

Doomsday 721

Chapter 721: Deceive love and hate

Han Zhongguo couldn't bear it, looking at Ning Nan, who was crying extremely sad, his steps slowed down and looked at Di Ping.

Di Ping also felt a little unbearable. He knew that Ning Nan, Ye Lu, and Liu Bingyu were extremely good friends. From the last time they fought to save each other, it can be seen that the three women are not bad.

But now Ye Lu has become a traitor to the base. According to her perception, all traitors will not end well. Moreover, Wang Dequan has caused too much damage to the base, almost destroying the base, and many people hate it to death.

If they knew that Ye Lu was a traitor who had cooperated with him, no one would let her go.

She knew Ye Lu's destiny in her heart, and she was so sad, and there was also a girlfriend who deplored her how to do this, she couldn't figure out how?

She didn't even know about such an important matter. She was hiding it from herself. When did their relationship become so distant, she suddenly felt strange to Ye Lu.

Di Ping sighed and walked forward to gently embrace Ning Nan in his arms. A trace of helplessness flashed in his eyes. He was the one who looked down upon a woman to cry the most, especially the woman he cared about.

Ning Nan felt Di Ping's warm arms, and her body trembled slightly, but she softened at will. She put her whole body in Di Ping's arms and pressed her head tightly against his chest.

Her cheeks were red, her head hung down, her tears were soft and her tears were more fierce than before.

This was something she had thought about so many times in her dreams and was unavailable. She finally realized the warm and generous arms today.

His embrace is such a warmth, such a security, and such a sense of peace of mind that she can't wait to stay in his arms forever, but she knows that today's hug is not about love, but his love for herself. Kind of pity.

But even so, she felt satisfied and comforted, so that her torn aching heart felt a touch of comfort.

Di Ping flicked her back with his palm, and comforted her softly: "Don't worry! I won't embarrass her. I just need to review it. If nothing happens, it will be deregulated soon!"

Although he knew that the possibility of Ye Lu being wronged was unlikely, he knew that Yunmengsi's mind control method was so powerful that he almost got the trick, not to mention Wang Dequan, but he could only say that to comfort Ning Nan.

"really?"

Ning Nan raised his head and looked at Di Ping with a surprised expression in tears.

"of course it's true!"

Di Ping smiled slightly.

"Ok!"

Ning Nan burst into tears and smiled, with two tears still hung on his face, the real pear blossoms brought rain.

Di Ping was secretly happy. At this time, Ning Nan had the former cold and arrogant temperament, and now she is a girl in love, pure and lovely.

It seems that no matter what personality a woman is, whether she is arrogant or glamorous, she will become gentle and pleasant in front of the one she loves.

Ning Nan was happy, but someone was upset. Gina, who was standing not far behind her, pouted, showing a trace of loneliness on Qiao's face.

Han Zhongguo stopped, looking at Ning Nan who was nestling in Di Ping's arms at this time, with a strange smile on his face, secretly giving Di Ping a thumbs up.

This city lord is not only good at kung fu, but also good at picking up girls. If he had this level, he could hug right and right?

Thinking of his beautiful but powerful tigress, Han Zhongguo couldn't help shivering, and hurriedly strangled the little flame in his heart.

"Okay! Go to the break!"

Seeing that Ning Nan's mood calmed down, Di Ping nodded to Gina before speaking softly to Ning Nan.

Just now Di Ping just wanted to comfort Ning Nan, and had no other thoughts.

Ning Nan didn't cry at this time. The faint scent of orchids on her body and her constantly twisting delicate and soft body immediately gave him a strong sense of shock, and the body responded involuntarily, so she had to withdraw. Waist down, afraid of being embarrassed by Ning Nan.

So, let Gina come forward and take Ning Nan over.

Chapter 722: Chief Han talks about women

Ning Nan was not feeling well at this time, she had forgotten Ye Lu this time, and felt the warmth from Di Ping wholeheartedly.

The strong masculine breath rushed into her body madly, and Di Ping's palm seemed to carry electricity, giving her waves of numbness, causing her body to become slightly hot, and there was a place for privacy. Some damp.

Although she has never had a boyfriend, as a doctor, she knows physiology quite well, and she understands what is going on at a glance, and she can't raise her head immediately.

But she didn't want to leave the embrace that she had finally gotten. She wanted to resist this feeling, and she couldn't stop it. She twisted her body involuntarily, and her breathing gradually became quicker.

Di Ping knows that! It just felt that Ning Nan's body was twisting slightly, making him more uncomfortable, and quickly pushed Ning Nan away gently.

