

## Dont mess 991

### Chapter: 991

The clothes on Xiao Zixin's body were taken off by Wang An, and only the heart was left. Looking at the fair and smooth skin, Wang An couldn't help but stretch out his hand to touch it, smooth and delicate like a good nephrite.

Wang An's body is getting hotter and hotter, this Xiao Zixin Guo is really a stunner!

"Little baby, I regret my previous thoughts now. You follow me honestly. I won't let those rough guys touch you. Be my lover obediently and take care of me. It will be no worse than following the rest of my life. What do you think?" Wang An said, and kissed Xiao Zixin's fragrant lips.

When Xiao Zixin saw this, Wang An threw her head to the side. The next second there was a severe pain in her ears, and Wang An's expression was distorted.

Snapped!

Another slap was slapped on Xiao Zixin's face. Wang An covered his bloody ears and kicked both his feet fiercely against Xiao Zixin's stomach. The hands were so cruel that there was a hint of pity and pity.

"I don't know any bitch woman, let you be my lover Lao Tzu is to give you a chance, don't blame me if you want to die by yourself!" Wang An said angrily.

The pain in his ears made the hotness he had just disappeared and was replaced by anger. He beckoned to his gang and ordered: "This woman has rewarded you, and treat her well without mercy!"

Hearing what I said, the group of people under him immediately became restless, and everyone looked at Xiao Zixin with greedy eyes.

Licking his dry lips, more than twenty people walked in the direction of Xiao Zixin.

At this time, Xiao Zixin was kicked by Wang An, her body was extremely weak, but seeing this scene, the fear in her heart continued to spread.

A group of people had already come to Xiao Zixin's side at this time, one of them couldn't wait to take off their clothes, and wanted to confront Xiao Zixin's opponent.

boom!

With a loud noise, the door of the villa was kicked open, and a group of people rushed into the villa. Yu Sheng was the leader. He quickly scanned the house, and quickly stopped where Xiao Zixin was.

Yu Sheng's body turned into a phantom, and in the blink of an eye, he came to Xiao Zixin's side, without any action against those people, and took off his coat and put it in front of Xiao Zixin.

Then he shouted to Du Fei at the door: "Du Fei!"

The sound resounded in every corner of the villa, and the person who heard this couldn't help but shiver, and all the hairs on his body stood up, as if he was standing in front of them.

At this time, Wang An didn't even have a reaction. What happened? Can't figure out how the rest of my life found here.

Du Fei at the door heard Yu Sheng's call that he had understood what he meant, and rushed in with a group of his men.

The number of people who suppressed Wang An, coupled with the fact that Du Fei's subordinates are all elites, is simply a repressive victory.

For the rest of his life, he didn't even join in, seeing the bracelet and anklet on Xiao Zixin's hands and feet.

The iron chain made of steel, in the hands of the rest of his life, is like paper, and it breaks directly without any useful force.

Xiao Zixin looked at the man in front of him who looked like a god descending from the earth, just saving herself from the fire and water, and she was grateful.

“Yu Sheng, fortunately you are here!” Tears fell from the corner of Xiao Zixin’s eyes. With the iron chain supporting her body, Xiao Zixin was weakly limp on Yu Sheng’s body.

“Don’t be afraid, something is wrong, I’m here!” Yu Sheng, the weak Xiao Zixin hugged and comforted her softly. Seeing her being beaten like this, Yu Sheng felt distressed for a while.

“Lao Yu, Wang An has caught it, what should I do?” Du Fei asked Yu Sheng.

## **Chapter: 992**

At this time, Wang An’s face was full of surprise. He still didn’t figure out what was going on. The people under his hands were all subdued by the people who suddenly appeared.

Even he himself was arrested and brought to Yu Sheng.

At this time, Wang An was still not aware of the seriousness of the matter, and asked Yu Sheng: “How did you find this place? Impossible! It is logically impossible for you to know!”

As soon as he finished speaking, Wang An saw a person in the crowd led by Du Fei who looked very familiar, and after a closer look, he recognized it. This was the person who helped him tie Xiao Zixin over that night.

“Oh, I’m going. You, a dog, betrayed me. How did I find this place for the rest of my life? You did a good job.”

Wang Anqi’s complexion turned red, and subconsciously wanted to stand up and clean up the person who betrayed him.

But he forgot that it was he who broke his promise and beat that person. If he hadn’t done too much, this kind of thing wouldn’t happen at all.

Du Fei rubbed his ears, thinking that this Wang An was coming, and even thinking of teaching others, it was stupid and hopeless.

