

Dont mess 621

Chapter: 621

We slept in the hot spring villa for one night, soaked for a meeting the next morning, and the three left. Magnolia and Zhu Xiaoshu both felt a little reluctant, and obviously liked it very much.

However, after the baptism of the hot springs, the two looked even more radiant and beautiful.

When I came to the parking lot, I found that Chen Bin was still guarding Zhu Xiaoshu's car, and the headlight of the car that was kicked by Zhou Hai yesterday was also repaired.

"Brother Yu." Chen Bin hurriedly said hello.

Yu Sheng nodded, looked at the repaired headlights, and said, "Did you find someone to fix it?"

"Well, I just repaired it casually. I'm afraid to disturb Miss Zhu, so I don't have to go up and get the car key." Chen Bin nodded and said.

"Well, go back." Yu Sheng nodded.

"Okay." Chen Bin nodded before walking to his own car.

After getting in the car, Yu Sheng asked Zhu Xiaoshu: "Xiaoshu, have you chosen which car you want?"

"Master, do you really want to send me a luxury car?" Zhu Xiaoshu said with some excitement.

"Aren't you talking nonsense?" Yu Sheng gave Zhu Xiaoshu a stunned look and said.

White Magnolia smiled and said, "Xiao Shu, since your master wants to give you off, then you can kill him and let him give you poison in the car."

As soon as Zhu Xiaoshu heard it, he shook his head and said: "That's too expensive, I don't match it well."

Tens of millions of cars, even if Yu Sheng really dared to give it away, she wouldn't dare to drive it.

Driving tens of millions of cars requires not only financial support, but also temperament.

Seeing that Zhu Xiaoshu really didn't want expensive ones, Magnolia said again: "Then you can buy a BMW m8 for more than two million points. Your master is under pressure, and you look comfortable."

Zhu Xiaoshu still shook his head and said, "Ah, it's too expensive and too expensive, and I don't like sports cars too much. It's too cool, just about one million."

After a pause, she looked back at Yu Sheng and said, "Master, I like the BMW 8-series, the blue one, or you can send me the BMW 8-series."

"Are you sure?" Yu Sheng smiled faintly.

Zhu Xiaoshu nodded hurriedly and said: "I'm sure, it's the BMW 8 Series."

The top-of-the-line BMW 8 Series is only about 1.2 million. She feels that she can drive the BMW 8 Series by herself, and the expensive one is too cool.

She didn't want to be too ostentatious, I guess her grandfather wouldn't let her be too ostentatious.

"Then go to the BMW 4s shop." Yu Sheng said.

"Yeah, go today." Zhu Xiaoshu said with some excitement.

"Well, go now." Yu Sheng nodded.

"Okay, Master, you are so kind, love you!" Zhu Xiaoshu said excitedly, and drove to the BMW 4s store.

Seeing that it was an old customer, the people in the 4s shop thought that Zhu Xiaoshu was here to repair the car, and couldn't help asking: "Beauty, what's wrong with your car?"

"I'll change the car." Zhu Xiaoshu said.

"transfer?"

The sales beauty was shocked and hurriedly put on a smiling face, and asked, "Which one do you want to change?"

“8 series.” Zhu Xiaoshu said.

“Top match.” Yu Sheng added.

When the sales lady heard it, her smile became brighter, and she enthusiastically took the three of them to see the car.

The 8 series happens to have a car, so you don’t have to wait. After the formalities are completed, the goods will be picked up and left.

When I went back, Bai Yulan and Zhu Xiaoshu drove a new car, while Yu Sheng helped her drive 530.

After returning to the cherry blossom meeting, Magnolia said that there was something on the construction site, and she wanted to accompany her to the construction site for the rest of her life.

It happened that I hadn’t visited the construction site for a long time for the rest of my life, so Magnolia went to the construction site together.

When I went to the office building on the construction site, seeing that there were no people around, Magnolia hugged Yu Sheng and kissed him directly.

Yu Sheng was shocked, and for a while, he didn’t know whether to refuse or...

Chapter: 622

Magnolia was crazy. She just responded to what she said yesterday. She wanted the rest of her life to see what is a woman’s madness.

She hugged Yu Sheng, giving Yu Sheng no chance at all, and kissed it directly.

Wen Yu was in her arms, and the rest of his life only struggled for a while, and then the two of them hugged each other and kissed affectionately.

Just when Yu Sheng’s hands were a little irregular, Magnolia suddenly let go of Yu Sheng, her entire face was flushed like a ripe red apple, which was even more coveted.

For the rest of his life, he almost resisted the urge to pull her into his arms again.

“This is just the beginning. If you don’t divorce your wife, I will develop an affair with you.” Magnolia took a provocative look at Yu Sheng, then sorted out her clothes and walked to the office.