As soon as she left Di Ping's embrace, Ning Nan actually let out a sigh of sorrow, feeling that her body and mind were empty.

"Sister Ning, stop crying, let's take a break!"

Gina got Di Ping's signal and hurried up to support Ning Nan.

"Ok!"

Ning Nan's body was a little soft, and she was still trembling slightly, she suppressed the feeling of shyness and nodded gently.

Her voice was glutinous, soft, and there was a strange rhythm. When Di Ping heard it, Di Ping's heart burst, and she almost couldn't hold her back and rushed to gnaw at her.

Gina is still a simple girl after all. She just felt that Ning Nan's voice was wrong, but she didn't know what was going on.

Han Zhongguo, who was not far away, was a little far away. He didn't hear the soft hum, but as a person passing by, he always felt that something was wrong, and two strange eyes kept flashing over them.

"cough!"

Di Ping pressed for several times before suppressing the throbbing in his heart. When he saw Han Zhongguo's weird eyes, he hurriedly covered up with a dry cough and said, "What! Chief Han, why haven't you left?"

"I wipe it!"

Han Zhongguo almost jumped up, aren't you picking up girls?

Your girl won't let me go, can I go?

But he didn't dare to say this, so he had to laugh and say: "Haha! Right now, right now..."

Ning Nan also reacted at this time, unable to raise her head shyly, she was helped by Gina to sit on the sofa, still bowed her head, afraid to look at the crowd, and silently wiped the tears on her face.

Han Zhongguo chuckled twice, then turned around to go outside, but he stopped after just two steps.

At this time, there was a light footstep from the stairs. Although it was very slight, it was clearly heard below.

Everyone looked up, including Ning Nan.

The footsteps were abrupt and out of rhythm, and they seemed to be hesitating or observing when they stopped and went, unlike the rushing steps of combat players.

This step caught everyone's attention, and the hall fell silent.

The footsteps on the stairs paused for a while, and then began to walk down, walking very carefully, making a rustle.

In the end, it seemed to be decided, moving lightly, and walking down quickly.

Then everyone saw a long-haired woman coming down the stairs. This was a young woman with long hair, a pretty face, and an enchanting body.

"what!"

The woman didn't expect so many people in the hall, and they all stared at her scorchingly. At that time, she retreated suddenly, covering her mouth and screamed.

"Ye Lu?"

Di Ping was surprised when he saw the visitor.

Why did she come here, and sneaky, she seemed to have a guilty conscience, and when she saw the crowd, her face turned pale, making Di Ping feel bad instantly.

At first he thought it might be wrong or there was some misunderstanding, but at this moment he suddenly felt that Ye Lu was really wrong.

Chapter 723: To find clues

"Ye Lu, what are you doing here?"

Di Ping's eyes gradually cooled, looking at Ye Lu and asked in a deep voice.

"me....."

Hearing Di Ping's question, Ye Lu changed from panic to panic, her body involuntarily retreated to the wall, her eyes flickering for a while, and she couldn't answer.

But when she saw her eyes, Ning Nan, who was sitting on the sofa with red eyes and looking at her worriedly, suddenly brightened her eyes and said anxiously: "I...I'm here to find Sister Nan Nan. !"

"Oh! What is going on looking for Ning Nan?"

Di Ping could see her expression clearly, and now he was even more sure that Ye Lu definitely had a problem, and his heart was more cold, but he still suppressed the violent anger, and looked at Ye Lu and asked indifferently.

"I...know that Nan Nan is very tired today, I want to see what she can do for me to help?"

Ye Lu seemed to have found a good reason, her voice was not trembling, her eyes were not flickering, and her speech became smoother.

As she said that, she actually smiled and stretched out a strand of messy hair on her forehead.

Di Ping suddenly discovered that Ye Lu, who was originally youthful and sunny, lost a trace of purity and a trace of charm.

It was just that this thought flashed in his mind, but without paying much attention, she was already angered by Ye Lu's lies.

After Ning Nan heard Ye Lu's explanation, her face suddenly turned gray, and she slowly closed her eyes, her eyes flashing with despair.

Ye Lu said that many people didn't know the reason, but how could Di Ping Ningnan not know.

Although Ye Lu is designated as Ning Nan's assistant, he actually doesn't care about the medical department. He usually flies around like a happy bird. He has a lively nature, does not like to work, and he does not want to be restrained. .

Because many people thought she and Liu Bingyu were Di Ping's women, who would dare to ask her to work, and Di Ping also opened his eyes and closed his eyes, not willing to care about her.

