

Doomsday 711

Chapter 711: Father and daughter love everyone

"City Lord, please say!"

Yun Mengsi showed a charming smile, a pair of charming eyes, looking at Di Ping, waiting for his question.

"Today Wang Xuming suddenly went crazy, it's your method!"

Di Ping smiled calmly, then smiled.

Han Zhongguo looked at Di Ping unexpectedly, wondering why he suddenly said that Wang Xuming was controlled by Yun Mengsi. Isn't it impossible?

"The city lord...this.... Where do you start?"

Han Zhongguo was only surprised, but Yun Kuohai couldn't sit still anymore. As soon as Di Ping's voice fell, his expression suddenly changed, and he stood up and said anxiously.

Of course he knew his daughter's abilities, so he took it for granted that Di Ping was going to inquire about the crime.

But Di Ping ignored him and turned his gaze on Yun Mengsi.

Hearing Di Ping's words, Yun Mengsi's body was shocked and her eyes flickered violently, but she was stunned for a while, and her eyes calmed down again.

She stretched out her father's hand and asked him to sit down, then set her eyes on Di Ping's face again, and smiled gracefully: "I did it!"

"This! You really did Wang Xuming's madness?"

Di Ping did not speak, but Han Zhongguo beside him was screamed in shock. He looked at Yun Mengsi in surprise. When he saw Yun Mengsi nodding again, he slowly sat on the sofa with a worried expression. : "No wonder Wang Xuming always said he was wronged!"

"City Lord, the little girl didn't mean it, then...that Wang Xuming, mean...intention..."

Yun Kuohai was dragged by his daughter to sit down, but his heart was extremely anxious. When he saw Di Ping's face become serious, he suddenly panicked, thinking Di Ping was angry, and quickly stood up to explain, but he didn't finish. Was interrupted by Di Ping.

"Brother Yun don't worry, I have something to ask Miss Yun for help!"

Di Ping looked anxiously and smiled slightly.

"Uh! Don't worry... Don't worry...Ahaha!"

Yun Kuohai was taken aback for a moment, then a sudden smile appeared on his face, while smiling awkwardly, he waved his hands again and again.

"City Lord, what do I need to do?"

Yun Mengsi looked at Di Ping and smiled.

"I would like to ask you to help interrogate someone. He has the news I want. I don't know if Miss Yun can do it!"

Di Ping straightforwardly explained what he wanted her to do. After speaking, he paused for a while. After a while, he was filled with thoughts and said, "By the way, his current state is crazy, although I don't know whether it is true or not! "

"Can I try?"

Yun Mengsiyu flicked the messy hair on the temples and smiled at Di Ping Meiran.

"Can you be crazy?"

Di Ping asked with surprise

At this moment, he thought to himself that the demon knew that she would seduce people, and she didn't say whether it could be done, but she just said to try, is this okay or not? .

"Where is the person? Where?"

Yun Mengsi blinked mischievously at Di Ping, then raised his eyes and asked where is the person? Did not answer Di Ping's question at all.

It seems that this demon girl is confident in her heart!

Di Ping sighed while looking at Yun Mengsi's expression, but did not dare to neglect, and pointed directly at the room where Wang Dequan was.

"Will go, see who makes our great city lord at a loss!"

Yun Mengsi Shi Shiran stood up, stretched her waist gracefully, and smiled softly.

She didn't care about it. This stretched waist, the perfect body curve was exposed, especially the short coat, showing the flat belly, the clear waistline, and the small and charming belly button exposed in front of everyone.

Di Ping only took a look, only to feel a sudden jump in his heart, as if a lively little rabbit was bumping everywhere.

Don't talk about him, even Han Zhongguo was confused for a long time before he looked awkwardly.

Chapter 712: Leng Yan female jumped into her arms

"This enchantress!"

It took Di Ping for a while to calm down the restlessness in his heart, watching Yun Mengsi who lightly twisted his waist and walked toward the room, secretly cursing.

This is her true nature, thinking that changing clothes has changed, that is she is too naive, this is a woman who discharges at every opportunity.

"Hehe! The lord, let me go in and see!"

Of course Yun Kuohai knew his daughter's character. He was also embarrassed when he looked at the embarrassed two, and he gave them a dry smile, and then quickly caught up with his daughter.

"City Lord! This is a fox demon. The goblin can inhale yang energy. You can always take care of your body, the city lord!"

Han Zhongguo walked to Di Ping's side, his face was heavy, and he said in a low voice earnestly.