For the rest of his life, he smiled bitterly and followed up.

After entering the office, Magnolia was like an insignificant person, and immediately entered the working state.

Then under the leadership of the staff, Yu Sheng inspected the construction site and left with Magnolia. Everything is progressing smoothly, and the rest can only be handed over to time.

...

Recently, Yang Jian’s life has been very moist. After repurchasing Yang’s, he received an infusion of funds from New Goose Media, which caused the originally broken capital chain to be continued, and many channel vendors began to come to the door to cooperate. Everything is back to Deng’s previous track.

He realized profit in just one month, and he also got his own dividends.

Having been poor for so long, and now rich, he immediately spent tens of thousands of yuan to go to the bar to be cool, hire a college student, and get a good time.

The coolest thing is that he went to Zuojia Casino with friends in the past two days and won hundreds of thousands back. It can be said that he is proud of the spring breeze.

Company meeting room,

Yang Jian reported the recent performance to everyone and said triumphantly: “I’m telling you a good news that now the family’s business is back to normal. Not only that, some time ago, our two competing

companies suffered more losses due to improper operations. We are all great and have now declared bankruptcy.

In other words, we now have no competitors in Qiancheng, and our performance will continue to hit new highs in the future. I believe we can expand and build factories next year.

Therefore, everyone is working hard to win a bigger year-end award!”

Hearing what he said, all the family’s small shareholders and senior executives applauded, and they are still very relieved of Yang Jian’s operation during this period.

It is no wonder that the old lady has to squeeze out Yang Zihuan’s family and let Yang Jian be the helm. Because Yang Jian does have the ability to lead the rise of the family!

“Yang Jian is still capable. It is embarrassing to hear that Yang Zihuan became an internet celebrity after he was expelled from the family.”

“Yeah, the dignified Yang family’s children turned out to be an Internet celebrity. The old lady’s decision to expel her from the family was completely correct.”

“The old lady is so wise!”

Seeing that the crowd fell, Yang Zihuan felt a little relieved even though Yang Zihuan was not there now. He smiled and asked, “Which of you has Yang Zihuan’s live broadcast address? After all, it is also from the Yang family. Let us all come and support her.”

“Haha, yes, everyone went to give her a gift of one dollar and told her that we are the Yang family. Let her sing a few more songs to listen to.” Yang Yinzhu laughed.

“It makes sense, share the live broadcast room, let’s go see it.” Yang Jian laughed.

Chapter: 623

Yang Zihuan’s life is not so easy these days.

Because the two big local tyrants didn’t give her gifts anymore, this made her income drop too much. In the past, the monthly income was tens of millions, but now the monthly income is only tens of thousands. Such a big gap is not very consistent with her identity.

Although her live broadcast room is quite popular, many people mainly come to her face.

As for the songs she sang, they are just so-so.

So she doesn’t dance, and she doesn’t have a lot of humorous topics to interact with fans. Of course, fans will not give her gifts.

As for those who want to give her ideas, after seeing her two big V numbers in the live broadcast room, “Yu Mu” and “Shen Shi Da Young”, they all know that she is the two big bosses, and most people are afraid to fight. Her idea, of course, would not give her a gift.

On the contrary, it was Liu Qianshuang’s live broadcast room. Although it only broadcasts for a few hours every night, the popularity and gifts are far more than her.

This makes Yang Zihuan also envious.

Suddenly, Yang Zihuan saw many people give her a small gift for a dollar, and then thanked her.

Then when she saw the barrage message, her face suddenly sank.

It turned out that Yang Jian and others came to humiliate her.

Watching Yang Jian and others continue to bring rhythm in the live broadcast room, one of Yang’s executives even asked her to sing Eighteen Touches, which made Yang Zihuan very angry.

Then asked the management to mute Yang Jian and others.

But her mood was still affected, and after chatting with the fans, she was off the air.

When Yang Jian saw Yang Zihuan’s release, he became interested. After the meeting was over, in order

to celebrate, he went to the Zuoja gambling hall to kill the Quartet that night. He thinks that he has been out of air recently, and he can definitely win a big smile. However, in less than two hours, he lost the hundreds of thousands he had won before. He was not reconciled and continued to bet, intending to stop the loser after winning it back. However, his luck seemed to have been used up in the first two days, and in less than an hour, he had exported hundreds of thousands.

In this way, he took in all the company's dividends during this period. Where did Yang Jian accept this fact, gritted his teeth on the spot, borrowed a million from Zhou Hai, and continued to gamble. However, this one million lasted for less than half an hour, and lost again. Seeing this, Zhou Hai pretended to persuade him not to gamble, but instead he borrowed two million from Zhou Hai. Zhou Hai only persuaded him symbolically, and then borrowed him again. Repeatedly, even though Yang Jian had small wins in the middle, he lost more and lost less. In one day, he actually lost more than 10 million, of which 10 million was borrowed from Zhou Hai. Of course Zhou Hai didn't have that much money. The money he lent to Yang Jian was entirely casino money.