Kicked Wang An in the chest, Du Fei said angrily: “Can you fucking be quieter? It makes me a headache.” Immediately Du Fei looked at Yu Sheng and asked, “Lao Yu, what should I do with this person?”

With a sullen face, Yu Sheng looked at Wang An and asked sternly: “You caused her injury?”

“That...that...” Wang An stubbornly didn’t know what to say, and when his eyes rolled, Wang An flatly smiled and said, “Ms. Yu, this matter is my fault. I will pay back the billions. Here you are, and I will give you a more beautiful woman. Can this be written off?”

In Wang An’s heart, even if she cared about Xiao Zixin for the rest of her life, she was nothing more than a beautiful secretary, and it was a big deal that she would pay him a more beautiful one!

As soon as the voice fell, Wang An’s face was slapped, followed by another slap. The slap for the rest of his life kept falling on Wang An’s face like raindrops.

And Wang An’s hungry head kept swaying with Yu Sheng’s hand, and he had no ability to resist at all.

When Yu Sheng stopped smoking Wang An’s face, Wang An’s head was still shaking, without realizing that Yu Sheng had stopped.

The reason why he wanted to beat Wang An was because Yu Sheng saw that Xiao Zixin’s cheeks were a little red and swollen, and there were five red fingerprints on it. You don’t need to think that Wang An beat him.

After a short while, Wang An stopped shaking his head. At this time, his face was completely unrecognizable, swollen into a pig’s head, and a lot of teeth were lost by Yu Sheng’s fan.

Covering his hot face, Wang An opened his mouth to say something, and his teeth fell out of his mouth

as soon as he opened his mouth.

Upon seeing this, Wang An, a man in his thirties, started crying like an aggrieved little girl.

“Yu Sheng, you are too much. Wang An and you are not at odds. I will write down today’s humiliation.”

Wang An’s mouth leaked, and he murmured vaguely.

Du Fei saw that Wang An, a kid who dared to speak harshly to Lao Yu, simply didn’t put him as an underground king in his eyes.

So he led Wang An’s clothes, kicked him twice in the stomach, and cursed: “How do you speak? Isn’t it the one who gave you a face?”

Seeing Du Fei’s fierce look, Wang An’s head shrank and he dared not speak.

Yu Sheng was thinking about how to deal with this Wang An. At this time, Xiao Zixin suddenly spoke: “Yu Sheng, this Wang An is the one who deceived Yang Zihuan’s family. He deceived nine billion from the Yang family!”

### **Chapter: 993**

Hearing Xiao Zixin’s words, Wang An was frightened that his soul was not possessed. He subconsciously wanted to run over to cover Xiao Zixin’s mouth, but it was too late.

Puff!

Wang An was really scared this time. He knelt down in front of Yu Sheng and explained: “Yu Dong, don’t listen to that bitch woman’s nonsense. There is no such thing. I don’t know Yang Zihuan. I don’t know any Gao Qing, this woman wants to avenge me for talking nonsense!”

Last night, I caught Xiao Zixin proudly and said the matter directly in front of her without paying attention.

Du Fei knocked on his head fiercely: “Wang An, I really want to knock your head open to see if it is filled with paste, we can improve the clearness just now.”

Wang An’s head roared, and he felt that there was no way to think. Those slaps that had just beaten him for the rest of his life blinded him, and he didn’t speak through his brain.

“All of Wang An’s arms and legs were interrupted and sent to the police station. By the way, let the patrol room check the Shengyuan Group well, and maybe find out some shameful deeds!”

When Yu Sheng gave an order, his subordinates immediately surrounded Wang An. Yu Sheng didn’t want to continue watching, but came to Xiao Zixin’s side and hugged her, and the group of people left the villa mightily.

For the rest of his life to coax such a big battle, it is naturally impossible for the rest of his life to just let Wang An go, it is just to punish him in a more torturous way.

Although he had not studied law for the rest of his life, Wang An could be sentenced to more than 20 years of imprisonment based on his crimes.

In the long prison life, Wang An broke his arm and leg again. In that place where the weak and the strong eat, there will naturally be countless people teaching him how to be a man.

There is even no ability to resist, chrysanthemum is not guaranteed...

I told Xia Feixue what happened here, and Xia Feixue started investigating Wang An. It’s okay if I didn’t check it. Only on this side did I find that the shameful things Wang An did were not a few.

Before deceiving Gao Qing, Wang An did some petty thefts. Because of his cunning, he was never caught by the police.

Nowadays, not only the amount of fraud is huge, the company also has tax evasion and tax evasion of substandard quality, and now it deliberately kidnapped people. These charges are enough to make

Wang An sit down.

After Xia Feixue handled the case, he called Gao Qing. After all, he was also a victim of a scammer and had the right to learn about it.