After speaking, he shook his head, carried his hands behind his back, and followed Yun Kuohai to the room without waiting for Di Ping to reply.

"I wipe! What shall I take care of?"

Di Ping was taken aback for a moment, and immediately understood that he came over and screamed, but Han Zhongguo had walked to the door without stopping and stepped into the room.

"You...you made it clear to me!"

Di Ping whispered at Han Zhongguo's back.

"I wipe it! What's all this!"

Seeing Han Zhongguo disappearing at the door of the room, Di Ping almost jumped up, but it seemed that Han Zhongguo would not be back, he stomped and cursed.

After taking a few breaths, Di Ping calmed down his anger and walked into the room quickly.

Han Zhongguo was obviously afraid that Di Ping would look for him, so he had already hid inside, his eyes didn't move to the door at all.

"You two go out? Guard the stairs and don't let people come down!"

Di Ping gave Han Zhongguo a fierce look, and then ordered the two combat team members guarding Wang Dequan.

"It's the city owner!"

The two reverently led their orders and quickly retreated, and closed the door of the room.

Only Han Zhongguo, Di Ping and Yun's father and daughter were left in the room.

Wang Dequan still looked at the ceiling with empty eyes as he did when he first saw him, holding two severed arms, and muttering in his mouth not knowing what to say.

"it's him?"

Yun Mengsi carefully looked at Wang Dequan on the bed for a while, and then asked in a low voice.

"That's him!"

Di Ping nodded.

"What's his name?"

Yun Mengsi asked.

"Wang Dequan!"

Di Ping said.

Yun Mengsi wasn't talking, but just turned around the bed, staring at Wang Dequan, not knowing what she was doing.

Di Ping and the others watched her movements quietly.

Suddenly, Di Ping felt a slight fluctuation in Yun Mengsi's body, and this fluctuation would not have been felt if he hadn't had a keen mental power.

Although this kind of fluctuation was subtle, Di Ping suddenly discovered that Yun Mengsi seemed to have changed her person. Her whole person seemed to have entered the cloud and mist at once, becoming dreamlike and ethereal like an immortal. The fascinating rhyme is clearly standing in front of you, but it is far away in your eyes.

"Wang Dequan!"

She spoke, her voice seemed to rise from the honey, sweet and waxy, sweet to the bottom of my heart, soft to the soul.

"You look at me!"

The voice seemed to be filled with endless magic, and it made people feel involuntarily depressed.

Even when Di Ping heard this voice, his mind was turbulent, and he couldn't wait to look at it quickly. Han Zhongguo was even more unbearable. He took two steps back quickly and moved away from Yunmengsi.

But Di Ping clearly saw that Wang Dequan's body trembled, his hollow eyes flickered, and he sneered inwardly:

"I see how long you can do it!"

He never believed that Wang Dequan was really crazy, but the interrogation was obviously useless, and there was no way he knew he was pretending to be himself.

Chapter 713: Make Mok beautiful

"Come, look at me!"

Yun Mengsi approached the bed, and his voice became deeper, like a whisper in a nightmare, like a whisper in hell, erratic, seeming to be far away, and curled up, he heard a call from the bottom of his heart, making people sink.

Wang Dequan's body began to shake violently, his eyes were no longer hollow, but flames were burning.

"Don't you dare to look at me?"

Yun Mengsi's voice gradually carried a strange sadness, as if he was acting like a baby to his lover, and was telling his heart to the lover.

"No! I dare... No one can take you away!"

These words were like the last straw that overwhelmed the camel, Wang Dequan suddenly turned his head with blood red eyes to look at Yun Mengsi and roared.

He stared at Yun Mengsi closely, the desire and anger in his eyes were so burning, as if to burn people.

Yun Mengsi was obviously taken aback by Wang Dequan's sudden movements. Her body trembled, but the corners of her mouth tightened, and her backlash abruptly stopped.

With such a tremor, Di Ping clearly noticed that there was a struggle in Wang Dequan's eyes.

Immediately afterwards, Di Ping saw Yun Mengsi biting his lip suddenly, causing greater energy fluctuations around his body.

Her pair of coquettish fox eyes suddenly turned red, with red eyes and red pupils, and she felt fascinated at the first glance, as if she was sucking people's hearts in with endless attraction.

Wang Dequan, who was initially struggling, seemed to have lost consciousness in an instant. He was staring at Yun Mengsi's blood-red eyes, lost focus, and became hollow again.

A surprise flashed in Di Ping's eyes, but he suddenly discovered that Yun Mengsi's face had turned pale, a trace of blood red appeared at the corner of his mouth, and his body was also shaking.