So Di Ping and Ning Nan both knew that she basically hadn't been to the medical office very much, and she only came to chat with Ning Nan, or occasionally beat her hands, the number of times can be counted.

Normally Ning Nan is also used to her and doesn't care about her, so Ye Lu can be said to be the most moisturizing one ever at the base, not one of them.

Therefore, when she said this reason, Di Ping was angry at the time, and Ning Nan was also desperate. She used to think that Di Ping had made a wrong judgment. Now it seems that things may be true, Wang De is not nonsense.

"Director Han, take people away, right?"

Di Ping no longer wanted to say anything, and waved his hand to Han Zhongguo.

"Miss Ye, I want to consult you about something, please follow me!"

Han Zhongguo waved to the two combat team members who were not standing beside him, then walked to Ye Lu and smiled slightly.

Hearing Han Zhongguo's order, the two combat team members rushed up quickly, staring at Ye Lu, one left and the other.

"Go... go there?"

Ye Lu was a little dazed, and looked at Han Zhong Guodao timidly.

"You will know when you go!"

Han Zhongguo smiled coldly.

"No! I... I won't go!"

Ye Lu suddenly felt that the atmosphere was not right, and she shook her head in panic.

"Let's go!"

Han Zhongguo didn't have the thought of being polite with her either, and he shouted in a deep voice.

The two combat team members stretched out their vise-like palms and grabbed Ye Lu's two arms, and Ye Lu cried out in pain.

"Ah! Pain, you..... You let go... let me go... Why do you catch me!"

Ye Lu looked panicked, the intense pain made her react instantly, struggled desperately twice without breaking free, and screamed in horror.

Chapter 724: The hidden trace

"Why? It's up to you to betray the base and betrayed by the city owner!"

Di Ping didn't speak, but Han Zhongguo on the side shouted sharply.

"what!"

Ye Lu suddenly let out a cry of exclamation, her eyes shrank rapidly, and she was completely frightened now, she shook her head desperately: "No...not me...not me!"

She yelled, tears rushing away, her body trembling terribly from fear.

"take away!"

Han Zhongguo waved his hand with a gloomy expression.

"No...Don't...I don't want to go! Brother Han, I don't want to go!"

Her body couldn't hold back anymore and slumped to the ground, crying in horror, tears dripping down her cheeks, and looking at Han Zhongguo pleadingly.

"Di... Brother Di..."

But when he saw Han Zhongguo's gloomy face without a trace of expression, he immediately understood that his request was useless, and he looked at Di Ping pleadingly.

As a result, Di Ping's face was as cold as ice, and he looked at her coldly without moving.

"Nan.... Sister Nan Nan...help...help me!"

After failing to ask for help twice, Ye Lu was desperate, but when she glanced over Ning Nan, suddenly a fire burst out in her eyes, as if she had seen hope, crying and watching Ning Nan begging.

"City Lord, can you..."

Ning Nan looked limp on the ground, her hair messy, her eyes frightened as if it were an injured young deer, Ye Lu, who was crying almost unable to catch her breath, softened her heart, and looked at Di Ping pleadingly.

"No one can help her, only she can help herself!"

Di Ping glanced at Ning Nan and said in a deep voice.

Ning Nan was overjoyed and knew that Di Ping meant to relax. He hurriedly looked at Ye Lu and said anxiously: "Lulu! Hurry up! Don't tell the city lord what you know, fight for the opportunity!"

"Say...say what?"

Ye Lu, who was crying and begging in despair, suddenly trembled, looking at Ning Nan with a nervous expression.

"Say....."

Ning Nan was just about to say that he was stunned again, right! Say what? She doesn't know either?

"Say, why do you want to cooperate with Wang Dequan to disclose base information?"

Di Ping suddenly took the conversation, staring sharply at Ye Lu.

He also wanted to know why Ye Lu, who had never treated him badly, wanted to betray him.

"I... I don't!"

Hearing Di Ping's question, Ye Lu's body trembled again, and a trace of panic flashed in her eyes, but then she cried and said calmly.

"I gave her a chance!"

Ye Lu's performance was clear to Di Ping, even Ning Nan, Han Zhongguo and others also saw it clearly. He looked at Ning Nan and shook his head silently.

Ning Nan's expression turned sad again, she had already seen from Ye Lu's expression, she had lied, after all, Ye Lu was still too young to hide.

"Lulu! Don't be confused. It doesn't matter if you do something wrong for a while, you can tell the city lord that he won't blame you!"

