

Chapter 6: Don't Mess with this Son-in-Law, Don't Mess with this Son-in-Law novel, Dont, Mess,

"Manager, I haven't gotten off for the rest of my life, will it?"

Li Jian and Hu Hai had been waiting at the front desk for a long time, but they still didn't find Yu Sheng had come out of Xia Jun's office. Hu Hai suddenly became a little worried.

"What are you afraid of? That kid must be standing at the door of President Xia's office and waiting for President Xia to come out. Wait, I dare to pack a ticket. If the kid dares to find President Xia for theory, he will definitely be kicked by President Xia's bodyguard."

Li Jian's face was determined. He knew President Xia's temper, not to mention that he was just a small security guard for the rest of his life.

Even if it is a department manager, if you dare to argue with President Xia, you are just looking for death!

"The waste is down."

Hu Hai suddenly looked at the stairs and said.

Li Jian turned his head to look and saw Yu Sheng was coming down the stairwell.

"Oh, after having been behind closed doors for a long time, President Xia should have satisfied your request, right." Li Jian suddenly mocked.

Hu Hai was also gloating, and he didn't believe that Mr. Xia would take care of this waste for the rest of his life.

Yu Sheng looked at the two people calmly, then took out a cigarette and sprayed a puff of smoke on Li Jian's face: "Kneel down and call you father."

Li Jian was furious, and for the rest of his life this was to provoke him.

But he wasn't angry, but sarcastically said:

"For the rest of your life, you are just the door-to-door son-in-law of the Yang family, a trash who can't even look at his wife. What kind of pretense are you putting in front of me?"

"I pretend?"

Yu Sheng laughed and said, "Li Jian, do you want me to call Mr. Xia down, do you dare to deduct my salary?"

Before Li Jian said that he would kneel down and call him father, he remembered it in his heart.

"Send President Xia to come down?"

Li Jian laughed, tears bursting out of his eyes.

"Yu Sheng, you f*****g stupid yourself, just treat others like you stupid? What kind of thing are you, if you can call Mr. Xia down, I will kneel down and call you grandpa!" Li Jian laughed.

"Manager, this rubbish has long been fooled by Lu, and he doesn't have a brain to speak." Hu Hai also sarcastically said.

There was a joking in Yu Sheng's eyes, and then he took out the phone and called Xia Jun.

"You come down right away, the front office of the company." Yu Sheng said, and hung up the phone directly.

"Grass, who can't pretend to be?"

Hu Hai jokingly smiled, and took out the phone and pretended to call.

"Hey, is it the number one? Come to the front office of our company, right away." He hung up the phone as he said, looking at Yu Sheng with a sneer on his face.

"Well, I'm even better than you, right?" Hu Hai laughed.

In their view, Yu Sheng was just pretending to call.

Call Mr. Xia down?

Who does he think he is?

The rest of his life sneered and smoked silently.

Just when Li Jian and the two were going to satirize for the rest of their lives, they saw Xia Jun rushing down violently, and they were still walking the stairs.

Li Jian and Hu Hai opened their mouths and looked at Yu Sheng in disbelief.

Could it be that this idiot really called Mr. Xia just now?

impossible!

Absolutely impossible!

The two shook their heads, not believing at all.

Li Jian immediately walked up to meet Xia Jun.

“Manager Xia...”

Li Jian had a shy smile on his face, but Xia Jun didn't even look at him. He even felt that he was in the way, so he opened him and quickly walked from him to Yu Sheng.

“Yu Shao!” Xia Jun bowed his head and saluted, with a respectful attitude like a grandson.

Hum!

What kind of situation is this?

Mr. Xia calls him Yu Shao?

Bow to him?

Li Jian and Hu Hai opened their mouths wide and their brains roared!

They don't know.

Just now in Xia Jun's office, an e-mail for the rest of his life scared Xia Jun to death.

Xia Jun didn't think that there was such a terrifying force behind Yu Sheng Xiaoxiao's security guard.

Mo said he was in Qian Province. Based on his experience, he believed that even in the north, there were probably few people who would dare to fight Yu Sheng.

In the end, in order to survive, he had to agree to Yu Sheng's request and transferred 51% of the shares to Yu Sheng at a low price.

Let him, the big boss, suddenly become a small shareholder who only holds 20% of the company.

This was the result of him kneeling down and begging to raise his hand for the rest of his life.

