a drink.”

The son’s legs are broken. As a father, he certainly wants to see it. So he is going to invite Zhu Qingshan out to have a meal, and then apologize to him on behalf of his son, so that the matter will be resolved first, so that Zhu Qing Shan helped his son treat his legs.

Zhu Qingshan on the other side said: “You don’t need to eat, Situ Chong, what I told Situ Jian before was not aimless. He did too much and I was very angry.”

Situ Jian felt a sudden in his heart and asked, “Old Zhu, just tell me the truth, what stupid things did he do?”

Zhu Qingshan snorted coldly: “Do you know that not only did he offend my benefactor many times during this period, he even invited my benefactor’s wife out the other day, and he tried to drug my benefactor’s wife, if not my benefactor? Arriving in time will make a big mistake.”

When Situ Jian heard this, he immediately became angry and said, “This obstacle, wait for me to go to Qiancheng tomorrow, and see if I won’t pull his muscles!

By the way, Old Zhu, who is your benefactor, why do I hear that adversary said he is just a door-to-door son-in-law?”

Zhu Qingshan sneered and said: “My benefactor is the son-in-law of the Yang family, but he is so capable, which is not what you can imagine. I will tell you directly. I already have old illnesses on my body. It’s been decades since I’ve been devastated, and I don’t have any idea at all. After I met my benefactor, he helped me and rescued me from the pain. For me, he has the grace to recreate me.”

Situ Chong was shocked, and asked in disbelief, “Old Zhu, will you be deceived? If he really has the ability to be a son-in-law, how can he be a door-to-door son-in-law? In this world, which one? The son-in-law who visits the house is not a waste of soft food.”

Hearing Situ Chong yelling about his benefactor, Zhu Qingshan was immediately upset, and said unhappily: “After visiting Situ Chong, I will stop here with your Situ family, and I won’t need to contact you anymore.”

He said that he was about to hang up, and Situ Chong hurriedly said, “Old Zhu, what you said is a bit too much. Old Zhu, we two have known each other for so many years, and our friendship for so many years is not as good as a door-to-door son-in-law?”

Situ Chong was also a little displeased, he didn’t think that Zhu Qingshan would not give him face so much.

After all, his Situ family is also a big clan in Shenzhen, and his Situ Chong is also a big boss in Shenzhen. Zhu Qingshan said without hesitation: “Yes, your Situ family is in my heart, far from being compared

with my benefactor.”

He just hung up the phone, leaving Situ Chong dumbfounded on the spot.

Chapter: 575

“Grass, what is it? Really shameless!”

Looking at the hung up cell phone, Situ Chong shouted angrily.

He didn't think that Zhu Qingshan would be so unkind, and even disregarding the love of their two families, he was so angry that he almost smashed his phone.

“Come on, apply for the route, I am going to Qiancheng today!”

Situ shouted to the assistant on the side.

The assistant answered and went out to apply for a private flight.

A wealthy family like the Situ family, of course, also has its own private jet.

Moreover, with his status in Shenzhen, second only to the richest man in Malaysia, applying for a flight route is also a simple matter.

Situ Jian was very angry. He originally planned to go to Qiancheng again tomorrow, but he changed his mind.

He was going to meet the door-to-door son-in-law of the Yang family to see what he had three heads and six arms, interrupting his son's legs, and letting Zhu Qingshan be so devoted to him!

At eight o'clock that evening, Situ Chong arrived in Qiancheng, and he went to Situ Jian's hospital for the first time.

After being bombarded by Zhu Xiaoshu, Situ Jian returned to the First People's Hospital for treatment. Originally he wanted to go to Shenzhen or Beijing for treatment, but after hearing what Zhu Qingshan said before, he changed his mind.

According to Zhu Qingshan's statement, unless his legs get the god pill in Zhu Qingshan's hand, it will be useless if he goes to the M Empire, and it will not be cured.

So he can only be kept in the People's Hospital first.

“Give me the information about the son-in-law who came to visit!”

After seeing Situ Jian's situation, Situ Chong was very angry.

The door-to-door son-in-law was so cruel that he directly abolished his son's ankles. This is to allow his son to spend his entire life in a wheelchair!

He couldn't help it anymore, planning to abolish the door-to-door son-in-law tonight!

When he came to Qiancheng this time, he not only brought more than a dozen top bodyguards, but also invited two top warriors.

These two top warriors have a black and white double evil name, they are very famous in the southeast area, and they are horrified killers for countless people.

