

# Dragon Husband 1565 Part 1

Chapter 1565

The air seems to be frozen!

If you hear people's love, it is like a thunder, and the people at the scene are numb!

Obviously, just now I just asked Wiliam to verify, how come I reversed it all of a sudden!

Moreover, Wenren Qingqing's face at the moment, let alone how vivid it is.

It contains various emotions.

Even Wen Ren Tianyi, as the person involved, froze all of a sudden.

How can it be!

impossible!

Wenren Tianyi jumped up as if he had been stepped on the tail of a dog, "You dare to slander me when you step on a horse! You are looking for death!"

Having said that, we must deal with Wenren with affection.

Wenrenqing is not evasive, with a trace of determination and contempt on his face.

A person has appeared before her.

Wenren loved.

Wen Renqing finally stood up for the first time.

Stood in front of her sister.

If there is anyone who can make Wen Ren Tianyi scrupulous at this moment, only Wen Ren will fall in love with him.

After all, Wen Renqing thought that she was the young master appointed by Lady Peach.

As an elder Wenren Tianyi, the primary task is to be loyal to Wenren.

If Wenren Tianyi dared to deal with Wenren at this time, no matter if he was right or wrong before, it would be a death penalty now.

Wenren Tianyi didn't dare to take this risk!

His hands were in the air, and his expression was ugly.

"Elder Wen Ren, why did you lose your breath so quickly? Did you get poked into the secret in your heart?" Wen Ren said with a cold face.

"You! You!" Wen Ren Tianyi took two steps back, frustrated, but could not speak.

"Qingqing, what you just said, but it's true!" Wenren Tiange couldn't help it now, and asked directly.

"Fart! Sovereign, we brothers, we have been together for so many years, don't you believe my loyalty to Xianghua! I know, it must be Wiliam who spread these false information wildly after I left. Want to provoke discord! It must be like this!" Wen Ren Tianyi said loudly.

However, the people on the scene looked even more weird.

Is this a reason?

It seems reasonable.

But it can't stand any scrutiny at all.

What Wenren Qingqing said just now was the elders of various sects!

It doesn't matter if a single Wiliam can spread the message to the various sects, and can spread it into the eyes and ears of the elders, so that they can believe it?

This is a bit of a bullSh\*t.

It's not something that Wiliam can do alone!

Even Wenren Tianyi spread false information by himself, but he couldn't do this.

So if all the elders can believe and can testify, there is only one result.

That is what they see is believing!

"Wait for two minutes." Wenren Tiange's face was sinking, and he took out his mobile phone.

He naturally asked the sect masters of other sects.

Two minutes later, he hung up the phone.

His face became extremely pale.

In these two minutes, he asked the masters of the four sects.

The result was the same message. Wen Ren Tianyi did say something that the rebellion wanted to rebel in full view.

Several sect masters have said so, is that still false?

## Dragon Husband 1565 Part 2

“Wen Ren Tianyi, Wen Ren Tianqing, what else do you want to say!” Wen Ren Tiange sighed, as if he had made a decision in his heart, he asked the two of them.

Wen Ren Tianyi’s body trembled fiercely.

As calm as him, at this moment he also began to feel confused.

He didn’t know what went wrong!

At that time, he was only threatening Wiliam and wanted him to see the situation clearly before saying those words.

But why are those words heard by others!

It must be Wiliam!

Damn Wiliam, he must have moved something behind his back!

Wenrenqing and Wenrenqin looked at each other, and suddenly there was a feeling of aura.

Gifts.

Is this a gift from Wiliam to their sisters?

Wiliam had already seen the fighting inside Xianghua’s blood, so he helped them find the most critical and deadly evidence.

At this time, the wings of Wenren Tianyi and Wenren Tianqing are not yet full, and if Wenren Tiange turns against each other, there is a certainty of victory.

Even Wiliam’s destruction of the Minghuang Earth Tower was also weakening the strength of the two.

Imagine that there are two people now, one has the strongest accompaniment magic weapon, and the other is like a waste person.

Wiliam, Wiliam.

You are really well-intentioned, silently plucking out the deepest and hardest two thorns for us.

Does this mean you still have feelings for Fragrant Flowers?

“Come here, catch them for me!” Wen Ren Tiange ordered directly when the two brothers were silent.

Now that he has made up his mind, there is no room for turning back.

As long as it is now, there is no way to turn back.

Wen Renqingqing has brought out the evidence. If he still indulges the two of them, does his suzerain still have the prestige?

Wen Ren Tianyi wanted to resist, but suddenly realized that several strong men’s energies had already locked him.

Many of them have stood on the united front with them before.

The wall fell down and everyone pushed.

Everyone sees the situation clearly, so what those people can do is to quickly separate the relationship with these two people.

Even direct shots are not hesitating.

This is the only way for them to stay in Xianghua and drain their blood to continue to enjoy the blessing.

Wen Ren Tianyi's head banged, and suddenly he laughed miserably.

"Ho ho ho, you people! You are so hypocritical! I've long seen you upset! One by one! It's all useless! All are the masters of the rudder! Even, you are not worthy of being my enemy! "Wenren Tianyi seems to have completely abandoned himself.

He said madly, "Wrong! I just want to be the Sect Master of Fragrant Flowers! Is this wrong! Well, there is nothing I can say about winning or losing! But there is a word, you give me something to say! I remember!"

Wen Ren Tianyi's eyes swept over everyone, and he sneered: "I still look down on you! I lost today, but not in your hands! I lost to the man named Wiliam!"

"Wait! That Wiliam can bring me down and trample the whole fragrant flower under my feet!"

As he said, he laughed more frantically.

"Grab it for me, take it with you! I'll come to inquire afterwards!" Wenren Tiange seemed to have his last face torn apart, and he was furious.

"Immediately deprive these two rebellious officials and thieves of their eldership!"

"Wen Ren Qingqing is good at gathering evidence, if everyone has any opinions, she will take over as the elder who has made a lot of effort!"

A series of commands were spoken from the Sect Master's mouth without hesitation.

It is not true that Wenren Tiange is incompetent.

He is just indecisive.

Now that the strong man broke his wrist, he quickly adjusted his direction and promoted his own person for the first time.

My two daughters, one is the Young Sect Master and the other is the Elder. They will never go against themselves and rebel again?

stable!

Everyone naturally has no opinions.

Just when the Zongmen went up and down into a pot of porridge, the doorman's notification came from outside the door.

"Enlighten the Sect Master, the Sect Master of the Hero of Canglang came to visit! He said there is something to discuss!"
