

Dragon Husband

Chapter 1515 Song Hanyu

The strong man above the three heavens owes him a favor!

If this favor was used to destroy a random nine cases, it would be a matter of one sentence.

Wiliam's heart trembled fiercely, but immediately suppressed the shock.

"You're polite, tell me the truth, what do the people behind you want to get from the battlefield of blood and tears?" Wiliam asked.

The ability to make Seven Star Ferry owe favors to people shows that this battlefield of blood and tears is by no means simple.

There must be something that even the Seven Star Ferryman cannot resist.

"To be honest, I don't know. My master has only one sentence to tell him what happened on the battlefield of blood and tears. He may want to get information. So you know, the man who is in the sky, I I don't believe it. Instead, I believe you more." Liu Yuntian said.

"I don't believe in their strength, nor do they believe that they can get any useful information below." Liu Yuntian added, "And you, in the buried place, you can easily get something that no one else can get in your life, I I believe you more."

Wiliam looked at Liu Yuntian deeply.

I don't know what secrets Liu Yuntian knows about him.

"Don't worry, I swear to God that I won't say anything about you. I can even tell you clearly that I didn't even tell the master about your things. Because you are someone who even the old man Qingfeng wants to keep. I don't want to offend the old man Qingfeng." Liu Yuntian said again.

The corner of Wiliam's mouth slowly curved out.

interesting.

How long have I been here, I actually attracted the attention of the strongest.

Elder Qingfeng, it seems that he is also looking for a time to visit.

"Deal." Wiliam said.

"Hahahaha, little brother Lu is really a man of temperament. But there is something I said ahead. Let the Jinyu volley people go to that place, it is just a pretense for me to let you go down, you belong to my personal recommendation. , I can't let the person in Jinyu Volley give you too much help." Liu Yuntian said a little apologetically.

"I understand." Wiliam smiled, "Chairman Liu is also great, waiting for me here step by step. When?"

"In front of you, what is my little cleverness? I will go down tomorrow. Although I can't help you much in the overall situation, I will ask someone to help as much as I can." Liu Yuntian said.

"Ho ho, drink tea, one less cup." Wiliam raised his teacup.

"Hahaha, I'm done talking about business, naturally drink tea! One less cup of trouble, my own person." Liu Yuntian was in a good mood.

After the two drank tea for half an hour, Liu Yuntian asked Ling Ruyi to arrange for Wiliam to rest.

And Liu Yuntian said to the darkness: "Come out, Wiliam has already discovered your existence."

In the darkness, one person walked out slowly.

A woman with a variety of styles, she looks more than 30 years old, with a cinnabar lighted between her eyebrows.

"Do you completely believe in that kid?" the woman said.

"Well, I don't know why, I vaguely felt the breath of my master in him, maybe I was wrong. But I like his character very much." Liu Yuntian has exposed Wiliam too much. strength.

"Who's bloody, as for?" the woman said softly.

"Han Yu, don't underestimate him. Although he is far from your peak strength, I feel that this person is very strong. Take care of him as much as you can." Liu Yuntian's eyes revealed a hint of gentleness.

The reference he was talking about was not a reference to strength, but a reference to human affection and sophistication.

Liu Yuntian knew that Wiliam was very arrogant.

"Ho ho, what qualifications do I have to underestimate him, I am only half a step from the congenital peak." The woman named Song Hanyu smiled bitterly.

"Han Yu, I'm sorry. Over the years, I have tried everything possible, but your body..." Liu Yuntian said guiltily.

"I don't blame you, it's nothing. Tomorrow I will try my best to look after him." Song Hanyu said bitterly.

Song Hanyu is Liu Yuntian's lover.

Her current identity is the hall master of Jinyu Volley.

However, she still had an identity before.

Jinyu Volleys the unprecedented suzerain!

It's just that she suffered a change a few years ago, and she, at the peak of the innate secret realm, fell to the half-step peak of the innate.

And the fall in the realm naturally caused her to lose face as the suzerain again.

She abdicated and turned to Xian, she was just a hall master.

During the years as the hall master, she naturally experienced the warmth and coldness of human feelings, but she was not good enough for outsiders.

"Tomorrow I will go out to do some errands. Wiliam's affairs will be up to you." Liu Yuntian sighed and said.

"Yeah." Song Hanyu agreed, and slowly disappeared in the darkness.

Liu Yuntian looked at the darkness for a long time, and muttered to himself: "Xianghua Lixue is blind, so he let Wiliam go. What will they think in a month? I really look forward to it."

And Wiliam was lying on the bed with complicated thoughts.

Too much happened today.

He didn't care if he was free from the fragrance of the flowers, after all, the goal of the fragrance of the flowers was achieved.

Now, he has also stepped into a half-step congenial realm. The seventh chapter of the "Impermanent Medical Classics", the mocking wind, can be studied.

The short-term calculation of the future is really a bit mysterious.

At the same time, he was thinking about the battlefield of blood and tears.

The big reason why Wiliam agreed to go to the battlefield of blood and tears was because of the Azure Kylin.

A bloodshot of Senior Azure Qilin appeared in the battlefield of blood and tears.

At that time, Wiliam had the idea of investigating in the past.

And this is what he promised to Senior Azure Qilin.

However, there was an accident now.

Favors from Qixing Ferry...

It's suffocating.

Is it really that simple?

Just ask yourself to truthfully tell what you saw and heard on the battlefield of blood and tears?

Ho ho, bothersome.

At noon the next day, Wiliam welcomed the first guest.

Song Hanyu.

Wiliam's eyes changed slightly when he saw Song Hanyu.

Song Hanyu smiled, and introduced herself to Wiliam like spring weather.

Wiliam understood that she should be the person Liu Yuntian said.

“Wiliam, you can call me Aunt Song.” Song Hanyu was sad, but after all, he was a good person.

Seeing Song Hanyu’s gentle eyes, Wiliam’s defenses naturally took off.

“You look very young, doesn’t calling you Aunt Song call you old?” Wiliam smiled.

“You can really speak, no wonder Yuntian admires you too, I am in my forties, so I call Aunt Song, don’t you want to?” Song Hanyu smiled.

“Well Aunt Song, what is your relationship with President Liu?” Wiliam asked.

“You should guess, Yun Tian said that you are very smart, so intelligent and close to the demon.” Song Hanyu deliberately inspected Wiliam’s realm, but could not see through it, so he gave up.

“I see, Aunt Song, please come in for a cup of tea.” Wiliam invited Song Hanyu into the house.

Song Hanyu hesitated for a while, and generously entered Wiliam’s small room.

Wiliam shut the door specially.

Seeing this scene, Song Hanyu frowned slightly.

Lonely man and widow, in broad daylight, still closed the door...

However, this discomfort was quickly broken by Wiliam himself.

Wiliam lowered his voice and said to Song Hanyu: “Aunt Song, do you have an injury on your body? Is there a foreign body in your blood?”
