

Dragon Husband

1426-1430

Chapter 1426 Accept Sanctions!

It turned out to be ten minutes ago.

As soon as Li Nian came back with a lot of hatred, he reported to his masters, Wen Ren Tianqing and Wen Ren Tianyi about the dispute over fame.

He focused on reporting Wiliam's role as a shit-chucking stick.

It is said that Wiliam immediately provoked the internal fighting of the various sects and caused heavy casualties among the sects.

Then he also said that Wiliam planted the guy with the intent to frame him, so that he was trapped in the siege of various sects and almost died.

Of course, the most important thing is that this kid is hiding in the buried ground as a tortoise, and finally picked up a broken stone and blood crystal, and in front of everyone, he said that he would brighten the eyes of the people.

How can one crime after another not let the fragrant life be angry?

Even Sect Master Wenren Tiange couldn't think that the new recruits recruited this time would be so bold and reckless.

In this way, Xianghua Lixue not only is not pleased in the fight for fame, but also offends many sects.

More importantly, the face is lost.

And hearing Wen Ren Tianqing's angry words, Wen Renqin's brows wrinkled slightly.

She believed that Wiliam was a bold person.

But she absolutely didn't believe that Wiliam would be a tortoise with a shrunken head, and did something that would ruin Xianghua's reputation.

This Li Nianyi seemed to be deliberately targeting Wiliam.

Thinking of this, she stood up and said faintly: "Li Nianyi, don't talk nonsense, things are definitely not what you see. I believe Wiliam will not only ruin our fragrant reputation, but also more likely. Bring us an unexpected surprise."

This remark immediately aroused the cold eyes of the people at the scene.

Wasn't Wiliam brought back by Wenren Qingxin.

Speaking of which, Wen Renqing also has a certain responsibility.

Although she is the second princess of fragrant flowers, but if she has committed a crime, she will have the same crime with her children.

"It seems that our second princess is deeply rooted in that Wiliam, and at the same time using our fragrant reputation as a stepping stone, we have to please that kid." Wenren Tianqing said with a strange yin and yang.

Wen Renqin's face became stiff, as if irritated, and said, "You let... don't talk nonsense! Wiliam and I are innocent! You don't want to tell the truth here!"

When everyone heard it, their faces became even more ugly.

These two princesses have a bad temper.

When I came back, I dared to confront the two elders directly!

It's all right now, I can't take the scene anymore!

Even if there is a gap between what Li Nianyi said just now and what happened, but if the second princess is so disturbed, that boy Wiliam must die if he doesn't die.

Otherwise, where to put the face of the two elders.

Unless that kid really made an earth-shattering contribution.

But how is this possible?

He is just a rookie.

"Ho ho, it seems that the second princess has a big opinion on our two elders, do you want me as the elder to let you do it for you?" Wen Ren Tianqing said with a rather angry smile.

Wenren Tianqing and Wenren Tianyi are both scented old Zhang, with high morals, and they didn't expect to be confronted face-to-face by a younger generation today.

And in front of so many people.

However, the ridicule in their hearts is more than anger.

This little Nizi, the harder she speaks, the more powerful she will be for them. not over, !

It depends on how Wenren Tiange can keep her next!

Wen Ren Tiange immediately said: "Laughter! Love! Apologize to your two uncles immediately!"

But Wen Renqing's violent temper has already come up.

She looked at the two elders coldly, and said, "I don't apologize! Until the matter is clear, I will not apologize for anything! If the matter is really what Li Nianyi said, don't say apologize, I cut off my head!"

All her confidence comes from her appreciation of Wiliam!

That guy, but a ruthless person who crawled out of the ghost gate again and again!

And because of these people, they want to play tricks with Wiliam!

It's almost dead!

Wen Ren Tianqing laughed loudly, and followed Wen Ren's heartfelt words and said, not giving her a chance to go back.

"Okay, this is what you said! Everyone is listening! If that kid really does what you said, he has made great achievements for us, what will my elder let you do!"

Wenren Tianqing is not afraid at all.

He expected Li Nianyi not to lie.

