## Chapter: 91

“Oh, you are very arrogant at a young age, but no matter how arrogant you are, you can’t change the reality that you and your trash dad are useless.” The woman laughed.

“Okay, how do you compare with a little kid.”

The man next to him said and looked at the little girl: “Xiaoqin, stay away from that kid in the future. You have to remember that you are the princess of our Liu family. You have a noble status. A poor woman like Yang Xiaoshui has a low status. I am not qualified to play with you, do you know?”

“Dad, I know.”

The little girl nodded obediently, then looked at Xiaoshui, proudly said: “Yang Xiaoshui, I heard nothing, I am a princess, and you are a sexy girl. You are not allowed to come and play with me again in the future.”

Xiao Shui stared at the little girl blankly, tears flickering in her eyes.

I don’t know if it’s sad or angry, the little body is trembling slightly.

“Xiao Shui, a man, a big man, I would rather bleed and never cry, you know?”

Yu Sheng hugged Xiao Shui, looked at his eyes and said, “Remember, if a man has tears, he will not flick it lightly. In the future, no matter how great the grievance or the great grief and anger he encounters, he is not allowed to cry again.”

“Um.”

Xiao Shui wiped her tears and nodded: “Dad, I won’t cry anymore.”

“Well. This is Dad’s good son.”

Yu Sheng nodded with satisfaction and said, “Believe Dad, you are not a waste or a poor woman, you are the real prince. When you grow up, Dad will give you the whole world.”

“Dad, am I really a prince?” Xiao Shui looked expectantly into Yu Sheng’s eyes.

Yu Sheng nodded firmly, “Well, you are not only the little prince of our Yu family, but also the little prince that the whole world must respect!”

“Dad, I will trust you if you pull the hook with me.” Xiao Shui said, and stretched out his finger to pull the hook with Yu Sheng.

Yu Sheng smiled slightly, and stretched out his finger to hook Xiao Shui’s finger.

“Hang on the hook, and it won’t change for a hundred years.”

Xiao Shui said with a pious face, and pressed his thumb on Yu Sheng’s thumb.

Smiled happily.

“It’s the prince, the little king’s badan is about the same.” Seeing the happy faces of Yu Sheng and his son, the woman next to him said with disdain.

When Yu Sheng turned around, there was a touch of anger in his eyes.

“God has spilled wisdom on the world, but he gave you an umbrella. It’s sad.” Yu Sheng snorted. A woman who really doesn’t want to take care of this woman, who can care about her children, is a mentally retarded woman.

“You trash, you dare to call me a mentally retarded? Do you know who I am?” The woman fried the pot as soon as she heard it.

“Who are you to do with me?”

Yu Sheng sneered and said: “I only know that there is a mentally retarded person in front of me.”

“Liu Changqing, your wife has been poked on the backbone and scolded for being mentally handicapped. Are you still not here to help?” the woman yelled at the man.

The man walked over and looked at Yu Sheng with an annoyed look: “Boy, keep your mouth clean for me. Believe it or not, if you call me, your son won’t even be able to go to school.”

Yu Sheng looked at the man named Liu Changqing and said with disdain, “I don’t believe it.”

“Listen to me. My husband is the deputy manager of the Human Resources Department of the Sihai Group. I heard that you seem to be working as a security guard in the Sihai Group. If you are expelled from school, you will also be expelled by the Sihai Group!” The woman looked at Yu Sheng proudly, her eyes full of disdain.

Deputy Human Resources Manager?

Yu Sheng frowned slightly. When he held the management meeting last time, he seemed to have never seen this person.

Is it just recently hired?

Seeing Yu Sheng frowned, Liu Changqing and his wife thought Yu Sheng was scared, and they seemed even more arrogant.

“If you are acquainted, please kneel down and apologize to the old lady, otherwise, you won’t even be able to keep a job as a security guard, and your son won’t even want to go to school again!” The woman looked at Yu Sheng arrogantly, her arrogance.

Yang Zihuan’s expression changed, and he felt that Liu Changqing should have something to do with him, or it was impossible to be so arrogant, so he hurriedly pushed forward for the rest of his life and said, “Hurry up and apologize to others.”

“You asked me to apologize to a mentally retarded? Is she worthy?” Yu Sheng sneered, glanced at Liu Changqing with a hint of playfulness in his eyes, and then hugged his son to leave.

Yang Zihuan wants to get angry, don’t you think about it for your son if you are not afraid of losing your job?

Do you have to trouble the richest man in Xia even with this little thing?

She looked at Yu Sheng with disappointment in her eyes.