Ten million!

For him, it was already a big number, and he didn't dare to tell anyone that if his grandma knew about it, his leg would break him. But he didn't dare not pay back Zhou Hai's money. After all, Zhou Hai and Zuo's family were notoriously ruthless in Qiancheng. Once you offend him, don't even think about getting involved in Qiancheng. There are few who dare to open a casino. He thought that the next day, he secretly moved the last 11 million of the working capital in the company, of which 500,000 was interest, and the remaining 500,000. He was going to play another game and planned to lose yesterday. Yes, win it all at once, and then stop betting. As you can imagine, he got stuck again, borrowed another five million and lost. His mentality collapsed directly, how could he even afford it. In the end, Zhou Hai led someone to hammer him severely and fractured his foot. And count him as a loan shark, five million, a day of interest of 250,000, how can he still get it? But what made him even more desperate was that the New Goose Group came to ask for money.

Chapter: 624

After the death of Situ Jian and his son, the Penguin Group quickly made adjustments and sent another person to control New Goose Media. The person who came to control New Goose Media is called Ma Xiaoman, who is said to be the daughter of the richest man in Ma, and I don't know if it's true. After Ma Xiaoman took office, he quickly adjusted the company. The overall plan is still to compete with the Sihai Group for the flow of Qiancheng and the southwest region, but it is no longer blatantly opposed to the Sihai Group as the Situ Jian brothers before. Ma Xiaoman still has some vision. When the Situ Jian brothers came, they clashed with the Sihai Group in a high-profile manner. If this has nothing to do with the Four Seas Group, no one would believe it. Ma Xiaoman is also a low-key person, so not only did she say that she would oppose the Sihai Group,

she even put on a weak frame, letting go of the possibility of cooperation with the Sihai Group. One week after Ma Xiaoman came, he discovered that Situ Jian had not only caused the company to lose 500 million, but also borrowed 100 million from the company's account to the Yang family. After a little investigation, she found that the Yang family was nothing more than a small business, and she asked people to go to the Yang family to collect money with an IOU. The IOU was signed by Yang Jian and Mrs. Yang, so people from New Goose Media went to Yang Jian directly. But Yang Jian not only couldn't come up with the money these days, but also misappropriated the money in the company's account and lost the bet. He simply couldn't come up with so much money to pay New Goose Media. This matter was quickly learned by the old lady. It was heard that Yang Jian had embezzled public funds for gambling, and even lost everything. The old lady fainted and was admitted to the hospital that day. But she was admitted to the hospital and couldn't prevent New Goose Media from claiming the bill. New Goose Media gave the Yang family a week to raise money. After a week, they could not raise money, so they directly sued the Yang family. At that time, the only way out for the Yang family was to be forced to repay the debt by the auction company. Thinking of this, the old lady is even more ill, and her condition is getting more and more serious. The Yang family was even more like a concubine, and Yang Jian's father beat Yang Jian viciously and directly dismissed him as the general manager. "The only way now is to find a powerful company and acquire Yang's." The old lady said to her son Yang Xianbing on the hospital bed. Yang Xianbing shook his head and said, "I heard that the Yang family offended New Goose Media. No one was willing to buy the shares of Yang's. I also went to the chairman of New Goose Media and asked her if she had bought Yang's. Even if I said that a 49% of the shares were mortgaged for 100 million yuan, people simply look down on our Yang family, so they let us pay back the money." Yang Xianbing's wife also said: "Mom, the beast owes Zuojia casino 5 million, with hundreds of thousands of interest per day. The money can't be returned to the family. The people from Zuo's family have come to urge the account today, even more so. Three days later, our Yang family couldn't repay the money, so we went straight through the legal process. I am worried that even if New Goose Media will let us go, Zuo Ai will not let us go!" Although it was Yang Jian's mother, the good form was directly destroyed by Yang Jian. Yang Jian's mother Wu was also so angry that he vomited blood. The old lady's face was quite ugly, and she didn't even think that her grandson, whom she valued most, would actually do such a thing. "Go to Yang Zihuan, she is the only one who can move the chairman of the Sihai Group. As long as he re-acquires the Yang family, the Yang family still has hope." The old lady sighed deeply and said. In her opinion, this is their last hope for the Yang family.

Chapter: 625

"Mom, after you drove the Yang Zihuan family out of the house last time, Yang Zihuan must have hated us so much, how could it help us?" Yang Xianbing shook his head and said. The old lady said solemnly: "Don't worry, I still know what Yang Zihuan's character is. As long as I personally apologize to her, she will definitely forgive me."