Even if there are occasional exaggerations, the fact is the fact.

Count on that kid to make military exploits and be ambitious?

How ridiculous?

"Oh, by the way, according to Li Nianyi's words just now, Wen Ren Qingqing seems to protect that kid in every way, isn't it? Sect Master, what do you say?" Wen Ren Tianyi said suddenly.

Wenren Tiange's head hurt suddenly.

The princess had a headache before.

That little girl had the same temper as a stinky stone, she was so hard to die.

No one is paying attention.

It's all right now, and add a second princess who is exactly the same.

I gave birth to two aunts and grandmothers!

Now the two brothers caught the handle.

Wen Ren Tiange shook his head and said, "We'd better wait for Wiliam to come back. Let's ask the details before making a decision."

"Ho ho, isn't that easy? Come here! Go and get that kid back for me!" Wen Ren Tianqing shouted sharply.

A few people stood up and were about to head towards the door.

At this time, two figures appeared at the door.

Wiliam and Wen Ren Qingqing returned.

Wen Ren Tianqing raised his eyebrows, "It's time to come back."

Wenrenqingqing didn't even know that he had passed through the Shura field just now.

There was even a rare smile on her always indifferent face.

Because I can't suppress the excitement and excitement in my heart.

She couldn't wait to tell everyone at the scene of the dog's performance in the battle for the name, the final ranking, and more importantly, the horror of the dog's blood crystal.

Of course, Lu Goubi was ingenious to rob and blackmail various sects. She planned to conceal it for Dogbi, so that it would be easier to blackmail the dog than a sum.

Seeing everyone waiting for them, the pace of Wen Ren Qingqing speeded up a bit.

However, when she and Wiliam stepped into the discussion hall, Wen Ren Tianqing glanced over.

All of a sudden, his minions surrounded the two of them.

Wen Ren Tianqing directly cut off the connection between the two and the suzerain, fearing that the suzerain would protect him from it.

But Wenren was so fond of thinking that he would be treated like this when he came back.

The smile on her face disappeared in an instant, and she was replaced with the same indifference as before, "What are you doing?"

"What?" Li Nian jumped out with a sneer, "I have truthfully reported the crimes of the two of you, especially Wiliam's crimes, to the sect. You are waiting to accept the sanctions of the sect. Right!"

"Sanctions? What wrong did we make?" Wen Ren looked at Li Nianyi in disgust.

Li Nianyi was about to speak, but Wenren Tianqing grabbed him back, "There is no place for you to speak here."

He looked at Wiliam, and his majestic and coercive rushed over, "Wiliam, you know you are guilty!"

Chapter 1427

Wiliam's face was as calm as ever. He said lightly, "What's wrong with me?"

"Ho ho, dare to be tough when you die! Okay, I'll let you know! I ask you a few questions, you must answer honestly, otherwise, I will kill you now!" Wen Ren Tianqing Shouted sharply.

Wiliam ticked the corner of his mouth and said, "Okay."

Wen Ren Tianqing forgave this little boy who didn't dare to lie under his own coercion.

He asked the first question: "After you arrived at the Burial Ground, before the first blood crystal you encountered, did you deliberately rush out, causing the various sects to become a mess and fight each other!"

Suddenly, the heart that heard people's love came up.

She was afraid that Wiliam would answer too much.

Sure enough, Wiliam nodded, "I rushed out on purpose."

"Okay, the first question counts you pleaded guilty!" Wen Ren Tianqing immediately nodded in satisfaction.

However, Wenren Qingqing was unhappy, she explained coldly: "Huh, to blame, I can only blame those individuals for being too jealous, not being good at others, and at the same time having a bad head. I hit this dog... Wiliam's tactics. Besides, burying the bones to fight for fame and fame, in the past years have been fighting to the death, can they blame Wiliam for their internal fighting? Do they have to be harmonious and condescending one by one?"

"Ho ho, what you said makes sense. It's a pity that he pleaded guilty." Wen Ren Tianqing looked at Wiliam arrogantly.

Wiliam nodded, "Well, yes."