Gao Qing was so excited when she received the call, she drove to the patrol room without saying anything. Of course, the thing she cared most was that she was cheated by Wang An of the nine billion yuan.

Nine billion is not available, and even Shengyuan Company was acquired by Yusheng.

Knowing that all the money was in Yu Sheng's hands, Gao Qing was angry and frightened. Even if she went to ask for it, she would not come back. Du Fei would have to teach him a lesson at that time, and the gain was not worth the loss.

"Wang An? I want to see him!!" Gao Qing said angrily.

It was he who caused himself to be like this, so he should be taught what he said, otherwise he couldn't swallow this breath!

Following Xia Feixue, Gao Qing came to the interview room.

At this time, Wang An's arms and legs were all squeezed in mud, and he had to be supported by someone sitting next to him on the chair.

Wang An thought it was Ma Xiaoman's own queen who came to rescue him. When he saw the old woman Gao Qing, the color of hope on his face dimmed.

"You... why are you here?" Wang An asked embarrassedly.

Seeing Wang An's miserable appearance, Gao Qing still felt annoyed in her heart: "You liar deserves to end up where he is now, and the wicked old lady trusts you so much, and you deceived me so badly. Why don't you die!"

Listening to Gao Qing's scolding, Wang An felt uncomfortable. He recalled that he was beaten and scolded by his inmates yesterday, and...

Thinking of spending half of his life in prison, Wang An was shocked and uncomfortable. He couldn't take care of anything else, and asked Gao Qing for help:

"Sister Qing, please help me! Please, I think we have had that kind of relationship, as long as I can go out, I will treat you well."

Gao Qing spit at Wang An, not to mention Wang An is now like this, even if he used to Gao Qing can not accept him anymore.

"You're a liar, my old lady can't wait to break your body into pieces, she wants me to save you, next life!"

As soon as Wang An heard the drama, the expression on his face turned hideous, with blue veins appearing on his forehead, and he cursed at Gao Qing: "You old woman, I have been waiting for you for so long, now you turn your face and deny you. I go out and kill you!"

Gao Qing left and Wang An returned to the dark cell, suffering day after day humiliation and abuse from inmates.

Wang An even wondered why Yu Sheng didn't kill him, and asked him to admit the pain. If he could come back again, Wang An would definitely not want to provoke Yu Sheng as a killer!

#### **Chapter: 994**

Yu Sheng took Xiao Zixin to the hospital for a checkup. Fortunately, there were no serious injuries, some skin injuries, and disinfection and bandaging before leaving the hospital.

"I'm sorry for the trouble and fright caused by this incident." Yu Sheng said apologetically to Xiao Zixin.

Xiao Zixin shook her head gently: "It's nothing, but I was a little scared at the time. I won't be afraid of anything when you come here. I know you will protect me."

Hearing this, Yu Sheng's face was a little weird, not knowing what else to say to pick it up, and he always felt a little ambiguous.

He coughed slightly for the rest of his life and said, "This time you were kidnapped by Wang An because of me, and you were also injured. This is considered a work injury. If you have anything you want, I will try my best to satisfy you."

When she spoke this sentence, Xiao Zixin's face showed an awkward expression, and she remembered it for the rest of her life when she saw her.

In order not to let the scene continue to fall into such an embarrassing situation, Yu Sheng quickly added: "Are you living with your family now? Although living with your family is very warm, the girl still needs to have someone of her own. Place, let me give you a house!"

Xiao Zixin was taken aback, and then nodded. Yu Sheng said nothing wrong. Although it is good to live with her family, she also needs a separate space. What's more, it was Yu Sheng's proposal, so she didn't want to refuse.

For the rest of his life, the car broke down, and there was no eagerness to buy one, so two people took a taxi to the place of purchase.

After entering Yu Sheng, I realized that there were not many people who came to see the house today. There was only a middle-aged man with a young woman in it. Yu Sheng walked in with them one after another.

The middle-aged man just walked in with his arms around the young woman, and soon a beauty shopping guide came to them very hard.

There are other shopping guides in the store, but when Yu Sheng walked in, they looked at them and looked back. Some played with the phone, some looked in the mirror, and there was no one who stepped forward to introduce Yu Sheng to the house.

The beauty shopping guide Wang Qian invited the middle-aged man and young woman to the villa area. Yu Guang saw that Yu Sheng followed up with a while of surprise, and looked up and down Yu Sheng and Xiao Zixin with a disdainful glance and said, "You guys. If you come to see the house, you can't afford to buy all the houses here in the villa area."

Wang Qian has been working in this place for five or six years. He has seen all kinds of people. You can basically see what this person does and why he bought a house.

