

Dragon Husband

Chapter 1514

When Wiliam saw Liu Yuntian, a bright light flashed in the depths of his eyes.

However, he still smiled and walked towards Liu Yuntian, "Hahahaha, last time President Liu said that he had prepared some good tea, I just came to ask for tea."

The two have different thoughts, but at the same time they are tacitly a little broken.

"Brother Lu, please inside! Tea is already ready." Liu Yuntian made a polite gesture.

The two moved to the inner hall of the auction house, and as expected, the tea was already ready.

"President Liu knew I would come?" Wiliam smiled.

"I just said, I'm gambling. It's not appropriate for you to go anywhere here, it's most suitable for me." Liu Yuntian also casually said.

"Oh? I would like to ask President Liu to speak carefully." Wiliam sat on the chair and held up a cup of tea. As expected, the tea smelled overflowing, not Fanpin.

"Little brother Lu came out of the fragrant flowers. I don't think I will go to find your two brothers who are equally talented? After all, they also have their own cultivation. And you are new here, there should be no other place to go. Right." Liu Yuntian said with a smile.

Wiliam glanced at Liu Yuntian deeply, "Yuntian Auction House has enough eyeliners."

As soon as his front foot left the fragrant flowers and blood, Liu Yuntian was waiting on the back foot.

It explained that Liu Yuntian knew everything about what happened in Xianghua Lixue.

Liu Yuntian showed a meaningful smile this time and said, "It's not that Yuntian Auction House has many eyeliners, but mine."

"Oh? How do you say it?" Wiliam became interested.

Liu Yuntian seemed to be trying to build a good relationship with Wiliam, and showed great sincerity. "It seems that Brother Lu still doesn't know something about Yuntian Auction House, right?"

"Our Yuntian Auction House actually belongs to a sect called Jinyu Lingkong. And I, the deputy master of Jinyu Lingkong, is responsible for Yuntian Auction House."

Wiliam nodded, "I just knew about this. How strong is your sect?"

"The strength is average, except for the nine sects, and if there is no chance, you will never get to the nine sects in this life. After all, Jinyu Lingkong specializes in business, which is different from other sects." Liu Yuntian said.

"Then you just said, your eyeliner..." Wiliam returned to the previous question.

"Little brother Lu is really keen on his mind, and he doesn't let anything go. Hoho, since I choose to be friends with you, then I know I can talk about everything." Liu Yuntian continued to show his favor, "My eyeliner, but It's not Yuntian Auction House, and it's not Jinyu Volley."

"Six methods?" Wiliam asked back.

Liu Yuntian shook his head and smiled.

"Sandingtian?" Wiliam frowned slightly.

"Ho ho, the three tops are above the sky." Liu Yuntian didn't sell it anymore.

This was completely beyond Wiliam's expectation.

"There is still power in the three heavens?" Wiliam asked.

"Seven-star ferryman. A mysterious force formed by seven people, in charge of the order of the common people's territory." Liu Yuntian smiled.

Seven people can form a force that sweeps across the common people's territory!

Wiliam was not calm now.

"Who are these seven people? You can actually dominate the three heavens with the posture of seven people!" Wiliam asked impatiently.

However, Liu Yuntian shook his head and said honestly: "Don't say that outsiders don't know, even if I am directly loyal to one of them, I don't even know who the venerable is, let alone other people. In this world, Probably only the seven of them know each other's identities, and none of the others know it."

"Why tell me that?" Wiliam asked knowingly.

Liu Yuntian smiled again, "Isn't my intention obvious enough? Show you good."

"Ho ho, I'm just born with a waste of blood, will President Liu show the wrong target?" Wiliam said casually.

"Anyone who can abolish all the elders of the sect, even if he was born with a blood loss?" Liu Yuntian lowered his voice, and inadvertently told the facts, "but don't worry, I will never announce what happened to you."

Wiliam naturally knew this too, "So, why are you showing your favor?"

"Please one thing." Liu Yuntian didn't hide it.

"What's the matter? Is there a way for a huge sect? I need to ask it on me." Wiliam smiled.

"Zongmen has a way. But I feel more at ease with you. I will let you see someone and you will know." Liu Yuntian said, greeted outside, "Come in."

Wiliam looked towards the door, and it was Ling Ruyi who hadn't seen him for many days.

From the auction house's opinion, Ling Ruyi has had a good time, with a rosy face.

When she saw Wiliam, she smiled happily, "Brother Wiliam, you are finally here."

"Ruyi, it seems that you are having a good time." Although Wiliam and Ling Ruyi were only one-sided, he solved her difficulties easily.

Wiliam still admired this innocent girl at the age of seventeen or eight.

"Hmm! President Liu is very kind to me and takes good care of my mother. I feel very contented, thank you brother Wiliam." Ling Ruyi said with a grin.

"Let's talk about business. Wiliam, do you know a place called the Battlefield of Blood and Tears?" Liu Yuntian said.

Wiliam was taken aback and looked at Ling Ruyi.

After hearing this place, Ling Ruyi's eyes flashed with sadness.

"I know, Ling Ruyi's father died there," Wiliam said.

"Well, I also listened to Ruyi. With Ruyi's permission, I reported to the Zongmen. This time the Zongmen intends to send a group of people to this place. According to my guess, there should be a treasure of gods in the battlefield of blood and tears." Liu Yuntian said.

"Ho ho, there are treasures, there are bound to be risks, how much do you know about the battlefield of blood and tears?" Wiliam asked back.

"Few people know this place. Last year, Can Jian Jiutian, one of the nine sects, discovered this place, and then a group of people went to explore the secrets. The result was heavy damage. Oh, by the way, Ruyi's father was in Can Jian Jiu sect before his death. The information from Jiuzong of Canjian, the world is freezing cold in the battlefield of blood and tears, and many ice-type ancient beasts are bred, especially in the land of ice core. The people of Zong are in the core place." Liu Yuntian provided very limited information, and it can even be said that there is nothing meaningful.

But there is no way. Few people know about the battlefield of blood and tears, let alone exploring and recording.

"What's the advantage of me going down?" Wiliam didn't shy away, but asked directly.

"You go down, no matter what comes back to me, I owe you a favor. Well, what I mean, do you understand?" Liu Yuntian's expression became weird.

Wiliam gave him a deep look.

Can't you understand?

Does Liu Yuntian owe favor to others?

Do not!

Liu Yuntian's favor is nothing.

It is the people behind Liu Yuntian that make sense.

Therefore, one of the seven ferrymen will owe him a favor!