Yang Xianbing's eyes lit up, thinking that if the old lady really apologized to Yang Zihuan, there would be a chance to impress Yang Zihuan.

As long as Yang Zihuan agrees to ask the chairman of the Sihai Group, it will not benefit Yang Zihuan.

"Then I will tell her now, just say you are ill, very serious, and let them come to the hospital to see you."

Yang Xianbing said.

Shaking her head, the old lady said: "I'll go to her house and see her in person, so that I can show my sincerity."

Yang Xianbing said with some worry: "But, your illness..."

The old lady shook her head and said, "I can't die, and that's the only way to make Yang Zihuan move."

Yang Xianbing's wife pulled Yang Xianbing down and said, "Yang Zihuan's temper is like that. If her mother doesn't ask her personally, the family will probably not come over, so I also think that her mother will ask her for a better chance."

Yang Xianbing groaned and nodded, "Well then, I will send you to Yang Zihuan's house now."

At this time, Yang Zihuan was broadcasting live as always.

Recently, her rewarding income has shrunk too much, and she only has to broadcast more live broadcasts to try to get more people to reward her.

At this moment, Gao Qing pushed open the door of her room and told her that the old lady had come to her.

Yang Zihuan had to close the live broadcast room and came out to see the old lady.

"Zi Huan, it's still live streaming." The old lady sat on the sofa and said with a smile on her face when she saw Yang Zihuan come out.

Yang Zihuan didn't know what the old lady was asking her for, but he hummed without saying anything. The old lady sighed and said: "Zi Huan, the last time you were fired from the family, grandma was a little impulsive. It was grandma's fault. I heard that she has been doing live broadcasts since she left the family. It was a pain in her heart. I want you to go back to work, but I am afraid that you will say that grandma is hypocritical.

But grandma really feels distressed when she looks at you.

Zihuan, come back to work. As a child of the Yang family, it is not good to show up on the Internet. "

Yang Zihuan was startled, she didn't even think that the old lady had come to let her go back to work.

For a moment, she thought it was the Yang family who had a big problem, and her grandmother wanted to come and beg her to help the Yang family.

"Mom, if you were so kind to let Zihuan go back to work, wouldn't it be a big problem with the company?" Gao Qing said in disbelief.

Yang Zihuan was shocked and hurriedly asked: "Grandma, tell me the truth, is there a big problem with the company, and you want me to ask the chairman of the Four Seas Group?"

Yang Xianbing's face changed slightly, but the old lady sighed and said, "Zi Huan, there is indeed something wrong with the company, but grandma really wants you to go back to work.

In other words, you are also granddaughter of grandma. Although grandma was a little impulsive before, will you really let your family go outside? When I come back this time, I am going to also arrange a position for your brother Yang Ling, and it is time for him to take on more responsibilities. "

Both Yang Zihuan and Gao Qing were moved by the words of the old lady, although they once hated the old lady extremely.

But when the old lady came to confess her mistake, her heart still softened.

At this time, there was no income from the live broadcast, and she really wanted to go back to work.

Chapter: 626

Now that the old lady was able to invite Yang Zihuan in person, it undoubtedly gave her a step down. In that case, she took this opportunity to return to the company, and there was no need to show her face all day long.

Thinking of this, Yang Zihuan asked: "Grandma, if I go back to the company, what job do I do?"

The old lady smiled and said, "A capable person like Zihuan is naturally the vice president of the company, and you will be the masters of all matters in the future."

After speaking, the old lady and Yang Xianbing looked at each other, and first promised a short position, and used Yang Zihuan to help the company solve the crisis. She kicked it away when the time comes.

They had already discussed the plan this time before they came.

Gao Qing, who was standing by the side, narrowed her eyes and noticed something wrong.

The old lady would never be so kind to invite Yang Zihuan to return to the company and give her such a high position. The old lady is notoriously partial to her family.

At this moment, Yang Zihuan asked to promise your old lady, Gao Qing quickly reached out to block her, and looked at the two old ladies with fierce faces.

"Fools believe that you will be so good. Didn't you say that something went wrong with the company? What is the problem?"

"This....."

The old lady had no idea that Gao Qing could see through her, her old face was a little embarrassed, and she quickly changed her countermeasures, she reached out her hand to wipe the tears that did not exist on her eyes, and began to pretend to be pitiful.

"Isn't grandma desperate? There really is no way. A company as big as the Yang family can't be destroyed in my hands, right?"

"Up to now, the only person that can think of is you. As long as you are asking for the chairman of the Four Seas Group for help, you can save the company."

Upon seeing this, Yang Xianbing also sighed and said, "Zi Huan! I know that the Yang family was ashamed of you before, but no matter how you say you are also from the Yang family, you can't die without saving the blood of the Yang family, right?"

