

# Dragon Husband

## Chapter 1530

The elders at the scene suddenly became messy in the wind.

No wonder the vaguely familiar sense of sight just now.

Wouldn't it be such a coincidence?

William, who is scented with blood, is a celebrity who has been in the limelight recently.

Some say that he eats soft food, some say that he holds his thigh, and some say that he is born with blood and arrogant.

Anyway, all kinds of negative news eventually led him to be driven out of Xianghua and become a homeless stray dog.

But how could a stray dog compare with the utterly earth-shaking old Lu?

For a time, it is difficult for everyone to overlap these two completely different figures.

"Then what, did you have the realm of observing Lao Lu just now?" Xu Benliu asked weakly.

A group of people shook their heads and waved their hands, "How dare you? Just now, Mr. Lu was like a god in our hearts. How dare we rashly inspect his realm, and annoy Mr. Lu that we can't finish eating."

But one person whispered: "Sorry, I was itching for a while, and I couldn't help but want to secretly inspect Lu Lao's realm..."

"What!" Everyone was surprised, and immediately asked, "What is the result?"

The man had a sullen expression and said, "If I say, I can't see the realm of Lu Lao's strength at all, do you believe it?"

"Huh?" The people at the scene were all dumbfounded.

Under normal circumstances, the main breath detection will reveal a person's martial arts realm.

But there is also a situation, that is, the realm gap between the observer and the observed is too much.

At that time, the observer would only feel that the realm of the observed in front of him was like a mountain and deep stream, unfathomable.

Could it be that Lu Lao's realm of strength has reached a suffocating level?

The man looked at everyone with different looks, knowing that they understood them wrong, and quickly explained: "Listen to me. When I secretly probed, I found a very strange thing. I didn't feel any

high mountains and deep streams at all. The general horror aura, I only feel that there is a cloud and mist in front of me, and I can't see Lao Lu's strength at all. This is very strange."

Everyone was dumbfounded again, one after another strange thing?

Of course, they didn't know that Wiliam's ancestor mother's roots could directly prevent others from detecting his strength.

"Quickly confirm this matter. At that time, anyone who participated in the Yingdu Recruitment, or participated in the fight for fame, all asked to see if Lao Lu was the fragrant flower and blood." Xu Benliu hurriedly ordered. , For a while he was in a state of confusion.

What if Mr. Lu is the same Wiliam?

Isn't it a trick?

Soon, this matter was confirmed.

According to the descriptions of the elders, those of the sect who had seen Wiliam's true appearance immediately confirmed that Wiliam was Wiliam.

Now, the elders are speechless.

Is this black under the lights?

However, Xu Benliu immediately said: "Don't worry about whether he is Wiliam or Lu is old. We can always confirm one thing. He saved my son's life, right? Even if it wasn't he who saved it, it was because of a coincidence. , But it can't be separated from him. Moreover, now only he can resolve the injury of my son, this matter can be proved immediately.

"If it is true, I will owe him two lives for Jiutian, and he is our great benefactor."

Xu Benliu is a straight-tempered person. Under his leadership, the entire Ruan Jian Jiutian is the kind of person who is jealous, like hatred and hatred.

Wiliam is kind to them, and they won't care about Wiliam's background and his notoriety.

Xu Benliu's words immediately drew the unanimous agreement of everyone present.

"Yes, yes, yes, we'll just wait here and see the results, I hope Wiliam won't let us down." Everyone said.

About half an hour later, Xu Tongyin and Wiliam walked out.

Xu Tongyin's face was red, not knowing whether it was hot or excited.

But Wiliam still looked calm and calm.

Looking at Wiliam, everyone feels complicated.

"Tongyin, how?" Xu Benliu asked Xu Tongyin.

Xu Tongyin excitedly said, "Is there still something wrong with Mr. Lu's move? I feel in a great condition now. According to Mr. Lu, my breath can be completely removed in a few days, and Mr. Lu has also been able to get rid of it in a few days. Will live with us."

Xu Tongyin took a mouthful of old Lu, and the foreheads of the elders present shook.

This is how old Lu is, he is only in his twenties!

"William? I don't know if it's appropriate to call you that? You are here." Xu Benliu said first.

He said William's name at once, and William was not surprised.

After all, they will know about this sooner or later.

But William nodded with satisfaction.

The people of Can Jian Jiu Tian are indeed good.

After knowing his invalid name, he still treats him like a distinguished guest.

"Dad, do you know the identity of Old Lu? You also know his name!" Xu Tongyin's eyes straightened.

"If William agrees to this matter, I will tell you everything, but William is our benefactor. We owe him two lives. This is an indisputable fact. We Can Jian Jiutian are not the kind of ungrateful people." Xu Benliu immediately stated his position.

Xu Tongyin is also a smart person, and immediately guessed that there was a clue.

But no matter how big the clue is, what's going to happen in front of two lives.

After obtaining William's consent, Xu Benliu immediately explained some of William's situation.

Of course the tone was very tactful, for fear of touching William's self-esteem.

I don't know, Xu Tongyin laughed loudly after listening, "What is born with waste blood! That group of people has no eyes! William, I won't call you old Lu hahaha. William has such a medical skill, which is better than that of the immortal prison. The group of people are so powerful, I don't know how many, it is more than enough to join a sect! Moreover, he can save me below, which shows that his strength is far from what we can see! No matter what, William's kindness I will never forget! "

Xu Tongyin is really a lover of personality.

This appearance immediately caused Xu Benliu to laugh, "Hahaha! It is my son! This is the strength of our Sword Nine Heavens!"

"By the way, William, didn't you just say that you want to order us to do something? But you said it's okay, we will do our best." Xu Tongyin asked again.

The other elders also nodded.

William smiled, "Then I would like to thank you all first. The thing I asked for help belongs to Brother Tongyin."

William admired Xu Tongyin's temperament from his heart, and had a very good impression of the elders like Can Jian Jiutian.

One sentence of elder brother made Xu Tongyin exuberant, and he did not refuse, "Since you have called me brother, I will ask you to say it."

Wiliam said directly: "In order to break the iceberg under the battlefield of blood and tears, my own magic weapon broke. That magic weapon is of great significance to me, so I have to ask Brother Tongyin to help me re-forged this magic weapon. "