He had originally planned to invite these two people to face Zhu Qingshan.

Because he knew that Zhu Qingshan was also a warrior, ordinary bodyguards couldn't help him.

But he changed his mind. He was going to kill the son-in-law who had abolished his son first!

“According to the results of my investigation, he has been at the Sakura Club these past few days.” Situ Jian said.

“Where will Sakura be? A gang?” Situ Chong asked with a frown.

He knew that in this world, in addition to their merchant families, there were also martial arts families and martial arts gangs.

Places such as Wudang, Shaolin, Tongtian Sect, and Longhu Mountain, on the surface, seem to be not

Taoist sacred sites or Buddhist sacred sites.

But in fact, they are all martial arts schools handed down in ancient times, and they are very powerful.

Many strong people in special departments of the country are from these martial arts gangs.

“No, it’s an underground force. It is said that Du Fei, the president of the Cherry Blossom Club, has been washed away, and now he has changed to a clubhouse and is doing serious business.” Situ Jian explained.

Hearing Situ Jian’s words, Situ Chong’s eyes suddenly showed a touch of disdain. He was just an underground force, and he didn’t care about it at all.

If it were the Shenzhen market, he would raise an underground force himself, and stationed himself to do some ugly activities for their Situ family.

“Well, give me the address of the Sakura Club, I will send that waste to hell today!” Situ Chong said coldly.

“Dad, he knows martial arts, and he is also very strong.” Situ Jian reminded.

“So what? I invited black and white Shuangsha, no matter how good his martial arts is, he will die tonight!” Situ Chong said angrily.

“Really, then there is no problem. The black and white double evil is coming, and the waste for the rest of my life is dead tonight!” Situ Jian said and gave the address of the Sakura Club to Situ Chong.

He also knows about the black and white Shuangsha, that is a very famous strong man in the southeast, the murderous madness, he believes that the rest of his life must not be the black and white Shuangsha opponent.

After Situ Chong made a phone call, he said to Situ Jian: “Just wait, you can get revenge in less than two hours!”

Situ Jian nodded, feeling a little excited.

Chapter: 576

Situ Jian and Situ Chong waited in the VIP room of the hospital for the black and white Shuangsha to bring them good news. Both father and son believed that they would die for the rest of their lives tonight.

Then I didn’t care about the rest of my life, but talked about wishing Qingshan.

“Dad, that old thing with the surname Zhu is really a stupid. He is a few dozen years old, and he was even scammed by a squatter. He even threatened to make a clean break with our Situ family. I don’t think we can just let him go. !” Situ Jian said angrily.

Situ Chong nodded and said solemnly: “That old dog who eats inside and out, of course I won’t let him go like this. This time I paid a big price to invite the black and white Shuangsha, just to kill his dog, and, Afterwards, I will burn his broken shop with a fire.”

Situ Jian was afraid that Zhu Qingshan would be burned, so he burned the magical medicine. He shook his head and said, “Dad, even if it is set on fire, for fear of causing public outrage, I think it is enough to kill him. By the way, he has a magical medicine on him. Saying that it can cure my legs, I must get that magical medicine in my hand.”

Situ Chong’s eyes lit up and asked, “What are you saying is true?”

Situ Jian nodded and said: “Yes, he was not going to give it to me at first, but after I lifted you out, he was going to use that magic medicine to treat my legs.

But at a critical moment, his granddaughter came out and called him in, and then blasted me out after coming out. ”

Situ Chong nodded, thinking that Zhu Qingshan should not have deceived Situ Jian, and he should have the magic medicine that can really cure Situ Jian's feet.

He said: "Don't worry, feel relieved, and Dad will definitely snatch that magic medicine for you."

"Yeah." Situ Jian nodded, rekindling hope in his heart.

As long as he can heal his legs, he will be worth the price no matter what.

He is only in his twenties, and he will inherit the Situ family from Nuo Da in the future. Of course he can't be a waste person!

One and a half hours later.

"Patriarch, it's not good!"

The middle-aged Yixie rushed into the ward anxiously.

Situ Chong's face sank, and he said displeased: "What kind of decent are you who are panicked? Let's talk, what happened?"

"Patriarch, didn't you let me record a black and white video that killed the rest of my life?" the middle-aged man said.

Before the middle-aged man finished speaking, Situ Jian asked excitedly: "The video, let me take a look at it. I want to personally watch the scene of the waste being beheaded!"

