

Reborn Wife Dotes on Me

Chapter 1

In the tattered warehouse, the atmosphere was cold and Su Yan was lying on the ground. At this moment, her entire body was covered in blood, and even her tattered clothes were soaked in blood.

However, she gritted her teeth and endured the pain that almost made her collapse. She did not make a sound at all.

Standing beside her, Su Zhile couldn't help but let out a sharp laugh. "Su Yan, you probably wouldn't have thought that you would eventually die in my hands, right? However, this can't be blamed on me. Why did you escape from that mountain?"

"If you stayed and died in that mountain obediently, I wouldn't have done anything to you, but you are so disobedient. I sold you there three years ago, but you still refused to give up after three years! Therefore, for the sake of everyone's interests, I can only take action."

"Ah, I forgot to tell you. You don't have to pray for Chen Zhi to come and save you." Su Zhile raised her eyebrows slightly and said cruelly, "Because he was the one who ordered me to kill you today!"

"What did you say?" Su Yan, who had remained silent under the intense pain earlier, spoke in disbelief.

Because Chen Zhi was her husband and the only person she could rely on since she was sold to the mountains for three years!

Was he the one who wanted to kill her?

"No, you're lying to me! He will never do this to me!"

"Why not? Do you really think that Chen Zhi loves you?"

Su Zhile sneered unceremoniously and said, "Su Yan, you are so ridiculous! Anyway, you are going to die. I might as well tell you, in fact, the person that Chen Zhi truly loves is me, and..."

"We were already together before you got pregnant, but you are stupid and don't know anything. You even treat me as a nice sister and don't guard against me at all."

"In fact, he has never cared about you. Even when you had a miscarriage and lost your child at that time, he was not sad. On the contrary, he was very happy to have no trouble anymore. By the way, let me tell you some good news."

Su Zhile smiled and stretched out her hand. She pointed at a large diamond ring on her finger and said, "Not long after you were sold into the mountains, I was already married to Chen Zhi. Because you were not in our way, we are so happy now!"

"A year ago, I gave birth to a lovely son for him too! In the future, my son will also inherit everything from the Jiang Group that you once participated in managing. As for you, I'm afraid you won't be able to see that day."

Su Zhile shook her head and said in a pitiful tone. The next moment, with a knife in her hand, she fiercely cut Su Yan's beautiful face which she hated the most!

It should have been extremely painful, but Su Yan didn't feel anything at all.

Su Zhile's words had already made all of the blood in her body freeze. She felt even much more pain in her heart!

She did not expect that the two people who were the closest to her would betray her!

Once upon a time, for the sake of Chen Zhi's company, the Jiang Group, she had put in a lot of effort every day and night. She had even lost her child because she had been overworked. In the end, she finally assisted this company to become the top company in this industry step by step.

However, all she did was for the sake of others!

The wealth that she made in exchange for her baby would be handed over to Su Zhile's child in the end!

Clenching her fingers, she looked at the person in front of her and was trembling with hatred. "In the end, you will definitely get the retribution that you deserve!"

"What retribution? Are you saying that Qi Jingxuan, who likes you, will come to avenge you?"

Su Zhile sneered and said, "It's normal that you'll think that way. Maybe you don't know that during the three years you were sold by me, he was the only one who kept looking for you. I also got the news that he's rushing over now."

"But, do you think I'll let him go?"

Su Zhile's expression was extremely ferocious. She laughed in a shrill voice and said, "Su Yan, you are a disaster in Qi Jingxuan's life! I used to like him so much, but he ignored me. Therefore, today, I am going to kill him as well!"
