

Dragon Husband 1566 Part 1

Chapter 1566

The people at the scene were taken aback.

Under this juncture, why would the people of the Great Waves find him?

The people of Canglangzhixiong are not good things, especially Wu Qixiong, the suzerain of Canglangzhixiong.

Wenren Tiange frowned slightly, and then said to everyone: "You go back first, I'll see Wu Qixiong."

As he said, he still looked at the two sisters Wen Ren and Qing Xin in a seemingly non-existent manner, as if deliberately avoiding them.

Wenrenqingqing obviously also felt his father's gaze.

After they retreated, Wen Ren Qingqing asked: "Qingxin, do you think Wu Qixiong must be weird when he comes here at this time?"

"Sure." Wen Ren pinched his eyebrows intently, "but I feel that it doesn't matter."

Well, it feels great.

Wen Ren Qingqing spit out in his heart, and he was relieved.

She still feels like a dream now.

Within a few minutes, he directly overthrew the two elders, and somehow became the elders with a lot of blood.

This step is a bit big, and it's easy to get involved...

Pooh!

Hope everything is okay next.

Wen Renqingqing prayed silently, and then left the scene with Qingxin.

And Wenren Tiange sat in the living room, waiting for Wu Qixiong's arrival.

His mood is also extremely complicated.

I don't know if this step is right or wrong today.

Wu Qixiong cannot be underestimated.

After a second thought, a man with a tall stature and eyes like an eagle strode in.

As soon as he came in, he laughed and said, "Hahaha, Sect Master Wenren, long time no see, long time no see."

Wenren Tiange also politely said: "Yeah, it's been a long time. I don't know what the so-called Sect Master Wu is here?"

Wu Qixiong's face was full of smiles, and he said, "It's been a long time since I haven't seen it. Come and talk to Brother Wenren to tell me about the past."

The two of you came to me for several rounds, and finally got to the point.

Wu Qixiong pretended to be careless and asked: "Brother Wenren must be very upset if you want to come today, but I heard that your two elder brothers are very ambitious..."

He was very tactful, but his face was full of the word treason.

Wen Ren Tiange's face sank, and said: "This will not bother Sect Master Wu bothering, I have already dealt with it."

Wu Qixiong laughed and said, "Brother Wenren is really courageous. But there is another thing. I came here specially and wanted to ask for some advice."

Wenren Tiange secretly said in his heart that business is coming.

"Oh? I would like to hear the details." Wen Ren Tiange said pretending to be ignorant.

"I won't go around the circle anymore. This time I came here for the abandoned disciple, Wiliam." Wu Qixiong said directly.

"Oh? What happened to him? Did he make Sect Master Wu upset? It's a pity that he is no longer my disciple, and I can't discipline him." Wenren Tiange is well versed in excuses. , Still treated as not knowing.

"Hoho, let's just know that people don't talk secretly. I must have heard what happened today. Brother Renren will also know. I lost my face over there. Wiliam will definitely not join us. , As for your fragrant flowers, ho ho, the two elders and Wiliam have forged a big feud, Wiliam will never return to the fragrant flowers." Wu Qixiong said meaningfully.

1566 Part 2

Wen Ren Tiange still showed a faint smile, "Really? Then I don't know what Sect Master Wu has suggestions?"

"The suggestion is very simple. You also know me. What can't be used by me is the enemy. Especially this Wiliam, who has been too sharp recently. If he participates in the nine qualifying matches, he will definitely It will be a different kind of existence. Since he can't join our two sects, can we think of a way to prevent him from joining other sects." Wu Qixiong seems to have considered it a long time ago.

Wenren Tiange frowned.

This Wu Qixiong is too public.

Such a wicked thing, as the lord of a sect, even said it grandiosely.

But Wenren Tiange also had to admire Wu Qixiong's mannerism, vigorous and resolute, the villain should be clear and straightforward.

"So, are you planning to deal with Wiliam?" Wen Ren Tiange asked tentatively.

In fact, he also had this idea faintly in his heart, but after all, it was too gloomy and not in line with the temperament of the suzerain, so he didn't raise it.

If Wiliam can be prevented from participating in the nine qualifying matches, then this X factor can be completely eliminated.

Fragrant Hua's blood to keep the position of the nine sects is a bit more odds of winning.

"Hahaha, it's not me, it's us." Wu Qixiong looked at Wenren Tiange, seeming to see through his mind, and said directly.

"What do you mean?" Wenren Tiange's heart beat fiercely.

"I plan to unite several sects to assassinate Wiliam!" Wu Qixiong went straight in, a trace of insidiousness flashed in the depths of his eyes.

Wenren Tiange got goose bumps all over her body.

This is too cruel!

When Wen Ren Tiange came up with this idea, he was just thinking about hurting Wiliam so that he would not be able to participate in the competition.

Wu Qixiong was ruthless enough to get it right in one step, thinking about assassinating people!

If this matter were to be spread out, wouldn't it be a shame for the nine sects!

Wenren Tiange suddenly hesitated.

"I know what Brother Wenren is worried about, but I'm a villain. You only need to be a few masters, and you don't need to reveal your identity. Let us bear the other charges, so do you have any concerns?" Wu Qixiong hit the heart of Wenren Tiange all at once.

He took a deep breath, this temptation is a bit big.

It can also prevent Wiliam from participating, and he doesn't have to bear any charges against Xianghua.

It's really beautiful.

He thought for two full minutes, and finally said gloomily, "Which other sects did you mention?"

Wu Qixiong smiled, as if he had achieved what he wanted.

He said meaningfully: "It's not annoying to worry about people. Since I promised to bear all the charges, I will naturally not speak out about the other sects. Everyone is treated equally, so it's fair to other sects. I can only do this. Let me tell you, this time Wiliam is dead or not!"

The atmosphere at the scene suddenly solidified!

Wen Ren Tiange greeted Wu Qixiong's eighteenth generation ancestors in his heart.

This old fox!

Waiting here!

Wu Qixiong's remarks seemed fair to every sect, and he was protecting the darkest secrets of every sect.

But there is a sinkhole waiting inside.

What if there are no other sects to send people, don't you know?

What if he also fooled the various sects in this way, with a hammer from the east to the west, everyone reached an agreement in this weird atmosphere?

Wu Qixiong is equal to the empty glove white wolf, playing all the sects in his hands.

Seeing Ren Tiange frowning, Wu Qixiong smiled again, "How? Do you want to do it?"

In the end, Wenren Tiange hardened his heart, "Go!"

"Hahahaha! That's the deal! At three shifts tonight, you send three congenital secret realm warriors, black clothes and masks, to gather at the edge of the Yuntian auction house!" Wu Qixiong laughed, his eyes gradually cold.

"Tonight, I'm going to smash that kid into pieces!"
