

Dont mess 71

Chapter: 71

“Grandma, this can’t be promised!”

“If you agree, our Yang family will have no say in the company in the future!”

At this moment, everyone in the Yang family was anxious and started talking.

The Yang family only owns 39% of the shares. Is it still called the Yang family?

They will only work for the Sihai Group in the future!

“Shut up!”

The old lady Yang shouted angrily: “If you don’t agree, then you can give me thirty million?”

Everyone shut up.

Don’t say thirty million, three million can’t be taken out.

A few people wanted to put the debt on Yang Zihuan.

But when I thought that the reason why the Sihai Group wanted to persecute them in this way was to vent Yang Zihuan’s anger, all of a sudden, I felt extremely desperate.

Seeing that the Yang family no longer refuted, Xia Jun smiled and turned the money over, and then asked the lawyer behind him to pass the drafted acquisition contract to Mrs. Yang.

When Mrs. Yang looked at the contract, she found that the 61% owner of their shares in the Yang family was actually Yu Xiaoshui, and she was immediately puzzled.

She thought of Yang Zihuan and Yu Sheng’s son, Yang Xiaoshui.

But soon she shook her head.

But she confirmed one thing, that is, the chairman of the Sihai Group is called Yu Xiaoshui.

Seeing that there was no problem with the contract, she signed and sealed the acquisition, and the acquisition became effective.

After retracting the two contracts, Xia Jun looked at Yang Zihuan and smiled: “Mrs. Yu, our chairman wants you to be the chairman of Yang’s enterprise. I don’t know if my wife is interested.”

Upon seeing this, the Yang family wailed.

From now on, Yang Zihuan became the chairman. Those who have always looked down on Yang Zihuan’s family will probably be put on shoes by Yang Zihuan.

Gao Qing was so excited that she hurriedly agreed to Yang Zihuan: “Thank you for the kindness of the chairman. Zihuan, don’t hurry up to thank Mr. Xia, and thank the chairman for his kindness!”

As she spoke, she pulled Yang Zihuan who was still in a daze.

Yang Zihuan reacted, suppressing the excitement in his heart, and hurriedly nodded and said, "Thank you, Mr. Xia, and thank you for your kindness to the director. Zihuan will definitely take care of the company and will not let the chairman down!"

Xia Jun smiled faintly and said: "Our chairman said that if Mrs. Yu can bring profits to the company, I will give you 10% of the shares. I hope Mrs. Yu will cherish this opportunity."

Yang Zihuan nodded heavily, and said excitedly: "I also ask President Xia to tell the chairman, Zihuan will definitely not let him down. Zihuan will visit the chairman tomorrow!"

Hearing Yang Zihuan's words, the rest of his life leaning on the chair watching the play raised his eyebrows with a strange expression.

Xia Jun nodded, and left with a few lawyers.

Yang Zihuan, Gao Qing and Yang Ling delivered them out of the lobby in person.

The birthday banquet of the old lady Yang broke up. When everyone in the Yang family left, they looked at Yang Zihuan in addition to jealousy and viciousness.

Hu Hai looked at Yu Sheng with a tangled expression in his eyes.

He originally prepared a meal for the rest of his life.

But he was very worried about the relationship between Yu Sheng and Xia Jun. When Xia Jun would give Yu Sheng a chance, then the Hu family could not withstand Xia Jun's attack.

"Trash, let me spare your life today!"

Hu Hai snorted inwardly, and left with everyone.

Only those guests deliberately walked behind, wanting to cling to Yang Zihuan, and they all wanted to borrow Yang Zihuan's relationship to let them know the chairman of Sihai Group.

Yang Zihuan dealt with them one by one, but for the rest of his life he went back first with Xiaoshui.

After Yang Zihuan returned home, because he was preparing for the formal appointment of Yang's chairman tomorrow, he forgot to ask Yu Sheng and Xia Jun what was going on.

Chapter: 72

The next day, after Yu Sheng sent Xiaoshui to the kindergarten, he went to the company.

As soon as he arrived at the company, Xu Qianqian was there waiting for him.

Seeing that there was only one person in the car for the rest of his life, Xu Qianqian couldn't help showing disappointment in her eyes.

She has been in Qiancheng for several days, and has been working for a few days in Sihai Group, but she has never seen the chairman of Sihai Group, which makes her a little anxious.

She dignified Miss Xu's family, but she wouldn't really work in the Four Seas Group.

