

# Dragon Husband

Chapter 1436 Advanced!

Really, really miserable, Li Nianyi!

He just forcefully grabbed the bones and blood crystals, but in the end he was about to blow up by Wenren Tianqing's innate aura.

Then he passed out into a coma.

When the chamber collapsed, everyone was too busy to escape first. They didn't even remember Li Nianyi.

After coming out, everyone's emotions were concentrated on Wiliam, and no one would remember Li Nianyi.

It wasn't until Wenren Tianyi accidentally counted the young talents on his side that he thought of Li Nianyi.

Seeing everyone rushing in to rescue Li Nianyi, Wen Renqin couldn't help but laugh again.

It's too miserable. This guy still wants to fight against Wiliam.

No shoes fit.

After a while, everyone turned around inside and lifted the unconscious Li Nian out.

He is still in a coma, and it seems that the coma is deeper.

He was covered with dust, and the dust was sticking to blood foam, which looked very pitiful.

There is an obvious smash on the head, which should have been smashed when he was in a coma just now.

Everyone, you look at me, I look at you, all pretending not to be your responsibility.

It's time for this guy to be in a coma too.

At this moment, Wiliam had already finished forging his bones.

The blue light on his body slowly shrank back, and the whole person was full of energy.

Wiliam had always been refining blood before, and embarked on a path of refining blood that lasted a lifetime.

But now, constantly refining blood has made his bloodline extraordinary and holy.

Although bone forging is not Wiliam's main responsibility, but to further strengthen his physical body, Wiliam is also happy to go.

He quietly checked his body.

The bones have become tougher than before. I don't know how many times!

He has enough confidence that even if a person of the innate realm smashes him with all his strength, he can still be a piece of flesh and bone!

The bones in Wiliam's body are like a peerless sacred soldier forged from heaven and earth treasures, containing the meaning of killing heaven and earth.

"Hey, why is Wiliam not promoted?" Someone suddenly made a suspicious voice.

After being reminded like this, everyone reacted.

Wiliam had succeeded in forging his bones just now, but why is there no sign of advancement?

Even Wenrenqingqing sisters are puzzled.

Isn't it successful?

The blood crystal of Wiliam's bones is so terrifying, how can he advance casually, right?

"Wiliam, what's the matter?" Wen Ren Tiange asked.

Wiliam shook his head and said, "Perhaps this is also a chance."

Hearing his sloppy words, everyone felt even more unhappy.

It's a good deal of blood crystals, but it was still ruined.

Only Wiliam knew what this opportunity was?

The consciousness of the ancestor of the Azure Qilin was already in his body, even integrated into his limbs, and completely integrated with Wiliam.

He told Wiliam just now that the bone forging went smoothly, and Wiliam had reached a half-step innate state.

But there is no need to advance right now, and with this blood energy, it will burst out at the most violent time, which is good for Wiliam.

And Wiliam's own words, from a low-key perspective, also agreed with Azure Qilin.

After all, Wiliam could feel the malice of the two elders towards him.

It's too ostentatious now, it might be targeted. not over, !

It is better to maintain the status quo and reduce the risk.

So now Wiliam still looks the same as before, with no change.

Wen Ren Tiange glanced at Wiliam with complicated eyes, and sighed infinitely in his heart.

This guy, it's not that he didn't give him a chance.

I don't know if I gave it, it's a bit violent.

The second daughter also blew up his talents, but it was nothing.

Well, let this matter go quickly, it's too bad.

On the contrary, Wenren Tianqing and Wenren Tianyi breathed a sigh of relief.

As Wiliam had expected, if he could not forge his bones, he would be safer instead.

"Okay, everyone. Be quiet. This is the end of the fight for fame. Although Wiliam failed to forge his bones, he managed to win the first place for us, and also got the reward for the first place. This is an indisputable fact. From today onwards, he is our official son of Xianghua. According to the rules, we will teach him the skill of Xianghua. After one month, we will see what he is good at, and then decide which one to belong to. Under the seat of the elder or the hall master." Wenren Tiange sets the tone.

Each of the elders and hall masters of Xianghualixue has its own strengths, and each has its own emphasis on believers.

"Let's go away, Wiliam, take a good rest for two days. Later, discuss your teaching matters." Wen Ren Tiange said to Wiliam.

Wiliam nodded, expressing gratitude.

Afterwards, he left the ruins of the conference hall alone and walked towards his room.

And just when he was about to close the door, suddenly a hand stretched out and jammed the door.

Wiliam turned his head and took a look, good fellow.

Wenrenqingqing and Wenrenqingxin have quietly squeezed into his room.

Then, Wen Ren Qingqing looked at Wiliam with scorching eyes, as if he was about to swallow Wiliam.

Wen Ren Qingxin also had doubts, and asked directly: "Wiliam, are you really successful in forging your bones? I don't believe it."

Wiliam had nothing to hide from the twin sisters.

He smiled and said, "The bone forging was successful. I never said that the bone forging was unsuccessful."

Wen Renqin's eyes lit up, and his mood suddenly improved.

Wiliam is the scariest cultivating genius she has ever seen, how could he fail to forge bones?

"But why is your realm still not improved?" Wen Renqing asked questioningly.

Wiliam smiled and said, "You will become a congenital warrior when I reach half a step."

He clicked to stop.

Wenren's affection was stunned, and he looked at Wiliam strangely.

This dog is already able to deal with ancient beasts in the innate realm in the buried ground.

Now the realm has improved again.

Tut tut...

I also know how to be a low-key person.

Thinking of the matter of burying the bones and fighting for fame, Wen Renqing's heart suddenly heated up.

She watched Wiliam kill the ancient beast again and again, hunting for the blood crystals from the bones of the earth.

Looking at Wiliam's blackmailing those sects, I felt more comfortable.

But this kind of comfort has been held back home, and I can't hold it anymore.

She must find someone to share.

This sister is the most suitable candidate.

She hurriedly pulled Wen Renqing and sat at Wiliam's coffee table with a mysterious expression, "Hurry! Sister tell you about our performance in the fight for fame, and I promise you will be excited to hear you." Hahahaha!"

Wiliam has a black line.

Sister Wenrenqingqing, who said good coldness, said good black belly?

Now if you look in the mirror, you are an nympho girl who is spreading lace news all over the world.

Wiliamzheng wanted to tell Wenren heartily that you shouldn't be like your sister, and be a quiet Meiyu sister.

Then he saw Wen Ren's eyes suddenly light up, and the nympho looked exactly like her sister.

"Quickly, quickly! Sister, say it! I've long wanted to hear it!"