Wenren Qingqing's eyes are about to roll out.

She stared at Wiliam angrily, almost swearing.

Acknowledge your sister!

Halfway through talking, I still have to explain to you, there is something wrong with it!

Wen Renqin was stunned when he looked aside.

Wiliam was so angry that his cold sister could be so angry.

"Okay, second question! Did you throw the pot to Li Nianyi in the buried place, so that Li Nianyi almost died under the siege of various sects?" Wen Ren Tianqing asked again.

Wiliam knew that the question was that after killing the eagle-winged eyeless snake, they left Li Nianyi.

Then Li Nianyi was met with suspicion by various sects, and then besieged.

He said lightly: "I just left first. As for Zongmen's suspicion, it's their business."

Wen Ren Tianqing nodded, "It looks like you have admitted again."

Wenrenqingqing was so angry that he almost vomited blood.

This is also admitted?

However, she felt angry, and she didn't explain to Wiliam anymore.

It's okay to let this kid get frustrated.

Feel comfortable.

"The last question, did you take out a so-called blood crystal from the bone after leaving the buried ground, threatening to let everyone be blind, and the result was a ridicule of everyone's ridicule of the fragrant flower and fell into our sect? His reputation?" Wenren Tianqing asked again.

William nodded immediately, "I took out the blood crystals of the earth bones, and I was indeed laughed at by everyone. But you said that you have fallen into the sect's reputation, it depends on how you understand it."

Because Li Nianyi didn't even look down at all.

If he stayed for another five minutes, he might be scared to pee at the moment.

The three questions are answered. not over, !

Wen Ren Tianqing showed a smile, "Can you all hear clearly?"

The people at the scene looked at each other, and most of them were filled with righteous indignation.

And Wenren's heart touched his throat.

how so!

If it is said that the first two charges are open to question, then the last charge is justified.

Xianghua Lixue was ridiculed by the small sect, how could the Sect Master and the elders bear such things?

Sure enough, even Wenren Tiange showed a solemn expression.

He wanted to protect William, after all, he was a friend of his daughter.

But now it seems that no one can keep this kid.

"Come here! Get this kid up! I want him to kneel and apologize to all the sects, and then behead him on the spot!" Wen Ren Tianqing said loudly.

At the same time, he looked at Wenren's heart, and said with a smile: "Second princess, do you remember what you vowed to say just now? Do you want your head?"

Wen Renqin's face became stiff, and she looked at William.

It's a pity that Williamzhen looked at her and she was also angry.

What the hell is this bastard doing!

At this time, Wen Renqing said indifferently: "Even if what is said above is true, what about it? Don't you want to know what happened after Li Nian left?"

"What happened? Do we still have to listen to you here to explain in detail how our sect's reputation was humiliated, and which small sects were ridiculed by?" Wen Ren Tianqing sneered.

"William got the first place in the fight for fame." Wen Renqing was lazy to talk nonsense, and threw this blockbuster directly.

Sure enough, the scene was bombed silently.

Everyone's eyes widened, watching Wenren Qingqing closely.

Even Wen Ren Tianqing was stunned for a moment.

However, after a few seconds.

There was a lot of laughter at the scene.

Li Nianyi laughed and leaned forward and backward, tears bursting out of his eyes.

"Hahahahaha! You said this kid won the first place? Why? Just rely on that broken stone? Hahaha, princess, you don't tell a joke. When you tell a joke, it's simply impressive." Li Nianyi said while smiling.

The people present basically thought that Wenren Qingqing was making an international joke.

"Qingqing, don't talk nonsense! You can't keep this kid." Wenren Tiange also said to Wenren Qingqing with a cold face.

He really didn't know what was so good about this kid, so that the eldest daughter he had just met was so protective of him, and he did not hesitate to tell this absurd lie.

But Wenrenqingqing was still cold, and said: "If you don't believe it, you can go to verify it, and believe that the message has spread."

"Hahaha, do we still need to ask for proof? Who is going to prove that is a fool, okay? It's a big lie, and we have to work hard to prove it? Princess, you are not saving this kid, you are pushing him into the fire pit, Let him speed up his death." Li Nian said with a big smile.