Yang Zihuan lowered her head deeply, her heart was entangled, she didn't know if she should help them, but the previous ones stuck in her heart like a thorn.

What the old lady did before really made Yang Zihuan chill.

When entangled, Gao Qing took the lead to stand up and scolded the two with her throat: "I know you are not here and have no good intentions. If something goes wrong with the company, I think of my daughter!"

"This time, there are no incidents. Whether the company is dead or alive has nothing to do with us.

When you drove our house out of the house, why didn't you think of such a day?"

Speaking of this, Gao Qing did not forget to sneer: "Huh! Deserve it!"

After scolding, Gao Qing didn't wait for them to say anything, so he coaxed the two to the door.

Seeing that the door was almost closed, the old lady was desperately anxious, she immediately thumped and knelt on the ground.

"Zi Huan! Just as my old lady begged you today, isn't it okay? Please save the Yang family company, okay? If you don't agree, I will kneel here today and won't get up."

Everyone present was shocked by the old lady's move, and Yang Zihuan hurried up to help the old lady get up.

“Grandma, what are you doing? Don’t you want to kill my life? If we have something, let’s talk about it. Can you get up quickly?”

The old lady pushed Yang Zihuan’s hand away: “If you don’t promise me today, I will kneel here and won’t get up. If the company fails, it will be more painful than killing me.”

The old lady knelt outside, and her voice was not small, which caught the attention of many people outside for a while.

“God, it’s unreasonable to even let the old man kneel down.”

“Yeah, yeah, this family is too filial, right? Let an old man kneel down for them.”

Everyone’s discussion reached Yang Zihuan’s ears. She knew in her heart that she could no longer let the old lady kneel outside, or else they would all be pointed out when they went out, so she had no choice but to agree.

“Grandma, I promise you, will you get up quickly?”

Seeing Yang Zihuan’s consent, the old lady was helped to stand up, grabbed Yang Zihuan’s hand and patted it gently, and said with satisfaction: “I know that Zihuan is a good granddaughter of grandma. of.”

Yang Zihuan didn’t speak, and his mind became confused. Is he really going to ask the chairman of the Four Seas Group again? What should she say?

Chapter: 627

“Zixin, I need to see your chairman when I have something to do. Could you please show me a way?”

Yang Zihuan pleaded.

“Zi Huan, our chairman is not in the company.” Xiao Zixin said.

Although they were very good friends in high school, Xiao Zixin’s heart is now secretive to Yu Sheng.

Coupled with Yang Zihuan’s various things about Yu Sheng, Xiao Zixin is naturally dissatisfied with her.

To be honest, Xiao Zixin didn’t want to help Yang Zihuan!

When the chairman was not in the company, Yang Zihuan’s beautiful eyes dimmed a bit, then he thought of something, and hurriedly pleaded again: “Could you please call him for me? Just say that Yang Zihuan has something to ask for.”

Xiao Zixin refused, so she took out her cell phone to call Yu Sheng. Perhaps, after the phone rang a few times, Yu Sheng’s majestic voice came.

“What’s the matter?” Yu Sheng went straight to the subject. He had just practiced martial arts at the Sakura Club. It was obviously displeased to be disturbed, but he suppressed the anger in his heart.

Xiao Zixin glanced at Yang Zihuan next to him, and replied, “Yang Zihuan said there is something to do with you!”

At this moment, Yang Zihuan hurriedly said with excitement: “Chairman, can you help me acquire Yang’s enterprise? Please!”

For the rest of his life on the mobile phone, his face was obviously cold. He knew that when New Goose Media changed its chairman, he knew it when it targeted the Yang company.

But what made Yu Sheng never thought was that Yang Zihuan still didn’t know how to repent, and even went to help the Yang family.

“Tell her that it is impossible for Sihai Group to acquire Yang’s enterprise, so that she will die of this heart, don’t come again!” Yu Sheng finished this sentence in a cold voice, and hung up the phone directly.

Yang Zihuan looked at Xiao Zixin expectantly, not knowing what was said on the phone.

Xiao Zixin shrugged helplessly, and conveyed truthfully: “The chairman said, he will not buy Yang’s

enterprise, so you don't come again."

"I have to leave beforehand!"

Xiao Zixin glanced at it, and Yang Zihuan, who was full of loss, turned and left. As Yu Sheng's secretary, she knew how to help Yang Zihuan for the rest of her life.

The chairman is unwilling to help Yang Zihuan, because she deserved it!

Yang Family Villa

When the old lady Yang saw Yang Zihuan's return, she walked over with joy on her crutches and grabbed Yang Zihuan's hand.

Anxiously asked: "Zi Huan! How much money the chairman of the Sihai Group intends to lend us this time!"

In the eyes of Mrs. Yang, Sihai Group has helped Yang Zihuan so many times, and this time it will definitely help Yang Zihuan.

