Chapter: 661

Yang Zihuan's House

At this time, Zuo Wenyu was standing at the door of her house and rang the doorbell. This time he personally visited him in the hope that the rest of his life would be able to treat him.

After a short while, Gao Qing walked out of it, opened the door and looked up and down Zuo Wenyu. After finding that they were all valuable brand names, his eyes lighted up.

I wondered if this rich young man would be a fan in his daughter's live broadcast room. It seemed interesting for Zihuan to come to the door!

"Mr., are you here to see our son Huan? She is at home now, come in quickly!" Gao Qing said respectfully.

Zuo Wenyu was stunned for a moment, and then he explained: "No, I'm here to find Yu Sheng something to do, not Yang Zihuan."

When I heard that I was looking for the trash for the rest of his life, Gao Qing's attitude was obviously much colder than before. He looked at Zuo Wenyu with a vigilant expression and asked, "Is that trash staying outside offends you?"

Let me tell you! If he offends you, don't care about our family's affairs. Don't get involved with our family."

It turns out that this guy Yu Sheng has rarely caused trouble outside! If it wasn't for asking him this time, it would definitely be a big booze.

"No, no, I'm here to ask for something for the rest of my life. By the way, I apologize to him and hope he can forgive me!"

Speaking of Zuo Wenyu taking out a stack of banknotes from his pocket, he didn't know how to count it, maybe it was tens of thousands of dollars, and he stuffed it directly into Gao Qing's hand.

"Presumably you are Yu Sheng's mother-in-law. Please call Yu Sheng and say that Zuo Wenyu from the Zuo family has something to ask for."

After seeing the money in her hand, Gao Qing immediately changed her face, remembering what Zuo Wenyu had said, it is difficult to achieve the Zuo family of Qiancheng's first-class family!

Originally, I was thinking that I could share the assets of the Jingyu family for the rest of my life, but it has been so long, and there is no message.

Gao Qing didn't have any hopes anymore, she thought that for the rest of his life, that waste son-in-law had something to do with the eldest son of the Zuo family.

Not dare to neglect, Gao Qing took Zuo Wenyu directly into the house and made a pot of good tea, and then called Yu Sheng.

"Is there a problem?"

Yu Sheng's voice was heard on the phone, and Gao Qing was a little unhappy. This trash son-in-law now doesn't even call his mother, and it's really getting more and more disrespectful.

But the thought of Yu Sheng could kill his aunt, not to mention that she always embarrassed his mother-in-law on weekdays.

I had no choice but to suppress the dissatisfaction in my heart, and stepped into the main topic: "For the rest of my life! The young master of the Zuo family said that he wanted to ask you something and asked you to come back."

"No, you tell him that I won't help him, if there are other things, I will hang up first." Yu Sheng said

indifferently.

He knew what Zuo Wenyu was looking for. Since he abolished Zuo Wenyu, of course he would not help him again.

That was punishment to Zuo Wenyu.

“Don’t don’t, that for the rest of your life is a member of the first-class family in Qiancheng, and he also said that if you don’t help him, he will rely on our family to not leave.

Xiao Shui is still at home, what if he cries and yells if he is uncomfortable with outsiders. “Seeing that Yu Sheng didn’t eat hard and soft, Gao Qing took out Xiao Shui directly.

Sure enough, the rest of his life on the phone hesitated, a flash of anger flashed in his eyes, and finally agreed to go home and saw Zuo Wenyu.

After more than twenty minutes, Yu Sheng returned home.

“Zuo Wenyu, you still dare to come to my house, is it possible that you feel that you have lived too long and let me solve you.” Yu Sheng said coldly to Zuo Wenyu who was sitting on the sofa as soon as he returned home.

Hearing this, Gao Qing’s face changed immediately, and she hurried up to stop Yu Sheng and then continued: “Yu Sheng, is your brain burnt out? Why did you speak to Young Master Zuo, and quickly apologize to him.”

Yu Sheng looked at Zuo Wenyu disapprovingly and asked, “Are you sure you want me to apologize to you?”

Hearing Yu Sheng’s words, Zuo Wenyu immediately put down the teacup in his hand, his expression became respectful and humble, and he walked to Yu Sheng’s words and knelt down.

Seeing this scene, Gao Qing’s eyes widened in disbelief, the eldest son of the Zuo family actually knelt down for her trash son-in-law!

Chapter: 662

“Young Master Zuo, what are you doing? Hurry up and we can’t stand your kneeling like this!” Gao Qing was shocked and thought of helping Zuo Wenyu up.

Whoever came up with it, Zuo Wenyu didn’t take care of her at all, but pushed her aside, kneeling and crawling towards Yu Sheng’s place.