At this moment, all the grievances in his heart were vented.

Li Nianyi never felt that the world was so beautiful.

Do not live by yourself!

"Come here! Get him up!" Wen Ren Tianqing didn't bother to continue talking nonsense.

But at this moment, a doorman at the door suddenly ran in with a panic expression, "My lord! Outside the door, there is someone outside the door asking to see you!"

Wenren Tiange was getting angry. Seeing the door boy rashly, he said with a cold face: "What is it like to panic! Who asks to see?"

The door boy shrank his neck and said in a low voice, "The big disciple of the old man Qingfeng is carrying a large box of things, and, there is..."

"What else!" Wenren Tiange became even hotter.

The doorman swallowed, and said, "There are more than 30 people from the sect, large and small, all of them are excited, and they ask to see one person..."

The people at the scene were at a loss.

The old man Qingfeng.

Isn't the old man Qingfeng the same old man who has been presiding over the welcoming and digging for fame?

He has an incomparable prestige in Outer Heaven and Earth, and it can be said that even the Sect Master of Nine Sects, Six Laws and Three Heavenly Sects will give him a bit of face.

Now his disciple actually came here?

And also brought so many people from small sects?

What is going on here?

"Why are they looking for me?" Sect Master Wenren Tiange naturally thought that those people were all looking for him.

After all, he is the master of a sect.

The boy shook his head nervously and said, "They don't say..."

At this time, Wen Ren Tianqing sneered behind him: "What else can I do? It must have come to Xingshi to inquire."

These words made the faces of the people on the scene stiff.

correct!

William had provoked a civil war in the sect in the battle for fame. Those people from the minor sects would definitely come over and ask the guilt.

As for the senior disciple of the elderly Qingfeng, the reason is naturally very simple.

William used a stone at the last moment to say that it was a blood crystal from the bones of the earth, which was obviously despising the old man Qingfeng.

This is a huge breach of the rules!

It's a good idea to offend more than 30 small sects, but it's a bit unbearable to offend the elderly Qingfeng.

"Go out and have a look first, take this kid out together, and let him kowtow to admit his mistakes if necessary!" Wen Ren Tianyi said lightly.

Everything is in his grasp.

He even thought in his heart that this wave of people came at the right time.

Xianghualixue has a long history of internal prestige disputes.

But they are all concentrated between Wenren Tiange and Wenren Tianyi.

Wenren Tianqing is also on Wenren Tianyi's side.

If you can take this opportunity to ruin the reputation of Wenren Tiange, it would be a good idea to take the place of Sect Master in the future.

A fragrant group of people walked out anxiously towards the door, and Wiliam naturally surrounded the middle.

Wen Renqin and Wen Renqin walked together, and Wen Renqin asked in a low voice, "Sister, what's the matter? What exactly have you done in the fight for fame? Let so many people come over and ask for crime?"

There was a faint joking in Wen Ren Qingqing's eyes.

When the people from the sect came, she had an inexplicable understanding in her heart.

I'm afraid, I didn't come to Xingshi to inquire.

But to flatter and please.

Ho ho, the one who came is just right.

She said to her sister: "If there is a catastrophe, it is still uncertain, but it is definitely not when Xingshi asks the crime. You can watch a scene for the time being, it is definitely interesting."

Watch a scene?

Is there any story in it that is not possible?

Wen Ren was tempted to see that his sister had no previous worries, and his heart gradually fell.

Trust that kid.

When the crowd arrived at the door, they heard a loud noise coming from the door.

Everyone looked intently, and their brows suddenly frowned.

The big disciple of Old Man Qingfeng stood in the forefront, silent and independent.

But those sects are in sharp contrast with him.

All of them were blushing, as if arguing about something, and they all seemed to be very tempered. not over, !

The fragrant people originally thought that the sect who came over should be some ordinary sect people, and they came to their faces.

But this look was a bit shocking.

Those who came from the small sect were all small old men, and some people also recognized that several of them were old Zhang from the sect.

