

Dragon Husband

Chapter 1557

However, none of the people at the scene dared to speak first, which made Liu Yuntian a little puzzled.

William patted Liu Yuntian on the shoulder and said, "I'll go and change clothes first."

As he said, he walked forward, not looking at everyone on the scene at all.

Liu Yuntian hurriedly followed, until he walked out the door, he wondered: "William, why is the scene so weird? They obviously have red eyes at you, looking like they are fighting to the end, but none of them say anything? what happened?"

William smiled slightly and said, "Because, the bargaining chip considered before is too low."

When Liu Yuntian opened his eyes, he understood in an instant!

is not that right!

The purpose of everyone's previous visits was half-trusted, and many came with doubtful purposes.

So even if they wanted to recruit William, it would definitely be an understatement or stop at it.

The situation is different now. They have seen William defeat the elder who has been famous for a long time!

Even smashed the nine strongest defensive soldiers!

So if they want to win William, they have to open their chips again.

The previous bargaining chips are simply shameless.

Speaking out will only laugh generously.

This is the reason why everyone dare not speak first. Everyone is watching to see who has opened what bargaining chip, so if you have a reference, you can continue to add more.

If William stayed at the scene, it would only make the atmosphere on the scene even more embarrassing.

He came out deliberately so that they could contact the sect immediately and find a way to deal with it.

Thinking of this, Liu Yuntian couldn't help but gave William a thumbs up.

So far-sighted.

You can think of any corners!

However, there was one thing he still didn't understand.

Since Wiliam played such a big game with Wenren Tianyi as a pawn, does he really want to join other sects?

This is not like Wiliam's character.

It would be a bit contradictory to think this way.

Why should he spend so much time and effort to let himself be sold?

However, Liu Yuntian did not ask Wiliam.

After all, this is Wiliam's personal affair.

Accompanied Wiliam back and changed into clean clothes, and the two went to the meeting room again.

Only when he first arrived at the entrance of the meeting room, Liu Yuntian was about to push the door, but he heard a voice not far away.

"President Liu, it's been a long time since I saw you."

Liu Yuntian turned around and looked around.

I saw five people slowly approaching.

The head was a young man with oily noodles, dressed in white and holding a white fan in his hand.

Just write the word "pretend to be" on the white fan.

Among the five, Wiliam knew one.

Qian Changhu.

The person who crossed with him.

It seems to have joined the Hero of Canglang.

It seems that this group of people are the heroes of Canglang.

Sure enough, Liu Yuntian whispered to Wiliam: "This is Wu Diancang, the Young Master of Canglang Hero."

After speaking, Liu Yuntian replied lukewarmly, "Sect Master Wu, it's been a long time since I saw you."

Wu Diancang walked slowly, with an arrogant look, and said with a smile: "You come here uninvited this time, you won't blame me."

"The visitor is a guest, and I probably also know the purpose of your coming." Liu Yuntian was too lazy to talk nonsense.

1557 Part 2

Wu Diancang's identity is nothing in his eyes.

Not to mention Wu Diancang, the young master, who is the master of Canglang, Liu Yuntian also ignored him.

Wu Diancang also knew that he couldn't pretend to be forceful in front of Liu Yuntian, and immediately said, "Junior came here this time to represent my father, that is, the identity of the hero of the Canglang Sect Master."

He is adding a drama to himself.

"You came here also for Wiliam?" Liu Yuntian asked lightly.

"Exactly!" The fan in Wu Diancang's hand united gracefully and looked at Wiliam.

"It seems that you are the Wiliam who has been making a lot of noise this time?" Wu Dian said to Wiliam faintly.

Wiliam nodded without speaking.

Wu Diancang looked at Wiliam, feeling even dismissive in his heart.

It's totally unremarkable.

That's how it looks, and it's far from me.

I really don't know why my father attaches so much importance to such a hairy boy.

Wu Diancang looked at Qian Changhu behind him.

Qian Changhu nodded slightly.

This time, it was Qian Changhu who was struggling to come here.

Originally, the Hero of Canglang only sent one elder with the lowest ranking to find out.

But Qian Changhu heard about this and felt that there was a lot of mystery in it.

So he quickly reported to the elders in the family, he always felt that Wiliam was absolutely extraordinary.

After all, he was brutally abused by Wiliam from his body to his mind at the Yuntian Auction House last time, and he never dared to look down upon Wiliam again.

Qian Changhu felt that Wiliam had such a good relationship with Liu Yuntian, and even Liu Yuntian valued Wiliam so much. It must be because Wiliam had some abilities he didn't know.

And this time the Nine Sects Qualifying Tournament is the most important thing for them, and they must not be underestimated.

With the idea that they would rather believe what they have, Qian Changhu and others persuaded the suzerain to make the suzerain pay attention to this Wiliam.

The Sovereign of the Canglang Hero is also a resolute hero. Upon hearing this, he made a decisive decision and immediately sent his son to come here in person, ready to persuade Wiliam to join the Canglang Hero.

However, it is estimated that even Wu Diancang could not have imagined that the matter had already reversed completely beyond their imagination.

The current situation is completely different from before.

Wu Diancang only thought that Wiliam was a fame and fisherman, and he didn't pay much attention to it.

And he didn't think that this kid's attitude was still so cold, and he seemed to be ignorant of praise.

Wu Diancang said to Wiliam: "Wiliam, I heard Qian Changhu say that you are an excellent talent. You must have heard of us, the hero of Canglang, the strongest under Nine Sects. No, after the Nine Sects qualifying, we I will definitely be among the nine. The purpose of my coming is very simple. Let you join us in the great cause, so why not be happy."

The tone of his speech was completely imperative.

Wiliam smiled slightly, there are so many people in this world with brain-disabled people.

"Let's go in first." Wiliam said to Liu Yuntian, not planning to talk to Wu Diancang.

However, Wu Diancang was annoyed by these words in an instant, stopped Wiliam with one hand, and his face became not so pretty.

"Boy, don't be ignorant of praise! As I said just now, I'm here on behalf of the sect master to invite you to join us! This is the blessing that you have cultivated throughout your life! People, we Canglang Heroes are still willing to accept them regardless of the predecessors. We have already demonstrated our generosity. Is there anything else you can't agree with?" Wu Diancang managed to endure his anger, and said as plainly as possible.

However, Wiliam smiled.

He put his hand on the door and pushed it open.

A pair of hungry eyes were exposed inside the door.

"Come on, come in and say these words again." Wiliam stepped in and said to Wu Diancang behind him.