I have to say that the rest of my life is lucky, and he is actually the lifesaver of the richest man in Xia.

But they don't know how to be human, and they don't know how to use these relationships reasonably.

She shook her head secretly, ignored the rest of her life, turned to look at the woman, and apologized: "I'm really sorry, my husband is not sensible, and I hope you don't care about him."

For his son, Yang Zihuan kept his posture very low.

As for whether Liu Changqing will expel Yu Sheng, she doesn't even want to care about it.

"It's okay to just be ignorant? I'll tell you, today this is not over!" the woman said arrogantly.

"Hmph, a little security guard would dare to be so arrogant, wait and see, tomorrow I will let him disappear from the Sihai Group, and my son will not even want to go to school in Qiancheng." Liu Changqing also coldly snorted.

"Do you think my husband is scaring you?"

The woman looked at Yang Zihuan and said, "My husband's uncle is one of the shareholders of the Sihai Group, and he is in-laws with the Director of the Education Bureau. You think we are kidding you."

Yang Zihuan's face changed again, and she was really panicked now.

They have the relationship of the Secretary of Education, and it is really easy not to let Xiaoshui learn.

Just as she was about to force Yu Sheng to come back and apologize, she saw a couple walking over with a little girl.

"Zhou Yan, what are you doing in a daze? I heard that the big star Zuo Mingyue was engaged in publicity activities in the square in front. It was a good opportunity to find her to sign." The young woman said to Liu Qingqing's wife.

"Ah, really, walk around and take us over." Zhou Yan is a fan of Zuo Mingyue. She loves her TV show. The expression on her face became excited, and she even forgot the festival with Yu Sheng. .

Liu Changqing glanced at Yu Sheng with disdain, and followed his wife, daughter and others to the square in front of him.

When Yang Zihuan saw this, he was always a little worried.

"Let's go, let's go over and take a look too." Yang Zihuan said, pulling Yu Sheng's hand.

"Why, are you chasing stars too?" Yu Sheng looked at Yang Zihuan curiously.

I am chasing you, so that you can apologize to others in the past and resolve this grievance, so as not to affect Xiao Shui's normal schooling!

Although she had the urge to beat her for the rest of her life, she still suppressed it and didn't vent it.

“Well, I see if I can ask for a signature or something.” Yang Zihuan nodded insincerely.

In fact, she doesn't chase stars.

“Okay, let's go and take a look.”

The rest of his life smiled faintly.

### **Chapter: 93**

Big IP Datang Fenghua is about to start broadcasting. As an investment producer, Sihai Group, of course, must first promote it.

Xia Jun personally supervised this matter and did not dare to neglect.

In order to attract more people, this publicity activity was selected in a playground with a lot of people, and a large number of small gifts were prepared for distribution to everyone.

When Liu Changqing, Zhou Yan and others rushed over, the square was already surrounded by thousands of fans.

Of course, these fans have no place and have to stand on the periphery.

Cosmopolitan Group only prepared chairs for journalists from major media.

A high platform was built in the center of the square, and a large crystal screen was erected in the middle. At this time, a publicity photo of the Tang Dynasty was displayed on the large screen.

There are staff members busy on the stage.

A temporary dressing room was also built behind the high stage, and the actors should be doing makeup in the dressing room at this time.

"I've been looking forward to this movie for a long time, and it's finally going to be broadcast!" Zhou Yan said excitedly, looking at the poster on the big screen.

"Yeah, as long as it is a play performed by Mingyue in our family, I will follow every one." Zhou Yan's friend Li Fang nodded.

Both of them are fans of Zuo Mingyue, and they are very excited when they talk about the idol.

At this moment, the three of Yu Sheng came over.

Seeing Yu Sheng, Zhou Yan snorted, her eyes full of disdain.

"Zhou Yan, do you have a holiday?" Li Fang asked the rest of his life curiously.

"Hmph, a trash who eats soft food, dare to call me a mentally retarded, really mad at me, but at most tomorrow, he will kneel and beg me." Zhou Yan channeled herself.

"A soft meal?"

Li Fang looked at Yu Sheng curiously and smiled: "Could it be the well-known son-in-law of the Yang family in Qiancheng?"

Her husband also looked at the rest of his life curiously, with some disdain in his eyes.

At that time, the whole city knew everything about the Yang family recruiting son-in-law.

In Qiancheng, it is still rare to see a son-in-law coming to the door. Everyone regards this as a post-dinner talk.

Of course, no one looks down upon the son-in-law.

"It's not who the waste is." Zhou Yan said disdainfully.