“Doctor Yu, I used to have eyes but no knowledge of Mount Tai, which offended you. I hope you have a large number of adults. Don’t be familiar with people like me. Just let me out as a fart!”

Seeing Zuo Wenyu, who was kneeling on the ground holding his leg and begging for mercy, Yu Sheng couldn’t feel any pity in his heart.

For what Zuo Wenyu did before, the following punishment for abolishing him would be lighter, otherwise he would have killed him directly.

“Sorry, my metric is not big at all, and it belongs to the kind that must be reported. You beg me, it’s not useful.” Yu Sheng said lightly.

I knelt down and begged him for mercy! This was the case for the rest of his life, Zuo Wenyu gritted his teeth angrily.

But the thought that I will never be like a real man in the future, and I will have to be pointed out wherever I go, it is more uncomfortable than death.

At this time, Zuo Wenyu didn’t care about face anymore. He knocked Yu Sheng a few times while lying on the ground, and said, “Doctor Yu, Dad Yu, I will call you Grandpa Yu, please! Please lift up your hands and save me. !”

At this time, Zuo Wenyu cried with tears and snot, lying on the ground humbly like a dog. Gao Qing on the side saw Zuo Wenyu seeking the rest of his life like this, and even began to wonder if Zuo Wenyu was the eldest of the Zuo family.

The future heir in the first-class family actually lay on her knees and called the father and grandfather with her trash son-in-law.

Then he thought of the luxury car parked outside, and no longer questioned Zuo Wenyu's identity.

In order to be able to leave a good impression on Zuo's side, Gao Qing came to Yu Sheng and said, "You see people like Zuo's young master, please, can you help him?"

"Yes, yes! Dad Yu, doctor Yu, please let me go!" Zuo Wenyu echoed.

Yu Sheng still stood there without changing his face, looking at the person in front of him indifferently.

He had guessed that Zuo Wenyu would come to him, but he had never thought that he was so dignified. People like Zuo Wenyu are not worthy of being a man at all.

"I'm dealing with people, and I'm never soft-hearted. Since I personally abolished you, then I never thought of curing you again." Yu Sheng said indifferently.

Hearing Yu Sheng's affirmative answer, Zuo Wenyu, who was kneeling on the ground, brushed his face and changed. He stood up and cursed at Yu Sheng: "You are a waste of your life, then please don't save me, please wait with me!"

After saying this, Zuo Wenyu ran outside, got in the car and finished the run in a hurry, looking like he was afraid that he would catch up with him and beat him for the rest of his life.

Zuo Wenyu gave this steering wheel an angry hammer, and when he stepped on the accelerator and drove far away, he was shocked.

Zuo's old house.

Seeing his son came back, Zuo Lengchan quickly went up and asked, "Wenyu! How about that guy Yu Sheng is there to help you treat?"

Zuo Wenyu directly pushed his father aside, his attitude was extremely bad, Zuo Lengchan thought that his son would push him, and fell to the ground unpreparedly.

The 60-70-year-old man was still a little unbearable when he was thrown on the ground like this.

Zuo Wenyu didn't even go to see his father. He didn't even blink his eyes when he returned home and picked up things, such as antique vases and valuable furniture.

In the end, the servant helped Zuo Lengchan from the ground.

Zuo Lengchan had no way to look at his son like this. He was always good at it, and a son was so doted by him to become like this.

On the other side, Yang Jian and Yang Yinzhu panted heavily, looking at them and no one was chasing them. They sat on the ground with a look of exhaustion.

"Brother, what is the size of this day? I can't stand it anymore." Yang Yinzhu complained.

Yang Jian frowned and looked impatient: "You ask me who to ask! It's all because of Yang Zihuan that she couldn't save her!"

After saying this, Yang Jian glanced at Yu Guang, only to realize that they had fled to the gate of Zuo's old house.

Immediately, Yang Jian made a plan, and a meaningful arc appeared in his mouth.

Chapter: 663

Yang Jian took Yang Yinzhu into the old house of Zuo's house. As soon as he entered, he heard the sound of crackling and smashing inside the house.

The two brothers and sisters were a little uneasy. What puzzled them the most was that there was no one stopped along the way.

As everyone knows, Zuo Lengchan broke his bones, and a group of people went to take the master to the hospital, and some others were afraid to come out because of the young master's anger, for fear of hitting the gun.

At this time, Zuo Wenyu smashed something and was tired. He just happened to see two people with rags and dirty clothes walking in.

Looking at the mess in the room, I secretly screamed that it was not the right time for me and my sister to come.

Since they have all come, they can't go back now. They have gained courage, and Yang Jian respectfully said: "Young Master Zuo, I'm Yang Jian from the Yang family, and my sister Yang Yinzhu, come to take refuge in you. ."