Ning Nan worked hard again. She didn't want her good friend to have an accident, so she stared at Ye Lu's gentle comfort.

"Sister Nan Nan, I...I...really no...no..."

Feeling the worry in Ning Nan's eyes, Ye Lu suddenly lowered her head, not daring to look at Ning Nan's eyes, her expression struggling for a while, she shook her head again.

"You have let me down too much!"

Ning Nan was a little angry at this time. She tried her best to protect her, but Ye Lu didn't cherish it. She looked at Ye Lu disappointedly and shouted angrily.

"Sister Nan Nan?"

Feeling Ning Nan's disappointment, Ye Lu panicked again and looked at her pleadingly.

"You can do it yourself!"

Ning Nan's body shook, and finally he sighed, turning his face to one side, and stopped looking at Ye Lu.

Chapter 725: How difficult it is to destroy the city lord

"Sister Nan Nan!"

Ye Lu's body softened suddenly and looked at Ning Nan helplessly.

It's just that Ning Nan turned his head to the side in disappointment and didn't look at her, but the tears in his eyes gushed out like a spring.

"Ye Lu, you really have nothing to tell me?"

At this time Di Ping stared at Ye Lu again and asked.

"I....."

Hearing Di Ping's question, Ye Lu's body shook and looked at Di Ping. A trace of fear flashed in her eyes. Her lips moved as if she wanted to say something, but soon her expression dimmed again, her eyes shook dully. Shook his head.

Di Ping was also completely disappointed, and she was given a chance again and again, but Ye Lu didn't know how to repent. He had a slight affection for this sunny and lively girl, so he simply regarded it as a traitor if he didn't want to, but he didn't think his intention was wasted. .

"Take it with you!"

Di Ping waved his hand disappointedly.

"It's the city owner!"

Upon hearing the order, the two team members immediately set up Ye Lu, who was already limp, and walked up.

Ye Lu already seemed to know her own destiny, her eyes were dull and she didn't resist and let the two of them stand.

"Wait!"

Suddenly looking at Ye Lu who seemed to admit his fate, Di Ping suddenly moved and hurriedly stopped the two of them.

"What's the matter with the city lord?"

Han Zhongguo, who was about to leave, turned around and looked at Di Pingdao in surprise.

"Don't take it out, just lock it here, don't take it to the castle cell!"

Di Ping thought for a while and then looked at Han Zhongguo's command.

"Okay! Take it in!"

Although Han Zhongguo didn't understand Di Ping's meaning, he waved his hand to the two team members, and they set up Ye Lu and sent them to the room where Wang Dequan was previously detained.

"What does the city lord mean?"

Seeing Ye Lu being taken in by the two, Han Zhongguo walked to Di Ping and asked in a low voice.

"In this way, block the news that Ye Lu was arrested, don't disclose it, and the detainees are not allowed to leave here!"

Di Ping did not answer, but whispered to Han Zhongguo.

"Okay, I will arrange it later!"

Although Han Zhongguo was puzzled, he nodded in reply.

"Furthermore, after discussing with Director Lu and Li Sheng, arrange some reliable personnel to guard outside the medical office, and watch out for suspicious personnel!"

Di Ping continued.

"this is?"

Han Zhongguo finally couldn't help asking.

"I still don't understand why she betrayed the base. There is no reason? So I always feel that there is a problem with this. I want to see if anyone is an accomplice with her!"

Di Ping said in a low voice solemnly.

"Oh! That's right! How come I didn't expect this, or the city lord is thoughtful?"

Han Zhongguo raised his eyebrows when he heard this, and exclaimed excitedly.

"Okay! Brother Han, when did you slap your nose? I don't believe you didn't expect it!"

Di Ping gave Han Zhongguo angrily.

"Hey! That flattering, I'm the truth! The truth!"

Old Han Zhongguo blushed, then he smiled awkwardly.

"Why did you say that Ye Lu did such a detrimental thing? City Lord, you are not thin to her! I really can't figure this out! This human heart! It's really incomprehensible!"

Han Zhongguo shook his head with a sigh.

"Yeah! Who can get into the hearts of people?"

Di Ping was also a little emotional.

"But! City Lord, did you deceive other girls' feelings, maybe because of love and hatred?"

Suddenly, Han Zhongguo looked at Di Ping with a mysterious face and smiled playfully.

"Roll rough!"

Di Ping was taken aback for a moment, and immediately reacted. He looked at Han Zhongguo with a ugly expression. He gritted his teeth and lifted his foot to kick him, but Han Zhongguo was already on guard, and the person who had finished speaking rushed out with a smile on his face.

