

Dragon Husband

Chapter 1485: part 2

The peach petal strangulation is over!

The Peach Blossom Demon is also completely violent!

Hundreds of Peach Blossom Fairy fell into a violent state.

They are not as coquettish and colorful as before, with hideous looks on their faces!

At this moment, Wiliam was already too weak!

Wiliam's eyes were crimson looking at the Peach Blossom Fairy who had been killed frantically!

"Long live the demon lotus!"

With a loud roar, all of Wiliam's strength was exhausted!

The long live demon lotus in the air, red light bloomed in an instant, completely covering the pink sky!

It's just a matter of time!

Long live Demon Lotus finally arrived in front of Wiliam and blocked the suicidal blow of Peach Blossom Demon for Wiliam!

"Boom boom boom!"

The ground is shaking!

The moment the Peach Blossom Fairy approached Wiliam, he blew himself up!

A wave of formidable vigor, like a squally shower, rushed towards Wiliam!

Rao had the Long Live Demon Lotus formed a barrier in front of him, and Wiliam was directly blown into flight!

Before his consciousness was completely lost, Wiliam grabbed Wen Renqing who was in a coma.

The two were blown out at once.

"boom!"

With the sound of the last explosion of vigor, Wiliam's eyes went dark, and he finally lost consciousness.

In this battle, who wins and loses...

This battle is death or life...

The moment Wiliam closed his eyes, he was also unsure.

I don't know how long it took, Wiliam slowly woke up in a lick.

"Pain." The first thing Wiliam felt was that his whole body was falling apart, the pain was piercing.

Then, he opened his eyes and fainted again when he was so mad at the scene that he almost couldn't breathe.

Wen Renqing didn't know when she had already woke up.

However, she was still poisoned.

Just now, while Wiliam was unconscious, he bit Wiliam's body bit by bit.

Wiliam had the excitement of the rest of his life in an instant, but instead felt a sense of unlovable life.

"Wenren loves!" Wiliam cursed because his body hurts too much.

"Xiao Lulu." Wenren lifted his head in love, his face flushed, and his eyes were silky.

After shouting such a sentence, he lowered his head again.

Is this guy awake or unconscious?

This is going to bite me!

Wiliam felt as though his body was bitten by an ant, and he was extremely depressed.

Wiliam just ignored a very important point.

There were so many peach petals on the scene, all exuding the fragrance of asceticism.

After being strangled by the Long Live Demon Lotus, the scent and poison seemed to be extracted, and it became more intense.

Wen Renqing's poison is even worse, even Wiliam himself feels hot and uncomfortable.

This product is so beautiful, this face, this waist, this figure...

"Snapped!"

Wiliam bit his tongue and suddenly slapped himself severely.

Beasts!

How can I have evil thoughts for Wenren!

Wiliam took a sigh of relief, and said to Wen Ren in love, "Love, don't just bite me, come here, let me kiss you."

Wen Ren looked up intently, glanced at Wiliam suspiciously, and then drooled.

Her lilac small tongue pursed her lips.

Then he leaned toward Wiliam's mouth while pouting her little cherry mouth.

"Well, really good." Wiliam stretched out his hand reluctantly, trying to stroke Wen Ren Qingxin's hair.

Wen Renqin seemed very satisfied, and closed his eyes, like a puppy about to eat meat and bones.

Wenren's heart-to-heart mouth has already been in front of Wiliam.

Just about to take a kiss, Wiliam lifted his knife and dropped it on Wen Renqing's neck.

"Huh huh." Wen Ren snorted inwardly, and fell softly on Wiliam's body.

Just now, Wenren was gnawing at Wiliam's body, but Wiliam couldn't reach this stuff.

So I lied to her to get in there, so that the hand knife could take advantage of it.

Wiliam slammed Wenren's heart-stricken head with his hand, with a positive expression on his face.

"I told you a long time ago that Lao Tzu is a man you won't get in your entire life."

"Find a stick and go to you!"