At this time, Zuo Wenyu was angry. He picked up the vase and smashed it at Yang Jian, cursing, "What kind of pretense are the two stinky beggars pretending to be in front of me? I'm not a philanthropist and get out!"

Yang Jian was able to escape, a cold sweat was frightened on his body, and he swallowed and explained: "Zuo Zuo, we are not beggars. The reason why we ended up like this is all caused by the waste of the rest of our lives."

But the two of them forgot that it was Yang Jian who went to gamble by himself, and he owed New Goose Media 100 million, otherwise the Yang family company would not go bankrupt at all.

Now they blame everything on Yu Sheng.

For the rest of my life!

Hearing this name, Zuo Wenyu's anger doubled, and blue veins burst on his forehead, and he yelled at Yang Jian: "Don't fucking put the words for the rest of your life in front of me, believe it or not I killed him. you!"

Yang Yinzhu shivered and hid behind Yang Jian in fright. Yang Jian didn't even think that Zuo Wenyu had such a big temper.

"Don't don't don't, did Zuo Shao's trash for the rest of his life provoke you? He is also the enemy of my brother and sister. The enemy's enemy is a friend. Logically speaking, we are still friends now."

Yang Jian wanted to get close to Zuo Wenyu, but Zuo Wenyu didn't want to follow him at all.

"Who the hell is friends with you two beggars, unless you kneel down and call me Zuo Dad, Zuo Grandpa!"

Zuo Wenyu eagerly wanted to discover the humiliation brought to him by the rest of his life today, just when these two unknown people appeared.

"This..." Yang Jian didn't have an idea for a while, no matter how much he used to be the young master of the Yang family, people would respectfully call him Young Master when he went out.

Now this Zuo Wenyu wants to step on all his dignity on the ground.

Thinking that the rest of his life was still living a happy life, Yang Jian was furious, so he knelt down.

Today, Yang Jian gave his all.

You wait for me for the rest of your life!

Yang Jian directly knelt on the ground with a "pump", yelling without listening, "Left father, Zuo grandfather, please do your best. Give my brother and sister a way out."

Seeing that his elder brother looks like that, Yang Yinzhu was also restrained. After learning Yang Jian, he knelt down and said, "Left young man, we two brothers and sisters are willing to be a cow and a horse

for you.”

Seeing this scene, Zuo Wenyu seemed to have seen the person kneeling on the ground for the rest of his life. The anger in his heart was relieved by more than half. He looked at the two brothers and sisters on the ground and said: “Get up!”

Yang Jian and Yang Yinzhu dared to stand up, with smiles on their faces, but they were recognized by Zuo Wenyu. They will have a place to live in the future, so they don’t need to hide in Tibet.

Yang Jian pushed his younger sister out and respectfully said: “Left Young Master, this is my younger sister Yang Yinzhu, don’t look at her dirty now, she is definitely a beautiful woman dressed up!”

Yang Yinzhu raised his hand and pulled the hair in front of him behind his ears, looked at Zuo Wenyu with a shy expression, and yelled, “Zuo Shao~”

Yang Yinzhu does have a bit of beauty, although she is now dressed in shabby clothes, but from a closer look, she is indeed better than the women he has played with before.

Immediately, Zuo Wenyu thought about what he was underneath, and couldn’t hold it up anymore, what he wanted a woman to do.

Zuo Wenyu just wanted to say, don’t fucking pretend the word “women” in front of me, but when he thinks of him who has always been romantic, suddenly there are no women around him, and others will definitely suspect that there is a problem with his body.

After thinking about it, Zuo Wenyu decided to leave Yang Yinzhu by his side.

Chapter: 664

Zuo Wenyu contacted the young master of Lei’s family in advance, and in the evening, he took Yang Yinzhu to the box of a clubhouse in Qiancheng, anxiously awaiting the arrival of the other party.

He and Lei Chao are also good friends, and the Lei family still has some strength in Qiancheng.

Yang Yinzhu dressed very beautifully today. He was wearing a black hip skirt worth 100,000 yuan. Not only did he show the curves of his body, he also deliberately showed the career line on his chest, and he also painted heavy makeup on his face.

Although she is much worse than Yang Zihuan, Zhang Wanqiu and other women, after being well-dressed, coupled with revealing clothes, she can still make most men move around.

She was even a little excited when she heard that she was coming to see the young master of Lei’s family.

Although the Lei family is not a top family in Qiancheng, it is still much stronger than the Yang family.

Now that the Yang family is bankrupt, Yang Yinzhu also hopes that he can get to know more wealthy people, and if he finds a good opportunity, he may be able to re-emerge the Yang family.

