

Chapter 24

"What did you say? How dare you ask me to apologize to you!"

As soon as Su Yan finished her words, Wang Suping's eyes turned red. She looked at Su Yan and questioned her. She looked ferocious and terrible. "I knelt down to beg for your father's forgiveness. He is the head of the Su family. Who do you think you are? You don't deserve to let me..."

"Well said. Do you really know you're wrong with this attitude?" Mr. Su interrupted Wang Suping with a sneer and said word by word, "You're unbelievable, but you're right. I'm in charge of the Su family. Su Yan just wants you to apologize to her, but you said such vicious words to her. It seems that I know too little about you in the past..."

"You don't want to apologize, do you? Fine. You can leave with your daughter now and get out of my house! Anyway, I don't want to keep such a daughter with me anymore!"

"No! Dad, I can't be driven out! Mom, please save me!" Hearing this, Su Zhile immediately panicked and kept grabbing her mother's hand while pleading.

Her eldest daughter's attitude completely made Wang Suping's last hesitation disappear.

Knowing that she could no longer turn over today, Wang Suping finally burst into tears and said feebly, "No, I am willing to kneel down and apologize to Su Yan. I am willing to repent for what I did before."

But she would remember everything that had happened today!

There was still a long way to go. She would make this b*tch, Su Yan suffer in the future!

Su Guoqiang would die one day, there would be no one to help Su Yan anymore! At that time, she would definitely press this little b*stard to

the ground and make her kneel for three days. After that, she would sell Su Yan out and make her a wh*re!

Wang Suping gnashed her teeth and thought in her heart. She kept her hatred secret.

Meanwhile, Su Yan's eyes narrowed slightly. At this moment, she was naturally aware of the hatred in Wang Suping's heart. However, she was no longer the silly girl that could be bullied by anyone in her past life.

If Wang Suping wanted to make her suffer, she had to ask for her permission first!

With a faint smile on her face, Su Yan sat steadily on the sofa, admiring the apologizing show that Wang Suping would show her.

All the bad things she had done in the past were now spoken out by herself. During this period, Wang Suping would naturally try to not mention a part of nasty things that she had done. However, Su Yan would always remind her thoughtfully. Mr. Su's expression became colder and colder after hearing her words.

Wang Suping knelt on the ground and cried bitterly. Her face was full of tears, which was completely different from her usual dignified and elegant look.

She was not only embarrassing but also pitiful.

Su Yan almost couldn't help but laugh when she saw this. However, what others didn't know was that she was secretly recording all of this with her phone.

It was not until half an hour later that the great apology show finally came to an end.

Su Yan was about to happily put away her phone. Her delicate face was filled with satisfaction. However, she did not expect that at this moment, she felt a gaze.

Subconsciously, Su Yan raised her head and looked over. However, an unexpected person appeared in front of her!