"Man, how does it feel to eat soft rice?" Li Fang's husband Xu Jie laughed while watching Yu Sheng.

"For some spineless wastes, of course it's cool. You can stretch out your hands for clothes and open your mouth for meals." Liu Changqing said with a weird smile.

Hearing this, everyone nearby laughed and pointed to Yu Sheng.

"Ah, it turns out that he is the son-in-law who made a sensation in Qiancheng."

"I can't see it, you see that he is a talent, but he doesn't even want the dignity of a man to be a son-in-law. I thought he was disabled."

"No, it's good that a man doesn't do it. He just wants to take this shortcut. If his ancestors knew it, maybe the coffin board would not be able to hold it down."

Everyone pointed at Yu Sheng you and I, and their eyes were full of disdain and sarcasm.

Yang Zihuan's expression on her face was extremely embarrassing. She had known that she would not be with her today.

Yu Sheng glanced at the people, his expression was a little indifferent. He listened to too much of this kind of irony, and he was numb for a long time, and he was too lazy to care about them.

He was about to bypass the crowd and go to the VIP area in front of him, asking Zuo Mingyue to give Yang Zihuan an autograph or something, when he saw a sudden commotion in front of him.

"The idol has come out, the idol has come out!"

"Sister Mingyue, I am your loyal fan, sign me!"

"Sister Mingyue, we love you!"

Many young people shouted. The phone, camera, etc. in my hand, I kept taking pictures.

Li Fang and Zhou Yan also looked excited, took out their phones and turned on their cameras to take pictures, and they were going to find Zuo Mingyue to sign them.

Yu Sheng turned his head and looked around, and saw Zuo Mingyue, under the protection of the staff, coming to the crowd.

Today Zuo Mingyue is wearing a pure white dress with a string of blue crystal necklaces hanging around her neck. The pendant is perfectly affixed to the white deep ditch, which is very charming.

Coupled with meticulous makeup and dressing, magnificent yet elegant hairstyle, almost perfect face shape, very beautiful and sexy.

Countless male fans couldn't help licking their lips secretly.

At this time, Zuo Mingyue, who was signing autographs for the fans, suddenly saw Yu Sheng not far away, and the whole signature movement froze.

She threw the signature pen to the staff and walked towards Yu Sheng.

Everyone was startled, and they didn't understand what happened.

#### **Chapter: 94**

But they quickly gave up a passage, and their eyes moved with Zuo Mingyue.

"Oh my God, isn't the big star Zuo coming at me?" Li Fang suddenly covered his mouth in surprise, with a look of disbelief.

“She really came for us, my God, I’m a few years older than her, but at this moment, I feel my heart is about to jump out, so excited!” Zhou Yan was also too excited. .

Liu Changqing and Xu Jie looked at each other, and both saw the incredible in each other’s eyes.

“Brother Changqing, aren’t you an executive of the Sihai Group? Will Zuo Mingyue come to say hello to you?!” Xu Jie looked at Liu Changqing in surprise, his eyes full of envy.

Although he doesn’t chase stars, a big star like Zuo Mingyue wants to kiss Fangze in his dreams.

He suddenly envied Liu Changqing’s work. Damn, the Four Seas Group is different. A senior executive can make a star like Zuo Mingyue kneel and lick it.

“It must be true. Our parents are young people. When others are still chasing stars, the big stars will come to court.” Zhou Yan said proudly, with a smug look on her face.

At this moment, a qualitative change suddenly occurred in her heart.

My husband is so ridiculous, what kind of star is he chasing?

She trimmed her haircut with excitement on her face, and then took the initiative to hold Liu Changqing’s arm, quickly suppressing the excitement in her heart, holding her head up, like a queen, ready to welcome the big star Zuo Mingyue’s flattery.

“Ah, Zhou Yan, I have to ask for a few autographed photos for me in a while!” Li Fang said enviously.

“Don’t worry, as long as I say a word, 100 Zuo Mingyue will sign you, even if you want to take a photo with her, there is no problem.” Zhou Yan waved her hand and said grandiosely.

The people next to them were envious, and they all wanted to flatter Zhou Yan and his wife, and asked them to ask for a few autographs.

Enjoying the envy of everyone’s eyes, Liu Changqing also believed it a little.

No matter how famous Zuo Mingyue is, it was also packaged by the Sihai Group.

As an executive of the Four Seas Group, Zuo Mingyue will certainly come to curry favor with him.

Thinking about this, Liu Changqing tidied his collar, coughed, cleared his throat, and said solemnly:

“Everyone is quiet. I am Liu Changqing, the deputy manager of the personnel department of the Sihai Group. I will discuss with Mingyue later, and strive to meet everyone’s requirements today...”