After the two waited in the box for a while, the door of the box was suddenly pushed open.

A middle-aged man in an Armani suit walked in. The man combed his head and looked wretched. He also carried a Patek Philippe watch on his wrist.

Behind him, followed by a man carrying a bag, about one or two years younger than him, looking like an assistant.

Zuo Wenyu stood up, smiled and said, “Oh, brother Lei, sit inside.”

The middle-aged man smiled and said to Zuo Wenyu: “Young Master Zuo, you are a busy person. Why do you suddenly have time to ask me? I am really flattered!”

As he said, he saw Yang Yinzhu next to Zuo Wenyu, and his eyes lit up suddenly.

So he smiled and said to Zuo Wenyu: “I said Zuo Shao, who is this beauty? You won’t introduce me.”

Zuo Wenyu pulled Yang Yinzhu over and said with a smile: “Come on, Brother Lei, let me introduce to

you, this is a younger sister of a friend I just met, Yang Yinzhu.”

“It’s no wonder that the person who can be brought out by Zuo Shao is so beautiful.”

When Lei Chao heard this, he smiled and nodded, a greedy look flashed in his eyes, and he stretched out his hand to Yang Yinzhu and said, “Miss Yang, lucky to meet you!”

Zuo Wenyu said to Yang Yinzhu again: “Yang Yinzhu, this is Lei Chao, the general manager of Leijia Pharmaceutical. Leijia Pharmaceutical is a well-known pharmaceutical company in Qiancheng, and it is very powerful.”

Yang Yinzhu also hurriedly shook hands with the other party and said, “Good for Lei!”

Lei Chao’s greedy Yang Yinzhu touched two hands, then took off his coat and threw it to the man dressed as an assistant behind him.

The assistant didn’t pick it up, and his jacket fell to the ground.

A look of disgust flashed across Lei Chao’s eyes, and he glared at him and cursed: “Trash! This little thing can’t be done!”

“Sorry, brother, it’s all my fault...Don’t be angry.” The man’s face was pale, he quickly picked up his jacket and wiped the dust off.

It’s okay if he doesn’t say this. Lei Chao gets even more upset when he says this. He walked to the front and slapped it, and said coldly, “Lei Yang, how many times have I said that you give birth to and raise a child? He’s illegitimate child, he is not qualified to call my eldest brother, get out and wait for me.”

Lei Yang was slapped, but he didn’t dare to refute, as if he had been used to it, he nodded humbly and said, “I know the big brother.”

After speaking, he hurried out of the box.

“It’s really disappointing, damn it!”

Lei Chao said something cursively, and Zuo Wenyu on the side said curiously, “Brother Lei, is this your trash brother?”

Lei Chao said coldly: “It’s just a wild species, not my brother!”

After speaking, he looked at Yang Yinzhu greedily, and asked with a smile: “Ms. Yang is so beautiful, don’t you know if you have a boyfriend?”

Chapter: 665

When Yang Yinzhu heard this, he didn’t answer Lei Chao’s question, but looked at Zuo Wenyu awkwardly.

She didn’t dare to say that she didn’t have a boyfriend. Yang Yinzhu had always planned to make friends with Zuo Wenyu and be his woman.

But she didn’t dare to say that she was Zuo Young’s woman to outsiders! After all, Shao Zuo never touched him once from beginning to end.

However, what she didn’t expect was that Zuo Wenyu smiled and said to Lei Chao: “Brother Lei, let’s tell you, Miss Yang is actually my woman.”

Although Lei Chao fell in love with Yang Yinzhu, he did not dare to snatch a woman from Zuo Wenyu, so he could only dispel the thoughts in his heart.

Zuo Wenyu naturally saw his performance in his eyes, smiled calmly, and talked with Lei Chao.

He deliberately asked Lei Chao: “By the way, Mr. Lei, how is Mr. Lei’s health recently?”

Lei Chao sighed, and said, “It’s not so good. The old man had too many romantic debts when he was young. Now he has been punished, and his body is not as good as every day.”

Zuo Wenyu asked curiously: “Master Lei has a lot of romantic debts?”

“Of course there are many.” Lei Chaonai said: “Don’t you know, my old man, like me, is a humanoid pile driver. He was handsome when he was young, and he would coax women and buy everywhere by doing business. The opportunity for medicinal materials is almost wherever I go to sleep. As far as I know, there are no less than 20 old lovers! This is just what I know, more than me!”

“I’ll go!” Zuo Wenyu exclaimed and said: “Your father was so romantic when he was young?”

Lei Chao nodded, and said depressed, “How else can I find a half-brother who is a wild brother for me? Actually, there are several wild plants outside of my dad, and the others are all girls. This wild species is a male. After my grandfather knew about it, he insisted that the Lei family’s species could not be left outside, forcing my dad to bring him back from the south of the Yangtze River.”

