

Dragon Husband

Chapter 1538 Red Lotus Totem

Everyone has ever seen such a scene, they are all stunned, don't know what to do next?

The two elders were fairly knowledgeable and exclaimed in disbelief: "The god soldiers have recognized the master, this is to warm up the master!"

Everyone was speechless again.

I've only heard that magic soldiers need to be warmed up by their masters using flesh or other media.

I have never heard of the gods who support their masters.

Wiliam's magic weapon is too weird!

However, the ending was finally good. The fact that the Shenbing dealt with Wiliam showed that the bond between the two was very deep.

It seemed that Wiliam was in danger for the time being.

"Leave one person on duty this day and night, and immediately notify them as soon as something happens." Xu Benliu and the others would stay here for a while, but it would be useless, leaving one person to watch, and the others withdrew from the sword hole.

Wiliam re-forged the magic weapon, attracting five weapon robberies.

After the magic weapon awakened, the magic weapon Limang appeared again.

Which thing can't make a sensation!

If outsiders knew, Wiliam would be a target.

Everyone knows the truth about the innocence of each other.

So Xu Benliu has to deal with these urgent incidents.

Fortunately, a day later, Wiliam's body fell back to the ground.

The weird demon lotus under him slowly shrank, and finally turned into a stream of light, which entered the center of Wiliam's eyebrows.

A red lotus totem slowly appeared on his eyebrows, and finally disappeared.

The people who stayed there on duty immediately transferred Wiliam, who had not yet awakened, to the Zongmen's room to take care of him.

One day later, Xu Tongyin woke up.

The first thing he did when he woke up was to ask if Wiliam was still alive?

After getting the affirmative answer, Xu Tongyin finally relaxed.

Xu Benliu was also stunned when he learned of the miracles that Wiliam had experienced after awakening the magic weapon.

Unexpectedly, there would be such a big movement.

After digesting the information, Xu Tongyin returned to peace again.

But his faintly beating heart caught the attention of Xu Benliu and others.

"Tongyin, do you have any problems with your body?" Xu Benliu asked with concern.

Xu Tongyin shook his head and said with a smile: "This time I really want to thank Wiliamxian."

"Huh?" Xu Benliu had a faint hunch.

Sure enough, Xu Tongyin said: "My art of forging has reached a bottleneck in recent years and has been stagnant. This time I re-forge Wiliam Shenbing, which is really a great opportunity for me. I feel that the bottleneck is loose! I believe it will be a little bit later. Time, my forging technique can reach a higher level! Do you think I should thank Wiliam?"

"What! Hahahahaha! This is really the blessing of my sect! Wiliam is really a nobleman of my sect! Good! Good! Good!" Xu Benliu's face was red, and he was extremely excited!

Xu Tongyin himself is already a genius that Can Jian hasn't come out for a hundred years!

He is also the only forging master who can forge magical weapons among the nine sects.

Now, he actually said that he could reach a higher level after a while!

Then, what he can forge, isn't it an extraordinary soldier!

Thinking of this, Xu Benliu couldn't restrain his heart.

This is definitely an achievement of the past among the nine sects!

From thinking that Xu Tongyin fell, to his return, to the breakthrough of the forging technique!

From hell, to the world, to heaven!

Everything is an opportunity brought by Wiliam!

"But I need some time to digest. This matter is not in a hurry." Xu Tongyin has a calmness beyond ordinary people.

This is completely two personalities from his madness when he was training.

And when he knew that the sword furnace was broken in the awakening of the gods, he did not regret it.

As long as he can go further on the road of forging tools, He Chou will have a stronger and more compatible magical weapon.

The most urgent task is to wait for Wiliam to wake up.

And Wiliam was still asleep.

His body was drained of blood, but after Long Live Demon Lotus awakened, he kept repairing it.

Although he looks seriously injured now, his internal organs have been repaired seven or eighty-eight.

In his mind, the voice of Senior Azure Qilin emerged.

“Wiliam, can you hear me?”

Wiliam sounded vaguely as if he was in the middle of the ocean.

“Yes, am I still alive?” Wiliam whispered.

“You kid, you really don’t want to die! However, it opened my eyes. You are completely beyond my expectations.” Azure Qilin said with emotion.

“What’s the matter?” Wiliam was a little dazed, as if he had forgotten everything before.

Senior Azure Qilin repeated the awakening of the magic weapon, and said: “So, you succeeded, and with your life and blood, you successfully awakened the magic weapon.”

“What I did not expect lies in your tenacious will and hard work on the one hand, and on the other hand your trust and obsession with your Long Live Demon Lotus.”

“In my expectation, the breath of Xilai Ice Jade should take over the Long Live Demon Lotus and become the dominant one. After all, the material of Xilai Ice Jade is better than the material of Long Live Demon Lotus by many times.”

“But, by the way, you use your obsession to make Long live Demon Lotus go crazy with it. As a result, Long Live Demon Lotus will recover.”

Listening to the vague words of the Azure Kylin, Wiliam slowly replied: “This is what I expected. Although the Xilai Bingyu is good, I can’t give up the Long Live Demon Lotus. It’s very good now, I am very good. satisfy.”

“Hoho, of course you are satisfied! I don’t understand your Long Live Demon Lotus more and more. Cherish it! Maybe in time, Long Live Demon Lotus can rise to a terrifying state!” Azure Qilin finished this. After the sentence, it fell into silence.

“What about you? Long live the demon lotus will have an impact on you after swallowing the breath of the ice jade fragments?” Wiliam asked.

“I, ho ho, thanks to you. I am better now than ever before. Long live the demon lotus swallowed the breath of tears ice jade, but in the intertwining of the two breaths, the breath of the pieces of breath of tears ice jade was completely agitated. , My soul is warmed like never before. This is something I never thought of. Don’t worry about my affairs.” Azure Qilin seemed very excited.

“That’s good.” Wiliam said, without a sound.

His consciousness is still floating in the ocean, as if there is no home, no way, no heart.

Finally, he felt a shock in his soul, and there was a tingling in his body.

William reluctantly opened his eyes.

At first glance, he saw a person sitting beside the bed.

It is Xu Tongyin!

When Xu Tongyin saw William wake up, he was overjoyed, "William! You finally woke up! Great! I thought it would take a while for you to wake up."

"How long have I been in a coma?" William asked slowly.

"Two days and two nights." Xu Tongyin stood up and walked towards William.

He also carried two jars of wine in his hand.

He smiled and placed the wine jar by William's bed and said, "I said before, there must be wine in front of you."

"How is it now? Can I still drink it?"