It's weird.

Came to ask the crime, and all the sect elders were dispatched!

How much hatred this kid is!

But Wenren Tianyi became more and more proud.

The higher the identity of the person who comes, the more pressure he can put on Xianghua.

That kid, I'm afraid that he won't be able to keep it at all today.

Wenren Tiange, as the master of the sect, is naturally a little arrogant when facing the small sect.

He looked at him, Wenren Tianyi sneered, and the more crowds came out, and he said loudly: "Everyone, you come to our fragrant flower to find the Sect Master, what is the matter?"

The noise at the scene suddenly quieted down.

But immediately there was a rush again, "We are not here to find your suzerain."

Eh?

The fragrant people are all dumbfounded.

Didn't come to find the sovereign?

Wen Ren Tianyi's face was embarrassed, and he forcedly joked: "I didn't come to the Sect Master. Could it be that Wen Ren Tianyi didn't come to me?"

But the voice below got louder, "Who are you, can you make a concession?"

The smile on Wenren Tianyi's face completely solidified.

It's so embarrassing to be smashed by a group of sects in public!

hateful!

This group of people don't know good or bad!

"Then who are you looking for?" Wen Ren Tianqing came up with a violent temper and shouted.

"We are looking for Wiliam from your sect. If he is here, let him come out." Another person gave the answer loudly.

Wiliam?

The fragrant people suddenly understood in their hearts.

Sure enough, he was here to find this kid.

Wen Ren Tianyi's embarrassment disappeared instantly, and everything was still under control.

He looked at Wenren Tiange.

Wenren Tiange sighed and nodded.

“Come here, bring Wiliam out!” Wen Ren Tianyi said lightly.

Hearing that Wiliam was about to come out, the people at the scene gradually became quiet.

But his face became more and more rosy, as if he could explode with anger at any time.

They stared at the fragrant people with scorching eyes.

Wiliam slowly stood up and looked at this group of people.

No words.

Wen Ren Tianqing immediately said: “Everyone, before you erupt, listen to me!”

“We already know everything about this kid’s ugly performance in the fight for fame.”

“He has caused bad influences on the various sects and the elderly Qingfeng, we feel disdainful!”

“So today, all of your blame for him will be borne by him personally, and it has nothing to do with us.”

Wenren Tianqing’s relationship with Wiliam was wiped out.

And the people with the fragrant flower and blood also quietly moved away from Wiliam, for fear that the broom star would hurt Chi Yu.

But the Xiaozongmen at the scene were all dumbfounded.

What ugly performance?

What is the blame for him?

So many of us are here to blame this kid?

Are you kidding me?

We are all elder-level figures, and we join together to blame a newcomer boy. You dare to think about it, but our sects dare not do it?

Are all these elders who are fragrant and bloody have problems?

Just when everyone didn’t know how to answer the conversation, the big disciple of Old Man Qingfeng stood up.

He looked at Wiliam lightly, his eyes full of appreciation and envy.

He placed a box in front of Wiliam and said, “It’s better to let me come first. I have other things and it is not convenient to stay for a long time.”

“Since Xianghua Lixue has cleared the relationship with Wiliam, I will leave this reward to Wiliam personally.”

"William, congratulations, for winning the first place in the fight for fame, I am here to congratulate you!"

Chapter 1429

what? What?

Burying for the first place?

All the scented people were all stupid at once.

Some of them rubbed their ears vigorously, wondering if they were hearing hallucinations?

This kid?

Just him?

Burying for the first place?

With a broken stone?

Li Nianyi couldn't hold back for the first time and laughed out loud.

He leaned forward and backward with a smile, "Hahahaha, what are you kidding? Just this kid can get the first place with a broken rock? Then I will pick one for you, don't you give me the first place? Now, where did you come from? Dare to pretend to be the disciple of the old man Qingfeng, I know, you must be the actor invited by this kid hahaha, the acting skills are too bad."

But he smiled, and suddenly realized that the atmosphere was a bit weird.

The people around him, including those who fragrant flowers, looked at him with foolish eyes.