Lei Chao said again, “Not only I don’t want to see this wild species, but my dad doesn’t want to see him either, but there is no way to recognize the ancestor and return to the clan. Do a mess at home.”

Zuo Wenyu had long heard that the Lei family had two sons. The eldest son was Lei Chao, and the younger son Lei Yang was an illegitimate child. He was a romantic debt left by the Wei family’s father in the early years. He was taken to Lei’s house, so he has not been seen by anyone.

It seemed that Lei Yang grew up in this environment, and it was miserable enough.

Zuo Wenyu suddenly asked curiously: “By the way, Brother Lei, your old man is so romantic, his ability in that area is definitely not ordinary, is there any good medicine?”

Lei Chao nodded and said with a smile: “Don’t say, there is really a recipe, which the old man accidentally got outside when he was young, can strengthen the yang and nourish the kidney, and greatly improve the ability of men in that area.”

“Really?!” Zuo Wenyu said in surprise: “Brother, is this recipe still there now?”

Lei Chao said: “How do you say this recipe? When I was young, my dad had used it for 20 or 30 years, and it was really useful. Lang...”

Speaking of this, Lei Chao sighed, and said, “But this prescription, I wanted to bring it into mass production later, but the pharmacokineticist researched it and found that this thing has strong liver and nephrotoxicity, so Look at my old man, in his early sixties, his liver and kidneys are almost exhausted, and the doctor said that if he lives for another two or three years at most, he has to go to the west to report to the Buddha.”

Chapter: 666

Zuo Wenyu’s originally delighted face suddenly became heavy.

Of course it is important to regain male abilities and rebuild male virility, but life is even more important!

You can’t take your life in order to play with a woman, right?

Thinking of this, Zuo Wenyu once again greeted the eighteenth generation of Yu Sheng’s ancestors in his heart, and then he was a little relieved.

Lei Chao saw his contrast, and asked curiously: “Shao Zuo, you are still young, this is...is there anything unspeakable?”

Zuo Wenyu showed a helpless expression and said, “Brother Lei, it is true that I am a damn living eunuch now. I can’t do anything at all. I went to the hospital and the doctor has no idea. You must help. Help me!”

Zuo Wenyu didn’t tell the story about the abolition of Yu Sheng. After all, Yu Sheng was a well-known waste in Qiancheng, and he would lose all the face of the young master Zuo.

The purpose of coming to Lei Chao this time was to hear from others that the Lei family had medicine

for this.

After that, Zuo Wenyu hurriedly asked, "Is the medicine your old man used, is it toxic after taking it once or twice? Would you like to get it for me to try?"

Lei Chao hurriedly said: "Left young man, don't try that medicine, if it really breaks down, the gain is not worth the loss!"

As he said, he said again: "By the way, our Lei family is just studying this prescription, hoping to improve it, so that he can not only strengthen the male masculinity, but also not hurt the body. If done well, it may be possible. It has a strong repairing effect on men's abilities!"

"Really?!" Zuo Wenyu said in surprise: "That's really great! When can I get it out?"

Lei Chao said: "However, this medicine is still short of medicinal materials. If it is to be completed, it will take two days for the Chinese Medicine Expo to be held before I can buy this medicinal material at the Expo."

Zuo Wenyu was overjoyed, let alone two days, as long as he can be cured, he can wait two years!

Yu Sheng, Yu Sheng, you didn't want to abolish me. Didn't you think that you let me find Lei's family?

Even if I don't have you for the rest of my life, I will be able to heal it.

There is also that Zhu Xiaoshu, who made fun of him again and again, and when his one is cured, the little Nizi will be given to him as soon as possible.

Then Zuo Wenyu hurriedly said, "Brother Lei, after the medicine is made, can you sell me a copy? I really need this thing now."

Is it necessary? He is now a living eunuch. If he keeps doing this, he might as well cut him off.

Lei Chao sighed and said, "It's not that my old brother didn't help you. The materials needed for this medicine are too precious. It is estimated that in the preliminary test, only one copy can be made..."

After speaking, he glanced at Yang Yinzhu and said with a smile: "However, it is not impossible to discuss..."

How can Zuo Wenyu not know what Lei Chao, an old fox meant, he showed a smile that every man understands, and said directly to Yang Yinzhu: "Yang Yinzhu, you will be Brother Lei's person from now on, please take care of me. Thank him, do you know?"

When Lei Chao heard this, he was immediately excited.

Seeing Yang Yinzhu's first glance, I longed for something to happen to this beauty.

But when he heard that she was the sister of Zuo Wenyu's friend, he was suddenly disappointed.

