

## Chapter 40

Su Yan had never imagined that she would be kissed so hard without any warning!

It was as if Qi Jingxuan's emotions were surging to the extreme, and he finally lost control...

Qi Jingxuan held her in his arms hard. He kissed her deeply, and Su Yan felt that she was almost out of breath!

Before Su Yan could react, she had already subconsciously put down her guard and allowed him to kiss her.

After some time, Qi Jingxuan finally released Su Yan, who was still in a daze. However, her mind was still completely blank due to the great shock. She couldn't get back to her senses.

In a trance, Qi Jingxuan gently pushed the door open and led her out of the store room.

After they left the room, Qi Jingxuan discovered the bandages wrapped around her feet.

It was from the time she hurt herself when she confronted Su Zhile. It had already healed a little, but the wound cracked again when she was running just now. Blood was seeping out of the white bandage.

He frowned. The next moment, Qi Jingxuan directly picked her up without saying a word. He took her downstairs and got in the car.

.....

After that, everything became even more strange.

Qi Jingxuan seemed to have known that she had sneaked out of her house with the excuse of going to the bookstore. He bandaged the wound on her leg again and asked his subordinate, An Jiu, to buy a dress that was the same as hers. After she changed into it, he took her directly to the back door of the bookstore and let her get out of the car.

Judging from her appearance, she was no different from when she first went out from home a few hours ago. Even if she went home now, her father would not know what she had just experienced.

However, standing by the side of the car, Su Yan felt a little strange for some reason.

She couldn't help but stand still and quietly looked back at the car behind her.

Unexpectedly, as soon as she secretly turned her head, she met a pair of eyes...

Qi Jingxuan, who was sitting in the back seat, was staring at her as if he was a predator looking at his prey.

When their eyes met, Su Yan's hands and feet went numb as if she was shocked by electricity.

She stammered, "Mr. Qi, you haven't left yet."

"I'll leave after watching you enter."

Qi Jingxuan smiled and said word by word, "Miss Su, I can also send you home in person, which will be more convenient for you."

"There's no need to trouble you, Mr. Qi!" In front of her father, Su Yan had always been an obedient daughter.

If she was sent back by Qi Jingxuan at night, she would be exposed for what she had done.

It was better not to be so troublesome!

Su Yan forced herself to laugh dryly as she thought to herself. Qi Jingxuan naturally understood Su Yan's thoughts.

He slowly narrowed his eyes. Although he was a little disappointed, he still smiled and said, "Forget it. But..."

"Su Yan, I'm looking forward to seeing you next time."

Su Yan was speechless.

.....

His intimate tone when he called her name caught Su Yan off guard.

On the way back, Su Yan kept touching her red and swollen lips in a trance.

An hour later, before she knew it, Su Yan had already reached home. However, as soon as she got out of the car, a familiar figure already walked up to her.

Looking at Su Yan, the butler awkwardly said, "Miss, you're finally back..."