He was startled, and he was about to step forward to support Yun Mengsi, but he just wanted to move, but Yun Mengsi suddenly said: "Okay, just ask, he has very strong willpower, I can't support it for long!"

Di Ping stopped his movements abruptly. He knew the priorities, so he couldn't disturb Yun Mengsi now, so he asked the answer quickly.

"Wang Dequan, why are you attacking the city of refuge?"

Di Ping reluctantly looked at Wang Dequan and asked.

"Di Ping killed my brother!"

Wang Dequan replied mechanically with hollow eyes.

"Little brother?"

Di Ping was taken aback, what did I kill his brother? But now is not the time to think, ask the answer first.

"Who are you cooperating with in Sanctuary City?"

Di Ping asked the question he cared most.

"Yes....."

Suddenly, Wang Dequan's body trembled violently, his eyes twitched rapidly, and the expression of struggle appeared on his face.

"Is this going to break free of control?"

Di Ping's expression changed when he saw this situation.

"Condensation!"

Yun Mengsi suddenly let out a low drink, and pointed his right index finger to the center of his forehead.

Then I saw that there were more intense energy fluctuations on her body. The clothes on her body were unexpectedly windless, and her hair was flying high, with her blood-red eyes, as if she were a witch with long hair.

Yun Mengsi increased his mind control, Wang Dequan obviously still couldn't match her mind control, and calmed down again, his eyes became confused again.

"Who is the city of refuge with whom you are cooperating?"

Di Ping looked at the blood pouring from the corner of Yun Mengsi's mouth again, he didn't dare to neglect, and hurriedly asked again.

"Yes... It's a woman!"

Wang Dequan replied mechanically.

"woman?"

Di Ping's eyes changed for a while, how could he be a woman?

Who is this woman?

Yu Shujie, Liu Bingyu returned Ning Nan, he was stunned, never suspected of these women.

For a moment, Di Ping felt bored in his heart, making him uncomfortable.

Chapter 714: Ask to rescue friends

When Han Zhongguo listened to Wang Dequan's answer, he was stunned. Like Di Ping, she suspected that no one doubted women.

Because this level can only be achieved by the four women in the base management, but who doesn't know how these four women's affection for the city lord will be betrayed?

Why does a woman betray the base? This makes him totally confused, because of love?

Just one day after Wang Dequan arrived, did he chase these women?

Han Zhongguo didn't need to think about it at all. It was impossible to look like Wang Dequan. Although it was not ugly, it was definitely not pretty.

What is it for? For a time, his head was as big as a fight.

"Who is it? What's your name?"

However, Di Ping deserved to have been fighting for so long in the last days, and his xinxing had become a lot stronger. He immediately calmed his mind and asked quickly.

"Her last name is Ye, I don't know what her name is!"

Wang Dequan replied mechanically.

"Ye Lu?"

When Han Zhongguo heard this name, he cried out in shock.

"puff!"

His call awakened Wang Dequan, his eyes suddenly widened, and Yun Mengsi's face turned pale, his body shook, and a mouthful of blood spurted out.

"Sisi!"

Yun Kuohai, who was worried and worried on the side, rushed up to hold his daughter and shouted nervously.

"You...what did you do to me?"

Wang Dequan was not crazy at this time, he opened his eyes wide and looked at Di Ping screamed in horror.

"Why don't you pretend to be crazy?"

Di Ping looked at Wang Dequan coldly.

"I'm going to kill you!"

Wang Dequan was exposed, he was taken aback for a moment, and then he rushed towards Di Ping like crazy.

"roll!"

Di Ping casually slapped him out like a torn sack with a palm of his hand. The person was bleeding from the seven orifices in the air, and blood spurted wildly in his mouth.

"boom!"

Wang Dequan smashed his whole body on the wall, as if turned into a piece of cake, and the whole was stuck on the wall. For a time, the wall was full of blood.

"I hate...."

Wang Dequan suddenly stared at Di Ping with wide-eyed eyes and shouted.

Then his head tilted, and the whole person slid off the wall. The blood stained the wall. He was dead but his eyes were still wide, and there was a deep resentment and resentment in him.

"City Lord, how did you beat him to death?"

Han Zhongguo was taken aback for a moment, and when he reacted, he ran over and saw that Wang Dequan was already out of breath. He looked back at Di Ping and complained.

"He's useless, keep wasted food!"

Di Ping swept away the dead Wang Dequan coldly.

In fact, he was angry just now, and he didn't have any seriousness in his hands. He didn't want to kill Wang Dequan.

