

Chapter 27

In the yard in summer, under the bright sunshine, every blade of grass and every tree was full of vitality. In the distance, the red pomegranate flowers were blooming too. It wouldn't take long for those flowers to produce a lot of delicious pomegranates. Just thinking about it made people excited.

This place also reminded Su Yan of a lot of beautiful childhood memories.

Come to think of it, it had been a very long time since Su Yan had returned.

In her previous life, after her father's death, Su Yan was driven out of the Su family. In less than a year after that, Wang Suping got married for the second time, sold the Su family's villa, bought a new villa, and lived with her husband sweetly. Later, Su Yan struggled to make a career and wanted to buy the Su family's villa back, but she didn't expect that this place had already been leveled by the people who bought it and transformed it into a large supermarket.

Fortunately, God had given her a chance to start over again.

In this life, she would never repeat the same mistakes again!

She wanted to protect her father and her family!

Su Yan clenched her fists as she stood in front of a big tree in the sun. However, she didn't expect that at this moment, footsteps would suddenly sound from behind her.

Su Yan turned around in surprise, only to see that Qi Jingxuan, who was still in the living room earlier, had arrived behind her.

As a result, Su Yan felt a little panic. She immediately lost all of her calm when she thought about the matter before. She asked nervously, "Mr. Qi, why... why did you come out?"

"What are you hating just now?" Qi Jingxuan did not answer Su Yan's question. He narrowed his eyes and his gaze fixed on her as he said, "From the first time I saw you, I felt that you were different."

"Are, are you kidding?"

Su Yan panicked and tried her best to keep her voice from trembling. "I'm just an ordinary person. I'm not worthy of your attention, Mr. Qi."

"But it's too late."

"Wh-what?"

"It seems that I'm getting more and more interested in you now," Qi Jingxuan said while smiling. There was even a hint of evil in his tone.

From the first time they met, the moment he saw Su Yan putting on a show, Qi Jingxuan was deeply attracted.

When he was in the courtyard just now, he saw that the little girl was like a little fox, cunning and clever. He could not help but feel his heartbeat.

But...

These words made Su Yan's heart ache.

Because unconsciously, she remembered the scene in her last life where Qi Jingxuan died in the fire for her. Such an outstanding person was killed by her...

She took a deep breath and said, "I'm sorry Mr. Qi, I'm not worth your interest. Please don't waste your time on me."

"Do you hate me?" Qi Jingxuan narrowed his eyes slightly. He could sense the strangeness on Su Yan's face.

Su Yan shook her head. "I don't hate you. On the contrary, I hope that you can live a good life for the rest of your life."

"Oh?"

It seemed to be the first time that a girl had said such a thing to him. It sounded... not bad.

Qi Jingxuan smiled in satisfaction. His originally unhappy mood had been swept away. He said coldly and arrogantly, "Of course, I will be fine. I'm afraid that no one in this world could do harm to me."

Even those annoying b*stards in his family, including his so-called father , he had never put them in his eyes!

However, Su Yan frowned and said worriedly, "I know that you're not an ordinary person, but please don't forget what I said yesterday. There are still two days left. You must not go to the Eternal Era Hall!"
