

Chapter 37

This sudden change was beyond everyone's expectations...

Seeing President Wang being held hostage, all the women there were stunned. They realized what had happened and wanted to scream. However, they were afraid of being killed, so none of them dared to make a sound. They could only tremble and hug each other, not knowing what to do.

As for the one who was held hostage, President Wang was already sweating profusely at this time!

He said in a trembling voice, "Wh-who are you? Do you know who you have offended now? Are you courting death?"

"Heh, who's the one in danger now? Haven't you figured it out yet?" Su Yan coldly asked.

The next moment, as soon as she finished speaking, she also used more strength on President Wang's neck.

As a result, the sharp glass immediately cut the skin on the man's neck, and a lot of blood gushed out!

President Wang was about to cry. He quickly begged for mercy, "I was wrong! Miss, please let me go! I... I don't dare to do such a thing again!"

"It's too late!" Su Yan said in a deep voice. "Since you drugged Mr. Qi, hand over the antidote now!"

"Alright, alright. It's here. He'll be fine after eating one of these!" President Wang quickly handed over a bottle of medicine.

Su Yan took the bottle and lowered her voice to ask, "There are drugs in this room, aren't there?"

"How... how do you know?"

Just now, President Wang was just surprised and scared. But now, after

Su Yan revealed his secrets, President Wang felt as if he had seen a ghost. It was unbelievable!

However, Su Yan did not intend to explain.

With a cold smile, she said word by word, "If I'm not wrong, the police should be coming soon. But after Mr. Qi was taken away by me, who do you think the scapegoat would be if the police were to investigate? Let me give you some advice."

"Tell me the mastermind behind the scenes. Otherwise, no one will be able to help you."

In her past life, Su Yan did not know much about the mastermind behind this matter. However, now that she thought about it carefully, she could vaguely find some clues regarding who did it.

If she guessed correctly, that person should be the second son of the Qi family, Qi Wanzhou.

He was originally the illegitimate child of the Qi family. Later, after Qi Jingxuan's mother died, his mother married into the Qi family. With that, Qi Wanzhou also became the second son of the Qi family.

Qi Jingxuan's father had always been partial to Qi Wanzhou and wanted his beloved second son to be the power holder of the Qi family. However, Qi Jingxuan was in his way.

Therefore, it would be a good thing for Qi Wanzhou if Qi Jingxuan's reputation was ruined this time!

In her previous life, Qi Jingxuan was involved in scandals and was scolded by everyone. On the contrary, Qi Wanzhou stepped forward to do public service and build up his image. He became the general manager of the Qi Group and was only one step away from being the president.

But in this life, she would not allow Qi Wanzhou to frame Qi Jingxuan like this!

Now, it was the first step for her to help Qi Jingxuan fight back!

As she spoke, she deliberately lowered her voice. She didn't want to be heard by Qi Jingxuan. After she finished explaining these things, she looked up at the sofa.

But she didn't expect that...

Qi Jingxuan, who was originally sitting on the sofa, had already stood up and stared at her.

His eyes were like those of a predator, which made her almost tremble with fear!

Meanwhile, Su Yan couldn't help but be slightly startled. However, the police siren could already be heard from downstairs at this moment!