The latter couple looks like they are in their twenties. They have not graduated from university for a few years, and they are dressed so ordinary. The most important thing is to take a taxi. How could they buy a house in the villa area?

Ordinary people like them might not be able to buy a house here in a lifetime of hard work, let alone the villa area.

Probably just came over and had a good time, Wang Qian didn't bother to waste his tongue on the two of them.

But the middle-aged people around her are different. The watch she carries in her 40s and 50s is worth tens of thousands, and she knows that she is a small business owner.

People like this generally have a family, and this hot-dressed and sexy-looking young and beautiful woman with her around her, don't have to think of being able to see that she is a young girl raised outside.

It might be this young woman who came to sell the house and the middle-aged man was going to give

her a set of Golden House Cangjiao.

In the villa area here, as long as one can buy one, Wang Qian can earn 50,000 to 60,000 yuan, so she works harder to introduce the house to the middle-aged man.

### Chapter: 995

I have become accustomed to this kind of treatment of others for the rest of my life, but no one has introduced that they have a specific understanding of the house and do not know how to choose. So Yu Sheng and Xiao Zixin also stood there listening to the salesperson Wang Qian introducing the house there.

I have to say that Wang Qian's eloquence is indeed good, and Yu Sheng stood there for a while and felt a little like the urge to buy a villa for Xiao Zixin there.

"How much is the full price of the villa here?" asked the buyer for the rest of his life.

I thought it was a middle-aged man who said this because he wanted to make up his mind to buy a house, but when I looked back, I found that Yu Sheng asked the smile on his face and immediately pulled it, turning around and snorted disdainfully: "You ask then Many, do you have another villa here? Telling the price will scare you to death."

The principle that the customer is God is the truth that everyone in the service industry should understand. It's fine for Wang Qian to ignore them. Yu Sheng just came to ask for a price. Wang Qian actually spoke with this attitude.

For the rest of my life, there was no rush to speak. Xiao Zixin pulled his clothes and said in a low voice: "For the rest of my life, forget it? The villa here is indeed too expensive. I live alone and buy a 70 or 80 square meter. That's it."

Xiao Zixin's voice was deliberately suppressed, but she was still heard by Wang Qian, which further confirmed her thoughts.

The two young men in front of them are just poor paupers. They came to see the house and felt that they were dirty. It would be nice to drive them out here.

"Can't afford it, no matter how much you ask, you can't afford it. Why not just stay there and see that I am greeting important customers?"

Wang Qian said to Yu Sheng angrily, and turned to the middle-aged man again with a very hard-working attitude: "Only people with status and status like Mr. are suitable for living in this high-end villa. If you buy this kind of villa and stay with this beautiful lady, you will surely give you this ultimate life experience, which is definitely worth the money! "

The middle-aged man nodded slightly, thinking whether he should buy the villa.

At this moment, the sexy woman of the woman next to him stuck to him, and said coquettishly:

"Husband~ This villa really likes it! Can you buy it for me? Please, please! "

Listening to the young woman calling the man husband, Xiao Zixin felt a chill in her heart behind her, and all the goose bumps on her body fell to the ground.

This middle-aged man not only looks greasy, but he is also Mediterranean, and he can be the father of this woman in terms of age. How did she call her husband with open mouth.

She is also a woman, and Xiao Zixin is still a very beautiful woman. She has had countless opportunities to climb onto the bed of a rich man to be a junior or a lover, but she refused all of them.

A gentleman loves to get money in a good way, and Xiao Zixin feels uncomfortable with the kind of money that he gets in exchange for it.

Middle-aged men didn't directly agree to young women and just read it in a perfunctory manner.

Wang Qian was discouraged, she was still chattering about the advantages of this house with middle-aged men and sexy women.

"How much is this villa?" Yu Sheng asked patiently.

At this time, Wang Qian's mouth was dry, and the middle-aged man still didn't buy it. She was already a little irritable in her heart. Now that she heard Yu Sheng's words, her temper was directed on her.

"It's good enough for a pauper to drive you away directly. You can't be quiet for a while. Is this kind of villa that this kind of person can buy?"

"I can't afford it? As a shopping guide, you look down on me so much. Can you afford it?" Yu Sheng said angrily.

### **Chapter: 996**

The shopping guide Wang Qian was speechless when Yu Sheng said this, and she didn't know how to refute it for a while. Indeed, she couldn't afford the villa area here.

"What does this have to do with you? Don't beat me to work if you can't afford it. I sell the house."

Wang Qian said angrily.