But it occurred to her that she turned out to be Zuo Wenyu's woman, and Zuo Wenyu directly pushed Yang Yinzhu into her own hands in order to beg for medicine.

This is really no effort at all!

Chapter: 667

Hearing that Zuo Wenyu was going to give her to Lei Chao for dressing change, Yang Yinzhu felt a little displeased.

In addition to Zuo Wenyu's age in his twenties, and a talented person, Lei Chao is already in his 30s or 40s, and the Lei family is a lot worse than the Zuo family.

Yang Yinzhu hopes to continue to be Zuo Wenyu's woman, and Zuo Wenyu can introduce himself to more big people.

In this way, with the help of Zuo Wenyu's aura, he can manage his contacts and gradually become a celebrity in Qiancheng.

At that time, not only will I be able to benefit a lot, but maybe I will be able to buy the Yang Family

Company back and start business again, and I will become the support of the Yang Group and the leader of the Yang Group.

But what she didn't think was that Zuo Wenyu only used herself as a tool. In order to ask for a medicine, she had to give herself to Lei Chao?

I want to be a woman of Zuo Wenyu and a celebrity of the upper class, but I don't want to be a plaything of the upper class. Once the reputation of the plaything spreads, then I don't want to climb up again in my life.

So, she took Zuo Wenyu's hand and said, "Young Master Zuo, although they have just met you not long ago, they are already deeply fascinated by your charm. I just want to be by your side. Leaving you....."

Zuo Wenyu naturally wouldn't believe Yang Yinzhu's nonsense, he wouldn't let a woman die to him after only seeing a few faces, or else Zhang Wanqiu would have fallen asleep long ago.

Yang Yinzhu's side was careful, he still guessed it, and Zuo Wenyu has always looked down upon this kind of woman.

What's more, it's just someone he used as a guise.

Since Lei Chao had an idea for Yang Yinzhu, he gave her to Lei Chao, which naturally became the best choice today.

Now that I have been harmed by Yu Sheng's waste, I have no ability in that area. I can only watch Yang Yinzhu and can't eat it if I keep Yang Yinzhu. However, if Yang Yinzhu is sent out, in case Lei's family can really cure his hidden illness. , Then I can continue to find other women.

If you are lucky, you can still get Zhang Wanqiu to sleep. When I think that the last time I was so close, I will get Zhang Wanqiu to sleep. I blame the rest of his life for bad deeds and make him like this.

Now Zuo Wenyu desperately wants to restore his man's abilities, and when he sees Yang Yinzhu's reluctance, he feels angry.

So he said coldly to Yang Yinzhu: "Don't come with me. I ask you to accompany Brother Lei, and you will accompany him. Where is there so much nonsense?"

Yang Yinzhu's aggrieved tears flowed, crying and said, "Left young man, don't you keep me by your side because you value me? I still don't have time to serve you well, so how can I just give Yinzhu away like this? Alright?"

Lei Chao on the side was a little uncomfortable, and said: "Oh, Young Master Zuo, since Miss Yang has a deep affection for you, then don't make it difficult for you!"

Zuo Wenyu raised his hand and gave Yang Yinzhu a slap in the face, cursing: "I just thought you had a bit of beauty, so I kept you by my side.

Now that Brother Lei has taken a fancy to you, you are here as a mother-in-law. Whoever pretends to show it to you, you must do whatever I ask you to do.

Believe it or not, I drove you two brothers and sisters out of Zuo's house, and continued to let you wander on the streets and be chased by a group of debtors! "

Chapter: 668

Hearing this, Yang Yinzhu was stunned, and a sense of humiliation instantly surged into his heart.

But what's the use of humiliation?

Can you reject Zuo Wenyu because of humiliation?

Rejecting Zuo Wenyu is very simple. If I don't agree, I can do it.

But what happens after rejection? After refusing, everything will go back a few days ago, hiding with his brother, unclothed, and his own socialite dream will be broken.

Therefore, Yang Yinzhu could only forcibly squeeze a smile and said: "I promise, I promise! I will definitely take care of Lei."

Zuo Wenyu sneered and said, "You count as acquaintance!"

As he said, he pushed Yang Yinzhu into Lei Chao's arms and said with a smile: "Let's go with Lei tonight!"

Lei Chao hugged Yang Yinzhu, and he was very excited. He smiled and said, "Miss Yang, let me open a room in the hotel. Let's get to know each other tonight!"

Yang Yinzhu quietly wiped away his tears, resentful in his heart.

Once upon a time, she Yang Yinzhu was also the daughter of the Yang family, and was also sought after by countless people. She also has a arrogant heart. Looking for a boyfriend will always be the rich second generation of a big family.