But when he heard the word Ye, he was angry at the time. There was only one person surnamed Ye in the upper level, and that was Ye Lu.

And this Ye Lu was saved by Di Pingxin, and it was the girl he saved that had betrayed him. How could this not make him angry.

Why did she betray?

Why does she betray?

Since saving her and returning, I have never treated her badly, not lacking her food, not lacking her clothes, and never forcing her to do anything she doesn't like.

Di Ping did not understand why she betrayed herself.

This is how Di Ping has no importance when he makes a shot. He has mastered Huajin, and Wang Dequan's whole body is about to be beaten.

"Oh!"

Han Zhongguo felt Di Ping's suppressed anger, and knew that it was not the time to say it, so he swallowed the following words quickly.

"City Lord! Save Sisi, right? She..."

Yun Kuohai hugged Yun Mengsi and looked at Yun Mengsi who was already in a coma. He looked at the anxious request.

"How is Miss Yun?"

Only then did Di Ping react, looking at Yun Mengsi, who was already in a coma and limp, his heart violently twitched, and he suddenly raised his throat, worrying instantly overwhelming anger.

Chapter 715: Change the requirements to guarantee

"Come on!"

Di Ping yelled at the door, and the whole basement was shaken.

"City Lord!"

The two combat team members guarding the stairs rushed into the room when they heard Di Ping's roar.

"Hurry up and find the three instructors Mok, Angela and Gina!"

Di Ping shouted at the two of them.

"Yes!"

The two of them were stunned by Di Ping, but they were taken aback, reacted immediately, turned around and ran out, the speed was so fast.

"Don't worry, Brother Yun, they will come soon!"

After Di Ping ordered the two of them, they squatted down and comforted the already anxious Liushen Wuzhu Yun Kuohai.

"Okay...Okay! Thank you, the lord, Sisi hadn't been well injured before, and she couldn't bear it this time for forcibly casting the spell, which consumed too much!"

Yun Kuohai looked at Di Ping gratefully, and glanced down at his pale-faced daughter with her eyes closed, with a worried expression.

"It's my fault, I was too anxious to know the answer, I didn't think of it!"

Di Ping looked at Yun Mengsi's pale face and said guiltily.

He also did not expect that Wang Dequan had such a strong willpower, that he could almost psychedelize his Yun Mengsi, and could not control him when he was completely healed. Yun Mengsi tried to force Di Ping to output successfully, but she ignored what she had done before. The injury was not fully healed, which led to the anti-addiction injury.

"You are not to blame for this! This girl has been so used to it since she was a child, and I can't control her!"

Yun Kuohai gently stroked her daughter's face and said slowly.

His movements are so slow, his eyes are so focused, and his voice is a little low, deliberately suppressing the sadness in his heart.

That's it, Yun Kuohai's eye circles are also slightly red, and the eye frames are moist, and they are a little bit sparkling.

Di Ping was also uncomfortable, he could feel Yun Kuohai's love for his daughter and deep guilt.

The whole room fell silent for a while, even Han Zhongguo was also sad, he was also a father, and of course he knew how Yun Kuohai felt.

"What's the matter? This..."

At this time, there were rapid footsteps outside the door, and then Ning Nan rushed into the room and asked anxiously.

But when she looked at the situation in the room, she was a little confused.

"Don't froze, see how Miss Yun is doing?"

Seeing Ning Nan, Di Ping's eyes brightened. Ning Nan is the director of the medical department. She has a very extraordinary medical skill. She can count on it when she sees it, so he hurriedly shouted at the stunned Ning Nan.

"Oh!"

Ning Nan was called by Di Chan, and then he reacted and hurriedly responded.

"Don't worry, it's okay. I checked. The heartbeat and pulse are all normal. There is no obvious injury on the body. There is a slight echo in the internal organs, but it is not too serious. It should not be caused by trauma. It is only due to mental stimulation. Some are weak, other problems are not big!"

Ning Nan stepped forward to check, and touched her pulse again. Only then did she look at the three Di Ping with a relaxed expression and said.

"Okay! It's fine! It's fine! It's fine! Thank you...Thank you Dr. Ning!"

Yun Kuohai immediately affirmed Ning Nan's medical skills when he heard Ning Nan's words about the cause of the injury. Then she said that nothing should be serious if nothing happened, so she immediately became excited and thanked again and again.

"Move people to bed for a rest first! It's easy to catch cold when lying on the ground!"

Ning Nan looked at Yun Kuohai and suggested.

"Good! Listen to Doctor Ning!"

