

# Dragon Husband

## Chapter 1466

According to his established purpose, Wiliam didn't rush through the books, but sat up cross-legged, feeling the coercion of the strong.

He can feel that every inch of his body's muscles are tightening at this moment, resisting this powerful pressure.

And the cells in his body seemed to be unable to withstand this kind of coercion at all, dying constantly.

There was a feeling in Wiliam.

Now the regeneration speed cannot match the death speed.

My goal is to let this regeneration rate keep up with the rate of demise.

This is the meaning of body quenching.

And for a strong man in Wiliam's realm, not eating or drinking for 30 days is also a difficult test for him.

Fortunately, there is a small toilet here, otherwise it would be embarrassing.

One day passed quickly, and there were fine blood beads on Wiliam's body.

People outside are going crazy.

What the hell!

They watched the red color light up and knew that Wiliam had entered the seventh floor.

Then they thought, for a long time, Wiliam should come out sideways.

However, one day passed!

Wiliam didn't even come out!

The red is still on, indicating that he hasn't left the seventh floor either!

This makes Li Nianyi's whole person bad.

This kid, really spent a day in it, and there seems to be no intention to come out!

Is he so healthy?

Li Nianyi was a little anxious.

That night, he asked a disciple to guard at the entrance, and then went back to sleep without a word.

Early the next morning, Li Nian got up as soon as he woke up with dark circles under his eyes. Obviously, he didn't sleep well last night.

When he came to the entrance, he asked in the first sentence: "What? That kid came out!"

The disciple looked unrequited and shook his head, "Nothing."

"Then he did not leave the seventh floor to other floors!" Li Nian grabbed the disciple's shoulder one by one.

The disciple shook his head again, "No."

Li Nian's voice instantly rose up, "What the hell! Are you lazy to go to sleep!"

The disciple seemed to be stepped on the cat's tail, and was anxious, "Brother, what are you talking about! I didn't sleep all night last night, look at my dark circles!"

The eyes are facing each other.

Dark circles vs. dark circles!

Li Nian had ten thousand complaints in his heart, saying that Laozi's dark circles under the eyes are worse than you.

"Damn! What kind of crooked way did this kid use!" Li Nian spit out, then pulled a chair, his eyes fixed on the colorful stone.

At this time, Wen Renqing and his sister came over, glanced at the colorful stone, then at Li Nian's dark circles, and smiled: "Oh, Li Nian, you slept all night, it seems you did get on the bar with Wiliam? Do you want to go back to sleep? Anyway, Wiliamzhen came out so quickly."

"You! Don't talk cold words here! I just leave the words here! Wiliam won't come out! I won't leave! I will stay as long as he stays!" Li Nian was like a crazy beast, eyes all red.

"Don't you still learn that Wiliam doesn't eat, drink, or sleep?" Wen Renqing also took the opportunity to get into trouble.

She knew that even if Wiliam were to come out, it should be six or seven days later.

She has a better understanding of Wiliam's strength.

"Don't eat or drink or sleep?" Li Nian was taken aback.

Yes, facing the coercion below, how can you eat, how can you drink, how can you sleep?

"Hoho, okay! I'm here to watch! Not eating or drinking or sleeping for a day or two is a trivial matter to me!" Li Nian held this mindset, and his momentum must not be let down.

"Okay, everyone has heard it, let's go out and play first, come on." Wen Ren said to Li Nian with a smile.

Because they didn't have any confidence in Wiliam at all, those elders didn't come over at all.

Let Li Nian make a mess.

With this thought, Li Nianyi decided to go with William!

one day!

Two days!

Three days!

By the third day, Li Nianyi was going crazy!

He really doesn't eat, drink, and sleep.

Both eyes are staring at the colorful stone like probes, hoping that the colorful stone will emit some other light, or just go out.

But the colorful stone is hard!

Still shining red.

Blind his eyes.

Li Nian's eyes became muddy for one to three days because of excessive use of his eyes, and there was a lot of eye feces.

My body also started to sloppy and smelly.

People who didn't know thought it was Li Nian who went to practice.

"Damn! Is this kid dead down there!" Li Nianyi was about to collapse.

"No? If you die, the red light will go out if you don't have a breath." The kind little brother explained weakly beside him.

"I know! I still need you to say it!" Li Nian roared, almost crying.

So sleepy, tired, hungry...

Li Nian came to the toilet for one to three days and went to the toilet several times at the beginning.

To the back, even the toilet was not gone.

His lips were chapped, his eyes were dull, and he looked very haggard.

Compared with physical discomfort, mental tension and anxiety made him feel dizzy.

In the past three days, Wenrenqingqing sisters have also been here several times.

Every time I came here, I took a stroll with a delicious snack or a drink, but Li Nian was pissed off!

Now, there is only one reason to support Li Nianyi's persistence.

Win the one hundred spirit crystal that Wenren loves!

Anyhow it can comfort the desolation of the soul.

Four days!

Five days!

Six days!

Three more days have passed!

Li Nianyi was completely desperate!

By the evening of the sixth day, he fell from the chair with a butt, and he was totally embarrassed!

“Impossible! Impossible! He can’t stay for six days! Am I dreaming!” Li Nianyi said vaguely.

The kind little brother carried forward his spirit again and slapped Li Nian one by one, “Brother, look, does it hurt? You are not dreaming!”

Li Nianyi was agitated, punching and kicking the kind little brother.

He can’t hold it anymore!

Six days!

Before some elders went in, they would die for only six or seven days!

This kid can stand shoulder to shoulder with the elders!

Incredible!

He regrets it!

Shouldn’t be able to do it for a while, betting with Wenrenqingqing sisters about not eating, drinking or sleeping!

Now, Wiliam stayed here for six days without eating, drinking, or sleeping!

I was safe and stable on it, but I couldn’t hold it anymore.

What a shame!

However, Li Nianyi has always been a character who can bend and stretch. He grabbed a bottle of water next to him and started drinking.

Then he staggered and ran in one direction, “No, I’m going to report to the elders, this kid is too evil!”

Six days have passed, enough to attract the attention of the elders.

At this moment, Wiliam on the seventh floor of Luo Tian Mikong slowly opened his eyes.

He has become a blood man.

The blood on my body dries and flows, flows and dries.

A thick blood scab formed on his body.

The blood of the ancient unicorn on Wiliam's body spewed again, offsetting this powerful pressure.

Wiliam loosened his body, and exhaled fiercely.

He still has spare energy, but he doesn't plan to run out all of a sudden.

He was going to rest for two or three hours, and during this time, he read the secrets in this layer.

This is also one of the purposes of his coming down.
