

## Chapter 34

Xiao Die did not expect that Su Yan was not the only person in the study from the very beginning.

She made an excuse that she wanted to study hard and asked her father to find some useful books about the examination for her in his study.

Mr. Su was also happy that his daughter was willing to study hard, so after finding a few books for Su Yan, he even went to his own private library aside to find more books for Su Yan and let her take them back with her.

However, he did not expect that at this moment, Xiao Die would arrogantly rush over and reveal her true form by giving orders to Su Yan, thinking there were no others here!

As a result, Mr. Su saw everything!

Mr. Su was furious, but Su Yan still hurriedly stepped forward to stop him. Only then did Mr. Su finally not do anything terrible.

But even so, Xiao Die was still shivering. "Mr. Su, I... I just lost my mind. I used to be very respectful to Miss Su Yan! Is it true, Miss Su Yan?"

"Of course." Su Yan smiled and nodded her head. She said in a simple and kind manner, "Dad, Xiao Die didn't bully me in the past. She would only say some strange things in front of me."

"Strange things?"

Mr. Su frowned. "What did she say?"

"The same as what she said just now." Su Yan counted on her fingers and said, "Since I was young, Xiao Die would always tell me that my

mother is the most powerful person in the family and that my two older sisters are even more powerful than me. I am the most useless, so I have to listen to them in everything. These words do make sense, but they are so strange..."

"Dad, isn't Xiao Die the one responsible for taking care of me? Why does she always treat my mother and sisters better than me?"

"..."

Mr. Su was speechless.

This was another thing that he had never known before! He thought Su Yan was young, so she might not be able to see through it. However, when Mr. Su heard it, he immediately understood that it was Wang Suping who bribed Xiao Die!

But was his wife, who had been married to him for more than ten years, so despicable?

Although a lot of things had happened before, Mr. Su still couldn't believe it at this time.

Meanwhile, looking at her father's expression, Su Yan naturally knew...

Mr. Su had always been soft-hearted and valued his family very much. So now, he did not want to expose some things directly, because he still treated Wang Suping as his wife.

As for Su Yan, she did not intend to force him.

Now, she just revealed some clues about Xiao Die's matter to make sure things could be more convenient in the future.

Before Mr. Su could speak, Su Yan had already said with a smile, "Maybe I'm thinking too much. After all, Xiao Die has been with me for so long. How could she be a bad person?"

Mr. Su asked, "Is that what you think?"

"Of course."

"Yes, Miss Su Yan, I am truly loyal to you!" Xiao Die was shocked and quickly agreed. She thought that Su Yan had let go of her guard.

Su Yan smiled slightly. "Will you still force me to admit my mistake, bring my mother back, and release my sister from the basement?"

"No, no..."

"Alright. Otherwise, it will be bad if there are some unnecessary misunderstandings." Su Yan innocently said, "You're always on my mother's and sister's side. I almost think that you are their servant!"

"..."

Cold sweat was flowing down Xiao Die's face, and she couldn't speak.

Su Yan continued, "You may leave now. I still have something to tell Dad."

"Yes, I, I will leave right now!" Xiao Die had long been scared out of her wits. Now that Su Yan said this, she hurriedly ran out. Her slightly chubby figure was in an extremely sorry state.

Mr. Su frowned even more, but he temporarily suppressed the strangeness in his heart. He still looked at Su Yan and said, "Su Yan, what do you want to tell me?"