“Manager Liu is mighty!”

“Manager Liu is atmospheric!”

“Manager Liu, I love you!”

Many people suddenly became tall, mocked, and yelled one after another.

Liu Changqing and his wife were even more proud, and walked up to meet Zuo Mingyue.

“Mingyue, you are here to find me.” Liu Changqing looked at Zuo Mingyue with a serious face, and Zhou Yan, who was holding his arm, also looked arrogant.

Zuo Mingyue was taken aback, and her eyebrows frowned, “Who are you? Could you give me a favor.”

Ah?

Liu Changqing was stunned, and everyone was also stunned.

There is something wrong with the way the script opens.

“My husband is the deputy manager of the Human Resources Department of Sihai Group...” Zhou Yan proudly introduced Liu Changqing.

“Sorry, I don’t know you.”

Zuo Mingyue glanced at the two of them, then walked around them quickly to Yu Sheng.

Bow your head, bend over, and respectfully.

“Yu...Yu Shao!”

## **Chapter: 95**

At this moment, everyone was stunned.

Super star Zuo Mingyue is so respectful to a door-to-door son-in-law?

“What does Zuo Mingyue call him? Shao Yu?”

Yang Zihuan, who had a very ugly face next to him, was also a little dumbfounded, looking at Yu Sheng and Zuo Mingyue in an incredible way.

What’s happening here?

“Zuo Mingyue, did you make a mistake? He is not only a security guard, but also a door-to-door son-in-law who eats soft meals. He is not a Yu Shao at all.” Zhou Yan reminded.

Yu Sheng is obviously a trash, why does Zuo Mingyue ignore her husband and go for the rest of his life?

She was very upset!

Liu Changqing was even more embarrassed.

Just talked loudly.

Unexpectedly, Zuo Mingyue would be slapped in the face in a blink of an eye.

Especially looking at everyone’s ironic gaze, he couldn’t wait to find a place to drill down.

“Security?” Zuo Mingyue didn’t look back, but a flash of joke flashed in his eyes.

At the beginning, she also mistakenly thought that Yu Sheng was just a security guard. As a result, she wanted to see Yu Sheng many times, but was blocked by his secretary.

Today, she finally met Yu Sheng, and she couldn't miss the opportunity anymore.

Recently, Sihai Group has invested tens of billions and the three giants to grab traffic resources. Everyone can see that no matter who seizes this opportunity, under the cultivation and packaging of Sihai Group, they will become super-class traffic stars, even superstars.

Not only her, but several other actresses are also thinking about holding the thigh for the rest of their lives.

"Well, you continue your work and leave me alone." Yu Sheng waved his hand and signaled Zuo Mingyue to go down first.

"Yu Shao, I want to invite you..." Zuo Mingyue tried to invite Yu Sheng again.

"Huh?" Before she finished speaking, Yu Sheng's face sank and his eyes were not angry or pretentious.

Zuo Mingyue was shocked and hurriedly closed her mouth: "Yu Shao, then I will work first..."

She said that she was afraid and lost in her heart.

The attitude of the rest of her life made her feel completely unsure.

Among the several female artists who signed contracts with subsidiaries of the Four Seas Group, she has the best conditions and reputation.

But if she offends Yu Sheng, she knows she will be finished soon.

"Wait a minute." Yu Sheng suddenly called Zuo Mingyue.

Zuo Mingyue was overjoyed, thinking that Yu Sheng had changed his mind, and hurriedly turned around, looking at Yu Sheng with excitement.

Yu Sheng looked at Yang Zihuan and said with a smile: "Don't you want Zuo Mingyue to sign you, let her sign you now."

"what?"

Yang Zihuan still hadn't recovered, his face was confused.

"Do you want to sign?" Yu Sheng asked.

Yang Zihuan shook his head subconsciously.

Yu Sheng shrugged, and said to Zuo Mingyue: "There is something wrong, you go down and work on you."

"Okay Shao Yu." Zuo Mingyue nodded, then went over to sign everyone.

However, more people's eyes are no longer on her.

And all focused on Yu Sheng.

Everyone doubted Yu Sheng's identity.

Zuo Mingyue didn't even give Liu Changqing the face.

But she respected Yu Sheng, the door-to-door son-in-law.

Yu Sheng, the despised door-to-door son-in-law, what is his hidden identity?

Especially Liu Changqing and others are very puzzled.

“Since you don’t want an autograph, let’s go.”

Seeing everyone’s eyes focused on themselves, I don’t want to stay here for the rest of my life.