Finally, I married the Hu family. I thought I had successfully married into a wealthy family, but there were no good days for a few days, but Yu Sheng was forced to lick the urinal by the waste.

Now that Hu Hai divorced her, and the Yang family was also bankrupt, she didn't even think that she had exhausted all the institutions and ended up like this in the end.

Hu Hai abandoned her husband, Yang Jian pushed her to Zuo Wenyu as a lover, but Zuo Wenyu used her as a tool and threw it to Lei Chao. If Lei Chao gets tired of himself in the future, he will be lost again.

Who is it for?

Lei Chao hugged her tightly in his arms, and said to Zuo Wenyu with a wry face: "Don't worry, Young Master Zuo, when we gather the prescription, I will send the medicine to you immediately! Help you regain your power!"

"Great!" Zuo Wenyu finally relieved his heart and said with a smile: "Then I can wait for your good news with peace of mind!"

Lei Chao nodded and looked at the time. He felt a little eager to do something with Yang Yinzhu, so he smiled at Zuo Wenyu and said, "Lei Chao, you see it's too early today. Shall we be here tonight?"

Zuo Wenyu knew that Lei Chao couldn't wait to take Yang Yinzhu to spend a good night together, and he couldn't help but feel envy in his heart.

If Yu Sheng hadn't given up his life, he would have put Yang Yinzhu to sleep.

For the medicine, he nodded very generously and smiled: "Okay, that's it for tonight, you two go first!"

After speaking, he said to Yang Yinzhu: "Serve Mr. Lei well, do you understand?"

Yang Yinzhu nodded humiliatedly, and could only say honestly: "I understand..."

That night, Yang Yinzhu became Lei Chao's lover again.

Although Yang Yinzhu was deeply disgusted with this new title, Lei Chao was amazed by her performance in that respect.

This night, Lei Chao also found his second spring in Yang Yinzhu's body.

Therefore, after Yu Xieyun harvested, he held Yang Yinzhu and promised her: "You will not live in an unsettled place in the future and hide from Tibet to escape debts. Follow me steadily and I will make you a human being. Master."

Yang Yinzhu finally felt better when he said this.

If Lei Chao could make himself a master, it wouldn't be a bad thing to follow him.

After all, although he is not as rich as Zuo Wenyu, at least he should treat her better than Zuo Wenyu, and, it seems, he is not the kind of man who can give himself to others casually.

Sakura Club

For the rest of his life, he flipped through the sad expression of the Nine Profound Heaven Scriptures, and there was a medicinal pill on it. He had been thinking about it for a long time and there was still no progress.

If this pill can be made smoothly, it will undoubtedly make Yu Sheng's current strength a big step forward.

However, many of the materials have been found for the rest of his life, except for the main medicine Longxuecao. Not to mention having seen it, he hasn't even heard of it before. Go there and look for it! For the rest of my life, I took a lot of rare herbs, some of which had similar effects to Longxuecao, and hoped to replace them, but there was no success.

"Is it the dragon beard grass?" Yu Sheng murmured, and then closed the Nine Profound Heaven Scriptures. Since he can't be found, there is no need to die here, so he just put it aside.

At this moment, Yu Sheng's cell phone rang, and Yang Zihuan's anxious voice came through the phone.

"Yu Sheng, my brother is in an accident, please help him, okay, besides looking for you, I really have no way of doing it."

Hearing these words for the rest of his life, he couldn't help frowning, and began to wonder what happened to that fellow Yang Ling.

"You talk about what happened first." Yu Sheng said lightly.

"After the Yang family went bankrupt, he stayed at home and didn't even look for a job. At night, he often went out to fool around and met some friends.

An hour ago, Yang Ling called me and said that he had lost money in the casino and owed him 10 million. If he couldn't get 10 million before twelve o'clock, he would kill him."

Yang Zihuan started crying as he talked, ten million! Obviously knowing that Yu Sheng would not be able to spend the money, but she really had nowhere to go. The only person who could think of was Yu Sheng.

She can't watch her only brother be beaten to death by herself!

The rest of his life was also speechless for a while, and he was very dissatisfied with the brother-in-law of Yang Ling, but if he really watched him die, he would not be able to do it.

After asking Yang Zihuan carefully where Yang Ling is now, Yu Sheng said: "Okay, I'll take care of this matter, you don't have to worry about it."

It was already 9:36 in the evening, and there were more than two hours before 12 o'clock. The rest of my life took a coat casually and planned to go out.

I ran into Magnolia who came to look for her head-on, because Yu Sheng was so anxious that she ran into Magnolia and her body was completely attached to Yu Sheng's body.

For a moment, Magnolia rubbed her little sore nose, looked at Yu Sheng with a complaint on her face, pouting and said: "Is your body made of iron? Why is it so hard that it hurts me to death."

