Chapter 1454 I'm Going To Fist Out

Li Nian was at a loss.

Are these two princesses the devil?

In front of him, he was still anxious that Wiliam would be killed by himself.

It's better now, turned around to help Wiliam speak?

Woman, your name is Eel Bian!

And what does it mean that I was pitted by my master?

Master loves me so much, will he cheat me?

Ho ho, is it possible that the second princess thought that this kid could beat me if he didn't play tricks with his true ability?

It's ridiculous.

Li Nianyi regained his confidence and stood in front of Wiliam.

Wiliam looked at Wenren admiringly with a look of impossibility. Doesn't it turn into shit if he doesn't disturb the shit, so he spares no effort!

However, Wiliam knew the other side's remorseful face.

He looked at Li Nianyi this time and asked with a smile, "Can I start now?"

Li Nian looked at Wiliam warily, making sure that the other party could not make small movements in his line of sight, and then said, "Naturally."

"What do you want to say and pretend not to be? I will give you time?" Wiliam asked again.

The blue veins on Li Nianyi's forehead were beating.

It was a tacit understanding between the two of them to pretend to be forced, and it was natural to pay attention to the situation.

Now this kid asks it so grandly, he still can say it?

Isn't this very deliberate and artificial?

Really, this kid is so disgusting, he will be beaten up later!

Li Nian shook his head and stared at Wiliam.

"Then, I'm going to make a fist." Wiliam said again, slowly extending his fist.

Li Nianyi's whole person is even worse.

This kid!

Come disgusting on purpose!

In order to retaliate, he said that he attacked, but now it's better. He treats himself as a three-year-old kid and just talk about one thing when he does something?

To show yourself upright?

Shameless!

Thinking of this, Li Nian couldn't help it again and again, preemptively, "find death!"

With that said, he rushed towards Wiliam.

Wiliam smiled slightly, and withdrew, "I'm going to hide back, and then make a right uppercut from the right to hit you in the face."

With that said, after he retreated seriously to avoid Li Nianyi's fist, he quickly punched his right hand and smashed Li Nianyi's face fiercely.

That anger in Li Nianyi's heart!

Stepping on a horse is too defiant!

He also said all his tricks, for fear that the whole world would not know that he was a dignified man?

Seeing Wiliam's fist smashed, Li Nian wanted to punch him in a hurry!

But at this time, his head stiffened, his body seemed to be nailed, and he couldn't move for a moment!

Li Nianyi was shocked!

What's going on!

It's exactly the same as before!

Before, Li Nianyi wanted to avoid Wiliam's sneak attack, and then his body was nailed instantly, and he couldn't escape!

Now it's the same again!

He also said that he didn't have a sneak attack!

It's just a bad move!

Li Nianyi kept cursing in his heart, and had already received a severe blow in the face.

"boom!"

A tooth flew directly from his mouth and fell to the ground.

Li Nianyi staggered a few steps before he could stand firm.

And the audience was in an uproar!

If Wiliam's previous punch was a sneak attack, then this punch was too open!

From the start of the game to Wiliam's prior notice, everything was done properly and closely.

However, Li Nianyi was still beaten!

And anyone with a discerning eye could see that Wiliam didn't use any force with this punch!

Otherwise, relying on the power of Huajin, it would be no problem to blow Li Nianyi's head off with a punch!

What's wrong with Li Nianyi?

Why can't you even catch this fluttering punch!

This can also be called the outstanding young generation of Xianghualixue?

It's a bit embarrassing!

"You! You! You cheat! You shameless!" Li Nianyi shouted, covering his mouth.

However, this is a strong word to everyone.

Don't you admit that your skills are inferior to others?

"Nianyi, what's the matter?" Wen Ren Tianqing asked, seeing something wrong.

Li Nianyi blushed and said: "When he hit him with a fist, I felt as if my body was pinned and immobile. Although it was only a moment, I was 100% sure that there was fraud in it! He must be hidden in his body. What a shameful baby!"

Everyone looked at Wiliam.

Wiliam smiled slightly, "You can search your body."

This calm look made everyone dumbfounded.

It seems that there is nothing on him, so he is not afraid of investigation.

The elders stared deeply at Wiliam.

This kid, no matter what method he uses, it is his ability to be able to hold Li Nian for an instant.

They couldn't wait to see how Wiliam did it now.

And Wiliam was scared at all.

What he relied on was completely suppressed by his own blood.

After refining the blood crystals of the earth bones of the azure unicorn, Wiliam's bloodline of the ancestor of the eternal unicorn is more refined!

Wiliam's bloodline used to have a suppressive effect on all beasts, but now it has also evolved a bit of suppressing power on humans.

Although only for a moment, and the higher the opponent's realm, the less obvious the suppression effect.

But it was enough to deal with Li Nianyi in a flash.

Moreover, Wiliam had enough self-confidence that the other party couldn't even notice where there was a problem.

"Read one, be serious! Don't despise your opponent." Wen Ren Tianqing said with an ugly expression.

I thought that sending Li Nianyi up could easily humiliate this kid.

Unexpectedly, it would be what it is now.

This kid is strangely dressed, what is his origin?

Li Nianyi regained his spirits and let out a long roar, his vigor surged wildly!

A gust of wind rolled up on the ground, and Li Nian rushed towards Wiliam with the force of wind and thunder.

"I'm going to punch again. This punch is still on your face. Take care of your teeth!" Wiliam said lightly, and rushed towards Li Nian.

The two slammed into the wind, Li Nianyi's fists were not fully stretched, his body stiffened, and another punch in the face.

The people at the scene were silent.

It can be seen that Li Nianyi has done his best, right?

But Wiliam was so strange that he could easily hit Li Nianyi.

And every time the punches are not strong, they even slap their faces specially.

This is hard to say.

In the next few minutes, Wiliam still told in advance that even if Li Nianyi was energized, he would still be beaten.

A few minutes later, his head was swollen into a pig's head, completely without the arrogance of the previous one.

His heart is bitter.

There is always a feeling that I can't use it, I'm too aggrieved.

But I don't know what to do.

If this continues, it will only be beaten all the time, and it will be even more faceless.

For a moment he wondered whether he could abstain and admit defeat in place.

It was embarrassing anyway, and I couldn't put my life on the stage.

However, he still couldn't speak his words, and he saw William stop in front of him, asking Wenren Tianqing a question.

"I don't know if Elder Tianqing has measured my level in the past few minutes and can see my potential? If there is any, I will continue to cheer."