If Yun Kuohai has opinions, he nodded quickly.

Chapter 716: Inner ghost shows beauty collapse

With Di Ping's help, Yun Mengsi was lifted onto the bed. As for Wang Dequan, there was no chance to enjoy it.

"what!"

At this time, Ning Nan finally saw Qiqiao bleeding from the corner of the wall, and the whole person seemed to be Wang Dequan who had been crushed and turned into a flat state. She immediately screamed in shock. He jumped back and jumped into Di. Flat arms.

Di Ping subconsciously caught the overwhelmed Ning Nan, and when he realized it, the beauty was already in her arms. The soft and exquisite body and the breathtaking fragrance, the perfect combination of touch and smell, only destroyed Di Ping's heart in an instant Line of defense.

The body directly betrayed him, the male characteristics were eager to try, the heart was beating endlessly, and the breathing became short.

This kind of physical contact made him feel unusually excited. It seemed that he liked the feeling of being a beauty in his arms.

Of course, as long as he is a normal man, there is no dislike, unless he is abnormal!

"what!"

After a brief loss of consciousness, Ning Nan finally reacted. When she felt Di Ping's extremely strong male hormone aura, she immediately screamed again, like a frightened elk, and jumped away.

Ning Nan regretted it when she walked out of Di Ping's arms. She suddenly found that she liked the feeling of being embraced. She immediately felt emptiness after leaving.

But shyness finally defeated desire. She covered her face that was blushing like a red cloth, and her eyes quickly swept around. Only when she found that no one was looking at her, she exhaled a long breath.

The scene just now was too fast. As soon as the beauty entered her arms, she disappeared in a blink of an eye. Before he could recollect, the only thing left in her arms was the beautiful beauty.

In fact, all this was seen by Han Zhongguo, who had been around, but who he was, immediately turned his eyes to the hospital bed, and Ning Nan didn't see all this, otherwise her face would be even redder.

After a long sigh of relief, Ning Nan pointed to Wang Dequan's body on the ground in surprise and said, "He... how did he die?"

"Pretending to be crazy and stupid, I killed it!"

Di Ping retracted his hug-shaped hand and took a deep look at Ning Nan before he said calmly.

"Oh!"

Ning Nan nodded, then walked to the bed to see Yun Mengsi.

He didn't care about how Wang Dequan died. He just found a topic to break the embarrassment. Now that the embarrassment is broken, there is no need to talk more about this issue.

"Come on!"

Di Ping glanced at Wang Dequan who had lost his life and shouted in a deep voice.

"City Lord!"

As soon as the door opened, a combat team walked in and offered a military salute to Di.

"Clean up the dead body!"

Di Ping's eyes motioned for Wang Dequan's body on the ground.

"It's the city owner!"

Looking at the ***** corpse on the ground, the team member twitched his face, and then one of them responded.

"By the way, find something and wrap it first, don't send it out, keep it secret!"

Then Di Ping remembered something and confessed again.

"Master, here we are!"

Within two minutes of cleaning up, Mok, Angela and Gina have rushed over and saluted Di.

"Stop saluting, come and save people!"

Di Ping stared at them and pointed to Yun Mengsi on the bed.

"It's the master!"

The three dared not neglect, and immediately walked to the bed.

Then I saw three people, two women holding sticks, and Mok using a hammer, the three weapons were all surging, and there were waves of energy fluctuations in the space like tides.

I have never seen three of them cast spells together, but now that the three of them cast spells at the same time, the energy fluctuations in the space are more intense, much stronger than one.

And obviously, the activity of surrounding elements is also different.

Di Ping could obviously feel that the elements were more active at this time than when one person was casting a spell, and the whole room was full of various elements.

It made Di Ping feel as if there were too many people and elements like to join in the fun.

Chapter 717: Beauty Dicheng Initiative

The three energies condensed, illuminating the entire room like daylight, and the powerful energy fluctuations made Han Zhongguo standing in front of him involuntarily retreat from the broad sea of clouds.

Only Di Ping stood motionless in front of the bed, watching the three cast spells.

"Om!"

Suddenly, there was a slight buzzing in the room, and the three people's spells condensed to the extreme, and the three groups of light groups the size of adult fists broke away from their weapons and rushed towards Yun Mengsi on the bed.

Yun Kuohai looked nervously at everything in front of him. Although he had seen it before, the mystery of the spell made him a little worried about his daughter's safety. Especially when he saw the energy ball flying towards his daughter's body, he was shaking nervously.