The matter of Yang Ling was looming, and the rest of his life didn't have time to explain so much to Magnolia, so he turned around and left after a few casual sentences.

"I have something to do now, and I will apologize to you when I come back."

Seeing Yu Sheng running away from the back, Bai Yulan felt unwilling. Where is she going for the rest of the night?

The one who is in a hurry is not going to see other girls! The more she thought about it, the more likely she was, and Magnolia ran straight to catch up with her for the rest of her life.

While Yu Sheng was driving the door, Bai Yulan slipped in with quick eyes. Yu Sheng glanced at it a little

helplessly, but now it's important to save people, and she doesn't bother to care about him. Along the way, Yu Sheng's car drove very quickly, and it took about an hour to arrive at the Dragon City Casino.

Magnolia's face was dumbfounded. She thought she was looking for another girl for the rest of her life, but in the middle of the night she actually came to gamble, which made her a little confused.

In my impression, Yu Sheng is not a gambler!

Following Yu Sheng, the two walked in unimpeded all the way.

And right in front of them stood a group of thugs with more than 20 people coming, each holding a gangster, iron rod, electric stick, and short knife.

The scarred face headed by saw a man and a woman walking in and asked the drake: "Are you here to save that kid?"

"I brought the money you asked for. Where is Yang Ling now?" Yu Sheng asked with a bank card out of his pocket.

As soon as Scarface saw the bank card in Yu Sheng's hand, he subconsciously wanted to grab it, but Yu Sheng took it back and put the bank card back in his pocket.

"Take me to meet people first, as long as you let them go, I will naturally give you this card."

No one got the card, and Scarface gave Yu Sheng a grim look. He was the first person who dared to talk about conditions in front of him.

The reason why there is no direct action to take Yu Sheng out of the card and grab the card is because Scarface feels that the girl behind Yu Sheng is beautiful and fair.

If the boss saw him, he might like it very much. When he thought of this, Scarface took the rest of his life and walked into the top floor of the casino.

The top floor of the casino is still a gambling venue, but the decoration and its luxury seem to be specially provided for VIP users in the casino.

In the middle, a slightly fat middle-aged man was sitting on the sofa and was hugging a woman in his early twenties, sitting with all intimate movements, and on either side of him were two rows of black bodyguards.

Not far away from them, Yang Ling was really pressed to the top of the gaming table.

When Yang Ling saw that the person who came was Yu Sheng, his face became extremely ugly, and he cursed at Yu Sheng: "Why did my sister call you this trash, what use is it for you to come here? Beat it to death?"

The reason why such a thing happened was that he was sold by the group of good buddies who called him brothers and brothers before, and the little beauty next to the gambling house owner was originally his girlfriend.

Yang Ling, who wanted to make a fortune, came to the casino just because she was stunned by her to gamble. He was itching to see that his brothers had won the money.

In the beginning, he won hundreds of thousands, but people's hearts are always not easy to be satisfied, and the little beauty Li Wenwen next to him is encouraged to play more and more.

Gradually, Yang Ling's luck got worse and worse. He lost all the hundreds of thousands he had won before. He didn't want to play anymore, but Li Wenwen said it would come back.

Yang Ling was also a financial fascination for a while. Through Li Wenwen's relationship, he found the owner of the casino to borrow a million in loan sharks.

However, after a while, the money was lost again, and Yang Ling was completely panicked. After all, the Yang family was no match for before.

If Yang Zihuan knew that he owed a million yuan outside, he would definitely be beaten to death, and Yang Ling would be even more eager to win the money back.

This was a good one. The boss directly lent him 5 million to let him turn over. Yang Ling thought that the money was too much.

But Li Wenwen next to him said, "Take it, since the boss is willing to lend you, then you can win the money back and return it to him together?"

Yang Ling was also afraid of offending the owner of the casino, so he took all the money, losing more and losing less, but he discovered the secret of the casino.

When Yang Ling found the card in his hand, his opponent would always know it as if there was a perspective, but he observed for a long time and he didn't find anything like a camera.

Later I learned that the Li Wenwen next to him was actually the boss of the casino, and his friends, friends, were also trustees in the casino.

Now that the person who saw him was the rest of his life, Yang Ling knew that he would die in this casino after all today.

Yu Sheng knew that Yang Ling's nature was too lazy to care about him. If he were not Xiao Shui's uncle, even if Yang Ling died in front of him, the rest of his life would not blink.

The fact that Yu Sheng didn't care about it did not mean that Magnolia could see the past. She pulled Yu Sheng's clothes and said angrily: "For this kind of person, you actually came to help him. Even if he is beaten to death, he deserves it. Let's go! "