"I thought you didn't know what you did? After doing it for a long time, you also know that you are a house seller? Then I asked you the price, why didn't you tell me?" Yu Sheng said coldly.

Listening to Yu Sheng talking to herself like this, Wang Qian absolutely has no face on her face. Is it possible for a pauper to look down on her?

Wang Qian really hit the bar with Yu Sheng this time, and looked at Yu Sheng slantingly with her hands on her shoulders, and said contemptuously: "I'm a house seller, what's wrong? I won't tell you how much money can you take from me today? "

Wang Qian's arrogant and domineering attitude completely aroused the dissatisfaction in Yu Sheng's heart. Just as he was about to lose his temper, a young and beautiful girl in work clothes ran in his direction.

"Mr. Ms., are you here to come to see the house? You must be tired after standing for so long? I'll pour you a glass of water." Li Yuanyuan said with a smile.

"By the way, sir, what do you want to drink?" Li Yuanyuan asked respectfully.

"Boiled water." Yu Sheng said.

"Bring me a cup of coffee!" Xiao Zixin said with a smile.

Pulling Yu Sheng and Xiao Zixin here to sit down, Li Yuanyuan went to pour water.

When Li Yuanyuan passed by Wang Qian with the poured coffee and boiled water, Wang Qian suddenly stretched her foot when no one else noticed.

boom!

The next moment Li Yuanyuan fell to the ground, and the water she was holding was also spilled on the floor. Fortunately, she was not hot.

Seeing Li Yuanyuan fell to the ground, Wang Qian covered her mouth with a sneer, and quickly stepped forward to help Li Yuanyuan pretendingly, and said: "Oh, Yuanyuan, why are you so careless? Is there any injury? Don't go to the hospital?"

Li Yuanyuan fell on her leg with a bruise, and there were no injuries elsewhere.

Pushing away the hypocritical Wang Qian, Li Yuanyuan didn't speak and gave her a fierce look, turned and left without worrying about her. After all, there are customers waiting for her.

At this time, the middle-aged man and young woman were still looking at the house. Wang Qian had nothing to do. Li Yuanyuan glared at her. Naturally, she couldn't just let it go.

Grabbing Li Yuanyuan's clothes, Wang Qian pulled her back, and said with a cold snort, "Li Yuanyuan, what did you look in just now? I kindly helped you. If you don't say thank you, you can forget it, but still use that look. Look at me."

Throwing away Wang Qian's hand, Li Yuanyuan said sternly: "I don't want to care about the two of us. I still have customers waiting for me!"

This is not the first time that Wang Qian has targeted her like this. She wants to fight her every step of the way, because of the relationship with the manager. Wang Qian has always been confident and even directly grabbed Li Yuanyuan's orders.

"Oh, I didn't hear it wrong, Li Yuanyuan, don't you really treat those two paupers as your customers? Just like they can't afford to buy them in the next life." Wang Qian said with eyes higher than the top. The tone seemed to feel that he was aloof and could buy a villa.

A blank glance at Wang Qian, Li Yuanyuan didn't justify her and turned around and left, and when she arrived at the coffee and boiled water again, she passed it to Yu Sheng Xiao Zixin.

When she walked in front of her, Li Yuanyuan put a decent smile on her face again, and said: "Mr. Ms., you guys have some tea first. Tell me something you like. I'll introduce it to you."

Wang Qian, who had been watching over here, saw that Li Yuanyuan had treated the two paupers with such an attitude and curled her lips in disdain.

It's strange that they can buy a house like this, go ahead! Busy you come to life, people just walk away and make you busy!

## **Chapter: 997**

"I would like to ask you to introduce the villa area here." Yu Sheng put down his cup and said.

Since it is to compensate for Xiao Zixin's work injury, and she has performed very well this time, Yu Sheng plans to treat her well and buy her a single-family villa. If this is quiet, it is more suitable for Xiao Zixin's character.

Although Xiao Zixin was a little touched in her heart, she still didn't want to spend the rest of her life too much.

"No need? The economy room is still very good, as long as there is a quiet place." Xiao Zixin said.

"Since it's all here, let's take a look!" Yu Sheng patted Xiao Zixin on the shoulder.

Although Li Yuanyuan's personality is approachable, she will warmly entertain people even if they don't come to buy a house, but the young man in his twenties in front of him is so reluctant to look at the house in the villa area. He can really buy it. NS?

There was a strange smile on her face, and now Li Yuanyuan also doubted whether Yu Sheng was here to make trouble, but it was not actually here to buy a house.

Although Li Yuanyuan had this idea in her mind, Li Yuanyuan did not express it, she still enthusiastically said to Yu Sheng: "The villa area is basically more than 5 million yuan, and the economic housing here is available at any price, and the down payment can be as low as possible. One hundred and fifty thousand instalments."

