

Chapter 7: Don't Mess with this Son-in-Law, Don't Mess with this Son-in-Law novel, Dont, Mess,

"Mom, it was this Yang Xiaoshui who beat me, woooo~~~ I was beaten by him to bleed, woo~~"

Seeing the young woman, another child suddenly ran over in tears, pointing to Yang Xiaoshui and said.

"Little treasure, let's watch mom give you revenge."

The young woman comforted the little boy, and when she looked at Xiao Shui, she jumped into thunder:

"You b*****d, dare to beat my son, are you going to die?"

Seeing the girl's fierce eyes, Xiao Shui suddenly became a little scared.

Yu Sheng got up, frowned when he looked at the girl, and his eyes were like a knife: "Are you an adult, is it interesting to be a murderous child? Besides, don't you ask why my son beat your son?"

"Oh, who am I? It turns out that it is you rubbish, rubbish that even your wife can't look at. You ration me to make sense?" The young woman recognized Yu Sheng immediately when she saw it.

Isn't it the security of her husband?

He couldn't stand it even when his own woman became someone else's junior. She looked down on this kind of waste of soft food at all.

A flash of anger flashed in Yu Sheng's eyes, if it weren't for the child, he would slap the young woman up. m.9biquge.com

D**n mouth, it's time to smoke!

"What are you staring at? Your father and son immediately knelt down to apologize to my son, otherwise the old lady will be ruined with you two today!" the young woman said angrily.

Yu Sheng's eyes were slightly cold, the young woman's eyes were taken aback, and Yu Sheng slapped Yu Sheng with a slap: "Can't you understand human words? The old lady asked your father and son to kneel down and apologize to my son!"

For the rest of his life, his body was slightly sideways, letting the young woman slap him.

“You, do you dare to hide?”

The young woman was ashamed and angry.

“You mean, if you want to hit someone, I can only stand here and let you hit?” Yu Sheng’s voice became colder and colder.

“It’s wrong, I will not only take you as a waste, but also let your father and son kneel down to apologize to my son. If your attitude is not sincere, please don’t get up to my mother!” the young woman said arrogantly.

“What if I don’t?” Yu Sheng was very angry, looking at the young woman jokingly.

“Do not?”

The young woman shouted angrily and slapped Yu Sheng again.

A little useless, even daring to contradict her, it’s just looking for something!

This time he stopped hiding for the rest of his life. As soon as he raised his hand, he grabbed the young woman’s wrist in his hand, and broke slightly, and the young woman screamed.

“Let’s go, you trash, let me go! You’re a waste of money! He’s going to kill someone!” The young woman cried out with pain in her wrist.

“Bad guy, let go of my mother, bad guy, I will kill you!” Upon seeing this, the little boy ran over and hit the thigh for the rest of his life.

Yu Sheng gave a cold snort and released the young woman’s wrist. The young woman hurriedly rubbed it, her eyes full of resentment.

“Li Xiaobao, get out of my way and hit my dad again, I’ll kill you!” Seeing the little boy still beating Yu Sheng’s thigh, he yelled, he was about to hit the little boy.

“Mom, he wants to hit me!” Li Xiaobao hurried to the young woman and started crying.

The young woman was furious, and rushed to Yu Sheng violently: “You two father and son are damned!”

But her hand still didn’t catch Yu Sheng’s face, Yu Sheng raised his hand and slapped it on the face.

“Snapped!”

The young woman was slapped by Yu Sheng’s slap.

“You, dare you hit me!”

Yu Sheng snorted and said, “This slap is to make you remember a little bit. Remember to brush your teeth when you go out in the future, or your mouth is too stinky.”

The young woman still didn’t react, and the rest of her life slapped her backhand again:

“This slap is to teach you how to behave.”

“you you you.....”

After being slapped twice, the young woman became more and more furious. She pointed at Yu Sheng and said angrily: “You have a seed for me to wait and don’t leave!”

As she spoke, she took out her mobile phone and made a call: “Your wife and son are going to be beaten to death. Where did you die? Come to kindergarten!”

“Grass, who the hell doesn’t want to live anymore, I’ll be there in a few minutes, wait for me!” An angry voice came from a man on the phone, and he hung up.

The young woman put away her mobile phone, looked at Yu Sheng with a threatening expression, and said arrogantly: “My husband is coming right away, and you won’t let your father and son kneel down to apologize today. My mother is a useless surname with you!”

“By the way, you just slapped me on the face, and my old lady must return you ten slaps in a while!

Not only that, but I also want to let me openly get rid of you this trash! “

Teacher Wu next to him sighed and looked at Yu Sheng and said, “Yu Sheng, Ms. Liu’s husband is the manager of the Four Seas Group. You can’t afford it. If you want me to say, you will take Xiaoshui to apologize to Ms. Liu for a while. I guess I’ll suffer less.”

“Nothing, I’m going to see her husband here, dare you make me apologize.”

Yu Sheng Leng Shui, through the young woman’s words, he probably guessed who her husband was.

Teacher Wu shook his head, feeling that he deserved it for the rest of his life to be humiliated, so he stopped persuading him.

The young woman was proud of her face, and continued to sarcastically: "I hope you will be so calm after a while!"

For the rest of his life, there was no reasonable young woman. He touched Xiaoshui's head and whispered: "Wait a little longer, and Dad will take you home."

"Dad, will they call someone to beat us?" Xiao Shui was a little scared.

Yu Sheng smiled slightly and said, "With my father here, no one dares to bully you again."

"Well, I believe in Dad." Xiao Shui nodded, the fear in his eyes slowly disappearing.

Five minutes later, a Volkswagen car stopped at the entrance of the kindergarten. Li Jian got out of the car and ran into the kindergarten violently.

Even the security can't stop it.

"Which dog has no eyes, dare to beat my wife and get out of me!"

Li Jian has a loud voice, and it attracts everyone at once.

"Li Jian, you are finally here, your wife was almost beaten to death!"

She looked at Li Jian, then pointed to Yu Sheng, and said arrogantly: "It's the uselessness of yours. You will let me kneel over. The old lady must blow his mouth today!"

"You f*****g..."

Li Jian looked at Yu Sheng, and as soon as he spoke his words, he was dumbfounded, and he didn't dare to break out a word of the following words.

"Your wife wants me to kneel to her, what do you think?" Yu Sheng looked at Li Jian, jokingly.

Li Jian's heart trembled, and without a word, he knelt before Yu Sheng with a bang.

"Yu, Shao Yu, I'm sorry, I didn't know it was you!" Li Jian lowered his head, his whole body trembling.
