

# Dragon Husband

Chapter 1012 Seal!

Seeing that Wiliam's expression changed drastically, the other three hurriedly checked their bodies.

Mulan exclaimed first!

She even stood up directly, stretched out a punch, and slammed into the air!

But this thump, like a stone sinking into the sea, can't afford to make any waves.

Guo Wuji also had a pale face, and his aura suddenly burst out!

However, this momentum makes Guo Wuji feel like falling into an ice cellar!

seal!

"How about you?" Wiliam asked with a serious face.

Mulan's eyes were full of horror, and she said blankly: "It's over! My strength of transformation is gone!"

Guo Wuji nodded immediately, and said in a panic: "Mine too! Wiliam! What the hell is going on!"

Just now, Mulan punched the air.

Originally, if it was Huajin's strength, then it should be possible to release Qijin to form boxing strength!

Now, there is no boxing power.

The biggest difference between Huajin and internal energy is that the energy is released outside.

In other words, Mulan's current strength is no longer strong enough.

Guo Bukit burst out his aura to verify this.

But found that the momentum is much weaker than before.

"Has Huajin strength? At what level is your current strength probably?" Wiliam frowned and asked.

Mulan thought for a while, and said bitterly: "Probably, only the late stage of inner strength is left."

Guo Bukit also nodded.

"In other words, you dropped one level?" Wiliam asked.

The two nodded together, and Mulan asked again: "Then what about you? Did you drop one step too?"

Wiliam frowned, and he answered immediately.

Mulan was so anxious!

If you let us answer, we will answer well.

Now we asked you, you are just like a dumb!

"You are saying something!" Mulan was furious, and punched Wiliam.

Only then did Wiliam say: "I, there is no drop in order."

Mulan stared, reaching out to pinch Wiliam!

"Why! Unfair! Just because you are handsome! This is unscientific!"

Wiliam slapped Mulan's hand off and said faintly, "Listen to me first. I didn't lose the level, but I also missed something."

"I originally had a flame vein on my body, which is what you saw, the flame I used to deal with the green ghost snake grass. But now, this flame vein has completely disappeared."

Mulan and Guo Wuji were stunned.

Their IQs were in vain, and they asked directly: "Then you are talking, what is going on?"

Wiliam was about to speak, when Xiao Haitang on the side suddenly interjected, "Don't you ask me?"

Mulan glanced at her eyes, "Don't brush up on the scum in the middle of the inner strength, okay? Where can you fall?"

Xiao Haitang was stunned in her heart, and her mouth was pouted, so she ignored Mulan.

Wiliam looked at Xiao Wangqing beside him, and asked softly, "Xiao Wangqing, do you know what's going on?"

Xiao Wangqing looked longingly at the female Snakegrass root in Wiliam's hand and shook his head, "I don't know."

Mulan said depressedly: "Then this Xiao Wangqing also came down from the first valley, how about her?"

Wiliam said, "Don't compare yourself to a weird kid, right?"

Mulan suddenly shut up.

"Give me a few minutes and I will sort out my thoughts." Wiliam said, and threw the Snakegrass root in his hand to Xiao Wangqing.

Xiao Haitang's eyes kept, "Fuck! Little brother Wiliam, you really gave her! Do you know how precious this thing is? My grandfather was a baby at that time! You are such a big one, just go straight Threw it to her to eat? Isn't it a pity? And is this thing edible?"

Wiliam rubbed Xiao Wangqing's head and said, "She has a lot of suspicions. Since she wants to eat, she must have her reason, so I gave her to eat. As for the preciousness, for me, it is not so much. What's the use."

For Wiliam, his body was mottled, and the heart of Yan Huang in his body was not completely refined.

Don't even dare to eat anything baby rashly.

So it doesn't matter to Xiao Wangqing.

Xiao Wangqing yelled out of joy, then she held the mother root of Snakegrass in both hands, opened her little cherry mouth and ate it.

Wiliam closed his eyes and began to think about the issue of falling orders.

After a few minutes, Wiliam opened his eyes again, faced the three eager people, and said, "I have some speculations."

"That's not to say it! I'll beat you up with a lot of trash!" Mulan waved her powder fist.

"The two words on the door before, if you forget, it is either forgetting memory, or forgetting state, or something else. But for Feng, this kind of forgetfulness feels irreversible, that is, if you forget, you can't remember it. The kind." Wiliam said.

"Now, looking at our situation, the word "sealing" is very obvious. It should be sealing off your realm, or sealing off a breath of my body."

"You and Guo Wuji are ordinary warriors. There is only one kind of vigor in your body, and that is internal strength. Am I wrong?" Wiliam asked.

Mulan's forehead blue veins beating, what is an ordinary warrior!

My old mother, how mighty you look?

However, in front of a freak like Wiliam, she could only bite the bullet and recognize her innocence.

"Therefore, this ghost place cannot be sealed to you. There is no choice. You can only seal off part of your internal power before you will lose one level." Wiliam said lightly, "I am a little different from you, except for Internal power, there are other auras, so there is no seal inside me temporarily, so there is no step down, but the Yan veins are blocked."

Mulan and Guo Wuji felt aggrieved.

What is no choice!

It feels like we are scum...

"Then, as you said, there is still a way to get it back in the future, right? I don't want to come in mightily, and go back wimply." Guo Wuji said with a look of impotence.

Wiliam nodded and said, "As for whether it can be retrieved in the future, there should be a way, but now the amount of information is too small, I can't figure it out."

After hearing Wiliam's words, the three looked at each other.

This place is simply evil!

Pushing a door open can make people forget their memories?

Or seal the realm of people?

Before, they couldn't understand it at all.

Only now, things are happening to them, they have to accept this reality.

"Then what to do! Now that we have lost our ranks and become scumbags, how can we break through this mountain-guarding forbidden area?" Mulan said worriedly.

William chuckled, looking at Mulan as if looking at a fool.

"If you look at me, I'll gouge your eyes out! Am I wrong?" Mulan said gloomily.

William sneered: "Of course it's wrong, and it's a big mistake!"