The middle-aged man said with a bitter face: "Master, black and white are dead..."

"what?"

Situ Chong sealed the collar of the middle-aged man, didn't dare to believe his words, and said angrily:

"What did you just say, say it again!"

The middle-aged man was shocked, a little scared on his face, and said bitterly: "Patriarch, before I went to Sakura with Black and White Shuangsha to kill the Yusheng, and then we said to look for Yusheng, but an old man came out. The old man recognized After the black and white Shuangsha, the three of them made a difference.

At first I saw that the old man was in his 50s or 60s. I thought he should be killed by the black and white evil spirits soon.

Unexpectedly, the old man's martial arts was so high that he couldn't get 20 strokes, so he crippled the black and white double evil spirits.

By the way, I heard the meaning of black and white double evil, they seem to have been abolished by the old man, and they can only be a useless person from then on. "

Situ Chong's face changed drastically, and he said coldly, "Bring me the video you recorded."

The middle-aged man said with a bitter face: "Patriarch, I haven't had time to record, the battle is over..."

"What a bunch of trash!"

Situ Chong raised his hand and slapped the middle-aged man.

The middle-aged man touched his cheek full of fingerprints, but he didn't even dare to put a fart, and stood aside in fear.

"Fuck, who is that old thing? Why do you want to help Yu Sheng's wastefulness? I am unwilling! I am unwilling!" Situ Jian was even more angry and slapped his hands on the bed.

Seeing the despair and unwillingness in his son's eyes, Situ Jian felt both distressed and angry.

He spent 20 million to invite a strong man, but it was still useless and then abandoned, he was not reconciled.

"Xiaojian, you believe in Dad, Dad will definitely help you take revenge, and take the magical medicine in Zhu Qingshan's hand!" Situ Chong said firmly.

Chapter: 577

The next day, knowing that his son's legs could not be cured in the hospital, Situ Chong took Situ Jian back to the mansion they bought in the suburbs.

Two more days later, Situ Chong spent a lot of money to invite more than a dozen martial arts masters, and also asked someone to buy a pistol. If they didn't kill the rest of their lives, their father and son would not be safe.

"Dad, I thought of a foolproof strategy." Situ Jian said.

"Oh, what good strategy does Jian'er have? Let's just listen." Situ asked.

"Dad, I remembered that the mother-in-law for the rest of her life is a woman who regards money as her life. As long as I give him a sum of money and then let her take Yang Zihuan to see me, they will definitely come. The woman caught it, and then called Yu Sheng. Yu Sheng will definitely come to rescue them. As soon as Yu Sheng enters the villa, we will kill him with one shot!" Situ Jian said fiercely.

Situ Chong thought for a while, and felt that his son's method was really good.

He was also afraid that Sakura would make another move by the old man, and the masters he invited could not beat the old man, and his money would be spent for nothing.

"Okay, okay, just do as you said." Situ Chong nodded and said.

"By the way, that Yang Zihuan is the number one beauty in Qiancheng. Although she has given birth to a child, she is indeed very beautiful. Both her figure and skin are as good as a twenty-year-old girl. When that happens, we can That Gao Qing killed him, and then kept Yang Zihuan as a sex slave." Situ Jian suddenly smiled.

To be honest, although Yang Zihuan had given birth to a child, she was indeed a top goddess, and Situ Jian really wanted to take her as his own.

But he knew that his father was even more erotic than him, and he just wanted to go to Yang Zihuan and would not be moved by her, so he didn't mind enjoying Yang Zihuan with Situ Chong.

Situ Chong narrowed his eyes slightly, and said, "Since that Yang Zihuan is so beautiful, her mother is probably not bad."

Situ Jian smiled and said: "Indeed, although Gao Qing's woman is in her forties, she is really well maintained and has a little charm. However, in front of Yang Zihuan, she is too pale, but if you dad you like it, you can play with it. Maybe the old woman also has the flavor of the old woman."

Situ Chong is indeed a little moved, but he is actually more interested in middle-aged women who are still charming.

...

These days, the rest of his life has not been home, Yang Zihuan wants to broadcast it again, and the grocery shopping has fallen on Gao Qing again.

On this day, Gao Qing had just bought some vegetables and was going back when she saw a luxury car parked in front of her.

Then the car door opened, and Situ Jian enthusiastically shouted: "Aunt Gao, do you remember me?"

Seeing that it was Situ Jian, Gao Qing suddenly felt a little scared.