Yang Zihuan caught up with Yu Sheng and couldn’t help asking: “Why does Zuo Mingyue respect you?”

### **Chapter: 96**

“It’s not important.” Yu Sheng smiled faintly.

“Don’t tell me you saved her life, right?” Yang Zihuan said sarcastically. She found out that her husband had some secrets recently, which made her a little bit unable to see through.

“You are too smart, you guessed it.” Yu Sheng pretended to be surprised.

But this time, Yang Zihuan didn’t want to believe him anymore.

How is this possible?

“Hmph, forget it, I don’t want to know yet.” Yang Zihuan snorted coldly, feeling very upset.

But more is crazy.

The more she didn’t tell her the truth for the rest of her life, the more she wanted to know.

Yu Sheng smiled faintly, and didn’t want to explain to her, so he took his son to play other projects.

the other side.

“Zhou Yan, it seems that you just offended a big man.” Looking at the back of Yu Sheng’s departure, Li Fang said a little gloating.

Before Zhou Yan and Liu Changqing’s ambitions of the villain, she now feels sick when she thinks about it.

Especially she actually asked Zhou Yan to sign her personally. Thinking of Zhou Yan’s expression at that moment, she felt like vomiting.

“Big fart, that guy is a door-to-door son-in-law, Zuo Mingyue must have admitted the wrong person!” Zhou Yan said in dissatisfaction.

Li Fang smiled, she didn’t think so.

If the rest of his life is really a soft meal, how can a big star like Zuo Mingyue treat him so respectfully?

Even, she saw it with her own eyes, Zuo Mingyue was obviously afraid of the so-called door-to-door son-in-law.

“Brother Changqing, it seems that your face is not as good as a door-to-door son-in-law.” Li Fang’s husband Xu Jie smiled ironically.

Thinking of Liu Changqing’s proud little face just now, he was very funny in his heart.

Others also ridiculed and booed, each with a bit of schadenfreude on their faces.

Liu Changqing’s face was extremely embarrassed, and he walked out of the crowd holding his daughter’s hand.

Zhou Yan hurriedly followed, her expression also ugly to the extreme.

“Liu Changqing, didn’t you say that he was just a security guard of your company? Why is Zuo Mingyue so respectful to him?” Zhou Yan asked Liu Changqing very upset, but her face was so embarrassing today.

“He was obviously a security guard before? Besides, he is indeed a door-to-door son-in-law. How did I know that Zuo Mingyue was so afraid of him.” Liu Changqing said silently.

Zhou Yan frowned, her eyes lit up suddenly, and said, “You said, could it be that Zuo Mingyue had something to handle that fell into his hands and announced him, ruining her own future, and then she did that. Afraid of the rest of your life?”

“what?”

Liu Changqing’s eyes lit up and smiled: “Don’t tell me, it’s really possible. Unexpectedly that the trash is still a little capable, I caught Zuo Mingyue’s handle!”

Liu Changqing’s eyes narrowed, and he suddenly felt that there are many articles to do.

“Zuo Mingyue, you slut, today you dare to show Lao Tzu with a face to embarrass Lao Tzu. You will wait for me to prevent you from ruining your reputation. I, Liu Changqing, don’t need to mess around.

You are a trash for the rest of your life, and I will ruin you and you will not be able to hang around in Qiancheng! “

Liu Changqing was thinking about the poisonous scheme in his heart, and his eyes were almost narrowed.

## **Chapter: 97**

After playing in the playground for most of the day, Yang Zihuan was a little tired, so he called home.

For the rest of his life, seeing that Xiaoshui was almost playing, he nodded.

Yu Sheng didn’t want to cook today, so he took Yang Zihuan and Xiaoshui to Yirenju.

“Yang Zihuan.”

The three of them just came to the deck area when they heard a woman called Yang Zihuan.

Yang Zihuan turned his head and saw the woman sitting next to him, which was also a little surprised.

“Yu Qin, you are also eating here.” Yang Zihuan said, looking at the young man next to the woman.

Although the young man does not look very handsome, he can be seen to be a shrewd man.

“Xu Zhiheng, my boyfriend, Zhiheng, she is my high school classmate Yang Zihuan, and this is her husband for the rest of his life.” Yu Qin took the initiative to introduce.

“Hello.” Xu Zhiheng stretched out his hand and shook Yu Sheng. Seeing that Yu Sheng was wearing ordinary clothes, he had little interest in talking.

“Hello.” Seeing that the other party was not interested in talking, Yu Sheng smiled faintly, and then withdrew his hand.

