

Dragon Husband

Chapter 1446

Qian Changhu went crazy when he heard Wiliam's offer.

Too easy to be impulsive, right?

Sure enough, the weakness of a man is that you can't do it.

Especially if you can't say something to a man who eats soft rice, it's humiliating from the depths of the soul.

This kid can't stretch it anymore, hahaha.

The real price of this piece of Netherworld silk can reach around 2,000 spiritual crystals.

Qian Changhu still had enough leisurely heart to tease Wiliam, taking the opportunity to vent his dissatisfaction.

"1800 Lingjing! Boy, are you too ambitious? Just add 100 all of a sudden, is a man so stingy? I despise you." Qian Changhu continued to provoke Wiliam.

Wiliam ran away on the spot, patted the table and held a sign, "2000!"

With this shout, Qian Changhu was really taken aback.

Good guys!

I don't know if he has the confidence to take out 2000 Lingjing.

Are you really stimulated by yourself to shout nonsense?

For a while, Qian Changhu suddenly felt something was wrong.

The first thing he thought of was that this kid had so many spirit crystals.

If there is no such thing, he will be conscious of being killed by the auction house.

However, Qian Changhu didn't dare to gamble at this time.

If he gave up, if Wiliam had this spirit crystal, wouldn't he lose face and baby.

The 2000 Lingjing was just stuck at Qian Changhu's psychological price, and he couldn't go up or down, which made him feel uncomfortable.

Then he noticed another painful thing.

Why do I want to stimulate this kid and let him run away?

You really wanted this thing sincerely, and now he was yelling at him, he wanted to take down this thing, and vomit old blood.

Why not choose something that you don't like and compete with him?

Then give up when the price is high, and let him vomit old blood without smelling it?

Qian Changhu thought about it, and he felt like he was shooting himself in the foot.

Now his only comfort is estimated to be to spend a lot of money to win this treasure, and then he can be favored by the second princess Wenren, and by the way laughed at Yi Tong Wiliam severely.

So he forcibly cheered up and shouted another offer.

"2200 Lingjing!"

This time, even after he shouted, he didn't dare to provoke Wiliam casually.

Who knows how many small volcanoes this kid has in his heart?

Who knew he was over?

Wiliam shouted almost without hesitation: "2400."

A pair is determined to die with the opponent.

Qian Changhu's heart was bleeding.

He thought that 3000 Lingjing could take two things.

Also bragged to the auction house.

It's good now, and I have broken one.

2400, has exceeded his psychological price.

But if you don't win, you can't let go of it.

He began to regret it.

Shouldn't challenge this kid.

The horizontal ones are afraid of being stunned, and those who are stunned are afraid of death.

This kid is obviously such a person.

But now he can't say to Wiliam and count you as a man.

In this way, I am not a man anymore.

Thinking of this, he gritted his teeth, "2500."

The rate of fare increase has come down.

"2600." Wiliam didn't hesitate.

Wenren Qingqing on the side saw this scene, and suddenly his heart moved.

Her wit is online again.

She also saw something wrong just now.

Now she finally found out what was wrong.

She knew that a person like Wiliam who was so wise and close to a demon didn't have the problem of impulse.

Therefore, she has discovered what was wrong now.

The few things before were all from other sects, so the following has been broken.

But this thing, the people below are not at all arguing with them.

Think about it in another way, does the sect that this baby came out of, isn't there today?

So there are no people who die and break the net!

and so!

Wiliam discovered this from the beginning. He frowned just now before agreeing to challenge Qian Changhu.

If there are no conditions, he has to create the conditions himself.

Thinking of this, Wen Renqing had the urge to burst into tears.

That's too special a chicken thief!

Qian Changhu was treated as a chess piece, he didn't know yet.

And what Wen Renqing felt even more speechless was that this condition was created by her sister herself.

If it wasn't for his sister who didn't disturb Qian Changhu, Qian Changhu wouldn't have targeted Wiliam and would be regarded as part of the Shura Field.

What a dog, everything is a pawn.

Qian Changhu is estimated to be bleeding heavily today.

As the price got higher and higher, Qian Changhu hesitated for longer and longer.

His face is getting more and more ugly.

In the end, Qian Changhu gritted his teeth!

“3000!”

This is his final bottom line!

No more money!

Qian Changhu yelled this sentence with a thousand and a hundred thoughts in his heart!

If this kid deliberately raises the bar and continues to yell, then he will be the first to be a good fellow and not suffer the immediate loss!

This kid has so many spirit crystals, if he gets this thing, he himself will have to pay a great price.

Give him things first, and then find a chance to ambush him outside!

Ok!

That’s perfect!

Qian Changhu found himself a way out in an instant.

Because he saw that Wiliam was still blushing, he was obviously on top.

Will not stop easily.

After Qian Changhu finished screaming, he suddenly breathed a sigh of relief.

That’s it, wait for him outside, so you can get the baby without paying.

You can also hit this kid out of a bad breath.

Three birds with one stone.

I’m so witty!

Qian Changhu gave himself another like in his heart.

But at this time, Wiliam suddenly looked at Qian Changhu and swept away the red face before.

There was even a slight mockery on his face.

“Qian Changhu, how much money do you have?” Wiliam asked.

Qian Changhu’s heart was stunned, what were the meanings of these words!

How much money does Lao Tzu have, and I can confess that I can’t tell you!

idiot!

Thinking of this, Qian Changhu laughed and said: “I’m so confident, you will never know! Why? Counseling? It’s not a man? Keep screaming! Wasn’t it prestigious just now? Is everyone watching?”

An arc was drawn at the corner of William's mouth, and he said faintly: "Well, I'm scared, I'm not a man."

Eh?

Qian Changhu was confused all over.

What rhythm is this?

Don't play cards according to common sense!

What about this kid's anger?

Where is the blood of this kid?

Why does it seem to disappear in an instant?

This is unscientific!

He also glanced at the two twin sisters.

Sister Hua's face is wonderful, as if she can read countless emotions.

Qian Changhu couldn't help asking: "What do you mean by this?"

William snorted and said, "What's the point? You are rich, so I won't fight with you. You are awesome, you are amazing."

"I gave up, congratulations."