"You are the only one for the rest of your life?" Xu Qianqian greeted him with a smile on his face.

Yu Sheng closed the car door, a smile appeared at the corner of his mouth, playing with the taste: "You go to the chairman every day, you don't want to make the chairman's idea."

Xu Qianqian looked a little flustered by Yu Sheng's words, and hurriedly said, "What are you talking about? I just have a job to report to the chairman."

Yu Sheng smiled and said nothing, Xu Qianqian was a little annoyed, and snorted coldly: "What are you laughing at, I am not as dirty as your thoughts."

"What do I think about, it's your own guilty conscience." Yu Sheng smiled, and walked past Xu Qianqian.

Xu Qianqian made a choke gesture behind Yu Sheng, as if gritted his teeth.

But immediately put on a smiley face and ran after him.

"For the rest of my life, we are friends. I'm still Zihuan's best friend. You said you want to introduce me to the chairman. You can't break your promise." Xu Qianqian smirked.

"I haven't seen the chairman in the past few days. I will notify you when he comes to the company." Yu Sheng said casually.

Xu Qianqian didn't know if Yu Sheng was fooling him, but thinking that the Yu family was also looking for the chairman, maybe the chairman went out to hide from the Yu family masters.

Thinking this way, she no longer doubted the rest of her life.

"I invite Zihuan to dinner tonight, do you want to go together?" Xu Qianqian interrupted the conversation.

"Let's watch it again." Yu Sheng said.

Cut, this girl's dinner, you seem to be indifferent, don't go at night if you have the ability!

Xu Qianqian glanced at Yu Sheng's back contemptuously, gave a cold snort, and left.

If it were not for the rest of her life to help her with things these days, she would not bother to take care of her.

A son-in-law from the Yang family, she didn't want to make friends at all.

"Yu Dong, you are here." Yu Sheng came to the door of the office, and Xiao Zixin just arrived.

"Yeah." Yu Sheng nodded.

"Are you getting better?" Xiao Zixin looked at Yu Sheng with concern.

"Okay, what's the matter."

Yu Sheng glanced at Xiao Zixin, suddenly thought of something, took out the car key to Xiao Zixin: "I have a mobile phone in the trunk, you go and help me get it."

"Okay." Xiao Zixin took the key and went down.

Soon she arrived at the office with the last exclusive mobile phone.

“Yu Dong, here.” Xiao Zixin put the phone and key on Yu Sheng’s desk.

“Give it to you.” Yu Sheng put away the car key and smiled.

“Ah? This...” Xiao Zixin was a little surprised, more panicked.

What does Yu Dong mean?

He doesn’t want to make my mind, right?

But he is a person with a family. If I promised him, wouldn’t I become a junior?

Xiao Zixin’s face was tangled and flustered, a little at a loss.

Chapter: 73

“What are you thinking about? This is because I thank you for taking me to the hotel that day and helping me buy medicinal materials.” Seeing Xiao Zixin’s wild thoughts, Yu Sheng said with a laugh.

“Ah, that’s not a big deal, you don’t need to thank you.” Xiao Zixin smiled awkwardly, but she was inexplicably lost in her heart.

“Take it, this is what you deserve.” Yu Sheng picked up the phone and stuffed it into Xiao Zixin’s hand. After touching Xiao Zixin’s hand, Xiao Zixin’s heart suddenly became strange, and her face turned slightly red.

At the mobile phone shop that day, he was ready to give Xiao Zixin one. The one given to the salesperson was superfluous.

“Then I would like to thank Yu Dong.” Xiao Zixin took the phone, blushing, and backed out sweetly.

This is a 20,000 mobile phone.

The most important thing is that this was given to her for the rest of his life.

After two o’clock in the afternoon, Yang Zihuan came to the Sihai Group.

She felt a little nervous.

But she felt that she had to come and meet the chairman.

The chairman of the board helped her again and again. In addition to being touched, she was also a little worried.

To say that the chairman has no idea about her, it must be false, even she herself does not believe it.

But she is a married woman, and she thinks she still has to make it clear to the chairman.

At the same time, she is also very curious about what kind of person the chairman of Sihai Group is.

Not only him, but countless bosses throughout Qiancheng are very curious about what the chairman of Sihai Group looks like.

The investment of tens of billions to develop the Four Seas Group can be described as a huge momentum, and major media all over the country are paying attention.

