

Dragon Husband

Chapter 1544

Song Hanyu, what a arrogant person!

Even if Wiliam gave her Zishuang before, she was just so grateful that she had just solved her frustration, and she never softened her knees.

but now!

She thought about the effect of lifting the cold water and cold gold!

The effect is to restore her realm!

Even because of the accumulation of blood in the past few years, it is possible to go further and set foot on the realm of seeking immortality!

Of course, for Song Hanyu, setting foot on the realm of seeking immortality was the unexpected blessing of having lost his horse.

more importantly!

Her self-esteem!

Belongs to one of the double pride!

Belongs to the self-esteem of the Nine Powers!

She has the ability to use her own hands to pick them up one by one!

The cold eyes I've suffered in recent years, the irony I've heard!

There is also a strong unwillingness deep in my heart!

She can solve them one by one now!

Wiliam gave her a brand new life!

So, apart from this kneeling, Song Hanyu has nothing to do with it!

With this kneeling, the dignity of one of the two arrogances not only has been lost, but has risen again!

She is convinced!

Wiliam was shocked, and hurriedly stepped forward, trying to pull her up, "Aunt Song, what are you doing? Get up!"

However, Song Hanyu shook his shoulder and shook Wiliam's hand away.

She looked at Wiliam very seriously, took a deep breath, and said, "Wiliam, you really don't know, what does it mean to relieve my cold water and cold gold?"

She did not wait for Wiliam to answer, and continued: "For me, it means that I have a new life, and I will no longer be cast aside by others in the future! I can live more self-esteem! For the whole Jinyu Volley, it means Zongmen has another young powerhouse with innate pinnacles, and a few days later, it will be the days of the nine qualifying matches. The whole Zongmen will get a new destiny and opportunity because of your shot! It can be said that you take the lead, And the pattern of Nine Sects will change because of you!"

"Also! As far as you are concerned, you have cured me, it is not an exaggeration to describe it as a blockbuster! In the future, who dares to say that you are born with a waste of blood! Your level of medical skills, in the nine sects of the world, I am afraid that no one can match! As long as I release the message that you have cured me, you will be scrambled by thousands of people. Believe it or not! So, do you now understand what it means to heal me!"

Song Hanyu finished speaking in one breath, and analyzed the matter to Wiliam from all angles. It sounded really upsetting!

However, what puzzled Song Hanyu was that Wiliam's expression remained unchanged, and his mind seemed calm.

Wiliam smiled and resolutely helped Song Hanyu up this time.

He said: "What you said to me, in fact, there is only one thing that I care about."

"I heal your injury, it means only one thing to me, that is that you can live better in the future, nothing more."

Song Hanyu's mouth opened wide, looking at Wiliam in disbelief.

This young man, she couldn't see through it more and more!

A blockbuster, famous!

What a great opportunity, for ordinary people, especially for those who have crossed over, isn't it the thing that I've been pursuing for a lifetime!

He was just trying to make himself feel better?

How big should his pattern be!

Song Hanyu looked at Wiliam in a daze, but suddenly felt that he was not alone.

It is a virtuous unicorn that can wear clouds and broken jade at any time.

This young man is destined to be extraordinary!

"Aunt Song, I want to ask you one thing, except for Liu Yuntian, you don't need to pass on the matter of my treatment for you. As for how to explain your recovery, you should have your own way." Wiliam said lightly. , "I don't want to be worried about this incident. Just like the magic soldiers before, everyone is innocent and guilty."

Wiliam's words naturally had his considerations.

You can let Liu Yuntian know about this.

Or to be more precise, let the Seven Star Ferryman behind Liu Yuntian know.

In this way, he has more bargaining chips.

Song Hanyu immediately agreed. Following Wiliam's thoughts, she also smiled.

"If that's the case! Then I am not in a hurry to announce my recovery. The nine qualifying matches this time are the first battle I officially announced to return!"

Wiliam nodded. These things have nothing to do with him at present.

However, Wiliam thought of one thing.

Xu Tongyin's Can Jian Jiutian also chose to conceal the fact of his return.

Part of the reason should also be to announce the return of the nine sects in qualifying, and by the way, give some surprises to the other sects.

If so, the nine qualifying matches this time will be interesting.

The Shuangjiao who had thought that both of them had fallen, unexpectedly returned hand in hand this time, and fought again.

interesting!

If you have time, let's go and watch. It's not bad to be a melon-eating crowd.

At this time, a sound of breaking the wind came not far away.

Of course, the fastest is a slightly fat figure.

Liu Yuntian.

Song Hanyu was unable to control the state of recovery just now, and shattered the room, which naturally attracted the attention of outsiders.

Liu Yuntian saw Wiliam and Song Hanyu who were in the ruins, and rushed over, grabbing Song Hanyu's hand and asked nervously, "Hanyu, what's the matter? Were you attacked by an enemy just now, are you wrong? Wiliam Are you okay? Where is the enemy?"

Song Hanyu smiled and said: "A misunderstanding, let people retreat, let's go to your room."

Liu Yuntian glanced at Song Hanyu strangely, always feeling something strange.

Song Hanyu seems to have changed.

The same smile, it feels different from before.

However, he still dispersed the crowd, and the three of them came to Liu Yuntian's room.

"Can you talk now?" Liu Yuntian asked immediately after closing the door.

"It was Wiliam who healed me just now, and then I accidentally broke the room by letting go," Song Hanyu said casually.

"Wiliam? Heal the wound?" Liu Yuntian didn't seem to know that Wiliam was carrying all sorts of mysteries.

He turned around and glanced at Wiliam, and said politely: "Wiliam, you have worked so hard. Alas, your Aunt Song is always unwilling, and sometimes it will be hard for others. You have nothing to do, don't you hurt you?"

Wiliam shook his head, "No problem."

Liu Yuntian seemed to be thinking of something. He pulled Wiliam aside and whispered: "Wiliam, don't blame Han Yu, I know she has lived without dignity in recent years, but this is something that there is no way. I have tried my best to find a famous doctor. Tomorrow I will make an appointment for an out-of-the-world genius doctor to come and see her. Alas, she has suffered for the past two years. In the future, she will see you again and make it difficult for you, so you can tell me, I will do it for you. You refuse."

Wiliam looked at Liu Yuntian amusedly, "President Liu, you have misunderstood."

Liu Yuntian immediately motioned to Wiliam to lower his voice.

He lowered his voice and said, "It's nothing, don't you think Aunt Song is very bitter. Sometimes when I am having fun, I will think that this is also a kind of providence. As a man, I am destined to cover her as a weak woman. You don't know. , When she was great before, tusk tusk! That scary, I can't be beaten at all times, without any backhand strength. Now this is good, she can't beat me, and the relationship between husband and wife is obviously much better. At home, it should be. It's up to the man!"

Wiliam's eyes became more and more weird. He looked at Liu Yuntian who was full of masculine aura and smiled and said, "Chairman Liu, then it's too early for you to say this."

Liu Yuntian just turned his head and met Song Hanyu's smiling eyes.

This look is very familiar!

This look is so painful! !
