

# Dragon Husband 1561 Part 1

Chapter 1561

Even Liu Yuntian was a little uneasy.

The bargaining chips at the scene were enough to drive Jiu Zong crazy.

But Wiliam just said nothing, as if he wasn't satisfied with these chips.

That tangled in Liu Yuntian's heart.

Even if Wiliam had the monstrous ability, even if someone who was not inferior to the elder Dugu Hongshi appeared, he would not necessarily be able to ascend to the sky in one step and reach the position of elder.

Liu Yuntian knew that Wiliam was now a rare commodity and was waiting to be sold, but he was worried that Wiliam would have gone too far by doing this.

Don't wait until the price is unsuccessful, and instead arouse the anger of the people at the scene.

Nine cases resisted, and the scene felt sour after thinking about it.

So Liu Yuntian couldn't help but gently pulled Wiliam's arm, and whispered: "Wiliam, just say what you think."

Wiliam looked around at the people around him, and then he said, "First of all, thank you all for showing your love to Lu. Wiliam is flattered and really can't afford your bargaining chips. Your kindness, I will remember it in my heart."

One sentence made everyone at the scene confused.

Is it possible that this kid doesn't plan to participate in the nine qualifying matches, intends to give up this opportunity to become famous in the world?

But Wiliam changed his words and said, "I will participate in the nine qualifying matches. As for the sect to join, I haven't decided yet. Please allow me to think about it for a day. How about?"

The people at the scene came back to their senses. It turned out that Wiliam couldn't digest so much Fuze all at once, so he planned to spend a day slowly thinking about it.

This is right, this is human nature.

Imagine that if an unknown boy gets so much favor at once, he will be confused anyway. It is fake to say that he doesn't move.

With that said, the nervous look on everyone's faces gradually eased.

The corner of Su Hong's mouth was hooked, revealing a breathtaking smile, and the voice of Yu Jie sounded again, "Okay, then I will wait for you one day. I hope I can get your answer at this time

tomorrow, little brother, don't let anyone else." Disappointment, when they go back, they will make a splendid bed, lay down the mandarin duck quilt, and wait for you to be turned into a red wave."

After speaking, she took the lead to leave the living room.

Her words are full of her daughter's shyness, but her behavior is not like a woman.

Others also gave their hands to Wiliam and left the drawing room.

Wu Diancang looked at Wiliam with complicated eyes, for a moment he didn't know what to say.

But he could only go back quickly and report to his father what happened today, thinking about how to use the gap of this day to reconnect with Wiliam.

In the end, only one person remained.

Su Emei.

Su Emei was drinking tea in his spare time, and Wiliam told Liu Yuntian to go out first.

When they were the only two, Su Emei put down his teacup and looked at Wiliam jokingly, "Wiliam, you are such a masterpiece, the people of the Nine Sects are in your grasp."

Wiliam smiled slightly, "You are polite, if you let Lin Jiang come, it will be the same."

Su Emei nodded, she was extremely convinced of this.

"Don't worry, you promised one family and offended the others?" Su Emei asked again.

Wiliam smiled but didn't say a word. Obviously, he had thought about it, "Let's talk about business."

## 1561 Part 2

Su Emei put her smile away and said: "Lin Jiang is in retreat this time, and it is a critical period, so he has no way to participate in the nine qualifying matches."

An export is an explosive news.

Wiliam frowned slightly, feeling a little regretful in his heart.

Wouldn't it be so easy to want to learn from your second brother once?

Is it a critical period of retreat?

It seems that I have been improving, and my second brother hasn't been able to pull it down at all.

Just don't know what realm he will reach after retreat.

But Wiliam had absolute confidence in himself.

During this period of time, he experienced Luo Tian Mikong's quenching chain, and the baptism of peach blossom resentment, Long Live Demon Lotus has also evolved again, and all the opportunities are rare in a lifetime.

When Lin Jiang left the customs, Wiliam didn't worry about falling behind.

"Lin Jiang left an idea and two words before retreating, saying that he wants to convey it to you." Su Emei twisted his eyebrows, obviously because he hadn't fully understood Lin Jiang's thinking.

"Say those two words first." Su Emei looked at Wiliam and said, "The two words are thank you."

thanks?

After a brief consternation, Wiliam suddenly smiled.

"So, you're welcome." Wiliam replied.

This time it was Su Emei's turn to widen his eyes, "What the hell! What the hell! What the hell are you two talking about! I have been thinking about it for so many days and I can't figure it out, you will understand it! What the hell!"

Su Emei was obviously going crazy.

She prides herself on being a smart person.

But when she met Lin Jiang, she felt her IQ was beaten.

Now there is still a monster of the same level, and she feels that she is just a scum.

One said thank you and the other said you were welcome.

What the hell is it!

Wiliam smiled slightly, "You don't need to understand. I just have to receive this signal. Let me say a second thought. It should be the thing you just said."

Su Emei scratched his heart, stared at Wiliam fiercely, "I don't bother to pay attention to you monsters! The second thing is to get your wife here or something."

When she talked about business matters, her expression gradually became serious, "We have one thing in the imperial system that can travel to and from the mainland, but can only go back and forth, and can only be opened once a year, and can only carry three or four people at a time. Lin Jiang had already told the Sect Master before the retreat, you can just come to me directly when you want to go back."

Wiliam nodded, "Okay, I understand."

"Are you not curious about what baby this is?" Su Emei's eyes widened again.

This kid seemed to feel calm and breezy about everything, what else could shock him?

Wiliam smiled, but said nothing.

If it was before, he would be curious.

But his current Long Live Demon Lotus contains the power of space in itself.

There are no wonders in the world, and it is normal for Yushizhi to have a baby who can travel through space.

“Then when are you going back?” Su Emei couldn’t hold back anymore and asked.

“Wait for the end of the Jiuzong qualifying.” Wiliam finally smiled at the thought of being able to meet Fengxue again and avoid the pain of lovesickness in the future.

In such a big world, it is estimated that only the wind and snow can make him laugh like a dog.

“Well, whatever you want. By the way, which sect will you participate in this nine-sect qualifying match? Wouldn’t it be our imperial system? Wow! I thought about it, Lin Jiang would like to say thank you, You are welcome! Does this mean that Lin Jiang invited you to join Yushizhiren, and you agreed, so he said thank you, you said you are welcome!” Su Emei suddenly had a flash of lightning in his head. The feeling of initiation made the whole person excited.

The more she thought about it, the more she felt it was possible, her face flushed red!

However, Wiliam poured down a basin of cold water, his heart was so cool, his heart was flying, “Thinking too much is a disease, we need to treat it!”