The Cosmopolitan Group is determined to successfully build the pan-entertainment that the other two Internet bosses have not completed.

"Zixin." Yang Zihuan smiled and shouted when he saw Xiao Zixin coming out of the chairman's office.

"Ah? Zi Huan, why are you here?" Xiao Zixin was a little flustered, her expression was like Xiao San met the main room.

"I'm here to visit your chairman, right?" Yang Zi laughed.

"Ah? Yes, yes, but if you want to visit the chairman, you must make an appointment." Xiao Zixin said hurriedly, her heartbeat speeding up inexplicably.

"Well, okay, I will trouble you." Yang Zihuan laughed without doubt.

Xiao Zixin breathed a sigh of relief and said, "Well, you can wait here first. I'll go in and ask the chairman to see if he wants to see you."

"Okay, I will invite you to dinner tomorrow." Yang Zihuan nodded, feeling a little nervous.

I came to visit suddenly, will the chairman meet me?

Xiao Zixin returned to Yu Sheng's office again.

Yu Sheng was immersed in the planning book handed over by Xia Jun, looked up at Xiao Zixin, and then continued to read the planning book.

Xiao Zixin walked to Yu Sheng and whispered: "Yu Dong, your wife is here, she wants to see you."

"Well, let her in." Yu Sheng nodded, no surprises.

Yang Zihuan said yesterday that he is coming to visit him today.

Seeing that Yu Sheng didn't look surprised, Xiao Zixin was a little puzzled. Could it be that he had already told Yang Zihuan his identity?

Shaking her head, Xiao Zixin felt wrong again.

If Yu Sheng had already told Yang Zihuan of his identity, Yang Zihuan wouldn't be able to wait outside for her to inform him, he would definitely have come in directly.

Although he was puzzled, he still went out to let Yang Zihuan come in.

"Zi Huan, the chairman let you in." Xiao Zixin said.

"Zixin, thank you, I will invite you to dinner tomorrow night." Yang Zi smiled, knocked on the door and pushed in.

Chapter: 74

The first thing that catches the eye is the back of a tall and thin man, standing in front of the floor-to-ceiling windows, looking at the scenery downstairs.

He has a very good figure. Although he doesn't have a face, he feels that the chairman should be very young.

I don't know why, at this moment, Yang Zihuan only felt that this figure was very familiar.

If it weren't for the expensive suit and the pair of custom-made leather shoes, she would almost wonder if this would be the rest of her life.

"Chairman..." Yang Zihuan screamed cautiously.

"Yeah." Yu Sheng replied in a hoarse voice.

"Chairman, I am Yang Zihuan, I am here to thank you for helping me out these two times..."

Yang Zihuan hesitated and said, "I don't know how to thank you. If the chairman does not dislike it, I would like to invite the chairman to have a meal..."

As she spoke, she looked at the back of the chairman, waiting for a response.

If the chairman is interested in her, he should agree.

After all, dating a man and a widow alone has a better chance.

"Are you not afraid of your husband being jealous if you invite a strange man alone like this?" Yu Sheng suffocated his voice and asked hoarsely.

Yang Zihuan was shocked. Does the chairman think she has a husband?

She didn't even think about it, and hurriedly explained: "The chairman doesn't know something, but he and I have a bad relationship. We will never get back to the beginning. The divorce is just a matter of time.

The most important thing is that in my heart, I actually don't love him anymore. "

Huh!

Yu Sheng's figure trembled, and his fists tightened with his hands in front of his face.

At this moment, he didn't know whether he was angry or heartache.

He just suddenly felt that his chest was a little tight and his breathing was a little difficult.

"Chairman, what's the matter with you?" Seeing Yu Sheng's figure trembling slightly, Yang Zihuan was a little puzzled.

After taking a deep breath, Yu Sheng said, "Nothing, I feel a little uncomfortable in the past two days."

"Ah, why don't I accompany you to the hospital to check it out. You control such a large company, you work hard, and you have to rest early at night, don't stay up late." Yang Zihuan said with concern.

There was a touch of irony on Yu Sheng's face, and the weakest part of his heart was like being cut by a knife.

This is the wife I love with all my heart, who never cared about herself, but showed such concern for a 'stranger man'.

"Ms. Yang, if you care about me like this, aren't you afraid of your husband being angry?" Yu Sheng said sarcastically.

Yang Zihuan was shocked, not knowing what the chairman meant.