Chapter 726: Do not speak because of love

In fact, Di Ping would really kick him. After all, Han Zhongguo was also the oldest man, and Di Ping was just scaring him.

"Hey! I said the city lord, don't you be embarrassed? From my eyes, this girl is obviously broken, and it is not you?"

Han Zhongguo obviously knew that as soon as Di Ping put his feet down, he leaned over again with a smile, with a mysterious whisper.

"I said, can I stop blowing up the atmosphere! Look at it from your own eyes! Has the harmony of life been suffocated recently?"

Di Ping gave Han Zhongguo angrily, then laughed and cursed.

"Go! My old Han used to brag, let's take a look at a woman exactly, this is not bragging!"

Han Zhongguo's face blushed and he secretly glanced at Ning Nan's daughters before he stiffened his neck and argued in a low voice.

"All right!"

Di Ping waved his hand in disbelief.

"Yeah! Don't believe it! Don't believe it, today my brother will let you have a long experience!"

Han Zhongguo didn't believe Di Ping at a glance, and suddenly became anxious, and grabbed Di Ping's expression of expression. .

"I won't listen to your nonsense?"

Di Ping was now thinking about listening to him talking about women, so he didn't have a good temper.

"What nonsense? There is a university asking here!"

Han Zhongguo didn't know what was going on today, and suddenly got excited, Fei pulled Di Ping to chat.

At this time, the three daughters of Ning Nan watched Han Zhongguo and Di Ping underestimate them in a low voice. The three looked at each other, wondering what they were doing.

"Sure! Say it!"

Di Ping was dragged by Han Zhongguo, and couldn't walk away for a while, so he had to bite the bullet and see what he could do.

"Eh! That's right!"

Han Zhongguo showed a treacherous smile, and then approached Di Ping with a mysterious smile: "City Lord, the strength is not as good as you, but you are definitely not as good as me, you have to learn!"

Di Ping was speechless for a while, so he could only stare at him, as if he was in a spring of old Han.

Han Zhongguo disregarded Di Ping's helpless look, and said to himself: "Don't believe me, the lord of the city, I will tell you, I only see three things from her, it means that I have broken!"

"First, City Lord, have you noticed that she was greenish, with clear and transparent eyes, and full of curiosity about everything, but now when you look at her, her whole body is greenish and disappears with a hint of careless charm!"

Di Ping didn't speak, but once he thought about it, he really felt that way. Before, Ye Lu was pure and clear, with clean eyes like the blue sky, and the whole body exuded the young girl's greenness. And just now he also discovered that Ye Lu is obviously missing. Pure, and more charming of mature women.

"Maybe it's more experience and maturity, what's the point?"

But Di Ping still insisted.

"Okay! Let's talk about the second item, City Lord, remember Ye Lu's previous attire? She used to wear sportswear, simple, sunny, informal and very straightforward!"

Han Zhongguo came and asked, looking at Di Ping.

"Yeah! That's it!"

Di Ping thought for a moment, and he nodded.

"And look at her dress this time, did she change her style? Has she become more mature?"

Han Zhongguo said with a smile.

However, today's Ye Lu is wearing a black semi-permeable chiffon top. The arms, shoulders, and lower abdomen are all covered with transparent gauze. There is also a round hole design on the chest. A large area of skin is exposed on the chest, and two white snow can be clearly seen. He wore thin white jeans with open holes on his lower body, and a pair of small low-heeled white leather sandals on his feet, showing a sense of maturity.

"Go on!"

Di Ping heard a little way, he nodded.

Chapter 727: Empty knife to hide dust

"Okay! Number three, I was close just now and I smelled her perfume!"

Han Zhongguo then smiled mysteriously.

"What's so strange about this? Isn't it normal for women to use perfume?"

Di Ping said in surprise.

"Of course it's not normal! You didn't notice this. It seems that the city lord is really boring to her. Ye Lu didn't use it before! And now it is used, why is this? There is always a reason, right?"

Han Zhongguo shook his head.

"This is a change in personal behavior, maybe it's you guessing!"

Di Ping sneered.

In fact, Di Ping said this, but he already knew in his heart that Han Zhongguo might not be wrong in his analysis. Recently, he has been busy and never paid attention to Ye Lu.

But after what he said, it was true that Ye Lu had experienced a lot of changes. Although he didn't want to believe it, it might be true.