She knew Situ Jian. Looking at Situ Jian's abandoned feet, she was interrupted by her son-in-law for the rest of his life. She was a little afraid that Situ Jian would come to her for revenge.

"Xiaojian, your feet are none of my business. The rest of your life that interrupted your legs will not come back for a few days. Go find him!" Gao Qing said bitterly.

She must give this pot to Yu Sheng.

Situ Jian is the chairman of New Goose Media, and they simply can't afford it.

“Aunt Gao, of course I don’t blame you. My foot was interrupted by the rest of my life. How could I put the blame on you.”

Situ Jian smiled slightly and said, “Aunt Gao, I came to you today, but I actually wanted to apologize to Zihuan. I was a little confused that day and I hope to get her forgiveness.”

After hearing Situ Jian’s words, Gao Qing’s nervousness was relieved, and she smiled: “So you are here to apologize to Zihuan. This is easy to say. I will go back and have a good chat with her later, she will definitely listen to me. .”

Situ Jian nodded, took out a bank card to Gao Qing, and said with a smile: “Aunt Gao, there are one million in this card, so let’s go back to get medicine now. If you bring Zihuan to me Villa, let her apologize to me, how about I give you another million?”

By the way, auntie, don’t worry, you see that I have broken my feet now, and I am already a useless person. Even if I want to have some bad thoughts, I am still powerless, right? “

Chapter: 578

Gao Qing was indeed a little puzzled, but she craned her neck to look at Situ Jian’s feet, and the suspicion in her heart disappeared.

The most important thing is that Situ Jian wants to give her two million, which is a huge sum of money for her.

“Xiaojian, don’t worry, go back and change your dressing. I will definitely bring Zihuan to find you.” Gao Qing said with a smile.

“Then, Aunt Gao, I will go back and change the dressing first. Then I will prepare a table of good dishes. You can eat together. By the way, the chef is the five-star chef I invited from France.” Situ Jian smiled.

“Okay, okay, by the way, you tell me the location of your villa.” Gao Qing swallowed secretly when he thought of having a big meal.

Situ Jian added Gao Qing’s WeChat account, then said to send her a location in a while and left.

After watching Situ Jian’s luxury car leave, Gao Qing glanced at the bank card in her hand. Seeing the password written on the back, she went to the bank to check first to see if the card really had one million.

She found the nearest bank, and then she couldn’t wait to check it on the teller machine. Seeing that Kari really had one million, her eyes suddenly showed excitement.

She hurriedly withdrew her bank card, suppressed the excitement in her heart, and went home with the vegetables.

After returning home, she saw Yang Zihuan on the live broadcast and went straight out. She didn’t have the first time to tell Yang Zihuan about this.

She was afraid that if Yang Zihuan didn’t go with her in the end, she would not get the one million later. And this one million is estimated to be taken back by Situ Jian.

If Situ Jian really wants to take back this million, she can only return it to others.

So after she left the house, she was going to wait for Situ Jian to send her the location, then she called Yang Zihuan.

After more than twenty minutes, Gao Qing finally received the location from Situ Jian, and then she drove Yang Zihuan’s car to Situ Jian’s villa.

The villa of Situ Jian’s family is in the suburbs.

Gao Qing arrived outside the villa and did not ask the door to enter, but first parked the car outside the villa and took out the phone to call Yang Zihuan.

Soon after the phone was connected, Gao Qing said in a crying voice: "Zi Huan, mom has a car accident, come and save mom!"

Yang Zihuan's heart trembled, and his face instantly turned pale.

"Mom, are you serious, where did you hurt?" Yang Zihuan asked hurriedly.

"I don't know, I'm afraid it's hurting the internal organs. Anyway, I feel terribly painful all over, and my foot seems to be broken. Come and take me to the hospital!" Gao Qing said weakly.

Yang Zihuan didn't doubt that it had it, and asked anxiously: "Mom, where are you now, I'll look for you now!"

"I'll send you a position, you hurry up, I'm late, I'm afraid I won't see your sister and brother again!" Gao Qing faked crying.

"Mom, you auspicious people have their own visions, don't talk nonsense, okay, I will hang up first, I will go to you now!" Yang Zihuan trembled and hung up the phone.

Seeing that Yang Ling was at home, he had to shut Xiao Shui in the room. She was going to send Gao Qing to the hospital first, and then called Yu Sheng to ask him to come back to bring Xiao Shui.