When Xu Zhiheng shook hands with Yang Zihuan, his eyes suddenly brightened, and it was obvious that a woman like Yang Zihuan looked a little amazing wherever he went.

“Zi Huan, maybe we will be together, and Chief Li will also come later.” Yu Qin said.

“Section Chief Li? Li Wenbing?” Yang Zihuan asked in confusion.

“Yeah, Li Wenbing is now the chief of the engineering bureau. His uncle is the deputy bureau of the engineering bureau. He has a promising future. By the way, the most important thing is that everyone has not met for many years, so let’s get together in advance. “

As Yu Qin said, he glanced at Yu Sheng next to him, and a flash of joke flashed in his eyes.

Li Wenbing was crazy about pursuing Yang Zihuan when he was in high school. When they meet, I don’t know what interesting things will happen.

“Okay, let’s go together.” Yang Zihuan nodded and sat down beside him.

She happened to have something to go to the Bureau of Industry and Commerce. If Li Wenbing could help, it would be smooth, so as not to be delayed again and again.

Seeing Yang Zihuan sitting down, Yu Sheng had to take his son to sit beside him.

Anyway, just eat a meal, he didn’t have any extra thoughts.

“Where is Beauty Yang?” Xu Zhiheng asked suddenly.

“Yang’s enterprise.” Yang Zihuan smiled.

“Ah, it’s such a coincidence.” Xu Zhiheng said in surprise.

“You are also an employee of my Yang family? Which department?” Yang Zihuan looked at Xu Zhiheng with some surprise. People like Xu Zhiheng didn’t look like ordinary employees.

Among the Yangs, only ordinary employees are unfamiliar to her.

“No, Zhiheng is a PhD student in the Management Department of Oxford University. How could he go to a small company like your Yang family to find a job.” Yu Qin said proudly.

The implication is that her boyfriend is a real talent, and she doesn’t look down on a small company like the Yang family at all, and at the same time she belittles Yang Zihuan.

You see, ordinary college students like you can only work in a small company like your Yang family.

Of course Yang Zihuan could hear it from the meaning of Qin's words, but she smiled and didn't say anything.

If you don't look down on Qin, they really can't mix the Yang family, and now, 61% of the shares have been acquired by the Sihai Group, which is no longer the real Yang family.

"That's it. I applied for the post of deputy manager of the planning department of the Sihai Group, and I only went through the entry formalities yesterday. I heard that your Yang family was also acquired by the Sihai Group, so..." Xu Zhiheng explained.

He actually just wanted to get close to Yang Zihuan.

Unexpectedly, Yu Qin misinterpreted his meaning.

"Ho ho, we are still colleagues after such calculations." Yang Zihuan smiled faintly.

Xu Zhiheng also smirked, and said:

"Our boss of the Four Seas Group is really rich. It is said that he has to invest at least 10 billion to grab traffic with the three major Internet giants. Yu Qin, you go for an interview tomorrow, I hope you can pass the interview."

"Why, underestimate my ability, isn't it the secretary of the chairman, this girl is more than enough." Yu Qin raised her eyebrows proudly.

Yu Sheng glanced at Yu Qin and said nothing.

## **Chapter: 98**

He recruited two more secretaries for him from the Human Resources Department. Xu Qianqian had also applied for this position before, but he was transferred to the Marketing Department.

He silently leaned on the deck sofa and drank tea, listening to Yang Zihuan, Yu Qin and Xu Zhiheng talking about him and his company, an inexplicable feeling arose in his heart.

Xu Zhiheng smiled, but there was no answer.

Yu Qin was a little boring. She wanted Xu Zhiheng to cooperate with her in pretending to be forceful.

"Zi Huan, where is your husband now?" Yu Qin asked, a little boring.

"Vagrant people." Yu Sheng shrugged and replied before Yang Zihuan could speak.

"Oh, it seems that you are addicted to eating soft food." Yu Li laughed.

Xu Zhiheng showed a touch of surprise in his eyes, and there was a bit of playfulness in his eyes towards Yu Sheng.

This guy actually eats soft rice?

"Eating soft rice is also about strength. Do you think anyone can eat soft rice?" Yu Sheng smiled not ashamed but proud.

“Well, you won, what else can I say.” Yu Qin’s face was full of sarcasm, it is disgusting that there are such shameless people in the world.

“Brother, you don’t want this kind of thinking, dignified man, there are hands and feet, why do you want to give up the dignity of a man to eat soft food.”

Xu Zhiheng frowned when he saw that his girlfriend was irritated by Yu Sheng, and helped Yu Qin.

Yu Sheng shrugged his shoulders, too lazy to explain.