Li Yuanyuan felt that it was necessary to explain to Yu Sheng, let him know the price of the villa area, it must be difficult to be able to spend 150,000 yuan to someone like him.

"What do you think of that villa?" When she asked Li Yuanyuan to pick up Li Yuanyuan, she pointed to the location of a villa and asked Xiao Zixin.

When he saw that place, a bright light flashed in Xiao Zixin's eyes, and the place where the villa was located was surrounded by the hustle and bustle of the city.

If you get up early every morning, you can also go for a morning run on the mountain, watch the sunrise and watch the sunset. Thinking of these situations, the corners of Xiao Zixin's mouth reveal a happy smile unconsciously.

"If you like it, then choose that villa?" Yu Sheng said directly after seeing the thoughts in Xiao Zixin's heart.

Xiao Zixin shook her head hesitantly, the scenery is so good, and the villa will definitely be very expensive.

Yu Sheng saw that Xiao Zixin liked it, but she thought it was too expensive, and smiled slightly as she thought she was still saving this money for herself.

Beckoning to Li Yuanyuan, Yu Sheng said, "Just this villa! How much is the full amount?"

Li Yuanyuan's face became more and more weird. A young man who brought such a beautiful girl must be trying to show face, and she could understand it.

But they chose one of the best villas in the villa area, and the full price would cost 20 million to 500!

Li Yuanyuan felt that Yu Sheng was joking with her no matter how she looked at it.

"Mr. Are you sure you want to buy this villa with the full price?" Li Yuanyuan asked again uncertainly.

Three black lines appeared on Yu Sheng's forehead, and he subconsciously looked at his clothes.

Although he didn't look like a rich person, it didn't mean he was really rich, did it?

It doesn't matter if there is someone who cares about him when he comes to this place, even the polite salesperson in front of him doesn't believe him.

"You just tell me how much money you need!" Yu Sheng said.

"Twenty-five million, are you sure about the full amount?" Li Yuanyuan looked at Yu Sheng with a weird expression.

As soon as Li Yuanyuan's voice fell, Yu Sheng had no words to take out a black bank card from her pocket, "Pay!"

## **Chapter: 998**

"Cut, take out a black card to fool you? Does the bank card look like this? If you can use the flowers, write my last name backwards."

At this moment, Wang Qian twisted her waist and walked over, and took the black card in Yu Sheng's hand in the first step. She looked at it carefully and was very disdainful.

Yu Sheng glanced at Wang Qian dissatisfied, his impression of this woman was extremely bad, and he shot Ka back from her hand.

Angrily said: "Did I let you touch my things? I feel dirty when people like you touch my things!"

"You..." Wang Qian's angry face turned black, and her tall chest kept undulating, and she said in an air:

"You pauper don't know what messy things you can use to fool people! You don't really think you can buy it yourself. To build a 25 million villa, right?"

Turning his head to look at Li Yuanyuan, Wang Qian said again: "We all know that this man is a pauper, so you are so diligent to introduce him to him. Can such a poor man buy a 25 million villa? ?moron!"

Hearing this, Li Yuanyuan seemed to be poked in the pain, and her head lowered unconsciously.

What Wang Qian said is wrong, not everyone can buy a villa, let alone the best villa in Yijing Homeland!

"Wang Qian, it is not your turn to take care of my affairs. Correct your attitude. It is their freedom to buy or not to buy a villa. I just do my duty, unlike you who look down upon anyone." Li Yuanyuan said in a deep voice.

Wang Qian was frustrated. Just when he wanted to say something, he listened to the middle-aged man

she had received and asked in this direction: "Hey! How much is the full price of this villa?"

Hearing this voice, the expression on Wang Qian's face became more and more concerned. Sure enough, Huang Tian paid his attention to his heart. He broke his mouth, and the middle-aged man really bought it.

Although it is the cheapest kind of villa with a total price of 5 million yuan, Wang Qian is already very content that it can be bought.

The expression on her face became more and more thoughtful. Almost Wang Qian's chin was about to go up to the sky. She smirked at Li Yuanyuan and said: "I see you? I was almost not a little bit before you, and you can only watch. For the sake of it, take a good turn around this pauper! I'm going to be busy with business."

After speaking, Wang Qian hummed a little song with a serious expression on her face and turned and left.

Standing in the same place, Li Yuanyuan's expression was lost. To be honest, she was very envious of Wang Qian's ability to sell a villa.

With a deep sigh of relief, Li Yuanyuan suppressed the unwillingness in her heart, and then showed a decent smile on her face, looking at Yu Sheng and Xiao Zixin.

