

Chapter 26

Almost as soon as the servant finished speaking, Su Yan, who was sitting next to Mr. Su, shivered subconsciously. She had a bad feeling in her heart.

And soon, her guess was verified.

Because in the next moment, a familiar face appeared outside the gate.

He was dressed in a black high-cut suit and his face was as perfect as a piece of art. When he walked toward the living room, his cold and majestic temperament was like the cold moon in the night. Even if the sun was shining outside at this time, his aura made people shiver and dare not look straight at him.

It was no other than Qi Jingxuan, whom she had just seen outside.

He probably did not disappear all of a sudden. Instead, he passed through the yard and came to the door to pay a visit.

Su Yan didn't know if she had an illusion. From the moment Qi Jingxuan came in, she felt that his dark eyes had been fixed on her. He looked at her with a faint smile, which made her have goosebumps all over her body.

However, Mr. Su knew nothing about it. He welcomed the young man in front of him with a gentle smile. "You should be Qi Jingxuan of the Qi family. You're so young! I knew your father and had seen you when you were a child!"

"I heard my father mention it before." Qi Jingxuan smiled faintly and said in a cold voice, "Uncle Su, I heard that it was your birthday yesterday, so I hurried to prepare a gift and sent it here today."

"Oh, you didn't have to."

"That's what I should do."

"By the way, it should be your father's birthday in a few months. I may go to Colenia and meet him!" Mr. Su said with a smile. At the same time, he took the gift from Qi Jingxuan and felt happy.

After all, the Qi family was the most prestigious family in Colenia. In the past, although Mr. Su had a good relationship with Qi Jingxuan's father, he didn't have much contact with Qi Jingxuan. In fact, a lot of people in this circle knew that the relationship between Qi Jingxuan and his father was very bad!

However, the current leader of the Qi family, President Qi valued Qi Jingxuan the most. He had even handed most of the shares under his name to his beloved grandson.

In the past two years, there had been a lot of rumors that President Qi intended to skip his son and hand over the company to his grandson, Qi Jingxuan, to manage. So now, Qi Jingxuan could be said to be the most popular person there, but he was cold and indifferent. Moreover, it was difficult for him to see him in ordinary times. But today...

This young man had taken the initiative to show up in the Su family.

Mr. Su was so happy. What was rare was that when Qi Jingxuan heard that Mr. Su was going to Colenia, he gave Mr. Su a very polite smile and said, "If you're there, I will definitely arrange your accommodation in person."

Su Yan shivered again.

Mr. Su didn't know anything and laughed even more heartily. "You're such a sensible young man!"

Qi Jingxuan gave a meaningful smile.

Su Yan couldn't hold it in any longer. She stood up and said, "Dad, you can continue to chat with Mr. Qi. I'll take my leave first!"

"Oh? Sure." Mr. Su smiled lovingly and said, "Your holiday is coming to an end in two days. You're a lively kid, you can go out and take a walk. You don't have to stay here with me."

"Thank you, Dad!" Su Yan hurriedly nodded and replied.

The next moment, as if her bottom was on fire, she immediately ran out of the living room, her white skirt swaying.

But behind her, a predator-like gaze never left her...
