

Dragon Husband

Chapter 1452

Sister Wenren Hua was taken aback for a moment, and quickly followed in Wiliam's footsteps.

Even after hearing the people's affection, he could tell that every step Wiliam took was full of profound meaning.

I am selling favors to a little sister today, and this little sister may be of great use in the future.

She secretly made up her mind to make people stare at Ling Ruyi secretly to see what kind of good fortune she has?

And Ling Ruyi watched Wiliam's departed back obsessively, and he seemed to have a beautiful spring and autumn dream.

All because of the appearance of a man.

Wiliam.

He came so suddenly.

Then he brought himself a good luck and helped him solve his urgent needs, and he even planned the future.

The most surprising thing is that this man has nothing else to do.

He wrote a face of frankness and tenderness on his face, on the tourmaline bracelet he returned to him, and on his heart.

This is the fate that my father always talked about before his death.

Ling Ruyi stood blankly, like a sculpture, there was no movement for a long time.

But when the three of Wiliam were on the road, Wenren's fascination with his heart and wealth happened again.

She stared at Wiliam, "Young Master, just tell me, how much do you want to share with us this time?"

With this greedy appearance, those who hear it are sad and those who see it weep.

Even Wenren Qingqing was a little embarrassed to grab it so clearly.

Wiliam smiled slightly and said, "Isn't all the money in yours?"

Wenren's eyes were enamoured, but his face blushed.

This move is too embarrassing to retreat to advance.

She hesitated, and finally said: "Then I will keep it for you first."

Wiliam didn't care too much, and there was no use for Lingjing on him.

In other words, this was the first time Wiliam knew that Lingjing was also ranked.

The worst spirit crystal is white, and one piece represents one spirit crystal.

The blue spirit crystals represent 10.

Green represents 100.

Yellow represents 1000 and red represents 10000.

Like currencies, there are various denominations.

So now Wenren Qingxin can easily bring more than 10,000 spirit crystals.

The three returned all the way to the Xianghualixue Sect.

Sure enough, as soon as he stepped into the house, there was a doorman who said that the suzerain and the elders were already waiting for them at the martial arts field.

Because the chamber was collapsed before, so all the conventions were put on the martial arts field.

When the three of them came to the martial arts field, they saw that the fragrant and bloody children were basically in place, and they waited for the three of them.

As soon as Li Nian saw them coming, he jumped up and shouted, "Sect masters and elders, they are back! It is this kid who wantonly squandered our lavish money in order to show off the power and prestige outside. It is simply too much. !"

Wen Renqing frowned and said faintly, "Li Nianyi, where do you speak?"

Li Nian shrank her neck and retreated behind Wen Ren Tianqing.

But his eyes are still bad.

"Wiliam, can this happen?" Wen Ren Tiange asked.

Wen Ren Qingqing replied, "My father, it's nothing like that. Wiliam's spirit crystals are all his own. I can swear to God on this."

Look, people like the eldest princess swear to heaven, what else can others say.

Li Nianyi obviously held his breath in his heart, his face flushed.

He didn't expect the two princesses to show such protection to Wiliam.

Especially the eldest princess, who had always been a cold fairy before.

Since meeting Wiliam, in just a few days, he has changed himself.

Did this kid use magic tricks on the eldest princess?

Let her be so obsessed!

And Li Nianyi still didn't understand, what's the matter with this kid!

Compared with him, whether it's appearance, status, strength or talent, you can throw him a few blocks away!

"Well, this will stop here." Wen Ren Tiange said lightly.

With 100 spirit crystals, he didn't care about it at all.

"The most important thing today is to test which kind of skill Xia Wiliam is suitable for us to practice, martial arts or divination, so there is no need to waste everyone's time on trivial matters." Wen Ren Tiange added another sentence.

"Well, since the lord has said so, let me preside over it next." Wen Ren Tianqing stood up and looked at Wiliam coldly.

Wiliam stood on the martial arts stage, while others watched from below.

"Let's test the martial arts cultivation level and potential first. According to the previous rules, you have to test and evaluate you three times. But if it's you, it doesn't have to be that complicated. Just find someone to play against you. We will use your performance and results in the battle. To judge, Wiliam, do you have any objections?" Wen Ren Tianqing said.

Wiliam nodded and said, "Okay."

He doesn't care how to test.

"Well, is there any disciple who is willing to come up to be this touchstone? Of course, the realm is slightly higher than Wiliam, so that we can better see Wiliam's potential." Wen Ren Tianqing said.

It seems fair, but it is not.

If someone came to Wiliam's enemy, wouldn't he be able to bully and humiliate his opponent under the guise of Yanwu?

Sure enough, Li Nianyi jumped out and said, "I think it's up to me."

He secretly met Wenren Tianqing's eyes, which was discussed a long time ago.

Wiliam's realm was nothing more than Huajin Consummation, and Li Nianyi had reached the peak of Huajin Consummation, and he was almost able to step into a half-step innate.

Isn't it just slap Wiliam?

Li Nian took a full breath, ready to take revenge on this martial arts stage.

This opportunity is too rare.

But Wenren Tiange frowned and said, "Li Nianyi is the leader of the younger generation in our sect. No one can beat him at the same age. Wiliam's realm is lower than him, and he is also ten years younger than him. . This is a bit unfair to Wiliam."

Wen Ren Tianqing immediately smiled and said, "Sect Master, you are worrying too much. It is precisely because Li Nianyi is a unique existence among the younger generation, so it is most suitable for him to play. Only if he stands here as a benchmark can he know Wiliam. How strong is the potential of. And you can rest assured, I believe that Li Nianyi will consider his fellowship and will not do his best. If you stop until you click, it won't hurt Wiliam."

As he said, he looked at the two sisters Wenrenqingqing, and asked with a smile, "Don't you think?"

Wen Renqingqing and the two sisters looked at each other with complicated eyes.

It is a kind of complexity that has nothing to say.

Outstanding young people?

That's it?

Benchmarking?

This is it?

Don't try your best, stop till you finish?

need?

"What do you want to say?" Wen Ren Tianqing said again.

At this moment, Wenren smiled heartily.

Well, it looks so good to smile, like a spring flower.

She nodded hurriedly, "Hmm, thank the elders for your kindness first. But just read it, don't give me face later, just beat me to death according to Wiliam, and I won't be in any situation. I will blame you, I swear to God!"
