

# Dragon Husband

Chapter 1463

What does Wenrenqingqing mean?

Wen Ren Tianqing was puzzled, and slowly opened his purse.

After all, he was disdainful in his heart.

Although this purse is bulging, how many spirit crystals can it hold?

He drew out a few white spirit crystals.

Seeing this, Wenren Tianqing showed a smile on his face.

Ho ho, white spirit crystals, it seems that there are only more than twenty spirit crystals in this purse.

The faces of the people at the scene also became joking.

However, when Wenren Tianqing digs it out again, his eyes suddenly wink.

A faint red color flashed under his eyelids in an instant.

red?

What the hell?

Is there something else in this purse?

And when he took it out, there was already an incredible cry of exclamation!

Wen Ren Tianqing took a closer look, and he held a scarlet Tianshan Spirit Crystal in his hand!

What does the red spirit crystal represent!

The people present were dumbfounded.

A red spirit crystal represents ten thousand spirit crystals!

This!

This is incredible!

Many disciples have never seen a red spirit crystal so far!

Seeing everyone dumbfounded, Wenren Qingqing's expression only eased a little.

Now you know how great it is!

Now dumbfounded!

Why did you go?

Wen Renqing walked over and took away the other spirit crystals in Wenren Tianqing's hand, along with his purse, "I will take the others first, after all, a red spirit crystal is enough."

Only then did Wen Ren Tianqing come back to his senses, and looked at Wen Ren Qingqing in disbelief.

Just now, he clearly felt that there were still a few spirit crystals in his purse.

He didn't even take it out.

Is it possible that there are red spirit crystals in it, otherwise why should I take it away?

However, Wenren Tianqing is overestimating Wenrenqingqing.

She took away the other spirit crystals, where there were still red spirit crystals inside.

She just didn't want to waste a cent on Wenren Tianqing.

No matter how small a mosquito's leg is, it's meat, right.

"Qingqing! Where do you have so many spirit crystals!" Wenren Tiange asked immediately.

Wenren pouted his lips and said, "This money is not mine, it is said that it belongs to Wiliam. As for how he got it, I don't know."

At this moment, even if you don't believe it, Wenren Tiange won't work.

Because Wenrenqingqing's money comes from the sect.

And how could Zongmen give her so much money!

Wen Renqingqing threw the hot potato back to Wiliam again.

There is only one thought in everyone's mind at this moment.

Where does that kid get so much money?

Go steal it?

But you have to get so much to steal it!

by!

That kid is getting more and more evil!

Wen Ren Tianqing's face was hot and painful at the moment.

The front foot was still taunting the poor boy Wiliam, and a red spirit crystal was thrown out on the back foot.

Sturdy slapped.

Li Nianyi's whole person is not good.

He seemed to feel a fear of being dominated by wealth!

That kid Wiliam is so rich!

No wonder!

No wonder he could easily take out one hundred Lingjing and buy an inexplicable bracelet before!

And recalling the remarks that ridiculed Wiliam just now, Li Nianyi was so embarrassed that he just wanted to find a place to get in.

Wen Renqingqing didn't bother to pay attention to everyone, she said lightly: "Since Wiliam took out 10,000 Lingjing, then he is eligible to enter the seventh floor of the library. I hope my father will believe it."

After speaking, she turned and left.

Wen Renqin also hurriedly followed, but did not say a word along the way.

A group of people staying at the scene continued to be dumbfounded.

That kid, really wants to make history!

He is the first ordinary disciple of Xianghua Lixue to enter the seventh floor of the library.

Yeah, the look of burning money is so handsome!

However, Wenren Tianqing immediately gave a cold snort, and forced the respect, "Huh, what if he let him in? With his current state, I'm afraid he will have to go in and out sideways before he leaves for a long time. Money can be regarded as a contribution to us."

The people at the scene nodded immediately.

The money has indeed been lost.

If you think about it this way, everyone just feels a pain.

If Ten Thousand Lingjing gave himself, it would be great.

I don't have to worry about everything in my life.

But Wenren Tiange was in place, lost in thought.

This Wiliam is not simple.

At least, it is far from as simple as what I see now!

"Let's go away." Wenren Tiange said, he also left.

After Sister Wenren left, she went straight to Wiliam's room.

Wen Renqing didn't talk all the way, not because of calmness.

It is holding a stomach of fire and a stomach of grievance!

She kicked into Wiliam's room and saw that Wiliam was drinking tea at the table, making her angry.

"Wiliam!" Wen Ren yelled in love.

"What do you call me?" Wiliam frowned.

Wenren fell in love with a guilty conscience for a while, and said, "Young Master."

"Yeah." Wiliam nodded.

Wenren Qingqing doesn't have this master-servant relationship, and he has no worries.

She was pitted the worst today.

"Princess, what's the matter?" Wiliam asked.

"What do you call me!" Wen Ren Qingqing also squeezed.

Wiliam Yihan, knowing that the eldest princess was angry at the moment and could no longer make her angry, so he called out, "Master."

"Yeah." Wen Renqing nodded, feeling at ease.

And Wen Renqinxin's whole person is not good.

She looked at the two people who had the best relationship with her in front of her in disbelief.

I call him Master, his sister Master?

Am I at the bottom of the food chain?

Are you two messing around and messing me down?

What did i do wrong?

What damaging thing did I do?

Will it hurt if you touch your conscience?

No, do you have a conscience?

"Puppy! Why do you want to worship me as a teacher! Are you deliberately making me embarrassed! Also, why did you spend that wrong money! Don't you know it is not easy to make money!" Wenren asked in a burst of emotion.

Wiliam took a sip of his tea and said, "I worship you as a teacher. The reason I said before is that I am closer to you."

Wenrenqing's face turned black, and I fell in love with your sister!

Who fell in love with you!

You big head!

However, this matter has already happened, and Wenrenqingqing can't do anything about it.

Then you have to rely on your status as a teacher and do whatever you want with him.

Well, thinking of this, Wen Renqinqing finally felt less irritable.

I will definitely be a good teacher in the future.

Well, it will definitely be!

The look she looked at Wiliam also became expectant.

Looking forward to how to deal with him in the future!

"Moreover, I don't think that money is spent wrongly. If the seventh floor of the Cangshu Pavilion can improve the cultivation base, the money will not be spent in vain." Wiliam answered the second question.

Wen Renqingqing began to vomit again: "That's going to come out too! You just didn't hear how terrible that place is! The warriors of the Innate Secret Realm can only breathe out when they enter!"

Wiliamzheng reasonable to complain about people's affection, and answered the third question, "Is it hard to make money? I think it's okay."