But he was worried for nothing. The energy ball seemed to be a weightless feather, hitting Yun Mengsi's chest without making any sound.

Then in his surprised eyes, the three groups of light groups instantly enveloped Yun Mengsi, and then as if he had found his home, countless rays of light quickly poured into Yun Mengsi's body.

Yun Mengsi seemed to be shrouded in a layer of magical halo, and the whole person looked like a dream.

In just three or four seconds, the halo disappeared, but Yun Mengsi's face turned ruddy again at a speed visible to the naked eye.

The faint ups and downs of his chest were also rapidly becoming obvious. The amplitude of the ups and downs gradually increased, and the breathing became stronger.

"Sisi!"

Seeing her daughter's performance, Yun Kuohai wanted to rush to it in surprise.

"Wait!"

Di Ping stopped him.

Although puzzled, he stopped, and then when he saw the three of them cast the spell again, he understood Di Ping's intention.

Is this going to cure Yunmengsi in one go?

Sure enough, the three of them cast the spell again. In the energy halo, Yun Mengsi opened his eyes, and the weakness and fatigue in his eyes disappeared completely.

"Sisi, how do you feel?"

Di Ping let go of the clouds, he hurried to the bed, looked at his daughter and asked worriedly.

Yun Mengsi glanced around, she understood what had happened, and felt the renewed vitality in her body. She looked at her father happily and said, "Dad, I'm fine, I've never felt better!"

As she said, she stretched her waist again, with a lazy temperament, like a lazy cat resting in the afternoon sun.

"That's good, that's good!"

Yun Kuohai rubbed his hands in excitement and nodded again and again.

Yun Mengsi jumped off the bed and came to Gina excitedly. He grabbed the hands of Gina and Angela and thanked: "Sister Gina, Sister Anji, thank you for saving me!"

"Sister Sisi, you are welcome!"

Gina and Anji are already familiar with her, smiling and shaking their heads.

"There seems to be me?"

Mok touched his nose and whispered.

"Yes, yes! And this handsome guy..." Yun Mengsi reacted quickly, and immediately saluted Mo Kewan'er with a bright smile, with a charming smile and a charming figure, all at once amorous.

"This...hehe! No need...no need..."

Now it was Mok's turn to be embarrassed. He was just joking, but he didn't know Yun Mengsi's lethality. Yun Mengsi's actions were all moving, making him a big red face.

"Haha!"

Gina and Angela looked at Mok's embarrassment, and suddenly laughed unkindly.

Now Mok is even more embarrassed. Although Mok is very handsome and demeanor, he is still tender in terms of women. He doesn't talk much with people, let alone talks with women, let alone clouds. A woman like Mengsi.

Therefore, I didn't know what to do for a while, and made a big red face.

Chapter 718: The stairs are quiet

"Miss Yun, I'm very sorry, I didn't consider that your injury was not fully healed!"

Di Ping looked at Yun Mengsi apologetically.

"As long as it can help the city lord, Mengsi is willing to be seriously injured!"

Yun Mengsi looked at Di Ping with a smile.

At this moment, the look she looked at Di Ping was completely different from Mok's. There was no joking in her eyes, and they were all tender and soft, which made Di Ping somewhat overwhelmed.

Di Ping stared blankly at Yun Mengsi's red lips, which opened and closed slightly, and the small and flexible tongue. He felt a flow of heat rising from the tail vertebrae, his heart was throbbing, and his lower body was about to move. Take a bite.

"Ahem! Thank you Miss Yun for her wholehearted help. Feel free to mention any needs at the base in the future!"

But now his control is strong, he reacted in an instant, hurriedly coughed twice, concealed his embarrassment, and then slowly said.

Di Ping shifted his eyes to one side, he dared not look at this demon girl, let alone the two somewhat resentful eyes behind Yun Mengsi.

"City Lord, do you really want to thank me and ask me to mention it?"

Yun Mengsi suddenly pursed her lips and smiled when she looked at Di Ping in embarrassment, but then she closed her smile and looked at Di Ping solemnly.

"Yeah! Of course I really appreciate it! What can you ask for! As long as I can do it!"

Di Ping felt Yun Mengsi's tone, and then looked up at her and nodded.

"Sisi! How do you talk to the city lord? Then ask for something if you want to do it?"

Suddenly Yun Kuohai stared at his daughter seriously and scolded.

He has been in the world for decades. When he heard Yun Mengsi's request on the spot, he was shocked. Now they have just taken refuge under Di Ping. To put it bluntly, they are other people's horses. Just ask for anything, isn't this ignorant?