I apologize: "I'm sorry! Sir, miss, I and my colleague occasionally make a bit of humor, I'm really sorry."

Speaking of what Li Yuanyuan said here, she stopped her eyes to look at the black card in Yu Sheng's hand, and said with some uncertainty: "Sir, are you sure you want to use that card to pay for it?"

Li Yuanyuan hadn't even heard of the black bank card. This was the first time he saw him, so she didn't quite believe that the black card could be used to make money.

Yu Sheng nodded and handed the card to Li Yuanyuan.

Just when Li Yuanyuan wanted to take the black card to get the house purchase contract, Wang Qian's voice was deliberately raised the pitch not far away.

"Sir, this villa is five million, how do you pay for it?"

Li Yuanyuan understood that Wang Qian was deliberately showing off to her, and she had to say that her conspiracy had succeeded. At this moment, Li Yuanyuan really envied Wang Qian for selling a villa.

As for the bank card that Yu Sheng handed over, I haven't seen it before, so I naturally don't believe it can be used.

The middle-aged man on the side heard Wang Qian say that this villainous-looking villa was worth five million, and his face showed hesitation.

Even if he had money in his business, it would be too expensive to spend five million to buy a villa as a gift.

The young woman on the side also saw that the middle-aged man hesitated. She grabbed the man's arm and swayed and said coquettishly: "Husband, you promised to give someone a villa. It doesn't count if you can't speak!"

The middle-aged man still hesitated to play with women, but five million is too much. He glared at the young woman and said, "Look again. If you are not obedient, you don't have to follow me."

Upon hearing this, the young girl immediately got down, and stood by the middle-aged man obediently, not daring to speak, the expression on her face was very lonely.

Wang Qian was completely stunned. How could she be willing to get the list just like that?

"Sir, are you taking a look? There is a discount, so you can think about it?" Wang Qian said in a low tone, because she could make less money, and she didn't want Li Yuanyuan to watch her jokes.

"No need."

Abandoning these words, the middle-aged man and young girl went out, leaving Wang Qian embarrassed for a long time without a reaction.

### Chapter: 999

She has been busy all afternoon! The tea was served again and the water was poured, and now all the words in his mouth were dry, but in the end, the man didn't buy it and left.

Wang Qian's mood fell directly from the sky to the bottom. The anger in her heart was so angry that she cursed quietly at the back of the middle-aged man who left, "I thought it was a big money. I don't want to spend, but I still learn from others to find a junior. You deserve the Mediterranean and you deserve to be bald!"

As soon as Wang Qian turned her head, she found that Li Yuanyuan was looking at her, and her temper came up in an instant. She cursed at it, "What do you want to see, do you want to see my jokes? Are you all right?"

Li Yuanyuan didn't accept Wang Qian's words, she took the card that she gave her for the rest of her life and went to prepare the purchase contract. She was not someone who had fallen into trouble, so she didn't even taunt Wang Qian.

Once again, the person she had always looked down upon ignored Wang Qian's heart for a while, thinking that I was unsuccessful, so I stopped by to see Li Yuanyuan's joke.

She doesn't think that a person like Yu Sheng who has a brand-name product all over his body can buy a house for 25 million yuan.

If it is really sold, wouldn't Li Yuanyuan want to draw 300,000 yuan from it? Thinking of Yu Sheng's poor and sour look, Wang Qian was amused by her own thoughts.

Just like him, it is a miracle to be able to buy a 70-square-meter house, not to mention the best villa in Yijing Homeland.

Wang Qian followed Li Yuanyuan with her arms folded, intending to watch her jokes.

Li Yuanyuan, who got the house purchase contract, went back and found that Wang Qian was following behind her. Her face was even more ugly. Without paying any attention to her, Li Yuanyuan smiled and handed the contract to Yu Sheng.

"Sir, miss, look, if there is any objection, we can swipe the card here."

Wang Qian curled her lips in disdain, and said with a shame: "Li Yuanyuan, I feel embarrassed to be a colleague with a fool like you. I know that they came to make trouble. You actually took the house purchase contract. I don't know what to do. What did you say?"

Taking a deep breath, Li Yuanyuan resisted the urge to get angry, turned her head and glared at Wang Qian, who was troublesome to her over and over again: "How do you know that my client can't afford it, even if it is I can't afford it and don't care about your business, right?"

You think people who can buy a house don't yet have one. "

With a cold snort, Wang Qian disdainfully said: "Since you think your client can buy a house, let him swipe his card!"

Li Yuanyuan looked at Yu Sheng, subconsciously clenching her lower lip, not knowing what she was saying.