“Since Zihuan is my old classmate, I will let Zhiheng help you find a job in Sihai Group.” Yu Qin said with a look of despise Yu Sheng.

Of course she didn’t really want Xu Zhiheng to introduce Yu Sheng to work, she just wanted to take the opportunity to humiliate Yu Sheng.

“...” Yang Zihuan was a little speechless, but seeing Yu Qin’s despising eyes, she didn’t bother to care, pretending to know nothing.

Yu Sheng smiled inwardly, he knew that Yu Qin’s arrangement today was deliberately making things happen.

Since they want to pretend to be compelling, let them be fulfilled.

“Okay, thank you so much.” Yu Sheng pretended to look forward to it.

“However, you have no skills and only have a diploma from an ordinary university. I am afraid that you must start as a temporary worker as a general worker.” Xu Zhiheng understood Yu Qin’s meaning and laughed.

“I don’t think your height is bad, or I will arrange a job as a gatekeeper for you.”

Yu Qin jokingly smiled. In her eyes, Yu Sheng’s kind of sexy silk is only worth looking at the door.

## **Chapter: 99**

“Yes, Yu Sheng’s figure is indeed suitable to be a security guard. I will go to work tomorrow, so I will arrange a security post for you.” Xu Zhiheng smiled.

Hearing Xu Zhiheng and Yu Qin’s words, Yang Zihuan frowned slightly, feeling that they were a bit too much.

But seeing that Yu Sheng was not a good person, Yang Zihuan didn’t want to say anything.

“Okay, then I will trouble Deputy Manager Xu, I’ll invite you all for today.” Yu Sheng smiled ‘gratefully’.

“Okay, if you invite this meal, my family Zhiheng will take care of it for you.”

Yu Qin looked at Yu Sheng jokingly. Although she didn’t care about the thousands of dollars for food, she was inexplicably refreshed if she could kill Yu Sheng.

“No question, don’t you order food?” Yu Sheng nodded and asked.

“No, today’s protagonist is Li Wenbing, wait until he arrives.” Yu Qin said.

At this moment, Yu Qin's phone rang, and after she was connected, she walked out, and soon brought in a young man.

The young man is 1.75 meters tall and dressed in formal clothes. At first glance, he looks much more formal than the casual casual clothes of Yu Sheng.

This young man is Li Wenbing, a section chief of the Industrial and Commercial Bureau.

Li Wenbing frowned when he saw Yang Zihuan and Yu Sheng were there.

"You are here too." Li Wenbing looked at Yu Sheng and Yang Zihuan, and said with no expression.

"Yes, we are here too." Looking at Li Wenbing, Yu Sheng smiled faintly.

This Li Wenbing, he also heard Yang Zihuan say, high school classmate, always chasing Yang Zihuan in high school.

Later, when he saw Wang Wenxue was chasing Yang Zihuan in college, he gave up.

"Section Chief Li, I heard that Yu Qin said that they were inviting you to dinner today, so let's also join in the hot booze, and I hope that Chief Li will not mind." Yang Zihuan shouted closer.

"Beauty Yang, what are you talking about? Who do you call me Li Wenbing?"

Li Wenbing responded with a smile, he did not expect Yu Sheng and Yang Zihuan would also be there.

Although he took the initiative to withdraw back then, he was panicked at the thought that Yang Zihuan would marry Yu Sheng this trash in the end.

So he doesn't have any good feelings for the rest of his life.

However, as a member of the system, Li Wenbing has now learned to hide his power and bide his time. Even if he hates someone, he will not show it.

"Waiter, come and order." As soon as Li Wenbing arrives, he will not wait for the rest of his life. This meal is destined to be very boring.

Li Wenbing looked at Yu Sheng, a flash of contempt flashed in his eyes. He really couldn't understand how Yang Zihuan liked him at the beginning.

"By the way, the high school classmates reunion the day after tomorrow, there is no one to notify you." Li Wenbing looked at Yang Zihuan and asked.

This class reunion was actually proposed by him and hosted by another classmate. He originally had no intention to inform Yang Zihuan.

But now he has changed his mind, he wants to make Yang Zihuan regret choosing Yu Sheng as a gangster.

Yang Zihuan shook his head.

"Then I will inform now, remember to go." Li Wenbing said.

"Well, I haven't had a good time with my high school classmates for a long time." Yang Zihuan nodded.

“Yu Sheng, you can accompany Yang Zihuan. We are allowed to bring family members for this gathering.” Li Wenbing looked at Yu Sheng again, a trace of joking flashed in his eyes.

