

Doomsday 84

Chapter 84: Beautiful and charming

Lu Hai was stunned when he heard Di Ping's words, and his heart grew angry, but he didn't know whether to leave or stay in the face of the powerful Di Ping. At this time, he could only cast his eyes on Ge Zhongping, hoping to get Ge Zhongping's instructions.

"Brother Di! You have worked hard all the way, and you have been fighting for a long time. You should be very tired. Just leave these little things to Lu Hai and the others!"

Ge Zhongping was stunned when he heard Di Ping's words. He immediately understood that he was afraid of being a ghost and was unhappy in his heart. Seeing Lu Hai waiting for his instructions, he pressed his unhappiness and laughed, watching Di Ping said with concern. , The title changed from Ye Xiao Di to Di brother again.

Di Ping didn't speak, but just looked up at Ge Zhongping. Ge Zhongping was shivered by the ice in Di Ping's eyes. What kind of eyes are this. Looking at himself as if looking at a dead person, it was as cold as dead, a feeling of suffocation. Xiang Xiang seemed to be unable to breathe right away, and he choked back with the words that followed. He bowed his head pale and didn't dare to look at Di Ping. He smiled awkwardly, "Hehe...that...that... Just the opinion of Brother Yidi!".

Seeing Ge Zhongping sitting down, Di Ping turned his face to Lu Hai. He immediately lowered his head when Di Ping's eyes swept, even Ge Zhongping was withered, so he dared to talk more.

You must know that Ge Zhongping was famously domineering in Zhongzhou's officialdom, but at this time, his face turned white when he was scared by this young man, and he didn't dare to say anything, and he didn't dare to be bold enough.

"Good...good...it must be faster to have two brothers help!"

Lu Hai's reaction was still very quick, with a jealous smile on his face.

"You two go! Be careful..."

Seeing that Lu Hai agreed, he turned his head and said to the two Yue Lie behind him.

"Brother Di, then let's go!"

Yue Lie and Liu Han wanted to leave a long time ago, especially Yue Lie wanted to see his girl friend long ago. Hearing Di Ping's order, he immediately responded, and then ran behind Lu Hai.

This scene was watched by all the people present. Although Di Ping hadn't looked at them just now, the chill came through their hearts.

I was afraid of the young man's instincts. Just now, everyone knew that this young man was not so foolish. Not only was he very assertive, but he could not be opposed. He was quite domineering. Even Ge Zhongping, who was always arbitrary, was defeated. Come.

At this moment, they all have a feeling in their hearts that the sky of this underground base has changed!

Everyone looked at each other, their eyes exchanged secretly, even Han Zhongguo and Lu Guoliang exchanged glances quickly.

All this was done secretly, Di Ping didn't see it, in fact he didn't pay attention, strength was the most useful, and any conspiracy had to kneel before absolute strength.

At this time, Ge Zhongping lowered his head and didn't know what he was thinking. The smoke in his hand was almost burning to his fingers and he didn't notice it, but at this time no one paid attention to him!

No one here understands that he, the leader of the base, doesn't have much right to speak. This young man is really too powerful and will never allow anyone to point fingers at him.

"the host!"

At this time, a crisp female voice sounded, and everyone looked back, only to see the mysterious black-robed man standing behind Di Ping, saluting respectfully.

"Gina! Is your breath adjusted?"

When Di Ping heard this female voice, he immediately turned around in surprise, looking at Gina with concern and asked.

"Thank you Master for caring, Gina is okay! It's just that the skill consumption is too high just now and the interest is adjusted..."

Gina raised her face and stretched her eyebrows and smiled, like a hundred flowers blooming, and the intrigue between her eyebrows resembled spring water, and Di Ping was in a daze when she saw it.

"Guru..."

There was a sound of swallowing drool behind Di Ping.

Di Ping knew even if he didn't look at it, Gina raised her face just now and let the people behind him see it. With Gina's beauty, it can be said to be rare on earth, coupled with her soft and sweet voice and coquettishness. Di Ping couldn't stand his smile, let alone these people.

"Xiao Di! This girl is already well, let's go inside and rest! It's too dusty outside!"

Han Zhongguo coughed and said, awakening the obsessed people. Did he see the ugly appearance of these people?

Is this woman you dare to make ideas?

He was afraid that Di Ping would get angry when he went back, but he had seen this person's anger just now, so he hurriedly reminded everyone, and wanted to draw Di Ping's attention.

"Okay! I'm really tired too!"

Di Ping is also a human spirit, so don't you know, he knows the stinky problems of men, this is not a big deal, who makes Gina too beautiful?

He didn't mean to blame these people, so he followed Han Zhongguo's words and smiled and nodded.

More than a dozen people, including Ge Zhongping, woke up when Han Zhongguo coughed lightly, and realized that they were scared and sweated!

It was too dangerous just now. This young man is not easy to provoke. The few of them are really fascinated, and they dare to have evil thoughts towards his woman. Hearing Han Zhongguo's relief, everyone smiled relievedly, and they felt more for Han Zhongguo. A thank you.

"Come here, please!"

Han Zhongguo led the way and led Di Ping to walk inside, but everyone behind followed, only Ge Zhongping lagging behind.

At this moment, his face turned white and red. The leader of his base was ignored and left behind today, and the few people who followed him usually ignored him and left!

All this made him angry, and he wished to use the gun to slam these people out, but he knew it was just thinking about it, wiped his face, calmed down, and he followed.