Moreover, the faces of the fragrant bosses are getting more and more ugly.

Li Nian couldn't laugh anymore.

He whispered to someone he knew, "What's wrong? Everyone is suddenly so serious? What's the matter?"

The man still looked at him with stupid eyes, "Did you have a broken brain? You don't even know Elder Qingfeng's big disciple? You said he is an actor? You really lose our face!"

Li Nianyi's face suddenly froze.

He looked at Wenren Tianyi.

Wen Ren Tianyi glared at him with disgusting eyes.

Fortunately, Wenren Tianyi immediately revealed it, and he smiled and said to the big disciple: "Did I not hear clearly just now? You said that William won the first place in the fight for his name? Is the information wrong?"

The big disciple smiled and flicked, the box in front of William opened directly.

Suddenly, a burst of fragrance, and a brilliant light burst out of the box.

In the box, there are treasures of heaven and earth.

He closed the box again and said, "As for why he is the first? You can ask the people at the scene, and I will leave first."

After all, the eldest disciple slid and left the scene.

The person who left the fragrant flowers was astonished.

They can all see how valuable the contents of this box are.

If it is not the first place, how could it be possible to get so many rewards!

just!

How can it be!

Just now everyone kept saying that this kid was going to be cured!

Wen Renqin's heart suddenly heated up.

She pulled her sister's sleeve, and whispered, "Is this true! Is he really number one?"

Wen Renqing glanced at his sister and said, "You don't want to think about it. This dog is not the first in character. Does he have the face to come back?"

Wenren thought about it, it's reasonable!

Wiliam has always been exceptionally talented and excels in everything he does.

First, is it really nothing to him?

In other words, Xianghua Lixue's punishment of Wiliam was a complete joke!

Hahahaha!

Thinking of this, Wen Renqing's heart is not to mention how comfortable it is.

The show has begun!

Wen Ren Tianyi stared at Li Nianyi for an instant, and sternly shouted: "Li Nianyi! Tell me! What is going on! Do you dare to deceive us?" not over, !

Li Nianyi was frightened.

He would never have thought that Wiliam would be the first after he was killed!

It is absolutely ridiculous!

He hurriedly waved his hand and said, "I don't have any! I really don't lie to everyone! I just tell you what I know, I swear to God!"

Wen Ren Tianqing slapped it, and Li Nian, who smoked directly, jumped up.

He hit the ground hard, half of his face was completely swollen.

But he didn't dare to continue talking.

"Everyone, what is it that you came here? Also, did you say that Wiliam won the first place?"

At this moment, the elders of the various sects became hot again.

They are all old fried dough sticks, watching the drama that happened before, they already know what happened.

So, they all laughed and said, "Oh, is it possible that Xianghua Lishi didn't even know that his disciple won the first place?"

"Hahahaha, it seems that you have broken away with Wiliam just now? I want to know now, do they have the face to accept the first prize for Wiliam?"

"Boy, I think you are so despised here. Why don't you come to our sect to ensure that the best resources are given to you."

The people at the scene actually started arguing in order to win over Wiliam.

One by one they rushed to ask for Wiliam, and some even made a wild word in the direct interface, letting Wiliam come to their sect as the elder.

At this moment, the face of the fragrant and bloody people looked ugly.

Such a grab for Wiliam formed a sharp contrast with what they had abandoned before.

This is a scented face!

"Quiet! What happened in the fight for fame! Who will tell me!" Wen Ren Tiange's whole face was pale.

Said that Wiliam lost his fragrant and bloody face.

But now it seems that Xianghua's bloody face has completely lost the Hu Hong just now!

He can't wait to know what happened now.

The people at the scene, yin and yang weirdly told what happened after Li Nian left.

And the people who are scented with blood are all in a trance!

The blood crystal of the earth bone in Wiliam's hand actually drew the red light of the Sifang Pond!

That's a super quality earth bone blood crystal!

It's no wonder that so many people from the sect came to win Wiliam, or to buy the blood crystal from the land in Wiliam's hand!