Thinking of this, he felt a little uncomfortable. Yu Shujie, Liu Bingyu, Ning Nan, and Ye Lu basically thought they were Di Ping women in the base. Although Di Ping had never had any deep relationship with them, his subconsciousness gave him some I think this is my own dish, but today this dish was taken away.

The man's possessiveness suddenly made him a little uncomfortable, and there was always some loss in his heart.

It's like a man chasing a woman all the time, but this woman never cared about this man, and when one day, this man did not pursue her, but suddenly took another woman to walk down the street arm in arm, then this woman Her heart will definitely not be as calm as she is on the surface. Although

she has not accepted the man's emotions, she already thinks that it is her own. Once she is taken away by others, she will feel uncomfortable.

"City Lord, there are reasons for all actions!"

Han Zhongguo said slowly with a face suddenly unpredictable.

"Well, even if you are right, what can all this tell?"

Di Ping retorted with a hard duck mouth.

"City Lord, it's meaningless to say it!"

Han Zhongguo shook his head and smiled.

"Don't you say I know it!"

Di Ping stared.

In the area of women, his level has not been very good, otherwise he wouldn't even have trouble dealing with a woman. At this time, Han Zhongguo had already aroused interest in his heart, but suddenly got stuck, what did he do.

"Okay! City Lord, you let me say this!"

Han Zhongguo shook his head helplessly.

"Well let me say! City Lord, I want to know if you did this?"

Han Zhongguo stared at Di Ping again, so he asked cautiously.

"No!"

Di Ping gritted his teeth and wished to really give Han Zhongguo a kick, if it weren't for him to be older, he grinned.

"It's not the city owner! That's someone else!"

Lu Zhongguo felt the murderous aura from Di Ping, and hurriedly coughed and said with a straight face.

"Of course it's someone else!"

Di Ping said in a bad mood.

"Then who is this person?"

Han Zhongguo looked at Di Ping and asked.

"Look at what I do? I don't know!"

When Di Ping saw Han Zhongguo's eyes staring at him, he burst out and shouted in a low voice.

If this person were replaced by Li Sheng or Chen Gang, Di Ping would have already flew past, so he would dare to doubt the city lord? Originally thought that Ye Lu's youthful and beautiful flowers were picked by others, and he was in the mood!

"You mean..."

Suddenly, Di Ping's face changed, as if thinking of something, he suddenly turned his attention to Han Zhongguo's face, and said in surprise.

"Yes!"

Han Zhongguo showed a trace of seriousness, and slowly nodded and said:

"Based on what I know about Ye Lu, she has neither power nor job, and a relatively calm personality. She likes to play everywhere. She doesn't have much interest in selling her base. Selling her base will not benefit her at all. Why is she Betrayal, unless someone pushes her back, and this person must have deceived her feelings. A woman can do nothing for love!"

"exactly!"

Di Ping nodded repeatedly and said, "As long as we find a man who often comes into contact with her, maybe we have found this inner ghost?"

"Yes! This way our scope is much smaller, it shouldn't be difficult to find out!"

Han Zhongguo finally showed a trace of relief, smiling and nodding. .

"Yeah! Brother Han is still thoughtful, but you just told me directly that I don't understand, have to go around this big bend?"

Di Ping looked at Han Zhongguo and complained.

Chapter 728: The murderer can't escape the eyes of the sky

"Ha ha!"

Han Zhongguo laughed dryly, but he thought in his heart: "This is saying that the lord of the city has been greened, can you just say it?"

In fact, this is Han Zhongguo's thinking too much, Di Ping really did not regard these Ye Lu and the daughters as his own private property, nor did he have any idea of possession.

The most important thing is that these women are the closest to him, and the relationship is a bit ambiguous.

This gave the lowly people the illusion that this was the harem beauty of the city lord, and most people would not dare to touch it.

And Han Zhongguo also had the same idea. He talked directly to the city lord about his woman being **** by someone else. Isn't this just for fun?

"City Lord, what are you two whispering?"

Ning Nan finally couldn't help but looked at the sneaky and whispering two people at the top of the stairs, and asked with a puzzled face.

"No... nothing!"

The two were talking together in a low voice. Ning Nan was suddenly startled by Ning Nan, and Han Zhongguo waved his hands in a panic.

"Ning Nan, have you noticed who is closer to Ye Lu?"

Di Ping looked at Ning Nan but his expression moved, walking up to Ning Nan and asked in a low voice.

"Who are you close to?"

When she mentioned Ye Lu, Ning Nan's expression darkened again. She lowered her head for a moment and then raised her head and said: "Ning Nan usually stays with us and is close to us!" Then she looked at Di Ping in confusion. : "What's the use of asking this?"