What she didn't expect was that Yang Zihuan shook her head blankly and said: "The chairman of the Sihai Group has not agreed, and he will not buy Yang's enterprise."

Hearing this, Mrs. Yang staggered, almost unable to stand firm.

Fortunately, Yang Xianbing on the side swiftly supported the old lady, and fell to the ground with a loud noise.

"Mom, don't get excited, there will be a way!" Yang Xianbing comforted, then turned to Yang Zihuan and said, "You mean, don't you?"

Yang Zihuan didn't speak, and kept standing there silently. The chairman of the Four Seas Group was unwilling to help her. Now she really didn't know what else could be done.

The usury owed by Yang Jian has continued to roll in profits, and the opportunity will cost hundreds of thousands every day. If this continues, not only will the company go bankrupt, but the Yang family will also have no money to repay the debt.

The old lady's face was earthy, her whole body suddenly looked like ten years old, she fell into Yang Xianbing's arms, her eyes blank.

Yang Jian sitting on the sofa leisurely knocked the seeds, and the life and death of the old lady seemed to have nothing to do with him.

He spit out melon seeds, clapped his hands, stood up, looked at Yang Zihuan coldly, and said, "Yang Zihuan, you are deceiving a three-year-old kid!"

The chairman of the Sihai Group is obviously interesting to you. How could he not help you? If you accompany him to sleep and blow the pillow breeze, wouldn't this matter be solved?"

Yang Zihuan, who was still silent at first, turned white when she heard this. She had a good impression of the chairman of the Four Seas Group in her heart.

But it was very uncomfortable to be said by Yang Jian. Just as he was about to refute, the door of the Yang family villa was suddenly kicked open.

Chapter: 628

The big iron door of the villa was knocked to the ground by a few young men.

Six or seven tattooed men were all muscular, each holding a stick in his hand, and they stepped forward to block and hunt for death. No one thought they were living long.

The person who took the lead was not someone else but Zhou Hai, and the casino that gave Yang Jian loan sharks was Zuo Dashao's place.

This time, Zhou Hai himself asked Zuo Young Master to ask for debts from the Yang family.

The fact that Yu Sheng asked him to lick the urinal made him a joke of Qiancheng, which made him always hold a grudge. Although he couldn't avenge Yu Sheng, he wanted to find trouble with the Yang family to relieve his anger.

Zhou Hai strode in and walked in. As soon as he arrived in the living room, he didn't care about everyone's gaze. He smashed an antique vase with the iron rod in his hand.

The old lady who had lost her soul immediately stood up straight, looking distressedly at the scattered tiles on the ground.

"Who are you, so brave enough to smash the Yang family's antiques!" The old lady yelled at Zhou.

Yang Jian, who was still at a leisurely pace, saw the people coming and subconsciously wanted to hide in the corner. He didn't even run away in a hurry, so he was firmly grasped by the two big men and couldn't move.

Zhou Hai held Yang Jian's chin with an iron rod, and asked in a cold voice, "There is still no repayment of the money owed. Where do you want to go?"

"Brother Zhou..."

Yang Jian's words were not finished yet, Zhou Hai slapped his face with a slap, and cursed: "Fuck you, who the fuck is your eldest brother, today I will pay back the ten million owed quickly. .

Otherwise, I will give you all your hands and feet! "

Yang Jian was stunned by the slap, and both teeth were knocked out.

Yang Xianbing and Wu clan watching from the side were distressed, but they wanted to step forward but were stopped by a few big men.

The old lady also felt sorry for the grandson she had fancy, and looked at Zhou Hai fiercely, and said:

"Don't touch him, you can still pay back the five million from the Yang family."

It's just that the point where the Yang Family Company needs to be sold.

"What five million? You owe Lao Tzu ten million now. If you can't spend ten million today, Lao Tzu chopped off this kid's hands and feet!" Zhou Hai reminded.

"One... ten million..."

Wu cried aloud, and turned his eyes to faint.

Even if it's a loan shark, it doubles from five million to ten million in just a few days, so the interest is too big.

In the current situation of the Yang family, if they want to spend 10 million, they will not only sell the Yang family company, but also buy the Yang family villa.

At that time, her old lady didn't even have a place to live, and when she thought of this, the old lady Yang became anxious and had no idea.

Seeing that there were no people talking about taking money, Zhou Hai was obviously a little impatient while waiting. He picked up the iron rod and gestured to Yang Jian's arm.

Originally, he was just trying to scare him, but Yang Jian was frightened, and then a yellow liquid came out under him, his pants were also wet, and he was scared to urinate.

"Forgiveness, forgiveness, don't break my arm." Yang Jian knelt directly at Zhou Hai's feet begging for mercy.