If things were done well today, Di Ping remembered the favor; but this request immediately turned into a deal, and Di Ping would still remember favors.

Di Ping's favor is hard to get. If there is such a profligate, isn't this girl in my own family so ignorant?

"father!"

Yun Mengsi looked at Yun Kuohai aggrievedly.

"Haha! It's okay! It's okay! Mention it! What's the point!"

Di Ping understood the meaning of Yun Kuohai after a little thought. He really didn't care so much, so he smiled and waved his hand again and again.

"Oh! It's still the city lord's atmosphere, so can I really mention it?"

When Yun Mengsi heard Di Ping's words, he slapped his jade hand with excitement, and smiled with excitement on his face.

"Tell it!"

Di Ping smiled and nodded.

"City Lord, can you release Shen Manshu?"

Yun Mengsi suddenly showed a miserable and pitiful look on his small face, and looked at Di Ping eagerly, begging.

"Shen Manshu? What happened to Shen Manshu?"

Di Ping was a little confused by Yun Mengsi's question, looked at her with a puzzled look and asked.

"She was arrested, and it was said that someone under her had leaked the secrets of the base, and she was also suspected of being arrested for interrogation!"

Yun Mengsi was taken aback for a moment. It seemed that Di Ping really didn't know this, so he said quickly.

"Caught? Who caught it?"

Di Ping looked at Han Zhongguo and asked.

Han Zhongguo also shrugged blindly, indicating that he didn't know.

"It was caught by the combat team. Today, Shen Manshu knew that I was coming, so he ran to find me, but the combat team rushed in and captured her soon!"

Yun Mengsi said in a hurry, then looked at Di Ping's expression and solemnly promised: "I know Shen Manshu, she will never do anything to reveal the secrets of the base!"

"Oh!"

Now Di Ping finally understood what was going on.

Chapter 719: Finally exposed to sanctions

It should be Cheng Chao and Li Sheng who track down and kill the broadcast assistant Zhou Chunchun's murderer. As Zhou Chunchun's sole director, Shen Manshu can be said to be the closest person, but Zhou Chunchun did these things under her nose, but she didn't know. This is hardly justified, and it is normal to be arrested and interrogated.

Di Ping glanced at Yun Mengsi, who was waiting nervously for his answer, and his thoughts turned sharply.

He had already ordered Cheng Chao and Li Sheng to investigate this matter thoroughly, so he should completely believe them, and if he interfered and released Shen Manshu, it would be a denial of their rights.

Besides, who can guarantee that Shen Manshu has no problem, Yun Mengsi?

She can guarantee nothing.

Thinking of this, Di Ping looked at Yun Mengsi and smiled slightly:

"You have another request?"

"why?"

Yun Mengsi exclaimed anxiously.

"Sisi! Don't mess around!"

Yun Kuohai was anxiously sweaty, and when he saw his daughter questioning Di Ping, he hurriedly rebuked.

He was anxious because he blamed his daughter for being too reckless. This was something in the base, and she didn't understand many situations. The most important thing was that they would interfere with things in the base when they first arrived. This was a taboo.

His daughter is anxious that her good friend can ignore and forget the taboo, but he can't look at it. His lack of presence may cause dissatisfaction with Di Ping and some of the base management.

Has Han Zhongguo's face, who didn't look aside, sinks?

"but....."

Yun Mengsi wanted to argue, but was sternly stopped by Yun Kuohai.

"But what? No matter if you spoil you, the boss will know how to mess around every day!"

Yun Kuohai has a face sinking like water, with a stern voice, and its own majesty.

"Oh!"

Yun Mengsi saw that his father was really angry, so he swallowed the following words with a cry.

In fact, Yun Mengsi is not a taboo that I don't understand. Saying this today may make Di Ping unhappy, but she has to say that Shen Manshu is one of her few friends.

Moreover, when he arrived at the base, Shen Manshu ran over, arranged for himself after he was busy, and also helped himself to get a lot of daily necessities, which can be said to be well taken care of.

But after a while, a group of combat team members swarmed in and took her away. Seeing the fierce appearance of a group of team members, she was very worried about Shen Manshu's safety, so she took the risk.

She tried her best to control Wang Dequan before, but in fact, she had long thought about it, she just wanted to do meritorious service so that she could speak in front of Di Pinyang.

"Brother Yun, don't worry, I'm not a ***, I won't let people talk!"

Di Ping waved his hand at Yun Kuohai with a gentle smile.

He is really not angry. When others say something, he is angry, which is too small.