"Well! It's useful. I don't want to talk to her or you. Is there anyone close to anyone besides you?"

Di Ping nodded and continued.

"Other people? I haven't noticed this, but she always likes to run outside and rarely stays in the medical office. I don't know who she is in contact with outside!"

Ning Nan thought for a while and shook his head.

"Don't you know?"

Di Ping frowned.

If you don't even know Ye Lu, who is closest to Ye Lu, it's really hard to check.

"City Lord, I'll check it!"

Han Zhongguo stepped forward.

"No, it's easy to get rid of it!"

Di Ping shook his head.

"By the way, I recently discovered that she seems to have changed a bit!"

When Di Ping was thinking, Ning Nan suddenly said.

"What changes?"

Di Ping asked anxiously with a move in his heart.

"It just feels like she has become happier. She sings songs every day, and she likes to dress up, her clothes have changed, and every time she sees her out, she has to paint makeup. She never liked this before!"

Ning Nan frowned.

"Oh!"

Di Ping and Han Zhongguo's eyes touched, revealing such expressions as expected.

"Did you fall in love?"

Han Zhongguo suddenly smiled.

"It's possible? However, I asked her, but she refused to say, so I didn't take it seriously!"

Ning Nan nodded and said.

Di Ping and Han Zhongguo met their eyes. As they discussed earlier, this Ye Lu was really used by others, and this man was hiding very deeply, Ning Nan didn't know it, and it seemed that she had to check it carefully. .

"Brother Han, you go to discuss with Lu Guoliang and Li Sheng, arrange manpower, you must get this person out for me!"

Di Ping hated the inner ghost who used Ye Lu very much. He gritted his teeth and looked at Han Zhongguo and said.

"Okay! I have to catch this bastard!"

Han Zhongguo promised bitterly.

Then Han Zhongguo turned to Di and gave a military salute, then turned and ran quickly upstairs.

"Ning Nan, you must pay attention to what happened today. Don't disclose Ye Lu's arrest. Don't tell anyone. If someone asks you, please tell me in time!"

Watching Han Zhongguo leave, Di Ping walked to Ning Nan's passing, and his eyes solemnly ordered her.

"okay, I get it!"

Ning Nan looked sad, but nodded with red eyes.

Chapter 729: Luzhaomen City Lord is sweating

Di Ping left the medical office full of thoughts. When he left, he let the two daughters, Gina and Angela stay, and accompany Ning Nan, who was not very stable.

In front of him, a person turned around in the base. The base has just experienced a catastrophe. Many people may be emotionally unstable. He wants to see if there are any bad emotions growing.

No matter where he goes, as long as the group or combat team members in the base see him, they will look at him with reverence and greet him.

After turning around, Di Ping felt that everything was unstable. Everyone was in a good state, and there was no panic and restlessness that he was worried about.

Everyone is busy with their own affairs, with a smile on their faces, as if they are full of hope for life, and they are always in the wind when they walk.

Seeing this, Di Ping's heart finally let go. It seems that although there are some problems in the base and the combat team is in danger of deterioration, it is still within controllable range.

He was a little bit grateful. Fortunately, these problems were solved in time when the crisis broke out. If these problems were allowed to develop, then the base might have something serious.

Only two things bothered him now.

One is the inner ghost. If this inner ghost is not eliminated, he is uneasy. This person not only sells the base, but also has no bottom line in doing things. He uses all means to achieve his own goals and kills people. This makes Di Ping very hated.

If you don't get rid of him, such people staying in the base will be a time bomb.

The second thing is the ultimatum of the Bianzhou base.

This can be said to be a matter of life and death for the base. What if the base uses soldiers in three days' time and how to resist it.

Di Ping thought all the way but didn't think of a good way. It seemed that he could only put his idea on Liu Minsheng.

He patted his thinking, painful head, and smiled bitterly. This last days is really not easy, one after another, making him very tired.

"Master, you are back!"

When Di Ping returned to the main tower, Patton had waited at the door to say hello respectfully.

"Barton! Help me make a pot of strong tea!"

Di Ping nodded his head in a tired voice.

"It's the master!"

Button bowed and retreated.

Di Ping went back to the room, sat in the wicker chair in front of the floor-to-ceiling windows, and stared at the sky outside.

As the afternoon was approaching, the sun was slanting to the west, and it was about to fall into the endless forest. Another dark night was slowly approaching, as if engulfing light.

"Master, the tea you want!"