With that said, Wiliam didn't feel ashamed of Xiang Hua's blood!

On the contrary, he has a long face!

On the contrary, it was Li Nianyi's drama just now, which was embarrassing and shameful!

After the sect members went back, they reported the situation as soon as possible.

So Xiaozongmen made a decisive decision and decided to send two groups of people.

A group of people went to Yushizhi to see Lin Jiang.

A group of people came to Fragrant Hua to drain their blood to see Wiliam.

I just wondered if I could replace this rare earth-bone blood crystal.

It's a pity that they only know the horror of this piece of earth bone and blood crystal, and they don't even know what the horror looks like.

"Wiliam, do you think you can cut that piece of bone and blood crystal? What do you need? We are all satisfied! Wealth? Resources? Status? Even a beauty!" someone shouted.

They were blushing just now not because of anger, but because they were excited about grabbing Wiliam.

At this moment, all the people in the fragrant flowers understand what this group of people are doing.

They looked at Wiliam, their eyes became very strange.

All the accusations were simply slaps in the face in front of Wiliam, the first one!

Wenren Tiange also made a decisive decision and said: "Please come back, everyone! We will not let go of our fragrant bones and blood crystals."

But they were immediately rebutted by those people, "Didn't you disassociate yourself from Wiliam? How can you still count your fragrant bones and blood crystals?"

Wenren Tiange became embarrassed in an instant. He stared at Wenren Tianqing fiercely, and yelled: "Wenren Tianqing! Explain clearly to them yourself! Is Wiliam one of us!"

Chapter 1430

Wenren Tianqing is an embarrassment!

The forefoot just kept saying that this kid had nothing to do with Xianghua Lixue.

it's good now.

It didn't matter, this kid took the bones to compete for personal first place, with a lot of rewards, and an eye-catching heartbeat.

There is an extremely rare earth-bone blood crystal in his hand.

More importantly, he was ridiculed by these people at the scene and blamed by his own suzerain.

He looked up awkwardly at Wen Ren Tianyi.

Finding that Wenren Tianyi was just as depressed as himself.

Wen Ren Tianqing had no choice but to bite the bullet and said, "It was me who was short-tempered and talked nonsense. Wiliam is our fragrant child. This is an indisputable fact. He can win the first place in the fight for fame. Our cultivation of fragrant flowers is inseparable, and we are also proud of him."

As soon as the words came out, the scene was booed.

On the one hand, he laughed at Yu Wenren Tianqing for being so shameless.

What I said before is just like farting, and if I say remorse, I repent.

But this is also within everyone's expectations.

In any sect, such a first place, and holding the blood crystal of the ancient earth in his hand, even if it is a catastrophe, he must be firmly in his hand.

But what everyone really felt ridiculous was the second half of Wen Ren Tianqing's sentence.

Is this especially cultivated by their fragrant flowers?

It's only been a few days before Wiliam joined Xianghua to make a lot of money, right?

Cultivate a woolen yarn, don't you have to point your face?

Even Wenren Qingqing sisters rolled their eyes at the same time, sneering at Wenren Tianqing's words.

"Okay, everyone, please come back! We have an internal meeting to be held! I will leave the words here, the bones and blood crystals we obtained by our scented flowers will never be sold." Wen Ren Tiange wore a look. The coldness of the final decision.

Those sect elders at the scene, look at me and I will look at you.

Although knowing that it is difficult to fight for this bone and blood crystal, they are still unwilling.

They looked at Wiliam and asked, "Wiliam, what do you think? If you are unhappy in the fragrant flowers, you can come to us."

Wiliam smiled slightly and said, "Thank you for your kindness, I don't plan to leave Xianghua for the time being. I will visit you all in the future and thank you for your kindness."

His words were polite and thoughtful, which made the people of all sects feel at ease.

They gave up and left with a sigh.

And the people who had spent much time gathered in the chamber immediately and reconvened the meeting.

At this moment, everyone's eyes were focused on Wiliam.

This kid, got the first place...

Those old people with Xianghualixue began to recall when the last time Xianghualixue won the battle for the first place...

