

Dragon Husband

Chapter 1455 It's Her, It's Her, It's Her!

Wenren Tianqing's face turned ugly in an instant.

This kid!

Be brazen!

And Wenrenqingqing would have jumped for joy if it weren't for the sister who was holding her tightly there!

He was just a dazzling DISS person, but compared with Wiliam's concealed poke at DISS, he was still far behind.

Wiliam's remarks should not be too sour.

Obviously, it was deliberately aimed at Wenren Tianqing who said too fast before, so that he could see Wiliam's level and potential clearly.

So Wiliam deliberately slowed down and reminded the opponent to punch again and again.

Then I asked again, slap her face more.

What's even more shocking is that everyone saw Wiliam Guangming make a move.

But everyone still couldn't see Wiliam's level and potential.

This is the most disgusting.

The hearts of several elders were blocked, and they were all depressed.

"Come again." Wen Ren Tianqing still didn't believe it. He was an elder and couldn't judge the strength of a mere disciple?

When I heard this sentence, Li Nian almost beeped the dog!

He just wanted a bachelor to admit defeat!

Now that the elder said so, how could he admit defeat?

Could it be true that as the second princess said, the elder dug a sinkhole for me?

He had a hard time talking, so he had to bite the bullet.

However, five minutes have passed, and the situation has not changed a little bit from before.

Everyone couldn't bear to look straight.

William is too unhuman, so he hits people in the face.

Li Nianyi's face was beaten out of man.

The elders could still only see that William's punches were light and fluttering, and there was nothing suspicious about it.

It's so common.

But this kind of ordinary play made Li Nian a little bit temperamental.

Could it be that Li Nianyi was releasing the water?

However, it was not right to think about it again. Li Nianyi and William were very troubled, and he couldn't put water on him and be beaten like this.

"Grass! There is a kind of without fists! There is a magic weapon with weapons!" Li Nian had a psychological shadow on his fists in the end, and shouted loudly.

He wants to change his strategy and fight the opponent!

At least this kid has just come to fragrant flowers and blood, there is absolutely no magic weapon on his body.

So this is a good counterattack method.

But as soon as he finished speaking, he heard a "pouch" laugh.

Li Nianyi looked through his swollen eyes and saw the person making the laughter.

He got goose bumps all over.

Is this woman the devil?

Can you still laugh?

No, no!

Li Nian was beaten and swollen, and his head suddenly became clear.

From the previous point of view, the relationship between the two sisters and William is good.

And now, the two of them are not at all nervous about this battle.

Could it be that they already knew that there was something weird about William?

It must be like this, otherwise I wouldn't be able to use words to let myself drill!

So now, when I proposed to test the magic weapon, these two princesses couldn't help but smile directly. What did they represent?

It means that Fabao William is not afraid of it anymore!

Moreover, she could hold the smile with her fist before, but now she can't hold the smile with her fist, what's the point?

Explain that her proposal was directly in her arms, and it was a coincidence that couldn't be more coincidence, so she couldn't hold it back.

With his head awake, he suddenly burst into cold sweat, soaking his head with sore pain.

No way!

Don't let the other party's trickery succeed!

Li Nian forgot about it for a while, it was his initiative.

"No, no! No more magic weapon! Don't even think about plotting against me again!" Li Nianyi shouted again.

After shouting, he saw Wen Renqing's laughter abruptly stop.

Wen Renqing expressed regret in his heart. What a pity, Wiliam's Long Live Demon Lotus had no chance to appear.

Li Nianyi felt relieved instantly, it seemed that he was betting right!

It's so risky, it almost capsized in the gutter again.

From the eyes of the people at the scene, is Li Nianyi being beaten up?

As soon as the front foot proposed the magic weapon to be compared, the back foot was overthrown.

There is also an expression of lingering fear in his heart.

Is something wrong?

Don't say it if you don't compare it.

Why is God tricking you?

Did someone Wiliam count you?

Li Nianyi didn't care about everyone's expressions. Now that he is embarrassed is enough.

With this breath, he endured it!

A big man can bend and stretch, 30 years in Hedong and 30 years in Hexi!

Don't bully the young man!

Thinking of this, he shouted: "Don't do it! I give up!"

Li Nian is one person through the ages.

He just said the word confession to my heart and soul!

People at the scene look at me and I look at you. For a while, I don't know from what angle to complain Li Nianyi.

It really doesn't match the image of the first person in the younger generation.

Wen Ren Tianqing also stared at Li Nianyi angrily.

This kid, it's hard to make a big deal!

It seems that we have to consider changing the target for training.

As soon as Li Nian gave up, he was afraid that Wiliam would not let him go, so he slipped off without giving Wiliam any chance.

Everyone looked at the suzerain and elders one after another.

To be honest, just by relying on Wiliam's ability just now, he couldn't see that he was really brilliant.

It's perfect to describe him as plain.

But it was able to defeat Li Nianyi, who was higher than Wiliam's realm.

This is incredible, I don't know how to judge.

Everyone was not convinced that Wiliam was better than Li Nianyi.

It was said that Wiliam was no better than Li Nianyi, and the result was here again.

Finally, Wen Ren Tiange smiled, "Hahahaha! Okay! It seems that we are welcoming a peerless martial arts wizard! We can defeat Li Nianyi at a young age! Wiliam, you are the only one! He is the first person among the younger generation! Your martial arts has a limitless future!"

One sentence can be regarded as a qualitative for Wiliam.

Everyone looked at Wiliam with a little jealousy. It was hard to convince him that he was able to get the title of the first person so easily.

"I think you should concentrate on studying martial arts, right? The martial arts strength you showed just now is not very clear to everyone, but defeating Li Nianyi is an indisputable fact. It shows that your martial arts talent is far above him, Wiliam, what do you think?" Wenren Tiange was very happy, and began to figure out whether to take Wiliam as a disciple and cultivate his own wings.

Wouldn't the people present not know the thoughts of the Sect Master, Wen Ren Tianyi and Wen Ren Tianqing's faces gradually became dignified.

Wen Ren Tianyi glanced at Li Nianyi.

This product was completely beaten by Wiliam, and I don't know if he will use force in the future.

It is more appropriate to think of him as a bird or a paparazzi.

Sure enough, the paparazzi was very good at observing words and expressions, and immediately jumped out, and shouted against a pig's head: "How can that be? It is good to test his martial arts and

divination skills. Now he has tested his martial arts level. , And divination, maybe his divination ability is better than martial arts, you can't underestimate people, Sect Master!"

After speaking, he felt very comfortable.

Ho ho, divination, how unpopular and sophisticated?

How many people have spent their entire lives just knowing nothing about it.

How old is that kid, can he swallow the sky?

Next, there is a good show, and the cliff will make him publicly embarrassed once!

However, he suddenly heard a "pouch" laugh.

Turning his head to see, it's her, it's her, it's her!

Our shit stick, little love!