"Chairman, I am going to divorce him soon, and he is just a waste of nothing, he will not care about me at all." Yang Zihuan explained.

Nothing to do with waste?

Won't care about you?

Yu Sheng smiled, and his gaze out of the window was full of irony and self-deprecating.

"You go back. I helped you twice before, but it was just a moment of interest. I just couldn't understand the Wang Family and Yang Family's style. Don't think too much about it." Yu Sheng took a deep breath and said.

"Chairman, I..."

Yang Zihuan summoned his courage and said, "Can I see your face?"

Yu Sheng laughed at himself, his wife, although her body is still derailed, but the mental horror is already derailed!

Even if I had greened myself, Yu Sheng felt very ironic.

He took a deep breath and turned around slowly.

Yang Zihuan was shocked, and was stunned.

Chapter: 75

She didn't even see the chairman's face.

The chairman wears a clown in front of his face.

What is this operation?

Could it be that the chairman is so ugly that he dare not see people?

Yang Zihuan's face was full of question marks.

"Chairman, you, who are you?"

"Some people, I don't want to meet, so it's better to wear a mask. Okay, I'm going to work. You can go back." Yu Sheng waved his hand and issued an eviction order.

Does he want to see me?

Yang Zihuan felt a little sad inexplicably.

Xin said you don't want to see me, why do you help me every time when I am desperate?

"Then chairman, I'll go back first." Yang Zihuan turned around and walked a few steps, then looked back.

"By the way, Chairman, I really want to invite you to dinner, thank you for your care." Yang Zihuan looked at Yu Sheng expectantly.

"You don't need to eat, you just need to take care of the Yangs for me. As long as you make a profit, I will give you 10% of the shares." Yu Sheng waved her hand and motioned her to go out.

Yang Zihuan was a little disappointed, only to come out.

Outside the door, Xiao Zixin waited for Yang Zihuan with a look of expectation. Seeing that Yang Zihuan's expression was not very good, she couldn't help frowning.

"Zixin, have you seen the face of the chairman?" Yang Zihuan asked Xiao Zixin with a smile on his face, in a good mood.

"what?"

Xiao Zixin was puzzled, nodded and said, "Have you seen it, what's wrong?"

"Isn't it handsome?" Yang Zihuan asked.

"Well, and only in her twenties, very young." Xiao Zixin didn't understand what Yang Zihuan meant.

"No wonder." Yang Zihuan was a little bit self-deprecating in his heart.

The chairman is so young and handsome, it's no wonder she looks down on her.

However, she believes that the reason why the chairman is so indifferent today is definitely because she still hasn't divorced Yu Sheng.

Otherwise, the chairman would not mention Yu Sheng's feelings twice.

The chairman of the board must be afraid that there will be no divorce, which will affect his reputation.

Yang Zihuan nodded secretly, thinking it must be so.

Or why did the chairman help her like this?

Although she has a baby, her figure is very good, and her skin is no worse than those seventeen or eighteen-year-old girls.

The most important thing is that she has a perfect face.

She is still very confident about her appearance.

After thinking about this, Yang Zihuan swept away his lost emotions and said with a smile: "I will invite you to dinner tomorrow night. I'm going back first."

"Let's talk about it at that time, I don't know if something will happen tomorrow." Xiao Zixin shook her head, wondering why Yang Zihuan became happy again.

Xiao Zixin was puzzled, and driven by curiosity, she entered Yusheng's office again.

At this time, Yu Sheng leaned on the chair to smoke, holding the clown mask in his hand.

Looking at the mask, his eyes were full of self-deprecating.

He felt that he was a clown!

This clown mask is a portrayal of his life!

“Yu Dong...” Xiao Zixin shouted in a low voice.

Yu Sheng still looked at the clown mask, and suddenly asked, “Do you know how to sing love clowns?”

“Ah? Know how to sing. I liked this song when I went to KTV before.” Xiao Zixin looked at Yu Sheng in confusion.

“Sing it to me.” Yu Sheng said lightly.

“Ah? Now?” Xiao Zixin was startled, Yu Sheng’s face seemed calm, but she could feel that Yu Sheng was in a depressed mood at this time.

“Yeah.” Yu Sheng nodded.

Xiao Zixin was a little embarrassed and embarrassed.

But seeing that Yu Sheng was still waiting and there were no other people in the office, she took a breath and started singing.

“Should we say goodbye,

Do you want to say sorry.