Zhou Hai glanced at Yang Jian in disgust, kicked him to the side, and said, "Keep away, don't fucking be sick, I can't get five million, just wait to lie down on the bed for a lifetime!"

Smelling the smell of urine on Yang Jian's body, he remembered being forced to lick the urinal by Yu Sheng, and he was even more angry.

"Grandma, you have to save me! I don't seem to be a useless person!" Yang Jian cried and pleaded

holding the old lady's hand.

The old lady's eyes were round and round, almost bursting out, panting heavily, unable to say a word for a long time.

At this time Zhou Hai had already ordered his men to start smashing the Yang family, and he took the iron rod and walked to Mr. Yang's spiritual position, hit it with one stick, and the picture frame shattered in an instant.

The old lady Yang who saw this scene let out a "wow" and she rolled her eyes directly to the ground. Yang Zihuan also walked up, trying to help the old lady up, but when he realized something was wrong, he stretched out his hand to sniff her, and fell back a bit in fright and fell to the ground.

He tremblingly said: "Milk...grandma...dead!"

Zhou Hai didn't even think that he would have coaxed out of this behavior, his face changed, and he immediately thought that he could not be blamed for this matter.

To blame, blame Yang Jian, paying off debts is justified!

However, they couldn't stay any longer because of the coaxing of their lives, so they left the Yang family villa after they called the upper hand.

Chapter: 629

The fact that the old lady of the Yang family was angered to death also spread in Qiancheng.

The Yang family's enterprise went bankrupt, the Yang family's villa was sold, and all of a sudden, Mrs. Yang didn't even have a decent funeral.

Yang Jian's family also hid in Tibet for their lives!

After the rest of my life, I learned that there was nothing to say. After all, what the Yang family's youngest and youngest had done in these years was not pleasing to his eyes, and it was considered worthy of the crime.

The Universe Girl Liu Qianshuang of the Cosmopolitan Group recently held a concert in Zhang Luo, and it was broadcast live.

The company's promotion is very good, and it made headlines on the volcano platform.

But Yu Sheng didn't want to think about it so much. The dedicated Sakura would specialize in new medicinal medicine. At this time, his mobile phone rang.

Yu Sheng put down what he was doing, picked up his mobile phone and took a look. It was a message from Liu Qianshuang: Mr. Yu, I am having a concert tonight, will you come?

Yu Sheng was not interested in the concert, and was about to type to refuse. At this time, Liu Qianshuang's second message popped up.

Liu Qianshuang: I know that you are a big man and you will be very busy, but I still hope you can take the time to have a look, and I hope you can satisfy my little wish.

She said so, and it was not easy to refuse for the rest of her life. It could be regarded as giving some encouragement to the people in the company. Besides, it didn't take much time to take a look.

At nine o'clock in the evening, Yu Sheng just finished his work from the Sakura Club and drove to the location of the concert sent by Liu Qianshuang.

When the rest of my life arrived, the concert had already begun. There were no empty seats inside. It was hard to get a ticket. Even the people outside were still surrounded by water.

The identity of the rest of his life is not ordinary, of course there is an exclusive position arranged.

Liu Qianshuang, who was singing on the stage, saw that Yu Sheng was coming, with a delicate face full of smiles, and waved in the direction where Yu Sheng was.

There was a commotion in the audience, and many male fans screamed directly. If there were no security guards at the scene, they would have been in a mess. The gifts in the live broadcast room were also flying.

A faint smile appeared on Yu Sheng's face. It seems that Liu Qianshuang's popularity is very good! In this case, the company will cultivate and cultivate, it will be her after the next song.

Picking up his mobile phone, Yu Sheng also clicked into the live broadcast. When he looked at the number of people, even he was slightly amazed. There were 300,000 people watching in the live broadcast room.

There are countless large and small gifts, and the barrage is so fast that you can't see what they are talking about.

The atmosphere was so good, and Yu Sheng also wanted to train Liu Qianshuang, and took a look at the remaining balance on the account.

Yu Sheng thought and didn't even think about it. He directly brushed 999 space walks. As soon as the gift was swiped out, the entire live broadcast room was covered by the gift's special effects.

For a while, those who used the barrage forgot to type, and stared blankly at the special effects full of screens.

Volcano Live's new gift "Space Walk" is worth two thousand yuan, and this one is called

The top leader of Komu's list swiped 999, the largest amount of gifts.

The nine hundred and ninety-nine space walks, if converted into RMB, would be about two million, so what kind of arrogance would it be to make a gift of two million at once!

While the people in the live broadcast room were still shocked, the next round of gifts was brushed up, and 999 rockets were brushed up directly.

And the rocket is a bit inferior to the spacewalk, one is worth one thousand yuan, and nine hundred and ninety-nine are about one million.

In less than five minutes, the top leader on the list made three million, three million! It was an amount that ordinary people could not earn in a lifetime, but was rewarded to the anchor by this mysterious tycoon.