While Di Ping was in a daze, Patton walked in with the tea tray, put the tea on the tea table next to Di Ping, and said with concern: "City Lord, I think you are very tired. , Do you want to press for the master!"

"Oh! Do you still know this craft?"

Di Ping looked at Button in surprise with his tea cup and asked.

"This is the most basic skill of being your housekeeper!"

Button looked respectful, but there was a hint of pride in his words.

"Then, come and let me try your craft!"

Di Ping smiled slightly.

"It's the master!"

Patton bowed slightly, then put down the tea tray in his hand, walked gracefully behind Di Ping, and began to massage him gently.

"Eh! Don't tell me, Barton, your craftsmanship is really good!"

Di Ping felt different as soon as he got started with Button. Button's technique is quite proficient, he has a good grasp of the priorities, and the pressing is very comfortable.

"Thank you Master for the praise!"

Barton nodded slightly, then pressed and said: "If the master can choose some maids and let me train them, I can often relax the master!"

Chapter 730: Everyone discusses the solution

"I'm going... again!"

Di Ping rolled his eyes, Barton asked him to arrange a maid whenever he had a chance. This old man is addicted!

"Oh! Haha! Let's talk, let's talk..."

Di Ping knew that this made Patton very dissatisfied. Old Patton had already complained many times, saying that there were too many things in the castle and he couldn't manage it, and there was no one to wait for the city lord, but Di Ping blocked him. , But he can't agree! I can only hit haha!

"Master! The maid is the most base configuration of the city lord, and at the same time a symbol of the lord's rights, and the embodiment of noble status!"

Button didn't give up, and then persuaded.

Di Ping was speechless for a while. According to Patton, he was very dirty and low without a maid, but now that the base has just been established, how he can immediately get a maid to enjoy it will make many people have bad ideas.

"Then what! I was talking about it!"

Button worked hard, he was taking care of everything inside and outside the castle, Di Ping was not too tough, and could only perfunctory.

"City Lord!"

Barton was about to persuade, when there was a beeping knock on the door.

"Zero, who is outside?"

Di Ping spoke into the air.

"Om!"

A virtual picture appeared in front of Di Pingyuan, showing the picture of the door. No one else in the picture, it was Lu Guoliang who was standing at the door and knocking on the door anxiously.

"Zero! Open the door!"

When Di Ping saw that it was Lu Guoliang, he gave zero orders to the intelligent system.

"It's the master!"

There was zero sound in the room, and then the door opened with a bang.

"Hello, Chief Lu! Come in! The lord is on the balcony!"

Barton had already stopped the movement in his hand, walked to the door and stretched out his hand gracefully.

"I have seen Butler Button!"

Lu Guoliang didn't dare to neglect, he hurriedly responded politely.

"Brother Lu, has something happened?"

Di Ping had stood up. He saw Lu Guoliang looked anxious from the screen, and he was worried about what was wrong.

"City Lord!"

When Lu Guoliang heard Di Ping's question, he didn't dare to talk to Pattendo. He hurried over and said with a shame: "The city lord is incompetent. So far, we haven't found out who this ghost is. This person hides. It's quite deep, and its IQ is extremely high, so there is almost nothing left!"

"Oh!"

Di Ping sighed, and his brows were raised. He thought about it and asked, "Has Brother Han told you about Ye Lu?"

"I've said it! We are interrogated for the first time!"

Lu Guo bright spot nodded.

"How is the result?"

Di Ping raised his eyebrows and asked urgently.

"Ye Lu's mouth is very tight, she is afraid to cry all the time, but even if she doesn't speak a word, we can't use torture!"

Lu Guoliang shook his head ugly.

"Do not repent!"

Di Ping cursed with a deep face.

"City Lord, what do you do now? Do you want to use punishment?"

Lu Guoliang looked at Di Ping with a gloomy face and asked in a tentative tone.

"No need to use punishment, I want to make her regret it!"

Di Ping turned and looked at the gradually dark sky outside. After a moment of contemplation, he shook his head.

"City Lord, can't be soft-hearted at this time, she won't speak without punishment, how can we find out the person behind this?"

Lu Guoliang was a little anxious. He was afraid that Di Ping would be reluctant to execute Ye Lu. In that case, they would be very passive, so he asked anxiously.

"I'm not softhearted, since she wants to protect this person, let her protect it! Sometimes she regrets it!"

Di Ping said lightly.

"but....."

In Lu Guoliang's eyes, Di Ping was fascinated by female ***** at this time, and he was somewhat unwilling to persuade.
