

Dragon Husband

Chapter 1541

Wiliam frowned directly and looked at Liu Yuntian.

Liu Yuntian shuddered and immediately explained: "Don't get me wrong, I don't send someone to follow you. It's just my personal inference."

He immediately expressed his inference.

Wiliam said before that he was going to Canjian Jiutian, but Liu Yuntian didn't care about it.

He also didn't ask anyone to follow Wiliam, thinking that Wiliam would be ashamed.

However, two days ago, a magic weapon appeared on the Forging Jianfeng of Can Jian Nine Heavens!

Although Liu Yuntian did not follow Wiliam, his subordinates would immediately report to Liu Yuntian of the anomaly that Du Jianfeng appeared.

And since Duan Jianfeng passed Xu Tongyin's fall, no one had used it to forge weapons anymore.

Now the emergence of the magic weapon Limang means that someone is forging a weapon.

And forged extraordinary soldiers!

The entire nine sects, capable of this ability, are clever and clever at Forging Jianfeng.

In addition, Liu Yuntian had mentioned Xu Tongyin to Wiliam before, and Wiliam had a strange expression at the time.

So Liu Yuntian boldly concluded that Xu Tongyin was dead, or came back recently!

And if Xu Tongyin came back recently, it would have a mystery.

He was rumored to have died on the battlefield of blood and tears, and Wiliam returned from there just a few days ago.

Wiliam also said that there was an iceberg in the battlefield of blood and tears with a person frozen inside.

He saved the man.

At the beginning, Liu Yuntian didn't care about it, but now thinking about it, that person is likely to be Xu Tongyin!

During this visit to Can Jian Jiutian, Xu Tongyin was asked to take action, which shows that Wiliam and Xu Tongyin have a very good relationship.

What a joke, saviour.

The magical soldier Li Mang can only have something to do with what Wiliam asked for this time.

After he said this, he looked at Wiliam a little nervously.

Wiliam slowly smiled, "You are quite careful. Wrong, Xu Tongyin is dead, I rescued it. It was also I asked Brother Tongyin to take action and re-forged my magical soldier, and the magical soldier Limang appeared. Does Limang know many people?"

Hearing the affirmative answer, Liu Yuntian's heart beat fiercely!

What a chance for this!

Wiliam is a walking good fortune machine!

It turned out to be one of the double arrogances to save anyone at random!

And let one of the two prides re-forged the magic weapon, and the magic weapon appears!

In other words, Wiliam has a supernatural soldier above the nine sects!

Gee tut!

His own strength is still increasing, and Can Jian Jiu Tian owes the favor of the Lord Xia Tian!

Wiliam is almost done!

Xu Tongyin reappeared in the world, what a shocking thing this should be!

"Chairman Liu?" Wiliam called out again when Liu Yuntian was still motionless.

"Ah! Oh, there should not be many people who know about the Shenbing Limang. I have this confidence. I am the most powerful in terms of eyes among the nine cases. Soon after the Shenbing Limang appeared, the information was immediately blocked. "Liu Yuntian came back to his senses and quickly replied.

"Well, it's not bad, it won't cause too much trouble to Can Jian Jiutian." Wiliam finally breathed a sigh of relief.

"Don't tell this matter, thank you." He said to Liu Yuntian politely again.

"This is natural!" Liu Yuntian immediately agreed.

But his eyes when he saw Wiliam were full of scorching heat.

"Tsk tusk tusk, it's no wonder your kid doesn't pay attention to the ordinary magic soldiers, and they are sent as soon as they are given. You don't think there is a bigger opportunity waiting." Liu Yuntian said enviously.

"Ho ho, I said to make friends with you." Wiliam said dismissively.

"By the way, after you left these few days, your Aunt Song has been arguing to see you. She said that she was upset because she was afraid that something might happen to you, so she wouldn't worry about seeing you." Liu Yuntian said suddenly.

William was taken aback, not thinking that Aunt Song cared about him so much.

"Where is she? I'll go see her." William said immediately.

"She is in the wing here. I will let Ruyi take you there. I have been busy with a major event recently. You will come to me after seeing Aunt Song. I want to ask you if I have something to do." Liu Yuntian looked very good. busy.

"Okay." William agreed, and when he went out he saw Ling Ruyi waiting for him.

Seeing Ling Ruyi, she still looked pure and kind.

William couldn't help sighing, and said: "Ruyi, I have been to the battlefield of blood and tears, but unfortunately there is nothing I can do for you."

Ling Ruyi smiled sweetly, "Big Brother Lu, you can come back safely to my greatest blessing! Don't worry, I have been able to face the fact that my father passed away calmly."

"By the way, this is for you." William suddenly took out something and handed it to Ling Ruyi.

Ling Ruyi saw that it was a small token.

William explained casually, "This is the Keqing token of Can Jian Jiutian. Your father went down with Can Jian Jiutian's people. He should also be Can Jian Jiutian's person. This is what the sect owes you to your mother and daughter. You take it. Don't say anything about this card token. Use it as a talisman left by your father."

William went to the Battlefield of Blood and Tears to get so many opportunities, and the premise was the place of the Battlefield of Ruyidao, Blood and Tears, so William was grateful.

For this little girl, William couldn't bear to see her having a bad life.

If this guest Qing token is added, she will also have an extra shelter.

Anyone who dares to make an idea of her should also weigh the background behind her.

Ling Ruyi didn't know the meaning of this token, she really only regarded it as a talisman, and carefully put it away.

She also smiled at William, "I will treat it as the amulet given to me by Dad and Brother Lu. I will store it well."

"You can take it out when you are in danger." William confessed again, fearing that this stupid girl would rather die than surrender and not take out the token.

"I know." Ling Ruyi stuck out his tongue, "You are as long-winded as my dad."

After speaking, she took William to find Song Hanyu.

William stood at the door of the wing and knocked on the door.

"Please come in." A gentle voice came from inside.

William pushed the door in.

He saw Song Hanyu who was half lying on the bed at a glance.

At this look, William frowned.

And Song Hanyu was overjoyed when he saw William, "William, are you back? My eyelids have been pounding and my heart has been jumping around these days. I always think that something will happen if you go out. It's great to see that you have nothing."

William walked directly in front of Song Hanyu and sat on the side of her bed.

Song Hanyu had a cheerful face at the moment, and a pretty face was very gentle, and he was really happy for William's return.

However, there was bitterness in this joyful face.

Her face was extremely pale, and her body was still trembling slightly from time to time.

William shook her hand, as he expected, it was really cold.

Like the hand of a dead man.

No need to look at other things, her body must be the same.

Song Hanyu was a little embarrassed, turned her face away, and then asked, "William, are you okay?"

William frowned, and said solemnly: "What can I do, it's your Aunt Song, your business is big!"