And all this did not come to an end, the third round of rewards began again, another 999 spacewalks.

If the audience knows that Yu Sheng just thinks the special effects of this gift are good, and want to do it again, they will open their mouths in surprise.

In just a few minutes, Mr. Don Mu rewarded a gift worth five million in the live broadcast room, which also brought great popularity to the live broadcast room for a while.

From 300,000 at the beginning, it rose directly to 500,000.

On the other side, Yang Zihuan is also broadcasting live, her live broadcast room is not so hot, only more than two thousand people are watching.

There are very few gifts to buy, they are small gifts of a few dollars, and Yang Zihuan wants to turn off the live broadcast.

Suddenly a barrage popped up and caught her attention.

"The boss of Mu Mu raged at Liu Qianshuang's live broadcast room for gifts worth five million!"

Seeing this barrage, Yang Zihuan felt bitter and even jealous.

Chapter: 630

And after the message that the big man in the Liu Qianshuang's live broadcast room rushed 5 million in anger was spread in Yang Zihuan's live broadcast room, the original two thousand viewers also wanted

to run to see Rehan.

After all, Yang Zihuan's singing is very ordinary, how can it be compared with Liu Qianshuang's professional.

More people still want to see if the boss will brush gifts.

Originally tens of thousands of viewers, in just a few minutes, only a few thousand people left.

The loss and jealousy on Yang Zihuan's face are about to overflow, and there is a lot of unwillingness in his heart, but he can't say it.

It felt like being snatched from her husband by Liu Qianshuang, and everyone was heading towards Xiaosan, and no one was standing in line with her.

Then I thought about it, Bo Mu is not her husband. It is his freedom to spend money on him. What's the use even if he is angry?

At this time, Yang Zihuan felt more and more that the rest of his life was useless. He was a scum compared to the boss of Mu Mu. She felt that several years of youth was wasted on the rest of his life. With trivial matters in his mind, Yang Zihuan sang several wrong words one after another, and was even more uninterested in live broadcasting.

Everyone will have fun watching the live broadcast. Although Yang Zihuan is a beautiful woman, she is still lifeless and meaningless.

"Hey, can you sing well?"

"Yes, yes, the sales clerk in the supermarket downstairs in my house sings better than you."

"I feel more and more that the anchor is just a vase, and I don't have any abilities."

Looking at the barrage that said her above, Yang Zihuan felt a little headache, but still pressed his unwillingness to continue singing.

In the end, Yang Zihuan found the friend of the former gangster and sent a message.

"I have also started the live broadcast today, do you want to come and watch it!" Yang Zihuan sent it directly.

During the concert, when Liu Qianshuang was resting, he also heard that the big man in the live broadcast room gave her five million gifts.

The whole person almost forgot the words with excitement.

During this time, she also learned that Mi Mu is Yu Sheng's business. Five million is not too much for her now, but it represents Yu Sheng's attitude towards her.

When he came to power again, Liu Qianshuang did not shy away from blowing a kiss towards Yu Sheng's position.

There are a lot of people on the court, and many people don't know who Liu Qianshuang's kiss is for, but Yu Sheng understands in his heart, but he doesn't care. He doesn't have feelings between men and women for Liu Qianshuang, but is pure first. Promote her.

Suddenly the phone vibrated. When I opened it, it turned out to be a message from Yang Zihuan on the live broadcast of the volcano. After a glance, I turned off the phone.

For the rest of his life, he was not a fool. Naturally, he could guess that Yang Zihuan must have known that he was jealous and jealous of Liu Qianshuang's gift.

I didn't want to care about Yang Zihuan, but when I thought that it was his wife anyway, I decided to go and have a look.

System: Mu Mu enters the live broadcast room

Seeing the system prompt, Yang Zihuan immediately sat upright, his original sad face disappeared, and smiled: "I thought you would come, I thought you would not come!"

Below the barrage, Su Mu just responded with an “um” and he didn’t speak anymore.

The arrival of the big boss Qian Mu also made Yang Zihuan’s half-dead live broadcast room heated up for a while.

They were all discussing the bosses of Mu Mu, and Yang Zihuan, the anchor, became a decoration.

Yang Zihuan waited for a while, but Ha Mu just responded with an “um” and there was no response, and there was no picture of the imaginary gifts flying all over the sky.

Yang Zihuan felt a little lost for a while, and she felt a little unbalanced when she thought of Dong Mu’s gift to Liu Qianshuang.

So he said with a cheeky: “Brother Tong Mu, can you give me a space walk as well, I want to see it too?”

The audience has already prepared the scene of watching the big boss, making generous rewards.

To everyone’s surprise, Dong Mu replied: You are not worthy.

After that, I left the live broadcast room directly!