That weak and cold lingering,

The last perfunctory.

The sound of the piano slowly passed through the fingertips,

Loneliness also spread quietly.

Falling in love is always so simple,

Staying together is too difficult.

...”

Xiao Zixin’s sound line was accurate, and her voice was a little bit sad.

As her muffled singing sounded, the rest of her life was inexplicably depressed, and the little bit of Yang Zihuan’s relationship with Yang Zihuan appeared in her mind, and her face seemed to be painful and sad...

Give wholeheartedly again and again, and swallow again and again.

He worked hard to maintain this imperfect marriage.

But finally...

Chapter: 76

"I am willing to do a clown show for you,
When the curtain ended, the script was torn to pieces.
I am still stupidly intoxicated at the touching bridges,
But forgot that it was just a lie.

..."

"Okay, don't sing." Yu Sheng waved his hand to stop Xiao Zixin from continuing to sing.
He was afraid that if he listened any more, he would be unable to control his emotions.

"Is it because I don't taste good?" Xiao Zixin asked in a low voice.

"You drink very well, really, I will invite you to KTV for a drink someday." Yu Sheng shook his head and said.

Xiao Zixin's eyes lit up, but seeing Yu Sheng seemed to be in a bad mood, she didn't seem to be happy.

"Okay, I have time any day." Xiao Zixin nodded.

"Well, you go out first." Yu Sheng waved his hand and motioned Xiao Zixin to go out. He wanted to be alone.

"Yu Dong, Yang Zihuan and you just now..." Xiao Zixin was really curious, what did Yang Zihuan say to Yu Sheng.

She believed that Yu Sheng hadn't told Yang Zihuan about his identity, or he wouldn't have been wearing a clown mask.

"I'm letting you out, don't you understand!" Yu Sheng's face sank and said angrily.

Xiao Zixin trembled, her face was a little scared, and even more aggrieved.

"Then I will go out first." She lowered her head and said in a low voice, then silently exited the office.

Yu Sheng glanced at the clown mask one last time, opened the drawer and put it in.

He got up and walked to the floor-to-ceiling window, took out another cigarette point, and vomited out a puff of smoke, as if he had vomited out the irritation in his heart.

I am willing to do a clown show for you,
When the curtain ended, the script was torn to pieces.
I am still stupidly intoxicated at the touching bridges,
But forgot that it was just a lie.

...

Looking out the window, he couldn't help but think of this love clown...

After four o'clock in the afternoon, seeing that it was almost time, the rest of his life went out to pick up Xiaoshui.

He didn't let his depression affect Xiao Shui, and Xiao Shui was just as talking and laughing.

But when he got home, he didn't cook as usual.

When Gao Qing came back, seeing that she didn't have dinner for the rest of her life, she had to scold him a few words.

Just then, Yu Sheng's phone rang, and it was made by old classmate Li Kai.

"Brother Sheng, come out for a drink, I didn't thank you for what happened last time." Li Kai said.

"Okay, wait for me." Yu Sheng said without thinking.

Li Kai hurriedly told where Yu Sheng was, and hung up the phone.

For the rest of his life, Xiao Shui had to do his homework well and went out.

"You trash, where are you going if you don't cook at night?" Gao Qing scolded.

But in response to her, the door slammed shut.

"This rubbish is simply lawless!" Gao Qing jumped straight.

During the rest of his life, she became less and less of her as the head of the family.

This makes her quite angry!

Chapter: 77

miss bar.

Li Kai came out to pick up the rest of his life, and the two soon arrived in Li Kai's box.

There were two young men, one man and one woman, in the box.

"Brother Sheng, here." Li Kai greeted Yu Sheng to sit on top, very enthusiastic.

He has a good relationship with Yu Sheng. Although Yu Sheng is not in the same world with him now, the ability to drink for Yu Sheng shows that Yu Sheng still has his brother in his heart.

After Yu Sheng walked over, Li Kai introduced: "This is my girlfriend Du Yue, and this is my friend Gu Jian."

"He is a good buddy from my university for the rest of his life." Li Kai introduced Yu Sheng again, but he didn't say Yu Sheng's current identity.

Nodding to each other, Yu Sheng sat down next to Li Kai.

Li Kai's girlfriend sang, but Gu Jian familiarly picked up a glass of wine to respect Yu Sheng: "Come on, brother, let's drink."

