

## Chapter 35

"It's nothing." Su Yan smiled and said, "It's just that I would like to go to the bookstore to buy a few books tomorrow night. Can I borrow your driver by then?"

"Do you want to buy some books about the examination?"

The holiday would end on another day, and Mr. Su could see that Su Yan was very determined to study hard.

In the past few days, Su Yan would often stay in her room as soon as she finished her meal. Mrs. Su still reminded her, "It's good that you have made up your mind. However, you are my daughter. No matter what, you can choose any outstanding university in the city if you want!"

After all, with the Su family's status in Yoshen, she could choose any university that she wanted!

However, Su Yan still shook her head. "Dad, I know that you are good to me. However, I want to rely on my own strength to obtain good results in the exam. That would be interesting."

"Well, you're right. What book do you want to buy? You can tell the servants and let them buy it for you. Your leg is still injured, so you don't have to go there in person."

"But I don't think the servants will be able to buy what I want. Besides, I haven't been out for a long time. I would like to take this opportunity to go out and relax a bit."

Most importantly, tomorrow would be the time when Qi Jingxuan have an accident in her previous life.

Although she had warned him several times not to go to the Century

Hotel, Su Yan had thought about it for a long time last night. She still felt that she had to go and have a look in person.

However, she couldn't let his father know about this.

She said coquettishly, "Dad, just let me go. Besides, I'm just going to the bookstore. Nothing will happen."

"Well, fine then." Mr. Su couldn't refuse Su Yan. Looking at his daughter, he smiled and said, "I'll lend you my car tomorrow. As for Xiao Die... you don't have to take her with you tomorrow."

After all, Mr. Su had already suspected Xiao Die over what had happened just now.

Mr. Su had to observe whether Xiao Die was a spy or not for a while.

This was just in line with Su Yan's wishes. After all, there would be no one to cause trouble by her side. It would also be a good opportunity for her to go to the Century Hotel.

Thus, she smiled and nodded. Su Yan pretended to be obedient and agreed. Only then did she take the pile of books that her father had found for her and returned to her room.

.....

In the blink of an eye, it was five o'clock in the evening of the next day.

According to the plan, Su Yan left in Mr. Su's car. When she arrived at the bookstore, she left the car alone, told the driver to wait outside while she went in and looked for her books.

But in fact, as soon as she entered the bookstore, she slipped out of the back door. She then got in a taxi and went to Century Hotel.

This was the most lively high-class entertainment club in the city. There were a lot of rich men and beautiful women in this place.

In Su Yan's previous life, she had been tricked by Xiao Die and was

almost sold to this place. Thus, she was also a little familiar with this place.

However, as she walked here, she couldn't help but feel a little uneasy. However, what was fortunate was that Su Yan had walked several floors in a row, but she didn't see Qi Jingxuan at all!

It seemed that he had listened to her advice so that he did not fall into someone else's trap!

Su Yan thought happily in her heart. The next moment, she relaxed and was prepared to leave this troublesome place as soon as possible.

However, unexpectedly...

At this moment, a woman with heavy makeup walked out of a room with a happy face. While putting on her makeup, she made a phone call and said, "My friends, a big shot has come!"

"Qi Jingxuan of the Qi family in Colonia is now on the eighth floor. President Wang wants us to go and accompany him. If he takes a fancy on one of us, we will have a chance to marry into a rich family!"