Xiao Zixin, who had been listening to this, even though she had a good temper, the bitter eyes grew to the sky. Wang Qian was confused, and for a while she forgot not to let the rest of her life give her such an expensive villa.

Yu Sheng glanced at Wang Qian coldly, with a look that seemed to be a clown, with a face full of

dissatisfaction.

"The password is six zeros." Yu Sheng said lightly.

Wang Qian is angry! Being looked at by a pauper with that kind of foolish eyes, he said angrily: "What do you look at, you are a poor man, you think you have said the code, and Kari really has 25 million..." drop! Shabu card is successful.

As soon as Wang Qian's voice fell, she heard the voice of successful credit card swiping, and she didn't react for a while, and there was a roar in her mind.

"This...this...is the credit card successful?" Wang Qian rubbed her eyes in disbelief, and looked at the four big green characters on the payment success, she was surprised.

## **Chapter: 1000**

Even Li Yuanyuan was dumbfounded, she felt that all this was like a dream, too unreal!

An ordinary person who looks ordinary, holding the black card, said that he wanted to buy their best villa here. Everyone thinks that this is a joke or a prank.

But now that the card is really successful, she really negotiated a 20 million contract, and she really did it.

Li Yuanyuan, who was sober, was overwhelmed with joy. This is a 25 million villa. She can get 300,000 yuan from this list.

Three hundred thousand!

Thirty-five was able to buy a small house with a down payment in this huge Qiancheng. She had been out of the mountains for so many years, and she had been bullied for so long that she just wanted to have a home, and now she actually realized it.

When she thought of this, Li Yuanyuan couldn't hold back her nose, and her tears fell as soon as she couldn't hold back her nose.

Realizing her gaffe, Li Yuanyuan quickly wiped away the tears on her face, and said excitedly: "Yes... I'm sorry, I really didn't think of..."

Yu Sheng also smiled slightly, and said with a smile: "I really didn't think I could buy it, right?"

The smile on Li Yuanyuan's face was a bit embarrassing, but she said honestly: "To be honest, I really didn't think you could buy such an expensive villa, and didn't think that the rich would want you to be so low-key."

Yu Sheng nodded, thinking that Wang Qian in front of him was very good, even if he felt that he could not afford the villa, she still gave such a warm hospitality, she was a nice girl.

At this moment, Wang Qian also replied from shock, 25 million orders! How could it be done by a girl like Li Yuanyuan from the mountains.

"Li Yuanyuan, the manager just told you that you are in a hurry, so hurry over! I will help you with the customer's affairs here."

Pushing Li Yuanyuan aside, Wang Qian sat down in the place where Li Yuanyuan was before, and looked at Yu Sheng with a respectful smile, apologizing: "I'm sorry, sir~ I was so disrespectful to you because I was so disrespectful before. , Your grown-ups have a lot of things that you wouldn't care about as a little girl of mine, right?"

Having said this, Wang Qian sat in the direction of Yu Sheng again, and touched the base of Yu Sheng's thigh without being honest.

"Wang Qian, what do you mean, why don't I know the manager called me, besides, this is my client who doesn't need your help."

Even if Li Yuanyuan has a good temper, no matter how she can tolerate Wang Qian, she is absolutely impossible to take a step back in this matter. After all, this matter has 300,000 benefits, which is no small matter.

I am talking to Yu Sheng! This Li Yuanyuan is too ignorant of what is good and what is wrong. It is enough for a person from the mountain to stay honestly, and only she can match this kind of list.

Picking up the boiled water on the table for the rest of his life, Wang Qian poured it over Li Yuanyuan's face without thinking about it, and said angrily: "I told you, the manager has something to do with you, don't you understand people?"

After finishing talking, Wang Qian turned her head and smiled and looked at Yu Sheng, and said apologetically: "How long is this Li Yuanyuan new here, she is not sensible at all, the poor girl in the mountains is not qualified to receive rich people like you. ."

After saying that Wang Qian had exposed her chest to Yu Sheng's eyes. If such a big list can be negotiated, it would be worthwhile to sell some hues.

Yu Sheng's face became cold, looking at Wang Qian's unspeakable disgust in front of him.

Without a word, Yu Sheng picked up the coffee in front of Xiao Zixin and splashed it on Wang Qian's face without saying a word.

Wang Qian had a reaction at all, she was splashed with coffee, and even the white shirt was covered with brown liquid. She looked even more embarrassed than Li Yuanyuan.

Fortunately, the coffee is warm. If it is piping hot, her face will be useless.

"Since you like to splash water on other people's faces so much, then you can also taste this taste! How do you feel?" Yu Sheng asked coldly.