Yu Sheng picked up Li Kai's full glass of wine, Yaokong touched Gu Jian, and ate it all.

Knowing that the rest of his life was coming, Li Kai called for two bottles of a royal salute of more than two thousand bottles.

Seeing that Yu Sheng was drinking foreign wine so vigorously, Gu Jian was taken aback and ate his mouth dry.

Li Kai gave the rest of his life again, saying: "Brother Sheng, this cup of brother respects you."

Yu Sheng nodded, picked up the cup and touched Li Kai, and it was dry.

He originally wanted to chat with Li Kai, but when Li Kai called others, he didn't want to chat anymore, and kept clinking drinks with them.

Soon, the two bottles of Royal Salute were finished.

Li Kai's girlfriend Du Yue saw that the Royal Salute was too expensive, so she suggested drinking beer.

It doesn't matter for the rest of his life, he just wants to get drunk, and he can drink anything.

Du Yue asked the waiter to bring two more beers. Although the beer in the bar is mostly fake, it is easy to get drunk if you drink too much.

After drinking only one of the two beers, Li Kai was so drunk that he fell asleep on the sofa.

For the rest of my life, I was almost drinking. Seeing Li Kai fell asleep, he talked to Du Yue and Gu Jian and went out.

Both Du Yue and Gu Jian were also inverted.

Du Yue's dress tonight is very revealing and she is also very beautiful.

I don't know if it is the effect of alcohol. Looking at the drunk Du Yue, the more beautiful she looks.

Gudong!

Gu Jian couldn't help swallowing, an evil fire suddenly rose in the dantian.

Du Yue exhaled and was about to wake Li Kai to go home.

Li Kai at this time. The cry was loud, and I was asleep.

At this moment, Gu Jian pressed Du Yue on the sofa.

Du Yue screamed softly, unable to resist at all, or she didn't want to resist.

When Gu Jian saw this, he didn't hesitate, he just tore off Du Yue's coat and pressed it up.

...

Li Kai was woken up by the phone and woke up leisurely.

He rubbed his eyes, and suddenly saw his girlfriend lying naked on the sofa next to him, sleeping soundly, like a thunderstorm.

Drunk and woke up all at once!

My ex-wife wore a hat for herself, and after she left, she talked about it again, rushing to get married, she didn't expect to be defiled again in a blink of an eye...

At this moment, Li Kai's heart collapsed, his fists were tightly clenched together, and his nails were all pinched into the flesh.

"what!"

Li Kai hissed up to the sky, his eyes were immediately bloodshot, and his heart was full of grief and anger!

collapse!

This is the worst time for a man to break down!

At this moment, Gu Jian and a man came in and asked, "Brother Kai, what happened?"

Li Kai took a deep breath and hurriedly stepped in front of Du Yue.

Du Yue woke up at this time, and when she saw her condition, she immediately hugged Li Kai and cried.

"Li Kai, I don't know what's going on, I really don't know what's going on, I thought it was you, woo woo woo~"

Li Kai hurriedly took clothes for Du Yue to put on.

"I know who it is!" Gu Jian pretended to be angry.

Chapter: 78

"Who?" Li Kai turned around and stared at Gu Jian firmly. He doubted Gu Jian and Yu Sheng in his heart.

"It's your college classmate for the rest of his life. He has just been down for a few minutes!" Gu Jian said firmly.

"Impossible, I believe he is not that kind of person!" Li Kai stared at Gu Jian, with murderous intent in his eyes.

He thinks it is impossible for the rest of his life to do such a conscienceless thing!

"Li Kai, what the hell do you mean? You suspect me? As a brother and wife, don't be deceived. Even if I am a beast, it is impossible for me to do such a damned thing!" Gu Jian saw Li Kai staring. Looking at him, he was also angry.

"Brother, it can't be Gu Jian. Gu Jian had already gone out for a drink with me half an hour ago. If you don't believe me, you can call the lobby monitor to show you." The man next to Gu Jian said.

Li Kai frowned. This man is Gu Jian's friend, and Gu Jian went out to drink with him.

However, he really didn't want to believe that he would be his most trusted buddy for the rest of his life!

Yu Sheng is the chairman of Sihai Group. What kind of woman can't be found?

Although his girlfriend looks pretty good, but that's what happened to her. He doesn't believe that the rest of his life will be worthy of his girlfriend.

"Li Kai, I seem to be a little impressed. It's really your classmate for the rest of his life!"

