

# Dragon Husband

## Chapter 1551

Wenren Tianqing heard a vicious smile flashing on his face, "It's so good! This is in line with my thoughts! That kid, it's not going to kill me to kill me so far!"

Wenren Tianqing is just a warrior who has just entered the Congenital Secret Realm, and his control of this realm is not very strong.

So he lost to Wiliam, feeling that the kid was completely lucky.

But Wenren Tianyi is different.

He has been in the Innate Secret Realm for more than a few years. In this realm, not to mention that he can fully control it, but he can do it with ease.

In Wenren Tianqing's heart, Wenren Tianyi confronts Wiliam, that kid will die!

And killing Wiliam is the best result!

Let others miss this kid!

By the way, the evil in my heart can be out!

The two went all the way to Yuntian Auction House.

On the way, Wenren Tianqing also asked: "You said, if we directly do it in the Yuntian auction house, will Liu Yuntian be upset?"

Wen Ren Tianyi sneered and said, "Liu Yuntian? Hoho, everyone is afraid of Liu Yuntian, but they are afraid of the mysterious power behind him. But think about it, who has actually seen the power behind him? There is no one at all."

"Moreover, others feared him before, in large part because his wife was one of the two arrogances. However, today is different. Song Hanyu has already become a waste, and it is not enough to be afraid. Even if Liu Yuntian is Jinyu Lingkong's deputy Sect Master, so what? Goldfish volleyed with Song Hanyu, but also missed the position of the nine sects. Now there is no Song Hanyu, and there is nothing to be afraid of. Even if we auction the action hands at Yuntian, do you think Liu Yuntian dares to be a Wiliam follower Are we fragrant flowers turning our faces?"

"Moreover, that kid is just a person who crossed over. What kind of foundation can he have here? Although he had two brothers by his side when he came, one joined the Imperial Guard and the other joined the Cloud Crossing Golden Dragon. But that So what? If it's just a personal act, the two of them might show up for the kid. But after joining the sect, they can't help themselves. We are not afraid of the imperial system, and the cloud golden dragon will do it like dust Does the kid offend us? It's impossible."

"Hahaha, my eldest brother is thoughtful, what he said is extremely true! With your words, I feel more relieved. This trip will kill the arrogant boy!" Wen Ren Tianqing laughed.

"After you go there, everything is up to me. Even if you have anger in your heart, you can't act rashly, do you understand?" Wen Ren Tianyi said again.

"That's natural, I must only be the eldest brother!" Wen Ren Tianqing said loudly.

The two soon came to Yuntian Auction House and met Liu Yuntian.

After Liu Yuntian learned that they were going to see Wiliam, he took them to a living room.

This living room is very large and empty, giving a lot of fragrant flowers and blood.

Seeing this scene, Wen Ren Tianqing twitched the corner of his mouth.

Sure enough, his elder brother guessed it.

It is not polite to Xianghua Lixue.

After Liu Yuntian took them to the meeting room, he said, "If you want to see Wiliam, I won't stay here to accompany you, so I will leave first."

After speaking, he walked directly outside.

## Dragon Husband 1551 Part 2

Wen Ren Tianyi is also very satisfied with the other's knowledge and interest.

It was a good game today, not bad.

When they raised their heads again, they saw Wiliam, who had been away for a long time, walked out of another small door and sat on a chair.

He took a good time to watch Wenren Tianyi and Wenren Tianqing. Wen Ren Tianyi also stepped forward and sat in the chair opposite him.

"Boy, you let us come over, we give you a face, come here in person, do you have any more requirements?" Wen Ren Tianyi said coldly.

The two elders came to call him back in person. This was an unprecedented treatment, a blessing that this kid had cultivated in a few lifetimes.

Wiliam smiled slightly, and said, "I said before that taking my disciple token, and returning it back is even more difficult."

"Just tell me, what are you trying to do." A trace of killing intent flashed in the depths of Wen Ren Tianyi's eyes, but he stopped it.

Wiliam moved his throat and poured a pot of water in front of him.

Aunt Song sends warmth, mortals can't hold it!

But this behavior seemed to Wen Ren Tianyi and the others, it was this kid who prepared the lion to open his mouth.

Sure enough, Wiliam drank the water and smiled and said, "It's easy to ask me to go back. You two kneel to me three times in front of the people of the Fragrant Flower Lixue Sect. You will say that Grandpa I am wrong in one worship. I can do that. Consider forgiving you for the despicable behavior you have done to me."

As soon as Wiliam's voice fell, Wen Ren Tianyi sneered, "Boy, let me finally advise you to stay on the sidelines so that you can meet each other in the future."

"Oh? So, you have no way to accept it?" Wiliam smiled.

"Ho ho, there are no outsiders here, I can tell you, it's wrong, we did everything we can to get rid of you before. Who makes you not know how to promote and refuse to be loyal to us." Wen Ren Tianyi said coldly.

"I don't think you dare to admit it yourself? I don't understand. What is the difference between being loyal to you and being loyal to the sect? When I entered the sect, naturally I was loyal to the sect." Wiliam asked puzzledly.

"Ho ho, they say that you are a smart person, so you don't understand at all. No matter, I'll be more blunt, and give you one last chance. Hesitate to do things after hearing the people Tiange, hesitate to be a kid. It's not suitable to be a kid at all. The lord of a sect, and my eldest brother, Yu Gong's words are stern and daring, Yu Si, he is the eldest brother of Wenren Tiange, he is the most suitable person to be the lord of the fragrant flower and blood! Boy, I advise you to abandon it as soon as possible. You may still have a day of flying yellow!" Wen Ren Tianqing said in a sigh of relief.

Wiliam's eyes widened, as if it was the first time he heard such words, and was very frightened.

But after a short while, Wiliam smiled, "Ho ho, your rebellious words were even said to be high-sounding! If this is heard by your suzerain, have you thought about the consequences?"

Wenren Tianqing showed a contemptuous look on his face, "Hmph, that would also require you to be able to spread these words alive today. Let me tell you the truth. The reason why I dare to say these words in front of you is because You only have two choices! The first choice is your loyalty to us, and we work together, so why don't you worry about it!"

"And the second choice, ho ho, dead people can't speak!"

It seemed that Wiliam would have known that Wiliam would not be loyal to them, Wen Ren Tianyi's body had already moved before Wen Ren Tianqing's voice was heard!

He took a tiger claw and took Wiliam's throat, which was close at hand!

It was a despicable and shameless sneak attack!

As if he had known it a long time ago, Wiliam backed away quickly, and even spit out hot phlegm.

"Finally I have a chance to vent! I'm suffocating me!"