Yang Zihuan looked at the positioning and found that he was a little bit puzzled in the suburbs, but he didn't care.

When she left the house, she took a taxi to find Gao Qing.

Soon after arriving outside Situ Jian's villa, Yang Zihuan paid the money and got out of the car. Gao Qing also opened the car door and walked down, looking at her with a smile on his face.

Yang Zihuan was startled, and his face suddenly became ill.

"Zi Huan, come here, mom will take you to meet an acquaintance." Gao Qing smiled, and took Yang Zihuan's hand and walked towards the villa's door.

"Mom, what are you doing? Do you know that it's fun to lie to me, but on my way, I almost worry about you!" Yang Zihuan said angrily.

Gao Qing smiled and said: "Zi Huan, it's mom wrong. Mom shouldn't make this kind of joke with you. Okay, you can blame Mom again when you go back. Let's go in first."

At this moment, the door of the villa opened wide, and Situ Chong led a few people out and welcomed Gao Qing and Yang Zi into the villa with a smile.

Chapter: 579

For the rest of my life in Sakura these few days, I am not practicing qigong or alchemy.

He also suffered serious internal injuries after the last battle with the great master of the goddamn organization, and he has only fully recovered in the past few days.

The Heavenly Kill Organization was already able to come to China, and for the rest of his life he didn't dare to be careless, especially after seeing the strength of the opponent, he found that his cultivation base was still a bit low.

So in the past few days, he didn't even go to the company, and he didn't care about the science and technology park, and he was focused on training and healing.

On this day, his injury finally fully recovered.

He walked out of the Sakura Club and was ready to go back.

In the past few days, Yang Zihuan called him and he did not answer, but Yang Zihuan still sent him several messages and finally realized her wrong knowledge. She asked Yu Sheng where Li Kai was hospitalized and she was going to visit Li Kai. , And apologize to Li Kai at the same time.

Although the rest of his life did not forgive Yang Zihuan, Yang Zihuan was able to recognize her mistakes,

and the rest of his life was in a much better mood.

But what surprised him was that this time Yang Zihuan didn't ask him for a divorce, which was simply funny to him.

When he was not ready to get a divorce, Yang Zihuan asked him for a divorce.

He is now ready for a divorce, and Yang Zihuan doesn't mention it again.

But he didn't want to take the initiative to bring up the divorce. If the marriage can be maintained without divorce, just keep it.

After all, divorce has too much influence on the growth of children. If possible, he does not want Xiao Shui to live a single parent life since he was a child.

Yu Sheng walked to the car. Just about to drive, a luxury car came in and the luxury car stopped. Then Zhu Xiaoshu got out of the car and walked over with a man and a woman.

"Master." Zhu Xiaoshu shouted happily from afar.

Yu Sheng nodded, ready to wait for them to come before leaving.

He also looked at the two young men and women next to Zhu Xiaoshu.

Both of them are around twenty-four or five years old, handsome men and beautiful women.

The eyes of this woman are a bit bigger than the average person, very perfect and energetic, and you can see the difference between her and other women at a glance.

"Master, where are you going?" Zhu Xiaoshu asked obediently.

"I'm going home, by the way, it's getting dark, what else are you doing?" Yu Sheng asked.

"Master, it's like this. I just went to see Mr. Chen. Mr. Chen had a terminal illness. I can't cure it at all.

My grandfather also said that Mr. Chen's illness is in the advanced stage and he is weak and tired.

Unless you ask you to go. There is no one who can save Old Man Chen, so I will bring both of them to find you." Zhu Xiaoshu explained.

At this moment, the young man bowed to Yu Sheng with a respectful look, and said, "Yu Sheng, hello, my name is Chen Jianpeng. This is my sister Chen Churan. Please move and help my grandfather treat the illness. If my grandfather can be cured, our Chen family will thank Daen."

The beauty named Chen Churan also hurriedly bowed to Yu Sheng, only to see a little sadness between her eyebrows.

Yu Sheng frowned, and even Zhu Qingshan said it was a terminally ill disease, which must be very tricky.

"Even the genius doctor Zhu doesn't have a good disease, and I may not be optimistic about it." Yu Sheng said modestly.

He really didn't know what kind of illness Old Man Chen was.

Moreover, he did not want to go, because he hadn't gone back for a few days, and he was a little bit thinking about Xiaoshui, and he was going to go back to see his son now.

"Doctor Yu, even if it can't be cured, it doesn't matter. My grandpa's disease is indeed terminally ill.

