

# Dragon Husband

## Chapter 1457

Seeing that Wiliam actually wanted to do something against Wenren Tianqing, Li Nianyi was furious, "Presumptuous! What do you kid do! Dare to do something against the elders!"

Wiliam's hand stopped in the air, looked at Wenren Tianqing jokingly, and said, "Didn't you say that whatever method I use is fine? And you are strong, so I'm afraid that I will count you in the presence of so many people? Nothing?"

A light flashed in Wenren Tianqing's eyes, and he smiled Senran: "The joke depends on you, it's not worthy. Come on."

With that, he closed his eyes as if deliberately.

In his mind, Wiliam's hand was purely bluffing and making mystery, and it was not to be feared at all.

Wiliam smiled slightly, and continued to point his finger at Wenren Tianqing's eyebrows.

When his hand touched Wen Ren Tian's eyebrows, a thin breeze overflowed from Wiliam's fingertips.

The people around him still don't feel anything, but Wenren Tianqing who is in the middle only feels a slight piercing of his eyebrows, and a little warmth, and then quickly cools off. By getting hot again, he finally feels his head is slightly thick and drowsy.

As everyone knows, this sting is gold, warmth is wood, cool is water, hot is fire, and heavy is soil.

Wiliam's fingertips showed the color of gold, blue, red and yellow, and quickly disappeared.

On the center of his eyebrows, an invisible five-element gossip pattern bloomed slightly.

Bu Ju only needs to touch the subject's body to predict the past.

Before, Bu Ju Wiliam had only been used on the Supreme Elder of Beiluo Lu's family.

The time of physical contact is also short, so only a few fragments can be captured.

Now there is a gang doing experiments for Wiliam, and Wiliam's strength is more refined than before. Wiliam wants to see if he can accurately calculate the information he wants to obtain.

Pieces of information appeared in Wiliam's mind like flowing water.

The difference from the previous one is that Wiliam is stronger and more precise in capturing, able to easily accommodate this amount of information.

The people at the scene even noticed that the five elements of heaven and earth were trembling slightly, but one person suddenly stopped eating steamed buns.

He raised his head and looked at Wiliam who was calculating with amazement!

The people around just happened to be looking at Wiliam, and no one noticed the sloppy Wenren Wuming lying in the corner.

Wen Ren Wuming clearly perceives that the five elements around Wiliam seem to be beating and jumping for joy.

This!

This scene shook him deeply.

Even if it was him, after so many years of studying the Dao of Divination, he knew that the correct way of Dao Divination was the five elements, gossip and elements of heaven and earth.

How can he not be shocked if a boy with a hairy head is able to comprehend these things!

And Wiliam didn't know anything about it, he was immersed in the fragments of the picture in his mind.

After a long time, he slowly opened his eyes, and the invisible five-element gossip pattern on his forehead slowly disappeared, as if it had never appeared before.

Wenren Tianqing snorted and said, "Boy, what have you figured out? You can say it, you can't be sure?"

The people around were also joking, wanting to see how far Wiliam could be.

Wiliam smiled slightly and said, "I have calculated something, but I don't know if it is appropriate to say it?"

Wenren Tianqing laughed loudly, "Hahahaha, just say it, I won't mind."

Wiliam looked at the people around him, and they all calmed down, waiting for his final remarks.

Wiliam said, "You went to a prostitute last night."

Eh?

Huh!

The people at the scene were stunned, everyone was dumbfounded!

What a special thing!

What the hell!

It is said that Elder Wenren Tianqing went to prostitute last night!

It's so rebellious!

This is Chi Guoguo pouring dirty water on the elder!

This kid can't escape death today!

Wenren Tianqing's face is even more fun.

First he was completely stunned, with a slight unnaturalness on his face.

Then he quickly flew into a rage, "What are you looking for? Even I dare to slander!"

Seeing the elder's real fire, Wenren Tiange frowned immediately and prepared to save Wiliam, "Wiliam! Don't be too open-minded, and immediately apologize to Elder Tianqing!"

Wiliam remained unmoved, and looked at the angry elder Tian Qing with a smile, "You asked me to be blunt, why? I regret it?"

I regret a woolen thread!

Are you really right?

The elder is angry because you splashed someone with dirty water!

Everyone thought so in their hearts.

"You kid, it seems that you are deliberately looking for death! Okay! You can tell me in detail! If you can't tell the reason, you will definitely die today!" Wen Ren Tianqing said with an audacious expression.

Wiliam smiled and said, "Are you sure you want me to talk again?"

"Say!" Wenren Tianqing said loudly.

Wiliam looked around, cleared his throat, and slowly said, "The place you went last night was red and blue, and the pavilion was fragrant and beautiful."

When this red and blue came out, Wenrenqing was stunned.

It's so iconic!

This is their most prestigious place, Lanxi Tower.

She was sweating for Wiliam before, but now that the red and blue are coming out, she will know it when she smells the affection.

Not long after Wiliam came here, he had never seen Lanxi Tower. If he could tell it now, it means that he really counted it.

The people at the scene were also at a loss, and they were bluffed by Wiliam's words.

I have never seen such a calculation!

Ordinary people's calculations are generally based on calculations of good or bad luck.

This kid predicts, how can he even figure it out?

It's too fake!

Wenren Tianqing felt a little bit in his heart, but when he thought about it, he felt too fake, and instantly he felt confident again.

William continued: "The woman who sleeps with you is ugly."

Everyone burst into laughter when the ugly appearance came out.

I don't know how to make the break more lively. Since I'm out for fun, how can I find an ugly woman?

But Wenren Tianqing's face turned pale in an instant.

William continued to say, "This woman has a black birthmark on her left face. It is very big. The whole face is black and white, showing a yin and yang face."

As soon as this was said, the laughter on the scene stopped abruptly.

Because the woman William described was so famous.

The ugliest woman in Lanxi Tower.

How did William know!

Wen Ren Tianqing staggered and took two steps back unconsciously.

He stared at William in horror, and a storm surged in his heart.

This kid!

How can it be!

Now everyone thinks this kid is smashing, but only Wenren Tianqing knows what this kid has calculated!

It's amazing!

He really sneaked out last night, went to the Lanxi Tower, and found the woman.

This is a very secret thing, even his elder brother Wenren Tianyi didn't know, how could this kid know!

How did he figure it out!

However, while horrified, the whole room was laughing, Wenren Tianqing had only one unforgettable complaint in his heart.

Boys!

You don't even know how good the technique is!

Linger!