Du Yue cried: "I remember, I was too drunk at the time. I wanted to call you home. Gu Jian seemed to say something to let us go back first. He went out for a drink with his friends, and then I didn't. After a while, one of my hands hugged me from behind, and those hands seemed to be for the rest of my life!"

boom!

Li Kai's brain roared, his clenched fists and nails were embedded in the flesh, and the blood stained his nails red!

He really couldn't believe it, he would be the person he trusted the most!

It will be the rest of my life!

"what!!!"

Li Kai yelled up to the sky, his mind collapsed to the extreme!

If Gu Jian, he could still find Gu Jian desperately.

But it was Yu Sheng, the chairman of the Sihai Group. What did he use to fight Yu Sheng?

"brute!"

"Beast!"

Li Kai held his head in his hands, both painful and helpless!

"Let's go, let's go back first, I don't want to stay here for a moment!" Du Yue hugged Li Kai and said in pain.

Li Kai nodded and led Du Yue out of the private room.

After the three of them came out, they saw an rs7 just started and drove away from the entrance of the bar.

Seeing this scene, Li Kai had no doubt in his heart.

Because when he came down to pick up the rest of his life, the rest of his life was rs7.

Li Kai couldn't help but squeeze his fists...

At this time, the rest of his life was leaning in the co-driver's cab and was asleep.

After he came out, he found that he had drunk too much today and it was no longer suitable for driving.

He called Xiao Zixin and asked her to help him drive.

Xiao Zixin was going to sleep, but when she received a call from Yu Sheng, she drove to the bar again.

Just drove away.

“Yu Dong, where are you going?” Xiao Zixin asked Yu Sheng who was asleep.

“Just find a hotel...” Yu Sheng was awakened and said in a daze.

Xiao Zixin’s heart was beating wildly, saying that a man would easily have sex after drinking.

Seeing Yu Sheng drunk like this, she was a little scared inexplicably.

Chapter: 79

Especially when Yu Sheng and Yang Zihuan had relationship problems, she always felt that the rest of her life drunk might be very dangerous.

But of course she would not let it go for the rest of her life.

This is her boss.

“Really going to the hotel?”

Xiao Zixin said to herself, but she didn’t send the rest of her life to the hotel, and she didn’t know where to send the rest of her life.

Yu Sheng obviously didn’t want to go back, and she couldn’t take Yu Sheng to her house, or what would her parents think?

While driving the car, Xiao Zixin was very conflicted.

Before she knew it, she saw a big hotel ahead, but she drove the car over subconsciously.

“Yu Dong, here.” Xiao Zixin opened the passenger compartment door and gently shook the rest of her life who was asleep.

Was shaken for the rest of his life and got out of the car.

He glanced at Xiao Zixin who was a little cramped, and said: “You go back, I can go up by myself.”

Xiao Zixin was relieved when she heard Yu Sheng’s words, and said with a smile: “You are so drunk, I’ll take you up first.”

Not insisting on the rest of his life, he walked to the hotel.

Xiao Zixin wanted to help him, but he refused.

He was a little drunk, but he was still so drunk that he couldn’t even walk on the road.

Opened a presidential suite, turned around and asked Xiao Zixin: “Is it open to you?”

“No, no, I’ll go back in a while” Xiao Zixin shook her head hurriedly.

Yu Sheng nodded, put away his ID card and walked to the elevator.

Take the elevator to the room, Yu Sheng turned around and said: "Okay, you can go back, thank you tonight."

Seeing that Yu Sheng was not too drunk, Xiao Zixin nodded and said, "Should I pick you up tomorrow morning?"

"Well, drive my car back." Yu Sheng nodded, opened the door and walked in.

Xiao Zixin took the key of Yusheng's car and went back.

Lying on the bed, Yu Sheng's phone rang, and it was Yang Zihuan.

Without even thinking about it, he muted the sound and threw the phone aside.

At this time in the Yang family, Yang Zihuan was lying on the bed and made several calls to Yu Sheng, but they were not answered, and she was inexplicably irritated.

This is the second time.

Since the marriage, the rest of his life was late for the second time.

The most important thing is that this time, Yu Sheng did not answer her calls from start to finish.

She threw the phone aside, and kept flashing in her mind the moments of the rest of her life in the past four years, and her heart became more and more disgusting for the rest of her life.

After thinking about it, the chairman of Sihai Group appeared in her mind again.