Yu Sheng saw Li Wenbing’s plan and smiled and said, “Is it free? I will go if it is free.”

### **Chapter: 100**

Li Wenbing, Yu Qin and Xu Ziheng all sneered. They didn’t think it just now, but now they find that the rest of their lives are getting more and more sexy.

Yu Sheng closed the eyes of the three of them and smiled indifferently in his heart.

Yang Zihuan frowned slightly, feeling very disappointed.

“Don’t worry, you don’t need to pay a cent for this class reunion.” Li Wenbing smiled slightly, but he was contemptuous in his heart.

This is the man Yang Zihuan was fond of back then?

He sneered in his heart, and the day after tomorrow he would let Yang Zihuan see how incompetent Yu Sheng was, and made her regret marrying such a trash!

“Forget the rest of my life, I just said that I would let you come to treat me. Now it seems that even if I let you treat, you can’t pay for it. I will come.” Yu Qin shook his head, fearing that he would not be able to pay for the rest of his life, so he swept away. Li Wenbing’s interest.

“How embarrassing is this? Yes, Deputy Manager Xu will help me find a job. I’ll treat you to dinner.” Yu Sheng said with some embarrassment.

“Oh? Ziheng still helps Yu Sheng to find a job. Does Yu Sheng still have a job?” Li Wenbing smiled.

“Yes, how about Chief Li introduce one for me?” Yu Sheng looked at Li Wenbing.

“We still have to recruit people in the bureau, but the exams are quite strict. You may not be able to pass the exams. By the way, there is still a cleaner who cleans the toilets. There is no need for an exam. If you are interested, I can. Help you intercede.” Li Wenbing smiled.

What he meant was that you didn’t even have the qualifications to be a civil servant for the rest of your life, and you would even want him to help you when you go to their bureau to clean the toilets.

This is extremely demeaning Yu Sheng and uplifting himself.

Yu Qin and Xu Ziheng couldn’t help laughing when they heard the words, their eyes full of jokes.

Yang Zihuan sighed, wondering what he wanted to do for the rest of his life.

“Regardless of job type, does Chief Li find the cleaning job funny?” Yu Sheng looked at Li Wenbing with a smile.

Li Wenbing was startled, watching Yu Sheng’s gaze turn a little gloomy, he didn’t expect to be enlisted by Yu Sheng.

As a member of the system, if the dialogue between him and Yu Sheng spreads out today, it will definitely be a stain that will be difficult to erase in his life.

Xu Zhiheng seemed to have discovered this too, and hurriedly changed the subject and said, "For the rest of my life, you don't need to invite you for today's meal. You go to the personnel department of the Sihai Group to find me the day after tomorrow, and I will arrange security work for you."

"Okay, then I would like to thank Deputy Manager Xu." Yu Sheng smiled.

"You're welcome, let's eat."

Xu Zhiheng smiled faintly, but he held up his glass to toast Li Wenbing.

"Chief Li, I respect you with this cup, and wish you a better life."

Li Wenbing raised a toast to Xu Zhiheng: "I also wish you success in your career."

After the two clinked their glasses, they started chatting, and directly put Yu Sheng and Yang Zihuan aside.

Even Yu Qin only serves Li Wenbing's wine.

Yang Zihuan felt quite embarrassed and was a little uncomfortable all over.

These three people are really too much!

Although she wanted to get in touch with Li Wenbing, but Li Wenbing didn't wait to see her, she was a little bit ungrateful.

When Yu Qin and the three did not greet, Yang Zihuan sat still without moving his chopsticks. On the contrary, he was eating with relish for the rest of his life. He did not forget to put some meat on his son, which was not affected at all.

Seeing Yu Sheng's reincarnation of the starving ghost, Yang Zihuan shook his head, quite disappointed.

"You still don't have a membership here, right." Li Wenbing asked Yu Qin.

"Yes, it is not a small amount to pay 500,000 in advance for membership."

Yu Qin shook his head. Yirenju can only book a private room if it has registered as a member, so even though it has to deposit 500,000 in advance, many guests still do it.

"I have a little friendship with Qiu Jian, the manager here, and I will send him a message, and he will come over and I will tell you, trying to save you a little bit." Li Wenbing said boldly.

"Okay, then thank Lao Li first."

Yu Qin's eyes lit up. They don't often come here to eat, but now Xu Zhiheng is a senior executive of Sihai Group. She is also the secretary to the chairman of the board of directors. necessary.

Just like today, if they had a membership card, they would not ask Li Wenbing to sit outside and eat.

If you treat guests, the private room must be a bit more stylish than the deck.