Yun Kuohai is mixed in black and white, and I have seen too many words that can't be said, and it will be catastrophic, so I am very timid, like walking on thin ice.

"Haha! The lord is generous, this girl is spoiled by me, I don't know the severity!"

Yun Kuohai arched his hands to Di Ping with a smile on his face.

"Brother Yun is polite!"

Yes, Di Ping Yun Kuohai is the older and the younger the courage, he stopped explaining, smiled and nodded, then looked at Yun Meng thinking, "Miss Yun, this is not a request. Shen Manshu was taken away. It's just a normal interrogation, and I will let her come back when she is fine!"

"Really?"

Yun Mengsi asked hesitantly with his eyes wide open.

"Of course it is true! I promise you that I will not wrong any of the city residents. Shen Manshu is also one of the city residents and will not be treated unfairly. As long as she is innocent, she will return soon. Up!"

Di Ping reluctantly raised his right hand and assured him.

Chapter 720: Mourn for its misfortune

"Okay! I believe you!"

Yun Mengsi nodded, showing a bright smile, blooming like a coquettish peach blossom.

"Then change your request?"

There was a trace of appreciation in Di Ping's eyes, and he smiled slightly when he looked at her delicate smiling face.

"Ok!"

Yun Mengsi tilted his head and blinked like a simple little girl thinking for a while, then suddenly smiled wittily: "Hey! Can I keep it, and I will mention it when I think about it?"

"Ok!"

Di Ping touched his nose with an awkward expression.

This Yun Mengsi is really a variety of enchanting girls, for a while, like a mature young woman, Fangfei is charming and charming. Sultry; sometimes it is a pair of Xizi holding hearts, Daiyu

condenses eyebrows, pear blossoms are like a rainy tenderness that makes people feel pity; for a while, they are like a bright and sunny girl, youthful and beautiful, and they are just like innocent little Girl, naughty and cute, makes people love, can't bear to hurt.

"Thank you City Lord!"

Yun Mengsi looked at Di Ping and laughed.

"Brother Yun, Miss Yun, go back and rest! I will pick you up at night!"

Di Ping arched his hands at Yun Kuohai and Yun Mengsi, then looked at a combat team member and said, "You will return Miss Yun and the others!"

Di Ping was really afraid of this demon girl. After a while, her mind was swaying and confused, so let her leave soon?

"The good city lord, let's retire first!"

Yun Kuohai knew that Di Ping and the others must have something to discuss, so he nodded and said.

"Director Han, you immediately arrange for a reliable person to take care of Ye Lu!"

Di Ping sent his father and daughter Yun to the hall, watching them disappear, his expression gloomy, watching Han Zhongguo command.

"It's the city lord, I'll go right away!"

Han Zhongguo also nodded solemnly.

"Wait! City Lord, why should you take care of Ye Lu?"

When Han Zhongguo was about to leave, she was stopped by Ning Nan. She looked at Di Ping in shock and asked.

"Because Wang Dequan confessed that the person who cooperated with him was Ye Lu, and she revealed the information of the base!"

Di Ping did not hide from Ning Nan, looking at her with a heavy voice.

"This is impossible?"

Ning Nan immediately screamed, with an incredulous expression on her face: "It's impossible for her. Ye Ye has a kind heart and a simple mind. How could she betray the base?"

In fact, it's not just her, Gina, Angela, and Mok are all familiar with Ye Lu. After all, the base is a few high-level people. From their understanding, how could a simple-minded girl like Ye Lu betray the base? ?

"I don't want to believe it either, but facts are facts!"

Di Ping's voice was low and soft, his face sinking like water.

"How could she possibly make a mistake, Wang Dequan said nonsense?"

Ning Nan threw himself in front of Di Ping'an, pulling his arm and shouting anxiously.

"It can't be wrong!"

Di Ping looked at her seriously and shook his head.

"No...no...why is this? It can't be her? Why did she do this?"

Ning Nan shook his head desperately, and looked at Di Ping with keen eyes, as if he wanted to see hope in his eyes.

She couldn't believe that her best friend would do such a thing, but Di Ping should not lie to her. Suddenly she lost her square inch, her usual coldness and tranquility had disappeared, she was

completely panicked, with big eyes from her eyes. The frame slides down, like pear blossoms with rain, looking pitiful.

"I also want to know why?"

Di Ping whispered softly, his voice full of fatigue.

"Go!"

Di Ping nodded weakly to Han Zhongguo.

"No! City Lord, no!"

Ning Nan looked at Di Ping hopefully with tears and couldn't help shaking his head.
