

## Chapter 39

To sneak into the group of women who were wearing sexy clothes, Su Yan had no choice but to tear her black dress.

She had a good figure. Her skin was as white as snow. In particular, her looks seemed to be pure and innocent. Therefore, Su Yan, who was wearing a torn dress now was indeed beautiful!

What Qi Jingxuan didn't tell her was that his body tensed for a moment just now when he saw her walk into the private room in this dress.

At this moment, in such a small space where their bodies pressed against each other, he could feel Su Yan's body.

Her figure was far better than what he had imagined.

Uncontrollably, some desire flashed in his dark eyes. He wasn't drugged at all, but Qi Jingxuan felt that his mind was on the verge of breaking free for the first time.

However, Su Yan, who knew nothing about this, did not know what was on his mind at this moment.

Due to the narrow space of the storage room, she could feel Qi Jingxuan's hot breathing constantly falling on her shoulder. So she looked at the clothes on her body in embarrassment. The next moment...

She stuffed a pill directly into Qi Jingxuan's mouth.

Qi Jingxuan was speechless.

Su Yan explained, "I'm dressed like this so that I can sneak into the room with those women. Mr. Qi, please forgive me, but you don't have to be nervous. Even though you've been drugged, I've already gotten the

antidote. You'll be fine after taking it. Also..."

"After all, what happened today is disgraceful."

Su Yan solemnly said, "To preserve your reputation, I will not reveal a single word to outsiders. Please believe me."

It was a pity that she was not strong enough yet. She couldn't protect him as Qi Jingxuan did in her last life. Otherwise, she would make Qi Wanzhou pay a heavy price for what had happened today!

Hearing her words, Qi Jingxuan narrowed his eyes meaningfully. "So far, do you only care about my reputation? What about yours?"

Su Yan asked, "Mine?"

"If people find out that the third daughter of the Su family has appeared in Century Hotel, I'm afraid that it will have a greater impact on your reputation."

In particular, society's evaluation of men and women was extremely extreme.

If a man did such a thing, most people would only say that he was a playboy, and it would not even cause a great impact on the man's reputation. But if it were a woman, no one would know what kind of evil evaluations would she suffer!

If Su Yan were to be found out, she would need to suffer a lot of harsh words.

But...

Su Yan shook her head with a smile. "I know that you aren't someone who would go and talk nonsense to others."

"Do you trust me so much?" Qi Jingxuan raised his eyebrows and asked word by word.

He had to admit that Su Yan's words had moved him a bit.

At this time, other emotions also appeared in his eyes other than desire.

In response to Qi Jingxuan's question, Su Yan said determinedly. "Yes."

Anyone would harm her in this world, and even her father would disappoint her because of his soft-heartedness. Qi Jingxuan was the only one who would never hurt her!

Therefore, after her rebirth, she had already made up her mind. In her previous life, Qi Jingxuan had risked his life to protect her. In this life, she would risk her life to protect him from harm!

The corridor outside had completely quieted down. The police had already swarmed to the eighth floor and would not come down for the time being.

Thus, Su Yan slowly looked outside and softly suggested, "Mr. Qi, it's safe outside now. Let's... hmm!"