Otherwise, he believes that today he is really going to fall into a thousand catastrophes!

Yu Sheng glanced at Xia Jun and jokingly said: "You tell Li Jian, do you dare to deduct my salary."

"Yu Shao, even if you give me a hundred courage, I dare not deduct your salary!" Xia Jun trembled.

Yu Sheng looked at Li Jian again, his eyes cold.

"Do you want me to do it yourself so you can kneel down and call you father?"

Li Jian's mind trembled, and his whole body was trembling.

No matter how stupid he was, he knew the horror of the rest of his life.

He just couldn't understand.

A trash who can't even look at his own wife, why can he let a big man like Mr. Xia willingly be his grandson!

"Don't kneel down yet!"

Xia Jun turned around and stared at Li Jian, shouting angrily.

Li Jian was under his direct line. Seeing that Li Jian could not see the situation clearly, he was also a little worried for Li Jian.

Annoyed the uncle in front of him, he believed that 10,000 Li Jian would not be enough for him to calm his anger.

When Xia Jun yelled, Li Jian's mind collapsed, his face pale to the extreme.

Kneeled in front of Yu Sheng with a bang.

"Father, no, grandpa, I was wrong. Please raise your hand high and let me go as a fart!" Li Jian trembled, lowering his head, his heart was both aggrieved and fearful.

Hu Hai's legs softened and he sat down directly.

Looking at Yu Sheng's eyes are full of fear!

"Let him leave the position of manager, first be a security guard, and perform well later, then he will be promoted to captain or something. Let another security guard Xu Jing do the manager's position."

Yu Sheng glanced at Li Jian sarcastically, then at Xia Jun, then turned and left.

“Yes!” Xia Jun nodded hurriedly, and respectfully sent Yu Sheng out of the front hall.

...

In the afternoon, when Yu Sheng was about to pick up his son from school, he received a call from the teacher.

“Are you Yang Xiaoshui’s father?” The female teacher’s voice came over the phone.

“Yes, yes, teacher Wu, did Xiaoshui in our family cause trouble?” Yu Sheng asked hurriedly.

“Hurry up and come to school. Your son broke the mouth of another student. The parents said on the phone that you must call back. You can handle it yourself.” Teacher Wu said and hung up the phone.

Yu Sheng was shocked, put away his mobile phone, increased the accelerator of the battery car, and sprinted towards the kindergarten.

When he rushed to the kindergarten, he saw Xiao Shui standing beside Teacher Wu, his face still full of anger.

On the other side, there was another little boy with a bloodshot mouth, crying sadly.

“Xiao Shui, how did you beat your classmates?” Yu Sheng asked reproachfully.

Xiao Shui pointed angrily at the sad little boy crying next to him, and said angrily: “Because he said that you are a wasteful son-in-law, and that I am a wasteful son, a small wasteful, and a wild species of the Yang family!

Dad, I don’t want the surname Yang anymore, I want your surname, I want Yu! “

As Xiao Shui said, tears flowed down silently, her voice trembling.

The rest of his life trembled, his nose was slightly sour, and the corners of his eyes were a little moist.

Xiao Shui’s words made him cry.

He squatted down and grabbed Xiao Shui’s hand in his hand, took a deep breath, and said firmly, “Xiao Shui, believe Dad, Dad is not a waste of money. Dad must let you follow Dad’s name, and will never let anyone else. Bullied you!”

Teacher Wu next to him heard Yu Sheng’s words and laughed out loud, his eyes full of irony.

A door-to-door son-in-law, even his wife cheating, wants to change his son's surname, you are afraid it is not a daydream.

Of course, as a teacher, she looked down on Yu Sheng in her eyes, and she still didn't say anything ironic.

"Dad, I believe you!" Xiao Shui nodded firmly.

Yu Sheng touched Xiaoshui's head and made a decision in his heart. After returning home, he raised the matter to Yang Zihuan.

Before Xiao Shui was born, he strongly opposed the surname of Xiao Shui Yang, but Gao Qing was too strong at that time.

And he can't reveal his identity, in the end he has to compromise first.

But he always knew in his heart that his son must follow his surname!

"Which goddamn hit my son, immediately stand up to my mother and see if my mother won't kill you, a dog with a mother and a mother!"

At this moment, a woman's pungent voice exploded directly behind Yu Sheng.