Although she wears a clown mask on her face, she firmly believes that under that mask, there must be a stunning face.

"When he mentioned Yu Sheng twice today, he was implying that I divorced Yu Sheng and not to affect his reputation?"

"Yang Zihuan, what are you thinking about? How could someone marry you? The most is just playing with you!"

Thinking of Wang Wenxue's various ugly faces before, Yang Zihuan trembled, and immediately woke up again.

But thinking that the chairman of the Sihai Group had not tried to help herself many times, and even more because of the acquisition of the Yang family for herself, and let herself be the chairman, she couldn't help but commotion.

No man has treated her like this.

During the whole night, Yang Zihuan fell asleep in a daze.

Chapter: 80

Xu Qianqian is a little irritable. She has been in Sihai Group for a while, but she still hasn't seen the chairman. In these two days, she couldn't even see the rest of her life, which made her feel very bad.

She wanted to knock on the door of the chairman's office many times, but was stopped by the secretary. She couldn't give a reason to see the chairman, and the secretary refused to let her in.

This makes her a little upset.

Xu Qianqian took out the phone, prepared to call Yang Zihuan, and then asked her to go out for a drink tonight.

At this moment, her cell phone rang, and it was Yang Jian.

She didn't want to answer Yang Jian's call.

What does she like about Yang Jianzhen.

Moreover, she also knew Yang Jian's motives.

It's nothing more than trying to get close to her, attract her attention, and pursue her.

Xu Qianqian just hesitated for two seconds before hanging up.

But Yang Jian didn't give up and kept beating her.

When she hit the fourth, she was a little impatiently connected.

"Yang Jian, what are you doing?"

Yang Jian hurriedly said: "Qianqian, you're off work, you see it's been a few days since you came to Qiancheng, I don't even have a good reception for you, let's eat together tonight."

Xu Qianqian really wanted to find someone to relieve her boredom. After thinking about it, he agreed: "Okay, you choose a location."

Yang Jian was overjoyed and hurriedly said, "Let's stay in the pleasant place last time. It's the best restaurant in Qiancheng."

Xu Qianqian nodded: "Okay, I'll be over in a while."

After hanging up the phone, seeing that it was time for get off work, she collected the files and went out.

Yang Jian at this time.

Wearing a suit, slapped with oily head, standing at the door of Yirenju with a gentle temperament, waiting for Xu Qianqian's arrival.

His Yang family's company was strongly acquired by Sihai Group with 61% of the shares. In the company, even her grandma has completely lost the right to speak. Now, Yang Zihuan alone has the final say in the entire Yang family.

The entire Yang family couldn't accept this fact at all. They wanted to reverse this situation, and then they thought of Xu Qianqian.

The Xu family is a well-known family in Upper Kyoto. If Yang Jian can welcome Xu Qianqian's favor and marry Xu Qianqian, the Yang family will definitely take off from then on and repurchase the 61% of the shares from the Sihai Group.

Mrs. Yang even gave the last million to Yang Jian, asking him to catch Xu Qianqian no matter what.

This is the only way to save the Yang family.

Yang Jian also issued a military order in front of his grandmother, and he would surely take Xu Qianqian down.

Soon, Xu Qianqian got off the taxi.

She has casual clothes on the upper body and jeans on the lower body, and she has a youthful sight, which attracts all eyes at once.

Yang Jian and You Rongyan hurriedly greeted them, "Qianqian, you are so beautiful today, come in, I'm all ready."

"Thank you." Xu Qianqian nodded politely, and walked into the restaurant with Yang Jian.

Today, Yang Jian didn't have a private room, but chose a quiet deck.

After all, he has one million on him, and he can book a private room here, and the consumption can cost more than one hundred thousand.

If he wants to catch Xu Qianqian, it's not enough to just eat.

In his plan, after dinner, he invited Xu Qianqian to watch a movie. After watching the movie, he went to the mall and bought a gift for Xu Qianqian.

Finally, if there is a chance, go directly to the hotel, if there is no chance, wait until tomorrow to continue the appointment.

So he is going to save a little bit during the meal.

After sitting down, Yang Jian called to serve.

Yang Jian picked up a bottle of top-notch red wine and poured Xu Qianqian the wine: "Qianqian, this red wine is imported from France. It's more than 30,000 bottles. Drink two glasses."

"Don't drink the wine, drink some drinks, thank you." Xu Qianqian refused directly.