However, I wish the genius doctor said that if you take action, there should be a 70% chance of curing my grandpa. As a grandson, of course I hope that grandpa can Well, even if it's just a 10% chance, I don't want to let it go.

So, Dr. Yu, whether you can cure my grandfather or not, I will give you a consultation fee of 10 million yuan. I also ask Dr. Yu for this help. Chen is grateful!" Chen Jianpeng said and bowed deeply to Yu Sheng.

Chapter: 580

Chen's house was not far away. After more than 30 minutes, the rest of their lives and the others arrived at the Chen's house in the top villa area of Qiancheng.

The Chen family is also one of the veteran families in Qiancheng. He is different from Xia Jun. Xia Jun is a new upstart who has emerged. Although he has more wealth than the Chen family on the surface, his actual influence is far inferior to that of the Chen family.

The villa of the Chen family is very large. The floor area alone is more than twenty times larger than the average house. The architectural style is classical, and every place reveals a wealth of luxury.

After passing a large yard full of potted plants and a small artificial lake, he came to the living room.

A maid greeted me: "Master, miss, you are back."

Chen Jianpeng gave an "um" and then asked, "Where is Grandpa?"

The servant still didn't answer, but a woman's voice came from the sofa behind him: "Your grandfather is receiving a diagnosis from a Shangjing expert. Why are you looking for him in a hurry?"

"Auntie." Chen Jianpeng discovered that there was a middle-aged woman sitting on the sofa. This was her uncle's wife, Wu Yue.

"Jianpeng, is this your friend?" Wu Yue, dressed in luxurious costumes, looked at Yu Sheng and Zhu Xiaoshu with a little surprise in her eyes.

Yu Sheng and Zhu Xiaoshu don't look like the children of the rich family. How could they walk with Chen Jianpeng's brothers and sisters?

"This is the genius doctor Zhu said for the rest of his life." Chen Jianpeng introduced.

"Yes, he is my master." Zhu Xiaoshu said.

"I wish the little genius doctor will really be joking, you and your grandpa are both famous genius doctors in Beijing, and this guy is a liar at first sight, how could it be your master?" Wu Yue squinted slightly and said jokingly.

Zhu Xiaoshu's face was displeased, but thinking about the identity of the other party, and seeing that the master didn't care about it, she didn't have anything to say.

Yu Sheng glanced at Wu Yue and said to Chen Jianpeng: "Arrange treatment as soon as possible, I have something else."

He had long wanted to go back to see his son. Had Zhu Xiaoshu brought their brothers and sisters to invite him in person, he would definitely not have come tonight.

"Okay, doctor Yu, I'll make arrangements right away." Chen Jianpeng nodded and prepared to walk to the second floor.

"What are the arrangements, I have said. The expert your uncle invited from Beijing is helping your grandfather with treatment."

Wu Yue glanced at Yu Sheng and said lukewarmly: "Besides, the man you found is more like a liar, what kind of medical skills does he know? You are afraid that it is not because of the bad thoughts of the old man, that's why..."

She didn't believe that an ordinary young man would be a genius doctor.

Maybe this genius doctor is too cheap.

Although Zhu Xiaoshu is known as a little genius doctor, it is also for Zhu Qingshan's sake to give Zhu Qingshan face.

Moreover, Zhu Xiaoshu taught her grandfather Zhu Qingshan to study medicine since she was a child, and she was really good at medicine.

But this young man named Yu Sheng, looking at his face, did not look like a medical student.

"Jianpeng, do you think that if your uncle has not been in Qiancheng for the past two years, you will treat you as your uncle dead? Even if you want to split your family, your uncle is also the eldest son of the old man, and it is not your turn to be the master." Wu Yue said strangely.

Chen Jianpeng's expression changed, but Chen Churan coldly snorted: "Auntie, don't think of others as nasty as you are. I believe that the doctor Zhu is unparalleled. We believe that the doctor Zhu's vision is disrespectful to the doctor Zhu. Please also respect the genius doctor."

"Churan, the genius doctor Zhu is also a human being, and he sometimes misunderstands people."

After a pause, Wu Yuekan pointed at Yu Sheng disdainfully and said, "Besides, he is also worthy of being a genius doctor?"

At this moment, several middle-aged men in formal attire came down from the second floor.

"Mr. Chen, prepare for the funeral. The old man has advanced lung cancer, and Daluo Shenxian can't cure it either." said the middle-aged man in a suit in the middle.