I guess it's been a few decades ago...

Now it's incredible that an ordinary kid can get the first place.

"Wiliam, you quickly show us the blood crystals of the bones you got." Wenren Tiange complained about Wiliamzhen, he immediately said to Wiliam.

Wiliam nodded, and was about to take out the blood crystal of the earth bone.

But at this time, Wenren stood up in love.

"Hold on," she said in a deep voice.

Everyone looked at her. not over, !

Wen Ren stared at Wenren Tianqing intently, and said faintly: "Have you forgotten one thing before Wiliam took out the blood crystals of the earth bones?"

"What's the matter?" Everyone was taken aback.

"My second uncle just bet with me." Wen Ren sneered.

Everyone's complexion sank.

by!

There's this thing too!

Just now, Wen Ren Qingxin was confused for a while, and bet with Wen Ren Tianqing.

If Wiliam really lost her fragrant face, she would chop off her head.

And if Wiliam made great achievements for Xianghua, Wenren Tianqing said that he would let the elders out to Wenren's heart.

This is an angry talk.

Everyone didn't even think that Wenrenqinxin could win this bet.

Now he won!

Wenren Tianqing was embarrassed again.

He felt that the shame of his life was concentrated on this day.

He smirked, "Well, niece, we were just bickering for a while, everyone is our own..."

Wen Ren Qingxin looked serious, "Is it a moment of anger? I feel that if Wiliam didn't get the first place today, you would treat me miserably."

"Love, shut up!" Wenren Tiange stood up. After all, Wenren Tianqing is an enamoured elder, and he still has to give a bit of face.

"Your second uncle was just making a joke with you, so I can't take it seriously." Wenren Tiange added another sentence, as if he wanted to expose the matter.

"It can't be true, but I ask the second uncle to apologize to me, my sister, and Wiliam!" Wen Ren retreated and asked for second best.

The atmosphere at the scene was embarrassing again.

The dignified elder, the elder again, apologizes to the younger disciples...

This.....

But Wenren Tianqing was quite tolerant.

He stared at Wenren's heart-warming sullenly, pulling over Li Nianyi, who had a swollen nose and swollen nose, and said, "Okay, I apologize to the three of you. Just now, I listened to the rumors for a while, so I said more to the three of you. It's me. I'm sorry you three. Li Nianyi!"

As he said, he kicked Li Nian to his knees, "Don't hurry up and apologize!"

Li Nianyi was beeping a dog in his heart.

It doesn't matter if you can't get anything for fame, now this kid soars into the sky, riding directly on his neck.

What a shame!

He stared at Wiliam with crimson eyes, and finally helpless, kowtow to apologize.

"Well, Wiliam, now you can take out the blood crystals of the earth bones, let us see." Wen Ren Tiange said with a smile.

In fact, his focus is not on the Bone and Blood Crystal.

He just wanted to use this hand to earn some fame for Wiliam, so that he could gain a foothold in Xianghua.

Earthbone blood crystal, the quality is crimson, that is, the quality is better.

In fact, many people have guessed his idea.

Wiliam rummaged in his pocket, then took out the blood crystal from the ground bone.

Wenrenqingqing is holding the mentality of blinding your dog's eyes, and is happy to watch a good show on the sidelines.

A cyan light flashed on the scene, and everyone saw Wiliam holding a cyan earth bone blood crystal in his hand.

They looked blank.

It looks a little different from the usual blood crystals from the earth bones.

However, it's not surprising.

Why can you be the first?

The quality of the earth bone blood crystals produced this year is so unbeatable?

Wen Ren Tianqing sneered, "I think there is nothing wrong with this place..."

But the voice just fell!

The bones and blood crystals seemed to be provoked, and the green light illuminates the whole chamber!

A majestic coercion is coming towards everyone!

Some low-level people knelt on the ground with a plop!

And Rao Wenren Tianqing and other congenital secret realm warriors, at this moment, sweat burst out on his face.

He was the first to be among them, and his knees also smashed to the ground fiercely, and he just smashed the floor!
