

## Chapter 16

The man who suddenly appeared was dressed in a black formal suit. He was tall and straight, and he had a handsome face. Because of his indifference, his eyes were ice-cold too, which made people shudder at first glance.

Without any warning, Su Yan's eyes met his.

However, when their gazes met, Su Yan, who was originally calm, seemed to have been struck by lightning. Even her mind was completely blank.

Because the person in front of him was none other than Qi Jingxuan, who had died in the fire for her in her previous life!

As soon as she saw him, Su Yan felt as if she had returned to her previous life when she was on the verge of death. Her heart ached.

But, this shouldn't be!

In her last life, she first met Qi Jingxuan at college at the age of 19 a year later. But now, the time and location were not right at all!

So she couldn't help trembling her lips and murmured in a whisper, "Jingxuan..."

"..."

Qi Jingxuan's eyes flashed slightly, but he did not answer.

He was cold and arrogant. His face didn't have a trace of emotion at all.

But beside him, a tall bodyguard had already taken action...

Looking at Su Zhile, who rushed up to hurt people, the man mercilessly kicked her away! Su Zhile flew straight out and hit the wall before she slowly fell to the ground.

But because of this, the table cloth covering her body also loosened.

Her jade-like body, which was covered with scars, was exposed directly. However, neither Qi Jingxuan nor the man who hurt her had any interest in looking at her.

Only Wang Suping, who was standing on the side came to her senses. However, at the same time when she rushed up to hold her daughter, her face turned pale.

Because she recognized the identity of the man in front of her...

He was Qi Jingxuan, the eldest son of the president of the Qi Group, which was the most famous company in Colenia.

Such a powerful person suddenly appeared here and even saw her daughter's embarrassing situation...

Her second daughter, Su Zhige, had always wanted to develop in Colenia. She even dreamed to enter the Qi Group, but now...

It should be difficult to realize now!

Wang Suping was so disheartened that she was about to cry.

However, no one at the scene wanted to care about her mood. After An Jiu kicked Su Zhile away, he respectfully returned to Qi Jingxuan's side and said, "Mr. Qi, let's go back."

"Yes." Qi Jingxuan nodded, but he did not leave immediately as he had said.

The next moment, he turned to look at Su Yan, who had been standing beside him with a complicated expression on her face since he appeared. He asked, "Do you know me?"

## Chapter 17

"...No, I don't, but I saw you just coming out from there. So, have you been in this room all the time?" Su Yan nervously asked while clutching the hem of her clothes.

Qi Jingxuan narrowed his eyes silently.

She said that she didn't know him, but just now, he clearly heard her call his name.

The way she called her was so intimate. He didn't know why, but when he heard her voice, his heart ached.

This was the feeling he had never had before.

Because he had always been indifferent and rarely interacted with women, Su Yan was the first to call his name. However, she seemed to be unwilling to know him.

Qi Jingxuan frowned slightly and said, "I've been in that room all the time. Is there any problem?"

Was there any problem?

Su Yan surely did not dare to have any problems!

Because everything was clear. She accidentally broke into Qi Jingxuan's room with her hair clip and already revealed all her schemes in front of him.

She was sure that Qi Jingxuan had seen the scene in which she was pretending to be innocent just now!

Although he did not expose her, Su Yan still felt extremely humiliated!

So she couldn't help blushing. She bit her lip and said, "I'm sorry. It was my fault before..."

"Do you just want to tell me that?" Qi Jingxuan raised his eyebrows and asked.

"Also, thank you for helping me just now..." Su Yan lowered her head. Her voice became softer and softer.

Qi Jingxuan was speechless.

For some reason, he was a little unhappy. His handsome face darkened. The next moment, he nodded, turned around, and went downstairs.

At this time, it was already very dark outside the hotel. On the street, the black car that came to pick him up had been waiting for a long time.

Qi Jingxuan was ready to get in the car, but he didn't expect that at this moment, there was a sudden rush of footsteps behind him...

"Jing... Mr. Qi, please wait!"

Qi Jingxuan stopped in his tracks. When he turned around, he saw Su Yan running out of the hotel. At this moment, she was carrying the hem of her skirt and running toward him.

The beautiful girl was like an elf at midnight.

Qi Jingxuan's eyes narrowed dangerously. The next moment, when he opened his mouth, his voice was still cold. "Is there anything else?"

"I'm here to remind you of something." Su Yan's face was pale as she said, "Although what I said next might be a little strange, please trust me and do as I say!"
